

# Israel Map 1948 To 2020

**Chris Conti**

**The Politics of Maps** Christine Leuenberger, Izhak Schnell, 2020 Blending science and technology studies, sociology, and geography with a host of archival material and gorgeously produced maps, *The Politics of Maps* explores how the geographical sciences came to be entangled with the politics, territorial claim-making, and nation-state building of Israel/Palestine.

**Palestine Memories of 1948** Chris Conti, 2021-05-14 Seventy-one years ago, in 1948, the Nakba—the catastrophe—overturned life in Palestine, forcing three-quarters of Palestinians into exile, depriving them of their land, their homes, their belongings. Today, those who can bear witness to that period are becoming rare. From different social backgrounds, 19 men and women remember the coexistence that prevailed in Palestine, the war, the exile, as well as the strength and resilience which they had to muster to adapt to new realities. Life stories expressed in the first person are accompanied by black and white portraits where each look questions the coming generations. For every Palestinian, Jerusalem is charged with symbolic meaning, of identity and of remembrance, the more so because it has become inaccessible to most. The city is made the focus of a compilation of color photographs presented for a contemporary look, between shadow and light.

Mapping Israel, Mapping Palestine Jess Bier, 2017-06-30 Digital practices in social and political landscapes: Why two researchers can look at the same feature and see different things. Maps are widely believed to be objective, and data-rich computer-made maps are iconic examples of digital knowledge. It is often claimed that digital maps, and rational boundaries, can solve political conflict. But in *Mapping Israel, Mapping Palestine*, Jess Bier challenges the view that digital maps are universal and value-free. She examines the ways that maps are made in Palestine and Israel to show how social and political landscapes shape the practice of science and technology. How can two scientific cartographers look at the same geographic feature and see fundamentally different things? In part, Bier argues, because knowledge about the Israeli military occupation is shaped by the occupation itself. Ongoing injustices—including checkpoints, roadblocks, and summary arrests—mean that Palestinian and Israeli cartographers have different experiences of the landscape. Palestinian forms of empirical knowledge, including maps, continue to be discounted. Bier examines three representative cases of population, governance, and urban maps. She analyzes Israeli population maps from 1967 to 1995, when Palestinian areas were left blank; Palestinian state

maps of the late 1990s and early 2000s, which were influenced by Israeli raids on Palestinian offices and the legacy of British colonial maps; and urban maps after the Second Intifada, which show how segregated observers produce dramatically different maps of the same area. The geographic production of knowledge, including what and who are considered scientifically legitimate, can change across space and time. Bier argues that greater attention to these changes, and to related issues of power, will open up more heterogeneous ways of engaging with the world.

*Disappearing Palestine* Jonathan Cook, 2013-04-04 Palestine is fast disappearing. Over many decades Israel has developed and refined policies to disperse, imprison and impoverish the Palestinian people in a relentless effort to destroy them as a nation. It has industrialized Palestinian despair through ever more sophisticated systems of curfews, checkpoints, walls, permits and land grabs. It has transformed the West Bank and Gaza into laboratories for testing the infrastructure of confinement, creating a lucrative 'defence' industry by pioneering the technologies needed for crowd control, surveillance, collective punishment and urban warfare. In this insightful and authoritative new book, leading journalist Jonathan Cook examines the many different guises in which these experiments on the Palestinians are being carried out. Accessible and comprehensive, this is a powerful analysis of one of the most enduring and entrenched conflicts in contemporary world politics.

**Conflict over the Conflict** Kenneth S. Stern, 2020-05-13 The Conflict over the Conflict offers a unique view of the threat to free speech, academic freedom, and the future of the academy posed by those on both sides of the Israel/Palestine campus debate.

*A Threshold Crossed* Omar Shakir, 2021 The widely held assumption that the Israeli occupation of Palestinian territory is a temporary situation and that the 'peace process' will soon bring an end to Israeli abuses has obscured the reality on the ground today of Israel's entrenched discriminatory rule over Palestinians. A single authority, the Israeli government, rules primarily over the area between the Jordan River and Mediterranean Sea, populated by two groups of roughly equal size, methodologically privileging Jewish Israelis while repressing Palestinians, most severely in the Occupied Palestinian Territory (OPT), made-up of the West Bank, including East Jerusalem, and Gaza. Drawing on years of human rights documentation, case studies and a review of government planning documents, statements by officials and other sources, [this report] examines Israel's treatment of Palestinians and evaluates whether particular Israeli policies and practices in certain areas amount to the crimes against humanity of apartheid and persecution.--Page 4 of cover.

**U.S. Foreign Aid to Israel** Jeremy M. Sharp, 2010-10 Contents: (1) U.S.-Israeli Relations and the Role of Foreign Aid; (2) U.S. Bilateral Military Aid to Israel: A 10-Year Military Aid Agreement; Foreign Military Financing; Ongoing U.S.-Israeli Defense Procurement Negotiations; (3) Defense Budget Appropriations for U.S.-Israeli Missile Defense Programs: Multi-Layered Missile Defense; High Altitude Missile Defense System; (4) Aid Restrictions and Possible Violations: Israeli Arms

Sales to China; Israeli Settlements; (5) Other Ongoing Assistance and Cooperative Programs: Migration and Refugee Assistance; Loan Guarantees for Economic Recovery; American Schools and Hospitals Abroad Program; U.S.-Israeli Scientific and Business Cooperation; (6) Historical Background. Illustrations.

*Hollow Land* Eyal Weizman, 2012-08-07 How does Israel extend its control over Palestinian lands? From the tunnels of Gaza to the militarized airspace of the Occupied Territories, Eyal Weizman unravels the mechanisms of control and how they have transformed Gaza and the West Bank into a war zone. This is essential reading for understanding how architecture and infrastructure are used as lethal weapons in the formation of Israel. In this new edition, Weizman explains how the events following the invasion of Gaza in October 2023 bear witness to the continuing policies of oppression. He details how this book became a foundational text for Forensic Architecture.

**The Founding of Israel** Martin Connolly, 2018-04-30 A chronological history of the Jewish people—from the earliest attempts to establish a homeland during Biblical times to the creation of Israel. More than seventy years ago in 1948, the State of Israel came into being amidst great controversy. How did the state arise? What led to the founding of Israel? This book sets out to give a chronological journey of the Jewish people from the time Abraham came out of the land of Ur three thousand years ago, until six million of them died in the horror of the Holocaust under Hitler and his Nazi regime. It recounts the many expulsions from the land in which they lived, the suffering under Babylonians, Greeks, Persians, the destruction of their temple in Jerusalem in 70 AD, and finally, genocide and the expulsion by the Romans in 132 AD creating a diaspora across the world. The Jews would be charged with killing God and throughout the following centuries would be expelled from countries, burned alive after being locked in synagogues or at the stake, have all their property seized, and get herded into ghettos. All of this until that fatal Holocaust, which attempted to wipe them from the face of the earth. This book recounts their story to achieve a homeland, using a wide-range of historical documents to tell the story of humiliation, suffering, poverty, and death. It tells of religious persecution that would not let them rest, and as their journey enters the twentieth century, gives a behind-the-scenes look at how governments manipulated the Middle East and exacerbated divisions.

*One Country* Ali Abunimah, 2007-08-21 A provocative approach to the Israeli-Palestinian conflict—one state for two peoples—that is sure to touch nerves on all sides The Israeli-Palestinian war has been called the world's most intractable conflict. It is by now a commonplace that the only way to end the violence is to divide the territory in two, and all efforts at a resolution have come down to haggling over who gets what: Will Israel hand over 90 percent of the West Bank or only 60 percent? Will a Palestinian state include any part of Jerusalem? Clear-eyed, sharply reasoned, and compassionate, *One Country* proposes a radical alternative: to revive an old and neglected idea of one state shared by two peoples. Ali Abunimah shows how the two are by now so intertwined—geographically and economically—that separation cannot lead to the security Israelis need or the rights Palestinians must have. He reveals the bankruptcy of the two-state approach, takes on the

objections and taboos that stand in the way of a binational solution, and demonstrates that sharing the territory will bring benefits for all. The absence of other workable options has only lead to ever greater extremism; it is time, Abunimah suggests, for Palestinians and Israelis to imagine a different future and a different relationship.

**The Ethnic Cleansing of Palestine** Ilan Pappé, 2007-09-01 The book that is providing a storm of controversy, from 'Israel's bravest historian' (John Pilger) Renowned Israeli historian, Ilan Pappé's groundbreaking work on the formation of the State of Israel. 'Along with the late Edward Said, Ilan Pappé is the most eloquent writer of Palestinian history.' NEW STATESMAN Between 1947 and 1949, over 400 Palestinian villages were deliberately destroyed, civilians were massacred and around a million men, women, and children were expelled from their homes at gunpoint. Denied for almost six decades, had it happened today it could only have been called 'ethnic cleansing'. Decisively debunking the myth that the Palestinian population left of their own accord in the course of this war, Ilan Pappé offers impressive archival evidence to demonstrate that, from its very inception, a central plank in Israel's founding ideology was the forcible removal of the indigenous population. Indispensable for anyone interested in the current crisis in the Middle East. \*\*\* 'Ilan Pappé is Israel's bravest, most principled, most incisive historian.' JOHN PILGER 'Pappé has opened up an important new line of inquiry into the vast and fateful subject of the Palestinian refugees. His book is rewarding in other ways. It has at times an elegiac, even sentimental, character, recalling the lost, obliterated life of the Palestinian Arabs and imagining or regretting what Pappé believes could have been a better land of Palestine.' TIMES LITERARY SUPPLEMENT 'A major intervention in an argument that will, and must, continue. There's no hope of lasting Middle East peace while the ghosts of 1948 still walk.' INDEPENDENT

*A Map of Absence* Atef Alshaer, 2019-05-13 *A Map of Absence* presents the finest poetry and prose by Palestinian writers over the last seventy years. Featuring writers in the diaspora and those living under occupation, these striking entries pay testament to one of the most pivotal events in modern history - the 1948 Nakba. This unique, landmark anthology includes translated excerpts of works by major authors such as Mahmoud Darwish, Ghassan Kanafani and Fadwa Tuqan alongside those of emerging writers, published here in English for the first time. Depicting the varied aspects of Palestinian life both before and after 1948, their writings highlight the ongoing resonances of the Nakba. An intimate companion for all lovers of world literature, *A Map of Absence* reveals the depth and breadth of Palestinian writing.

Be Strong and of Good Courage Dennis Ross, David Makovsky, 2019-09-03 Modern Israel's founding fathers provided some of the boldest and most principled leadership of any nation--now Israel needs their example more than ever. Modern Israel's founding fathers provided some of the boldest and most principled leadership of any nation. Now Israel needs their example more than ever. At a time when the political destiny of Israel is more uncertain than at any moment since its modern founding, *Be Strong and of Good Courage* celebrates the defining generation of leaders who took on the task of safeguarding

the country's future. David Ben-Gurion, Menachem Begin, Yitzhak Rabin, and Ariel Sharon were all present at the creation of the new nation in 1948. Over the next sixty years, each experienced moments when the country's existence was directly imperiled. In those moments, Israel needed extraordinary acts of leadership and strategic judgment to secure its future, and these leaders rose to the occasion. The strength they showed allowed them to prevail. Today, Israel may be on the verge of sacrificing the essential character that its greatest citizens fought to secure. This is the story of that epic struggle.

Israel Demography, 2004-2020, in Light of the Process of Disengagement Arnon Sofer, Evgenia Bystrov, 2005

Treacherous Alliance Trita Parsi, 2007-10-01 This award-winning study traces the shifting relations between Israel, Iran, and the U.S. since 1948—including secret alliances and treacherous acts. Vitriolic exchanges between the leaders of Iran and Israel are a disturbingly common feature of the news cycle. But the real roots of their enmity mystify Washington policymakers, leaving no promising pathways to stability. In *Treacherous Alliance*, U.S. foreign policy expert Trita Parsi untangles the complex and often duplicitous relationship among Israel, Iran, and the United States from 1948 to the present. In the process, he reveals shocking details of unsavory political maneuverings that have undermined Middle Eastern peace and disrupted U.S. foreign policy initiatives in the region. Parsi draws on his unique access to senior American, Iranian, and Israeli decision makers to present behind-the-scenes revelations that will surprise even the most knowledgeable readers: Iran's prime minister asks Israel to assassinate Khomeini; Israel reaches out to Saddam Hussein after the Gulf War; the United States foils Iran's plan to withdraw support from Hamas and Hezbollah; and more. *Treacherous Alliance* not only revises our understanding of the recent past, it also spells out a course for the future. An Arthur Ross Book Award Silver Medal Winner A Choice Magazine Outstanding Academic Title

Waste Siege Sophia Stamatopoulou-Robbins, 2019-12-10 *Waste Siege* offers an analysis unusual in the study of Palestine: it depicts the environmental, infrastructural, and aesthetic context in which Palestinians are obliged to forge their lives. To speak of waste siege is to describe a series of conditions, from smelling wastes to negotiating military infrastructures, from biopolitical forms of colonial rule to experiences of governmental abandonment, from obvious targets of resistance to confusion over responsibility for the burdensome objects of daily life. Within this rubble, debris, and infrastructural fallout, West Bank Palestinians create a life under settler colonial rule. Sophia Stamatopoulou-Robbins focuses on waste as an experience of everyday life that is continuous with, but not a result only of, occupation. Tracing Palestinians' own experiences of wastes over the past decade, she considers how multiple authorities governing the West Bank—including municipalities, the Palestinian Authority, international aid organizations, NGOs, and Israel-rule by waste siege, whether intentionally or not. Her work challenges both common formulations of waste as matter out of place and as the ontological opposite of the environment, by suggesting instead that waste siege be understood as an ecology of matter with no place to go. Waste siege thus not only describes a stateless Palestine, but also becomes a metaphor for our besieged planet.

**After Zionism** Antony Loewenstein,Ahmed Moor,2024-01-18 'Nothing will change until we are capable of imagining a radically different future.' --Naomi Klein After Zionism brings together some of the world's leading thinkers on the Middle East question. In thought-provoking essays, the contributors dissect the century-long conflict between Zionism and the Palestinians, and explore possible forms of a one-state solution in the most conflicted part of the world. Time has run out for the two-state solution because of the unending and permanent Israeli colonisation of Palestinian land. The Hamas attacks of 7 October 2023 and Israel's subsequent devastation of Gaza have given renewed urgency to the discussion of how to move towards a future that honours the rights of all who live in Palestine and Israel. This timely edition includes a new preface as well as challenging and insightful essays by Omar Barghouti, Jonathan Cook, Joseph Dana, Jeremiah Haber, Jeff Halper, Ghada Karmi, Saree Makdisi, John Mearsheimer, Ilan Pappé, Sara Roy and Phil Weiss.

**1948** Benny Morris,2008-10-01 This history of the foundational war in the Arab-Israeli conflict is groundbreaking, objective, and deeply revisionist. Besides the military account, it also focuses on the war's political dimensions. Historian Morris probes the motives and aims of the protagonists on the basis of newly opened Israeli and Western documentation. The Arab side--where the archives are still closed--is illuminated with the help of intelligence and diplomatic materials. Morris stresses the jihadi character of the two-stage Arab assault on the Jewish community in Palestine. He examines the dialectic between the war's military and political developments and highlights the military impetus in the creation of the Palestinian refugee problem. He looks both at high politics and general staff decision-making and at the nitty-gritty of combat in the battles that resulted in the emergence of the State of Israel and the humiliation of the Arab world--a humiliation that underlies the continued Arab antagonism toward Israel.--Résumé de l'éditeur.

*The Israel-Palestine Conflict* James L. Gelvin,2007-10-02 The conflict between Israelis and their forebears, on the one hand, and Palestinians and theirs, on the other, has lasted more than a century and generated more than its share of commentaries and histories. James L. Gelvin's account of that conflict offers a compelling, clear-cut, and up to date introduction for students and general readers. Beginning in the mid-nineteenth century, when the inhabitants of Ottoman Palestine and the Jews of eastern Europe began to conceive of themselves as members of national communities, the book traces the evolution and interaction of these communities from their first encounters in Palestine through to the present, exploring the external pressures and internal logic that has propelled their conflict. The book, which places events in Palestine within the framework of global history, skillfully interweaves biographical sketches, eyewitness accounts, poetry, fiction and official documentation into its narrative, and includes photographs, maps and an abundance of supplementary material. Now in a revised edition, Gelvin's award-winning book takes the reader through the 2006 Summer War and its aftermath.

**Israel's Moment** Jeffrey Herf,2023-02-16 Israel's Moment is a major new account of how a Jewish state came to be

forged in the shadow of World War Two and the Holocaust and the onset of the Cold War. Drawing on new research in government, public and private archives, Jeffrey Herf exposes the political realities that underpinned support for and opposition to Zionist aspirations in Palestine. In an unprecedented international account, he explores the role of the United States, the Arab States, the Palestine Arabs, the Zionists, and key European governments from Britain and France to the Soviet Union, Czechoslovakia and Poland. His findings reveal a spectrum of support and opposition that stood in sharp contrast to the political coordinates that emerged during the Cold War, shedding new light on how and why the state of Israel was established in 1948 and challenging conventional associations of left and right, imperialism and anti-imperialism, and racism and anti-racism.

The Top Books of the Year Israel Map 1948 To 2020 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have captivated audiences this year. Israel Map 1948 To 2020 : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Israel Map 1948 To 2020 : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to

do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.

## Israel Map 1948 To 2020 Introduction

In today's digital age, the availability of Israel Map 1948 To 2020 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Israel Map 1948 To 2020 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Israel Map 1948 To 2020 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Israel Map 1948 To 2020 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Israel Map 1948 To 2020 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and

accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Israel Map 1948 To 2020 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Israel Map 1948 To 2020 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable

examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Israel Map 1948 To 2020 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Israel Map 1948 To 2020 books and manuals for download and embark on your journey of knowledge?

### **FAQs About Israel Map 1948 To 2020 Books**

1. Where can I buy Israel Map 1948 To 2020 books?  
 Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.

2. What are the different book formats available?  
Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Israel Map 1948 To 2020 book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Israel Map 1948 To 2020 books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Israel Map 1948 To 2020 audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Israel Map 1948 To 2020 books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
