Scott Allen Perry,Adam Mock,Doug Jones,Eric Curtis

Marcel Marceau Gloria Spielman,2011 Recounts the life and accomplishments of the master of mime.

Marcel Marceau, Master of Mime Ben Martin,1978 From the age of five, Marcel Marceau knew he wanted to be a silent actor, just like Charlie Chaplin. When World War II intervened, he joined the resistance, helping to get young Jews to safety during this dangerous time. But Marcel never forgot his dream of being a mime artist and entertaining the world.

Monsieur Marceau Leda Schubert,2012-09-04 Marcel Marceau, the world's most famous mime, enthralled audiences around the world for more than fifty years. When he waved his hand or lifted his eyebrow he was able to speak volumes without ever saying a word. But few know the story of the man behind those gestures . . . Distinguished author Leda Schubert and award-winning artist Gerard DuBois bring their own artistry to this gorgeously written and illustrated picture book biography. Monsieur Marceau is a Kirkus Reviews Best Children's Book of 2012

Mime Very Own Book Scott Allen Perry,Adam Mock,Doug Jones,Eric Curtis,2012-02-01 A hilarious visual smorgasbord, this vibrant photo narrative offers a quiet, introspective look into life as a silent emoter. Replete with images of actor and mime artist Doug Jones shot against an array of artistic and real-world backdrops, this social commentary spoofs pop culture and fairy tale favorites. Witty photo parodies include Frank 'n mime, Marilyn Mime-roe, Mime-hammad Ali, Mime a Llama ding-dong, and Mimeageddon, as well as the "Once Upon a Mime" tales in which the big bad wolf gets bested in a series of mime encounters based on Little Red Miming Hood and the Three Little Pigs—poking fun at legendary personalities, characters, and moments while showcasing photographer Eric Curtis's trademark vision.

Mime Spoken Here Tony Montanaro,Karen Hurll Montanaro,1995

Theatre of Movement and Gesture Jacques Lecoq,2006-08-31 Published in France in 1987, this is the book in which Lecoq first set out his philosophy of human movement, and the way it takes expressive form in a wide range of different performance traditions. He traces the history of pantomime, sets out his definition of the components of the art of mime, and discusses the explosion of physical theatre in the second half of the twentieth century. Interviews with major theatre practitioners Ariane Mnouchkine and Jean-Louis Barrault by Jean Perret, together with chapters by Perret on Étienne Decroux and Marcel Marceau, fill out the historical material written by Lecoq, and a final section by Alain Gaultre celebrates

the many physical theatre practitioners working in the 1980s.

Janusz Korczak's Children Gloria Spielman,2007-08-01 A biography of Janusz Korczak, who went to his death with the Jewish orphans in his care during the Nazi occupation of Poland in World War II.

Pimporello Marcel Marceau,1991 Pimporello, a disillusioned Italian street mime befriends Nina, a shy, frightened orphan. Each deceives the other with shattering consequences.

Modern and Post-modern Mime Thomas Leabhart,1989 Modern mime, which has emerged as a major art form has its roots in the theatre work of Jacques Copeau in Paris in the 1920s. Copeau looked for a remedy to the ills of the theatre of his day by turning to the golden age of Greek theatre, the Noh and Kabuki, and commedia dell'arte. Here Copeau found an emphasis on the expressive potential of the actor's whole body, rather than just the voice.

French Toast Sundays Gloria Spielman,2018 After the loss of her beloved grandmother, Mina finds solace in stories told by family and friends, but her grief is turned into joy when she surprises everyone with Grandma's famous French toast.

Beyond the Word Stefan Niedzialkowski,Jonathan Winslow,1993 In my 30 years of performing professionally...I have not spoken a single word as an actor, nor have I had the urge to do so. So writes international mime theater artist & teacher, Stefan Niedzialkowski, in this inside look at the mental & physical ingredients of an art form that communicates beyond the word. Marcel Marceau writes in the foreword: His words about mime...will be of interest to anyone who cares about mime, & they will be very important to young students. BEYOND THE WORD will guide those who are interested in...(the) creative process, as artist or as teacher. A must for mime artists, for dancers & actors who wish to delve more deeply into the art of movement. The approach is subtle, nuanced & sensitive, as befits the poetic art of mime. The secrets & mysteries of mime are suggested rather than explained through the use of analogies & anecdotes. The personality of the artist delicately colors the presentation...--Daniel Gerould, Professor at City University of New York. Marcel Mauss Marcel Fournier,2015-07-28 This book is the first intellectual biography of Marcel Mauss (1872-1950), the father of modern ethnology and a leading early figure in the French school of sociology. Mauss left a rich intellectual legacy in the social sciences, influencing the work of Claude Lévi-Strauss and others. His masterpiece, the 1925 essay *The Gift*, on reciprocity and gift economies among archaic societies, remains required reading in anthropology, and his work more broadly resonates today with students and scholars in fields from the history of religion to sociology. Mauss taught the first generation of French field researchers in anthropology and helped secure the legacy of his uncle, émile Durkheim, the founder of modern sociology. In *Marcel Mauss: A Biography*, Marcel Fournier situates Mauss's ideas in their biographical context, focusing not only on the details of Mauss's life but also on the people and the academic milieu with which he was associated in early twentieth-century France. He shows how Mauss--through his writings, teaching, and socialist politics--

found himself at the center of the intellectual and political life of his country and of Europe through two world wars. The book addresses, among other topics, the effect of the Dreyfus Affair and the First World War on Mauss's thought, and the inner dynamics of the group of scholars around Mauss and Durkheim at the journal they helped establish, *Année Sociologique*. The fruit of vast research, *Marcel Mauss: A Biography* is the life story both of a legendary scholar and of the institutionalization of sociology and anthropology.

Clowns Ezra LeBank, David Bridel, 2015-04-10 *Clowns: In Conversation with Modern Masters* is a groundbreaking collection of conversations with 20 of the greatest clowns on earth. In discussion with clown aficionados Ezra LeBank and David Bridel, these legends of comedy reveal the origins, inspirations, techniques, and philosophies that underpin their remarkable odysseys. Featuring incomparable artists, including Slava Polunin, Bill Irwin, David Shiner, Oleg Popov, Dimitri, Nola Rae, and many more, *Clowns* is a unique and definitive study on the art of clowning. In *Clowns*, these 20 master artists speak candidly about their first encounters with clowning and circus, the crucial decisions that carved out the foundations of their style, and the role of teachers and mentors who shaped their development. Follow the twists and turns that changed the direction of their art and careers, explore the role of failure and originality in their lives and performances, and examine the development and evolution of the signature routines that became each clown's trademark. The discussions culminate in meditations on the role of clowning in the modern world, as these great practitioners share their perspectives on the mysterious, elusive art of the clown.

Anthropology of the Performing Arts Anya Peterson Royce, 2004-05-05 Anya Peterson Royce turns the anthropological gaze on the performing arts, attempting to find broad commonalities in performance, art, and artists across space, time, and culture. She asks general questions as to the nature of artistic interpretation, the differences between virtuosity and artistry, and how artists interplay with audience, aesthetics, and style. To support her case, she examines artists as diverse as Fokine and the Ballets Russes, Tewa Indian dancers, 17th century commedia dell'arte, Japanese kabuki and butoh, Zapotec shamans, and the mime of Marcel Marceau, adding her own observations as a professional dancer in the classical ballet tradition. Royce also points to the recent move toward collaboration across artistic genres as evidence of the universality of aesthetics. Her analysis leads to a better understanding of artistic interpretation, artist-audience relationships, and the artistic imagination as cross-cultural phenomena. Over 29 black and white photographs and drawings illustrate the wide range of Royce's cross-cultural approach. Her well-crafted volume will be of great interest to anthropologists, arts researchers, and students of cultural studies and performing arts.

A Twenty Minute Silence Followed by Applause Shawn Wen,2017-07-11 Threading the subtle seam between what lives and what remains, *A Twenty Minute Silence Followed by Applause* succeeds in conjuring the poetry of Marcel Marceau's performance as both a character on stage and in history. . . . Like pulling a ghost from a dark room, this is an accomplished work of historical portraiture: precise in its objects, complex in its melancholy, and insightful in its humor. —Thalia Field Part biographic inquiry, part lyric portraiture, radio producer Shawn Wen reanimates world-renowned mime Marcel Marceau's silent art. The book opens in darkness, a single figure standing in the spotlight. It's Marceau in his signature hat, painted face, black clothes, and ballet slippers. Over time, the text accumulates objects: dolls, paintings, icons, wives, children, cities, and performances. By turns whimsical and melancholic, this spare volume takes shape through capsule histories, interview clips, vivid scenes, and archival research. Shawn Wen is a writer, radio producer, and multimedia artist. Her writing has appeared in *The New Inquiry*, *The Seneca Review*, *The Iowa Review*, *The White Review*, and the anthology *City by City: Dispatches from the American Metropolis* (Faber and Faber, 2015). Her radio work broadcasts regularly on *This American Life*, *Freakonomics Radio*, and *Marketplace*. She is the recipient of numerous fellowships, including the Ford Foundation Professional Journalism Training Fellowship and the Royce Fellowship.
