

Prohibiciones De Los Hijos De Obatal

José Lezama Lima, Virgilio López Lemus

Vudu y Paganismo Afrocaribeno Lilit Dorsey, 2006-09 A thoughtfully organized, comprehensive overview of the African diaspora religions. It is organized by each major division and includes details about the Gods and Goddesses, myths and practices. This is an excellent, easy to read, practical summary text including directed texts, films and recordings for further study.

La rareza José Lezama Lima, Virgilio López Lemus, 2019-11-15 *La rareza: cuentos completos, relatos, minicuentos y poemas narrativos* es la unión de seis cuentos clásicos, once textos con valores narrativos incluidos en los poemarios *La fijeza*, y *Aventuras sigilosas*, un capítulo formado por cuatro cuentos autónomos dentro de su extraordinaria novela *Paradiso*, y tres crónicas-relatos de *Tratados en La Habana* y *Analecta del reloj*. El osado conjunto aquí reunido muestra la capacidad de Lezama Lima para narrar más allá de sus dos novelas esenciales. El autor de *Paradiso* (1966), el gran poeta cubano José Lezama Lima (1910-1976) fue un narrador esencial. No solo se expresó con dos novelas (la segunda, inconclusa, *Oppiano Licario*, 1978, edición póstuma) y cinco cuentos. A lo largo de su obra en verso y prosa, se hallan otros varios textos narrativos, que poseen valor per se, autónomos. Los hemos agrupado en la *La rareza: cuentos completos*. Por vez primera, aparece la cuentística lezamiana completa, en su esplendor, no parcial. La presente edición cuenta con la venia de los herederos de José Lezama Lima.

Cuentos José Lezama Lima, Virgilio López Lemus, 1994

Hablan los santeros Tabaré Güerere A., 1993

CUENTOS 2a. Ed. ,

The Handbook of Yoruba Religious Concepts Baba Ifa Karade, 2020-04-01 An introduction to the spiritual source of the beliefs and practices that have so profoundly shaped African American religious traditions. Most of the Africans who were enslaved and brought to the Americas were from the Yoruba nation of West Africa, an ancient and vast civilization. In the diaspora caused by the slave trade, the guiding concepts of the Yoruba spiritual tradition took root in Haiti, Puerto Rico, Cuba, Brazil, and the United States. In this accessible introduction, Baba Ifa Karade provides an overview of the Yoruba tradition and its influence in the West. He describes the sixteen Orisha, or spirit gods, and shows us how to work with divination, use the energy centers of the body to internalize the teachings of Yoruba, and create a sacred place of worship.

The book also includes prayers, dances, songs, offerings, and sacrifices to honor the Orisha.

El Padre Obatalá Héctor Izaguirre,1998

African Religions & Philosophy John S. Mbiti,1990 African Religions and Philosophy is a systematic study of the attitudes of mind and belief that have evolved in the many societies of Africa. In this second edition, Dr Mbiti has updated his material to include the involvement of women in religion, and the potential unity to be found in what was once thought to be a mass of quite separate religions. Mbiti adds a new dimension to the understanding of the history, thinking, and life throughout the African continent. Religion is approached from an African point of view but is as accessible to readers who belong to non-African societies as it is to those who have grown up in African nations. Since its first publication, this book has become acknowledged as the standard work in the field of study, and it is essential reading for anyone concerned with African religion, history, philosophy, anthropology or general African studies.

Vigencia de Orígenes ,1996

La imagen y el cuerpo Virgilio López Lemus,1997

El Monte Lydia Cabrera,2022-12-07 Fruto de largos años de trabajo, El Monte acopia una singular indagación en cuanto a la magia, las leyendas, las tradiciones y el comportamiento místico y mental del pueblo cubano ante los cultos religiosos de origen afro. Se evoca lo que significa el monte para el negro: un lugar sagrado, engendrador de la vida y morada de sus divinidades ancestrales; pero también el sitio que guarda poderes inimaginables, capaces de ocasionar el más terrible de los maleficios.

SÍNTESIS DE LOS ODU DE IFA "EDICIÓN BÍBLICA" MARCELO MADAN,2015-10-14 Esta cuarta edición que le hemos llamado "Edición Bíblica", al igual que las anteriores, es una compilación de información sobre los tratados de los Odu de Ifá. Se trata pues, de una nueva presentación en la que se ha añadido otras importantes definiciones, donde incluso, se brinda más elementos y conocimientos sobre aspectos teológicos, al mismo tiempo que, se amplía la base material de estudio para facilitar una mejor comprensión de sus textos. Este libro no sólo es un compendio del resultado de la mezcla de las tendencias del Ifá tradicional y el Ifá afro cubano (porque en definitivas Ifá es uno solo y es para todos, Orunmila no quiere divisiones ni separaciones entre sus seguidores) sino que además, ha sido dotado con ilustraciones didácticas para resaltar, algunas de las características más notables de los Odu que deba ser tomados en cuenta para su fijación, por aquellas personas que tienen facilidad de memoria gráfica, como por ejemplo: en los "Nacimientos, Ifá de, Marca, "Señala, etc. Para mantener una buena calidad en el importante aspecto didáctico, en esta edición, se ha mantenido el ordenamiento lógico, que se ha venido utilizando en las anteriores versiones. Esta síntesis que es un preámbulo de la nueva presentación de los tomos de los tratados de Ifá, es mucho más completa que las anteriores, ya que se ha añadido información carente en mucho de los Odu, en lo relacionado con los tópicos: "Ifá de", "Marca", "Señala" y las "Prohibiciones o Tabú", también ahora en esta

nueva versión se ha incluido otros importantes aspectos como son: un segundo rezo y su significado, lo dicho por Ifá y su Ebo, un verso en el idioma español extraído de la literatura del Ifá tradicionalista, y lo que quiere decir Ifá en el mismo. Se incluye además, los Orishas que se debe recibir en cada Odu, las posibles profesiones donde Ifá orienta a la persona desarrollar sus actividades laborales y/o sociales, así como también, algunos nombres de iniciados para proponer a Òrúnmìlà en cada caso y un agrupamiento también, de las posibles enfermedades que pudieran afectar a la persona en el Odu si las hubiera. Estos complementos hacen de esta nueva edición, un libro muy versátil y útil para todos los Babalawos incluidos los iniciados en el sistema tradicional africano.

LOS ODU IFA VOL. 88 Ika Oshe-Ika Ofun MARCELO MADAN,2023-11-15 Estos Tratados de los Odu de Ifá en tomos, son muy completos, ya que Además de tratar el Odu de Ifá afro cubano, también contienen Tratados tradicionales africanos de Ifá. Ambos juntan miles de Pataki o Historias, miles de Eboses y obras, que te facilitarán profundizar en tu estudio y solucionar cualquier situación que se te presente en el campo religioso de consultar el oráculo de Ifá. La Síntesis de los Tratados de los Odu de Ifá ya publicados por mí anteriormente, no es más que como su nombre lo indica, una síntesis de estos tratados, cuyo objetivo fue siempre apoyar al Babalawo como un práctico recordatorio de bolsillo, basado en el hecho de que ha sido estudiado y profundizado antes en el estudio de estos tomos que te llevarán a tener el más completo conocimiento sobre Ifá. Por estas razones, es muy recomendable tener esta valiosa información en su biblioteca. Hemos agrupado solo dos Odu por libro, para que sea lo más barato posible y facilitar su adquisición.

Dreaming in Cuban Cristina García,2011-06-08 “Impressive . . . [Cristina García’s] story is about three generations of Cuban women and their separate responses to the revolution. Her special feat is to tell it in a style as warm and gentle as the ‘sustaining aromas of vanilla and almond,’ as rhythmic as the music of Beny Moré.”—Time Cristina García’s acclaimed book is the haunting, bittersweet story of a family experiencing a country’s revolution and the revelations that follow. The lives of Celia del Pino and her husband, daughters, and grandchildren mirror the magical realism of Cuba itself, a landscape of beauty and poverty, idealism and corruption. Dreaming in Cuban is “a work that possesses both the intimacy of a Chekov story and the hallucinatory magic of a novel by Gabriel García Márquez” (The New York Times). In celebration of the twenty-fifth anniversary of the novel’s original publication, this edition features a new introduction by the author. Praise for Dreaming in Cuban “Remarkable . . . an intricate weaving of dramatic events with the supernatural and the cosmic . . . evocative and lush.”—San Francisco Chronicle “Captures the pain, the distance, the frustrations and the dreams of these family dramas with a vivid, poetic prose.”—The Washington Post “Brilliant . . . With tremendous skill, passion and humor, García just may have written the definitive story of Cuban exiles and some of those they left behind.”—The Denver Post

Projected Cities Stephen Barber,2002 The books that comprise the Locations series address the links between film and society. In Cinema and Urban Space Stephen Barber explores the use of urban images in film from early to contemporary

cinema.

Olodumare Emanuel Bolaji Idowu,1999

Santeria from Africa to the New World George Brandon,1997-03-22 On his own terms, Brandon more than fulfills his promise to take the reader on the transatlantic journey of the orisha and to explore the complexities of African memory in the diaspora. —American Historical Review He adeptly addresses broader issues, such as power relations within Caribbean slavery, multiculturalism, and the forms of religious accommodation to cultural change. In addition, he offers a fresh and cogent assessment of the production and reproduction of African beliefs and practices in new contexts. Brandon's exemplary archival research is supplemented by skillful participant observation. —Choice The Yoruba religious tradition arose in West Africa, but its influence has spread beyond Africa to millions of adherents in the Americas as well. *Santeria from Africa to the New World* retraces one path taken by this tradition—a path from Africa to Cuba and to New York City. George Brandon examines the religion's transatlantic route through Cuban Santeria, Puerto Rican Espiritismo, and Black Nationalism. In following the historical and anthropological evolution of the Yoruba religion, Brandon discusses broader questions of power, multiculturalism, cultural change, and the production and reproduction of African retentions.

Sacred Possessions Margarite Fernández Olmos,Lizabeth Paravisini-Gebert,1997 For review see: Joseph M. Murphy, in HAHR : The Hispanic American Historical Review, 78, 3 (August 1998); p. 495-496.

Tratado de los Odu de Ifa: Ika meyi y Otrupon meyi Marcelo Madan,2006*

Counterworks Richard Fardon,2003-12-16 Globalization is often described as the spread of western culture to other parts of the world. How accurate is the depiction of 'cultural flow'? In *Counterworks*, ten anthropologists examine the ways in which global processes have affected particular localities where they have carried out research. They challenge the validity of anthropological concepts of culture in the light of the pervasive connections which exist between local and global factors everywhere. Rather than assuming that the world is culturally diverse, this book proposes that culture is itself a representation of the similarities and difference recognized between forms of social life. The authors address issues of globalization in terms of diverse histories and traditions of knowledge, which may include the construction of difference as cultural. In its attention to specific local situations, such as Bali, Cuba, Bolivia, Greece, Kenya, and the Maoris in New Zealand, *Counterworks* argues that the apparent oppositoin between strong westernizing, global forces and weak concept of culture, which supposes cultures to be integrated and possessed of essential properties, needs rethinking in a contemporary world where a marked sense of culture has become a wide-spread property of people's social knowledge. The book will have wide appeal to anthropologists, to students of comparative studies in history, religion and language, and to anyone interested in the phenomenon of postmodernism.

Prohibiciones De Los Hijos De Obatal Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the energy of words has be evident than ever. They have the capacity to inspire, provoke, and ignite change.
