Keeping It Halal John O'Brien, 2017-08-28 A compelling portrait of a group of boys as they navigate the complexities of being both American teenagers and good Muslims This book provides a uniquely personal look at the social worlds of a group of young male friends as they navigate the complexities of growing up Muslim in America. Drawing on three and a half years of intensive fieldwork in and around a large urban mosque, John O'Brien offers a compelling portrait of typical Muslim American teenage boys concerned with typical teenage issues—girlfriends, school, parents, being cool—yet who are also expected to be good, practicing Muslims who don't date before marriage, who avoid vulgar popular culture, and who never miss their prayers. Many Americans unfamiliar with Islam or Muslims see young men like these as potential ISIS recruits. But neither militant Islamism nor Islamophobia is the main concern of these boys, who are focused instead on juggling the competing cultural demands that frame their everyday lives. O'Brien illuminates how they work together to manage their "culturally contested lives" through subtle and innovative strategies—such as listening to profane hip-hop music in acceptably "Islamic" ways, professing individualism to cast their participation in communal religious obligations as more acceptably American, dating young Muslim women in ambiguous ways that intentionally complicate adjudications of Islamic permissibility, and presenting a "low-key Islam" in public in order to project a Muslim identity without drawing unwanted

attention. Closely following these boys as they move through their teen years together, *Keeping It Halal* sheds light on their strategic efforts to manage their day-to-day cultural dilemmas as they devise novel and dynamic modes of Muslim American identity in a new and changing America.

No God but One: Allah or Jesus? (with Bonus Content) Nabeel Qureshi, 2016-08-30 BONUS: This eBook includes downloadable videos and a Q&A with Nabeel Qureshi that are not found in the print edition. Having shared his journey of faith in the New York Times bestselling *Seeking Allah, Finding Jesus*, Nabeel Qureshi now examines Islam and Christianity in detail, exploring areas of crucial conflict and unpacking the relevant evidence. In this anticipated follow-up book, Nabeel reveals what he discovered in the decade following his conversion, providing a thorough and careful comparison of the evidence for Islam and Christianity--evidence that wrenched his heart and transformed his life. In *Seeking Allah, Finding Jesus*, Nabeel Qureshi recounted his dramatic journey, describing his departure from Islam and his decision to follow Christ. In the years that followed, he realized that the world's two largest religions are far more different than they initially appeared. *No God but One: Allah or Jesus?* addresses the most important questions at the interface of Islam and Christianity: How do the two religions differ? Are the differences significant? Can we be confident that either Christianity or Islam is true? And most important, is it worth sacrificing everything for the truth? Nabeel shares stories from his life and ministry, casts new light on current events, and explores pivotal incidents in the histories of both religions, providing a resource that is gripping and thought-provoking, respectful and challenging. Both Islam and Christianity teach that there is No God but One, but who deserves to be worshiped, Allah or Jesus? This eBook includes the full text of the book plus bonus content not found in the softcover! Bonuses include a Q&A with Nabeel Qureshi and downloadable videos that answer important questions about Islam and Christianity. Please note that some e-reader devices do not accommodate video play. You can still access the bonus videos by copying the web address provided into an internet browser on a device or computer that accommodates video content.

The Book of the Jihad of 'Ali ibn Tahir al-Sulami (d. 1106) Niall Christie, 2017-07-05 In 1105, six years after the first crusaders from Europe conquered Jerusalem, a Damascene Muslim jurist named 'Ali ibn Tahir al-Sulami (d. 1106) publicly dictated an extended call to the military jihad (holy war) against the European invaders. Entitled *Kitab al-Jihad* (The

Book of the Jihad), al-Sulami's work both summoned his Muslim brethren to the jihad and instructed them in the manner in which it ought to be conducted, covering topics as diverse as who should fight and be fought, treatment of prisoners and plunder, and the need for participants to fight their own inner sinfulness before turning their efforts against the enemy. Al-Sulami's text is vital for a complete understanding of the Muslim reaction to the crusades, providing the reader with the first contemporary record of Muslim preaching against the crusaders. However, until recently only a small part of the text has been studied by modern scholars, as it has remained for the most part an unedited manuscript. In this book Niall Christie provides a complete edition and the first full English translation of the extant sections (parts 2, 8, 9 and 12) of the manuscript of al-Sulami's work, making it fully available to modern readers for the first time. These are accompanied by an introductory study exploring the techniques that the author uses to motivate his audience, the precedents that influenced his work, and possible directions for future study of the text. In addition, an appendix provides translations of jihad sermons by Ibn Nubata al-Fariqi (d. 985), a preacher from Asia Minor whose rhetorical style was highly influential in the development of al-Sulami's work.
