**Forget Me Not** Julie Soto, 2023-07-11 A wedding planner and her grumpy ex must work together to plan a celebrity event in this deliciously spicy and funny novel from Ali Hazelwood's favorite writer. Ama Torres is an optimistic wedding planner who doesn't believe in marriage. But weddings? They're amazing. Elliot Bloom is a brooding florist who hates owning a flower shop...until a certain bright-eyed, donut-loving workaholic shows up at his door. Once upon a time, they collaborated on events by day, and by night, Ama traced the intricate flower tattoos etched along his body. Then Ama shattered his heart and never spoke to Elliot again. Now they're working on an event that could make or break both of their careers—except neither of them has gotten over what happened two years ago. Things are not helped by the two brides, who see the obvious chemistry between Ama and Elliot and are determined to set them up, not knowing their complicated history. But as the wedding takes on a life of its own, Ama and Elliot are about to discover that some things can survive a complete catastrophe . . . Smart and hilarious, *Forget Me Not* is about two people giving themselves—and love!—a second chance.

*Not Another Love Song* Julie Soto, 2024-07-16 Two string players fight their attraction for each other as they compete for center stage in this spicy and emotional romance from USA Today bestselling author Julie Soto. When professional—and self-taught—violinist Gwen Jackson plays, she disappears into the peaks and valleys of each song, a quiet passion that never quite explodes into pure emotion. Xander Thorne is the exact opposite. A cellist and a rock star, he's all about big emotion, but not even his six-foot-four frame can contain his skill, his genius . . . and an attitude that borders on jerkitude. Not only did it take Xander a year to notice that he and Gwen both play in the Manhattan Pops, but he also always seems to have the perfect cutting criticism about her technique. When Gwen is offered the role of first chair of the orchestra, something Xander has secretly coveted for years, their existing hostility goes up a notch. Yet, despite her best efforts, Gwen can't ignore the sizzling chemistry between them. Forced to work more closely with each other, they can't help exploring their attraction. As they begin to compose and play songs together, it's clear that their powerful connection could make for a performance that would blow everyone's minds. Suddenly, they're box office dynamite, and the fragile romance growing between them is in danger of being crushed beneath a publicity stunt.

*The Paradise Problem* Christina Lauren, 2025-02-25 Anna Green thought she was marrying Liam West Weston for access to subsidized family housing while at UCLA. She also thought she'd signed divorce papers when the graduation caps were

He may be one of four heirs to the Weston Foods conglomerate, but he has little interest in working for the heartless corporation his family built from the ground up. He is interested, however, in his one-hundred-million-dollar inheritance. There's just one catch. Due to an antiquated clause in his grandfather's will, Liam won't see a penny until he's been happily married for five years. Just when Liam thinks he's in the home stretch, pressure mounts from his family to see this mysterious spouse, and he has no choice but to turn to the one person he's afraid to introduce to his one-percenter parents - his unpolished, not-so-ex-wife. But in the presence of his family, Liam's fears quickly shift from whether the feisty, foul-mouthed, paint-splattered Anna can play the part to whether the toxic world of wealth will corrupt someone as pure of heart as his surprisingly grounded and loyal wife. Liam will have to ask himself if the price tag on his flimsy cover story is worth losing true love that sprouted from a lie--

Sing Us a Song, Piano Woman Adrienne Trier-Bieniek, 2013-06-06 *Sing Us a Song, Piano Woman: Female Fans and the Music of Tori Amos* explores the many-layered relationships female fans build with feminist musicians in general and with Tori Amos, in particular. Using original interview research with more than forty fans of Tori Amos, multiple observer-participant experiences at Amos's concerts, and critical content analysis of Amos's lyrics and larger body of work, Adrienne Trier-Bieniek utilizes a combination of gender, emotions, music, and activism to unravel the typecasts plaguing female fans. Trier-Bieniek aggressively challenges the popular culture stereotypes that have painted all female fans as screaming, crying teenage girls who are unable to control themselves when a favorite (generally male) performer occupies the stage. In stunning contrast, admirers of Tori Amos comprise a more introspective category of fan. *Sing Us a Son, Piano Woman* examines the wide range of stories from these listeners, exploring how Amos's female fans are unique because Amos places the experiences of women at the center of her music. Tori Amos's fan base is considered devoted because of the deeply emotional, often healing, connection they have to her music, an aspect that has been overlooked, particularly in sociological and cultural research on gender, emotions and music. Tori Amos's female fans as a social phenomenon are vital for understanding the multi-layered relationships women can have with female singer/songwriters. At a time when superficial women dominate public media presentations, from the Kardashians to the "Real Housewives," the relationship between Tori Amos and her fans illustrates the continuous search by women for female performers who challenge patriarchal standards in popular culture. Trier-Bieniek's research serves as a springboard for further study of women in pop culture whose purpose is empower and provoke their fans, as well as change society.

As an environmental engineer, Mara knows all about the delicate nature of ecosystems. They require balance. And leaving the thermostat alone. And not stealing someone else's food. And other rules Liam, her detestable big-oil lawyer of a roommate, knows nothing about. Okay, sure, technically she's the interloper. Liam was already entrenched in his aunt's house like some glowering grumpy giant when Mara moved in, with his big muscles and kissable mouth just sitting there on the couch tempting respectable scientists to the dark side...but Helena was her mentor and Mara's not about to move out and give up her inheritance without a fight.
