Bescherelle - Chronologie de la littérature française Laurence Rauline, Nancy Oddo, Johan Faerber, Alain Couprie, 2019-10-02 Une chronologie de l'histoire de la littérature française signée Bescherelle. Un ouvrage complet, fiable et attractif qui s'adresse à tous les curieux de littérature. Un panorama vivant de l'histoire de la littérature française • Le récit débute en 881-882 avec la Séquence de Sainte Eulalie, premier texte transposé du latin dans ce qui deviendra le français moderne, et s'achève en 2013 avec La Disparition de Jim Sullivan de Tanguy Viel. • L'histoire de la littérature française est ainsi déroulée, sous une forme documentée et vivante, à travers plus de 150 dates clés permettant d'évoquer ses auteurs majeurs et ses œuvres fondatrices. Une organisation claire, une mise en page rythmée • Au début de chaque période, une grande frise chronologique. • Puis, au fil des doubles pages, la présentation en texte et en images de chaque œuvre, avec des encadrés pour mettre en lumière le contexte culturel. • À intervalles réguliers, des dossiers sur les principaux mouvements littéraires.

Chronologie de la littérature française Johan Faerber, 2014 Une chronologie de l'histoire de la littérature française signée Bescherelle. Un ouvrage complet, fiable et attractif qui s'adresse à tous les curieux de littérature. Le récit chronologique et illustré de l'histoire de la littérature française. Le récit débute en 881-882 avec la Séquence de Sainte Eulalie, premier texte transposé du latin dans ce qui deviendra le français moderne, et s'achève en 2013 avec La Disparition de Jim Sullivan de Tanguy Viel.. L'histoire de la littérature française est ainsi déroulée, sous une forme documentée et vivante, à travers plus de 150 dates clés permettant d'évoquer ses auteurs majeurs et ses œuvres fondatrices. Une organisation claire, une mise en page rythmée. Au début de chaque période, une grande frise chronologique, permettant de repérer visuellement les œuvres clés et les mouvements littéraires.. Puis, au fil des doubles pages, la présentation en texte et en images de chaque œuvre, de sa genèse et de sa réception, avec des encadrés pour mettre en lumière le contexte culturel.. À intervalles réguliers, des dossiers sur les principaux mouvements littéraires.. À la fin de l'ouvrage : un index très complet pour faciliter la recherche d'une œuvre, d'un auteur ou d'un fait littéraire.

The Disappearance of Jim Sullivan Tanguy Viel, 2021-05-11 Tanguy Viel's parody/pastiche of the American novel is subtle and experimental; it tells a story at the same time as it implicitly poses questions about the narrative structure it is deploying. --The French Review In The Disappearance of Jim Sullivan, disappearance is both a theme and a stylistic device. Indeed, this

publication narrates the disappearance of Dwayne Koster, who, fascinated by the story of Jim Sullivan, commits suicide in the New Mexico desert which was the setting of the rocker's disappearance in 1975. But this novel is for the most part set in the metanarrative tale of its own genesis, and, as a result, is partially eclipsed: its -fictitious- author doesn't relate it in its entirety and keeps adding bits and pieces of first drafts and preliminary sketches to his text, thus blurring its boundaries. Tanguy Viel's work can therefore be perceived as a double response, existential and aesthetic, to the question of the end.

La littérature française du Moyen Age à nos jours Johan Faerber, Laurence Tricoche-Rauline, Nancy Oddo, Alain Couprie, 2019-10-02 Le récit de l'histoire de la littérature française, du Moyen Age à nos jours : Une vision d'ensemble claire et cohérente de l'histoire de la littérature française à travers les auteurs majeurs et les oeuvres fondatrices. Au fil des doubles pages, la présentation vivante de chaque oeuvre, de sa genèse et de sa réception, et des encadrés mettant en lumière le contexte culturel. Un voyage à travers les époques et les genres avec des frises chronologiques, des repères biographiques et des dossiers sur les grands mouvements littéraires.

The Immobile Empire Alain Peyrefitte,2013-05-21 In 1793, Lord George Macartney and an enormous delegation—including diplomats, doctors, scholars, painters, musicians, soldiers, and aristocrats—entered Beijing on a mission to open China to British trade. But Macartney’s famous refusal to perform the traditional kowtow before the Chinese Emperor was just one sign that the two empires would not see eye to eye, and the trade talks failed. The inability to develop a trade relation would have enormous consequences for future relations between China and the West. Peyrefitte’s vivid narrative of this fascinating encounter is based on extraordinary source materials from each side—including the charming and candid diary of Thomas Staunton, the son of one of Macartney’s aides. An example of history at its finest, *The Immobile Empire* recaptures the extraordinary experience of two great empires in collision, sizing each other up for the first time.
