Zoot Suit & Other Plays Luis Valdez,1992-04-30 This critically acclaimed play by Luis Valdez cracks open the depiction of Chicanos on stage, challenging viewers to revisit a troubled moment in our nation's history. From the moment the myth-infused character El Pachuco burst onto the stage, cutting his way through the drop curtain with a switchblade, Luis Valdez spurred a revolution in Chicano theater. Focusing on the events surrounding the Sleepy Lagoon Murder Trial of 1942 and the ensuing Zoot Suit Riots that turned Los Angeles into a bloody war zone, this is a gritty and vivid depiction of the horrifying violence and racism suffered by young Mexican Americans on the home front during World War II. Valdez's cadre of young urban characters struggle with the stereotypes and generalizations of America's dominant culture, the questions of

assimilation and patriotism, and a desire to rebel against the mainstream pressures that threaten to wipe them out. Experimenting with brash forms of narration, pop culture of the war era, and complex characterizations, this quintessential exploration of the Mexican-American experience in the United States during the 1940s was the first, and only, Chicano play to open on Broadway. This collection contains three of playwright and screenwriter Luis Valdez's most important and recognized plays: *Zoot Suit*, *Bandido!* and *I Don't Have to Show You No Stinking Badges*. The anthology also includes an introduction by noted theater critic Dr. Jorge Huerta of the University of California-San Diego. Luis Valdez, the most recognized and celebrated Hispanic playwright of our times, is the director of the famous farm-worker theater, *El Teatro Campesino*.

A People and a Nation Mary Beth Norton, 1999 This spirited narrative challenges students to think about the meaning of American history. Thoughtful inclusion of the lives of everyday people, cultural diversity, work, and popular culture preserves the text's basic approach to American history as a story of all the American people. The Seventh Edition maintains the emphasis on the unique social history of the United States and engages students through cutting-edge research and scholarship. New content includes expanded coverage of modern history (post-1945) with discussion of foreign relations, gender analysis, and race and racial relations. Chapter-based Links to the World connect US history to global events and provide web links for further research while end-of-chapter Legacies for a People and a Nation focus on meaningful events or movements relevant to present-day issues or controversies.

Mexican Drug Violence Teun Voeten, 2020-11-29 "Brutally honest... a deeply extraordinary and original work." - SEBASTIAN JUNGER. With an estimated 250,000 people killed in 15 years, the Mexican drug war is the most violent conflict in the Western world. It shows no sign of abating. In this book, Dr Teun A. Voeten analyzes the dynamics of the violence. He argues it is a new type of war called hybrid warfare: multidimensional, elusive and unpredictable, fought at different levels,

with different intensities with multiple goals. The war ISIS has declared against the West is another example of hybrid warfare. Voeten interprets drug cartels as ultra-capitalist predatory corporations thriving in a neoliberal, globalized economy. They use similar branding and marketing strategies as legitimate business. He also looks at the anthropological, individual level and explains how people can become killers. Voeten compares Mexican sicarios, West African child soldiers and Western jihadis and sees the same logic of cruelty that facilitates perpetrating 'inhumane' acts that are in fact very human.
