

If You Bring Forth What Is Within You

Elaine Pagels

The Nag Hammadi Library in English James McConkey Robinson, 1984

The Gospel of Judas, Second Edition Rodolphe Kasser, Marvin Meyer, Gregor Wurst, Francois Gaudard, 2008-06-17 For 1,600 years its message lay hidden. When the bound papyrus pages of this lost gospel finally reached scholars who could unlock its meaning, they were astounded. Here was a gospel that had not been seen since the early days of Christianity, and which few experts had even thought existed—a gospel told from the perspective of Judas Iscariot, history’s ultimate traitor. And far from being a villain, the Judas that emerges in its pages is a hero. In this radical reinterpretation, Jesus asks Judas to betray him. In contrast to the New Testament Gospels, Judas Iscariot is presented as a role model for all those who wish to be disciples of Jesus and is the one apostle who truly understands Jesus. Discovered by farmers in the 1970s in Middle Egypt, the codex containing the gospel was bought and sold by antiquities traders, secreted away, and carried across three continents, all the while suffering damage that reduced much of it to fragments. In 2001, it finally found its way into the hands of a team of experts who would painstakingly reassemble and restore it. The Gospel of Judas has been translated from its original Coptic to clear prose, and is accompanied by commentary that explains its fascinating history in the context of the early Church, offering a whole new way of understanding the message of Jesus Christ.

The Gnostic Gospels Elaine Pagels, 2013-07-25 As discussed in *The Da Vinci Code...* Long buried and suppressed, the Gnostic Gospels contain the secret writings attributed to the followers of Jesus. In 1945 fifty-two papyrus texts, including gospels and other secret documents, were found concealed in an earthenware jar buried in the Egyptian desert. These so-called Gnostic writings were Coptic translations from the original Greek dating from the time of the New Testament. The material they embodied - poems, quasi-philosophical descriptions of the origins of the universe, myths, magic and instructions for mystic practice - were later declared heretical, as they offered a powerful alternative to the Orthodox Christian tradition. In a book that is as exciting as it is scholarly, Elaine Pagels examines these texts and the questions they pose and shows why Gnosticism was eventually stamped out by the increasingly organised and institutionalised Orthodox Church.

Conscious Evolution, Revised Edition Barbara Marx Hubbard, 2015-01-25 A Seminal Work of Visionary Hope, Updated for the 21st Century In this era of government gridlock, economic and ecological devastation, and seemingly intractable global violence, our future is ever more ripe for — and in need of — fresh, creative reimagining. With her clear-eyed, inspiring, and sweeping vision of a possible global renaissance in the new millennium, Barbara Marx Hubbard shows us that our current crises are not the precursors of an apocalypse but the natural birth pains of an awakened, universal humanity. This is our finest hour. Conscious Evolution highlights the tremendous potential of newfound scientific knowledge, technological advances, and passionate spirituality and illustrates the opportunities that each of us has to fully participate in this exciting stage of human history. As we do, we will bring forth all that is within us and not only save ourselves, but evolve our world. “Barbara Marx Hubbard has given us an extraordinary guide to an enlightened society. If enough of us read this book, something phenomenal will emerge.” — Marianne Williamson, author of A Return to Love “Read this book and cocreate the new American renaissance.” — Eric Utne, founder of Utne Reader “An urgent call to action from one of the truly great visionaries of our time.” — Neale Donald Walsch, author of Conversations with God

Living in God's Best Andrew Wommack, 2018-05-15 Divine health and prosperity are better than divine healing and provision. If you live in divine health and prosperity, you won't need a miracle to get healed or to pay your bills. If you can't see the difference between the two, that may be one reason you only visit God's best instead of truly living in it. Most Christians live in a place where...

Truth Plus Love Matt Brown, 2019-04-23 Imagine what our world might look like if Christians became known for remarkable love, as well as life-giving truth. The stakes are high and the need is great for Christians to represent Jesus to a watching world. And today, we have more influence than ever before--for better and for worse. We are among the first generations to have access to a global megaphone through social media. But it's not enough to speak truth louder to a noisy culture. To counter the reputation Christians have earned, our love must be just as loud. Ask evangelist Matt Brown, and he will tell you Christians today are facing a crisis of influence. In our rush to speak truth to today's tensions, cultural issues, and trending controversies, it becomes all too easy to focus on proving our points rather than extending God's grace. Conversely, when we seek only to love yet never proclaim a better way, we short-circuit God's plan. Truth Plus Love invites you to rediscover the biblical framework for engaging culture as ambassadors of Christ. Through biblical insight, cultural analysis, and practical principles, Matt Brown outlines how to champion truth without compromise, how to love unconditionally, and ultimately, how to step into this great adventure of representing God to the world. It's hard, it's messy, and it's the unfinished project of a lifetime, yet here we find our great adventure: representing God to a watching world.

The Moody Handbook of Theology Paul Enns, 2014-03-27 The study of God, His nature, and His Word are all essential to the Christian faith. Now those interested in Christian theology have a newly revised and updated reference tool in the 25th

Anniversary Edition of *The Moody Handbook of Theology*. In this classic and timeless one-volume resource, Paul Enns offers a comprehensive overview of the five dimensions of theology: biblical, systematic, historical, dogmatic, and contemporary. Each section includes an introduction, chapters on key points, specific studies pertinent to that theology, books for further study, and summary evaluations of each dimension. Charts, graphs, glossary, and indexes add depth and breadth. Theology, once the domain of academicians and learned pastors, is now accessible to anyone interested in understanding the essentials of what Christians believe. *The Moody Handbook of Theology* is a concise doctrinal reference tool for newcomers and seasoned veterans alike.

A Passion For the Possible Jean Houston, 2009-10-13 “With elegant simplicity, Jean Houston shows you how to unleash the genius that lies in the depths of your being” (Deepak Chopra). Discover your own extraordinary gifts and live every day with passion. Now you can explore and expand your own unique possibilities on all four levels of your being—the physical, psychological, symbolic, and spiritual—using the practical and creative tools in this remarkable guide. In her most deeply transforming book to date, Houston leads you on a profound journey of self-discovery and shows how you can courageously commit to experiencing your real potential.

A Better Way to Pray Andrew Wommack, 2007 After nearly four decades of ministry, Andrew Wommack has discovered some important truths about prayer. His prayer life is much different than it was thirty years ago and the results have dramatically improved! You may be asking many of the same questions Andrew once did. Is prayer my Christian duty? Is prayer primarily about asking God to meet my needs and the needs of others? Is God's answer to my prayer based on the degree of my humility and sincerity? Is answered prayer a sovereign decision of God or do I have the ability to influence Him? Clear, scriptural answers to these questions and more could significantly change the way you pray. These principles may not be the only way to pray, but if you're not getting the results you desire, consider changing directions; maybe there is A Better Way to Pray.

Detours Tony Evans, 2017 Dr. Tony Evans walks readers through what it is like to recognize God's will and his plan for your life.

I Love Jesus, But I Want to Die Sarah J. Robinson, 2021-05-11 A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J.

Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

Behind the Numbers Todd Anthonsen, 2015-09-30 *Behind the Numbers* provides a comprehensive and unique approach toward numerology through intuition, reflection, and application. The process of compiling information for *Behind the Numbers* began with a repeating nod from an elusive yet powerful Presence that introduced itself through 11:11. Providing no answers but offering reassurance, the Presence encouraged Todd to search within to discover the answers he believed existed somewhere outside himself. *Behind the Numbers* chronicles a journey born in the ruins of addiction and spiritual paralysis and rises from the ashes toward redemption through determination and forgiveness. Beginning as a journal documenting the ongoing process of healing and spiritual transformation and concluding as a guide that takes a unique and relevant approach to Numerology, *Behind the Numbers* offers a unique approach towards Numerology that expands one's understanding of this amazing philosophy. *Behind the Numbers* takes a unique approach towards numerology by identifying numbers as 'filters' that channel the characteristics of the individual, as well as their Fate and Destiny. Rather than definitive indicators of the individual's limitations or abilities, *Behind the Numbers* releases such expectations and approaches this ancient philosophy from an entirely new perspective that is accessible as it is profound.

Keep in Step with the Spirit J. I. Packer, 2005-05 One of Christianity's greatest scholars makes the person and power of the Holy Spirit accessible to all who strive for a closer walk with God.

Why Religion? Elaine Pagels, 2018-11-06 Why is religion still around in the twenty-first century? Why do so many still believe? And how do various traditions still shape the way people experience everything from sexuality to politics, whether they are religious or not? In *Why Religion?* Elaine Pagels looks to her own life to help address these questions. These questions took on a new urgency for Pagels when dealing with unimaginable loss—the death of her young son, followed a year later by the shocking loss of her husband. Here she interweaves a personal story with the work that she loves, illuminating how, for better and worse, religious traditions have shaped how we understand ourselves; how we relate to one another; and, most importantly, how to get through the most difficult challenges we face. Drawing upon the perspectives of neurologists, anthropologists, and historians, as well as her own research, Pagels opens unexpected ways of understanding persistent religious aspects of our culture. A provocative and deeply moving account from one of the most compelling religious thinkers at work today, *Why Religion?* explores the spiritual dimension of human experience.

Practicing the Power Sam Storms,2017-02-07 How can Christians pursue and implement the miraculous gifts of the Spirit without falling into fanatical excess and splitting the church in the process? The Bible teaches us that we are to be filled with God's Spirit and that God's presence and grace is manifested among his people as they serve, love, and minister to one another. Yet some of the gifts that God offers to his people aren't commonly seen in many churches today. Gifts of prophecy, healing, tongues, and other supernatural gifts of God seem to be absent, and many Christians are unsure how to cultivate an atmosphere where God's Spirit can work while remaining committed to the foundational truth of God's Word. In *Practicing the Power*, pastor and author Sam Storms offers practical steps to understanding and exercising spiritual gifts in a way that remains grounded in the word and centered in the gospel, including: Combining sound theology with inspiring personal examples. Covering all kinds of practical and theological questions about using gifts. Practical ways to express the compassion of Jesus to others by partnering with Him in spiritual gifts. With examples drawn from his 40 years of ministry as a pastor and teacher, *Practicing the Power* offers help to pastors, elders, and church members to understand what changes are needed to see God move in supernatural power and to guard against excess and abuse of the spiritual gifts. If you long to see God's Spirit move in your church and life, and aren't sure why that isn't happening or where to begin, this book is for you.

The First Book of Moses, Called Genesis ,1999 Hailed as the most radical repackaging of the Bible since Gutenberg, these Pocket Canons give an up-close look at each book of the Bible.

Love, Medicine and Miracles Bernie S. Siegel,2011-08-30 Surgeon Bernie S. Siegel gives an inspirational, first-hand account of how patients can participate in their own recovery. Unconditional love is the most powerful stimulant of the immune system. The truth is: love heals. Miracles happen to exceptional patients every day—patients who have the courage to love, those who have the courage to work with their doctors to participate in and influence their own recovery.

The Gospel of Thomas Marvin W. Meyer,2009-09-15 A fresh, authoritative English translation, with an informative introduction, fascinating explanatory notes, and the Coptic text, with interpretation by Harold Bloom, our pre-eminent literary critic.

Windows into Today's Group Therapy George Max Saiger,Sy Rubenfeld,Mary D. Dluhy,2007-12-13 The Washington School of Psychiatry in Washington, D.C. has long been on the leading-edge of theoretical changes in psychotherapy, having offered a certification program in group psychotherapy, The Group Psychotherapy Training Program since the mid-1960's. This program trained a generation of skilled group psychotherapists and formed a model for comprehensive group training. In 1994 the National Group Psychotherapy Institute emerged from this program. With an emphasis on experiential and didactic learning, the Institute continues the tradition of challenging the frontiers of psychodynamic group psychotherapy. This volume is a collection of papers by the Institute members and reflects the mission and recent research and developments of the Institute. Originally delivered by faculty members and visiting presenters at the Washington School of

Psychiatry, they represent the various vertices from which modern group psychotherapy can be studied. Organized according to theoretical position, the volume contains work by the top group theorists and clinicians in the field. Windows into Today's Group Therapy would provide both an important historical perspective on group therapy as a response to managed care as well as a timely collection of the leading research in the field today.
