The 48 Laws of Power Robert Greene,2000-09-01 Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control - from the author of *The Laws of Human Nature* In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

The Laws of Human Nature Robert Greene,2018-10-23 From the #1 New York Times-bestselling author of *The 48 Laws of Power* comes the definitive new book on decoding the behavior of the people around you Robert Greene is a master guide for millions of readers, distilling ancient wisdom and philosophy into essential texts for seekers of power, understanding and mastery. Now he turns to the most important subject of all - understanding people's drives and motivations, even when they are unconscious of them themselves. We are social animals. Our very lives depend on our relationships with people. Knowing why people do what they do is the most important tool we can possess, without which our other talents can only take us so far. Drawing from the ideas and examples of Pericles, Queen Elizabeth I, Martin Luther King Jr, and many others, Greene teaches us how to detach ourselves from our own emotions and master self-control, how to develop the empathy that leads to insight, how to look behind people's masks, and how to resist conformity to develop your singular sense of purpose. Whether at work, in relationships, or in shaping the world around you, *The Laws of Human Nature* offers brilliant tactics for success, self-improvement, and self-defense.

Don't miss out on its powerful message." —Drs. Les & Leslie Parrott, authors of Saving Your Marriage Before It Starts In our fast-paced, success-obsessed culture, we're constantly tempted to chase after things that don't matter. We've been conditioned to value possessions over people, status over relationships, and ourselves over God. But the reality is this: God created love to be the centerpiece of our lives. In The Seven Laws of Love, Dave Willis makes the case for a love revival and proves that in returning to a life of love we have no greater model than the one who is love himself. In Dave's humorous, touching, down-to-earth style, The Seven Laws of Love takes you on a journey through the ins and outs of everyday relationships—with your spouse, your children, your friends, and

your coworkers—using practical, applicable examples and guiding principles that demonstrate what a life of love actually looks like. There is no higher calling on earth than to love and be loved. It's time to learn The Seven Laws of Love, and to make loving a priority over all other pursuits. Anything else isn't really living.

12 Rules for Life Jordan B. Peterson,2018-01-23 OVER TEN MILLION COPIES SOLD #1 INTERNATIONAL BESTSELLER What are the most valuable things that everyone should know? Acclaimed clinical psychologist Jordan B Peterson has influenced the modern understanding of personality, and now he has become one of the world's most popular public thinkers, with his lectures on topics from the Bible to romantic relationships to mythology drawing tens of millions of viewers. In an era of unprecedented change and polarizing politics, his frank and refreshing message about the value of individual responsibility and ancient wisdom has resonated around the world. In this book, he provides twelve profound and practical principles for how to live a meaningful life, from setting your house in order before criticising others to comparing yourself to who you were yesterday, not someone else today. Happiness is a pointless goal, he shows us. Instead we must search for meaning, not for its own sake, but as a defence against the suffering that is intrinsic to our existence. Drawing on vivid examples from the author's clinical practice and personal life, cutting-edge psychology and philosophy, and lessons from humanity's oldest myths and stories, 12 Rules for Life offers a deeply rewarding antidote to the chaos in our lives: eternal truths applied to our modern problems.

The Law and Other Essays on Manifestation Neville Goddard,2024-03-26 Can man decree a thing and have it come to pass? Most decidedly he can! Man has always decreed that which has appeared in his world and is today decreeing that which is appearing in his world and shall continue to do so as long as man is conscious of being man. Not one thing has ever appeared in man's world but what man decreed that it should. This you may deny but try as you will you cannot disprove it for this decreeing is based upon a changeless principle. You do not command things to appear by your words or loud affirmations. Such vain repetition is more often than not confirmation of the opposite. Decreeing is ever done in consciousness. That is every man is conscious of being that which he has decreed himself to be. Collected here are six essays on the Law of Attraction: The Law Be What You Wish; Be What You Believe By Imagination We Become The Law of Assumption Truth and At Your Command.

A Man For All Seasons Robert Bolt,2013-12-04 A Man for All Seasons dramatises the conflict between King Henry VIII and Sir Thomas More. It depicts the confrontation between church and state, theology and politics, absolute power and individual freedom. Throughout the play Sir Thomas More's eloquence and endurance, his purity, saintliness and tenacity in the face of ever-growing threats to his beliefs and family, earn him status as one of modern drama's greatest tragic heroes. The play was first staged in 1960 at the Globe Theatre in London and was voted New York's Best Foreign Play in 1962. In

1966 it was made into an Academy Award-winning film by Fred Zinneman starring Paul Scofield. A Man for All Seasons is a stark play, sparse in its narrative, sinewy in its writing, which confirms Mr Bolt as a genuine and solid playwright, a force in our awakening theatre. (Daily Mail)

Philosophy for Life Jules Evans, 2012-05-03 In his engaging book, Jules Evans explains how ancient philosophy saved his life, and how we can all use it to become happier, wiser and more resilient. Jules imagines a dream school, which includes 12 of the greatest and most colourful thinkers the world has ever known. Each of these ancient philosophers teaches a technique we can use to transform ourselves and live better lives. These practical techniques are illustrated by the extraordinary stories of real people who are using them today - from marines to magicians, from astronauts to anarchists and from CBT psychologists to soldiers. Jules also explores how ancient philosophy is inspiring modern communities - Socratic cafes, Stoic armies, Platonic sects, Sceptic summer camps - and even whole nations in their quest for the good life.

Transforming Grace Jerry Bridges, 2017-10-03 Living Confidently in God's Unfailing Love Grace is amazing because it is God's provision for when we fall short of His standards. Unfortunately, too many of us embrace grace for our salvation but then leave it behind in our everyday lives. We base our relationship with God on our performance rather than on His love for us, even when we intuitively know that our performance cannot earn us the love we so desperately crave. Isn't it time to stop trying to measure up and begin accepting the transforming power of God's grace? The product of more than ten years of Bible study, Navigator author Jerry Bridges's *Transforming Grace* is a fountainhead of inspiration and renewal that will show you just how inexhaustible and generous God's grace really is. This edition includes the full study guide, which was formerly available as a separate product (ISBN 9781600063046).
