

The Operas Of Giuseppe Verdi

James A. Hepokoski

The Operas of Giuseppe Verdi Abramo Basevi, 2013-12-26 Abramo Basevi published his study of Verdi's operas in Florence in 1859, in the middle of the composer's career. The first thorough, systematic examination of Verdi's operas, it covered the twenty works produced between 1842 and 1857—from Nabucco and Macbeth to Il trovatore, La traviata, and Aroldo. But while Basevi's work is still widely cited and discussed—and nowhere more so than in the English-speaking world—no translation of the entire volume has previously been available. *The Operas of Giuseppe Verdi* fills this gap, at the same time providing an invaluable critical apparatus and commentary on Basevi's work. As a contemporary of Verdi and a trained musician, erudite scholar, and critic conversant with current and past operatic repertoires, Basevi presented pointed discussion of the operas and their historical context, offering today's readers a unique window into many aspects of operatic culture, and culture in general, in Verdi's Italy. He wrote with precision on formal aspects, use of melody and orchestration, and other compositional features, which made his study an acknowledged model for the growing field of music criticism. Carefully annotated and with an engaging introduction and detailed glossary by editor Stefano Castelvechi, this translation illuminates Basevi's musical and historical references as well as aspects of his language that remain difficult to grasp even for Italian readers. Making Basevi's important contribution to our understanding of Verdi and his operas available to a broad audience for the first time, *The Operas of Giuseppe Verdi* will delight scholars and opera enthusiasts alike.

Rigoletto Giuseppe Verdi, 2018-01-01 The subject cannot fail!' exulted Verdi, when recommending Victor Hugo's play *Le Roi s'amuse* to his librettist. But the censors made every effort to stop it, and the baritone was not easily convinced that a hunchback role would suit him. Jonathan Keates gives a vivid insight into the composition of a masterpiece. Verdi long afterwards thought it his best work, and Roger Parker explains why. Peter Nichols, author of several bestselling books in Italy, picks out some of the peculiarly Italian attitudes and characters in the opera which make it timeless - and incredibly modern. Contents: Introduction, Jonathan Keates; Musical Commentary, Roger Parker; The Timelessness of 'Rigoletto', Peter Nichols; *Rigoletto*: Text by Francesco Maria Piave after Victor Hugo's 'Le Roi s'amuse'; *Rigoletto*: English translation by James Fenton

Otello James A. Hepokoski, 1987-06-18 Summarises what is currently known about *Otello* and interprets its significance within Verdi's career.

Verdi in Victorian London Massimo Zicari,2016-07-11 Now a byword for beauty, Verdi's operas were far from universally acclaimed when they reached London in the second half of the nineteenth century. Why did some critics react so harshly? Who were they and what biases and prejudices animated them? When did their antagonistic attitude change? And why did opera managers continue to produce Verdi's operas, in spite of their alleged worthlessness? Massimo Zicari's *Verdi in Victorian London* reconstructs the reception of Verdi's operas in London from 1844, when a first critical account was published in the pages of *The Athenaeum*, to 1901, when Verdi's death received extensive tribute in *The Musical Times*. In the 1840s, certain London journalists were positively hostile towards the most talked-about representative of Italian opera, only to change their tune in the years to come. The supercilious critic of *The Athenaeum*, Henry Fothergill Chorley, declared that Verdi's melodies were worn, hackneyed and meaningless, his harmonies and progressions crude, his orchestration noisy. The scribes of *The Times*, *The Musical World*, *The Illustrated London News*, and *The Musical Times* all contributed to the critical hubbub. Yet by the 1850s, Victorian critics, however grudging, could neither deny nor ignore the popularity of Verdi's operas. Over the final three decades of the nineteenth century, moreover, London's musical milieu underwent changes of great magnitude, shifting the manner in which Verdi was conceptualized and making room for the powerful influence of Wagner. Nostalgic commentators began to lament the sad state of the Land of Song, referring to the now departed palmy days of Italian opera. Zicari charts this entire cultural constellation. *Verdi in Victorian London* is required reading for both academics and opera aficionados. Music specialists will value a historical reconstruction that stems from a large body of first-hand source material, while Verdi lovers and Italian opera addicts will enjoy vivid analysis free from technical jargon. For students, scholars and plain readers alike, this book is an illuminating addition to the study of music reception.

The Story of Giuseppe Verdi Gabriele Baldini,1980-11-13 A translation of Baldini's acclaimed study of Verdi's operatic masterpieces, with new editorial additions.

Verdi in America George Whitney Martin,2011 A renowned Verdi authority offers here the often-astounding first history of how Verdi's early operas -- including one of his great masterpieces, *Rigoletto* -- made their way into America's musical life.

Verdi's a Masked Ball Giuseppe Verdi,Burton D. Fisher,2004-08 A comprehensive guide to Verdi's *A MASKED BALL*, featuring insightful and in depth Commentary and Analysis, a complete, newly translated Libretto, with Italian/English side-by-side, and over 30 music highlight examples.

Giuseppe Verdi Gregory Harwood,2012-05-04 This comprehensive research guide surveys the most significant published materials relating to Giuseppe Verdi. This new edition includes research since the publication of the first edition in 1998.

La Forza del Destino Giuseppe Verdi,2018-01-01 Verdi's *War and Peace*, writes Peter Conrad of this epic opera composed in 1862. It encompasses the extremes of a religious and secular existence - the worlds of the lovers pursued by an

uncompromising fate and of the people in the scenes at the inn and on the battlefield. Despite its beautiful score, this opera has often seemed perplexing: Richard Bernas shows us how the music is devised as a convincing entity, and Bruce A. Brown traces the tortuous but fascinating history of its revisions. Here translated into English by Andrew Porter, *La forza del destino* deserves a serious reassessment. Contents: War and Peace, Peter Conrad; The Music of 'The Force of Destiny', Richard Bernas; The Revision of 'The Force of Destiny'; 'That Damned Ending', Bruce A. Brown; *La forza del destino*: Libretto by Francesco Piave (1862) with additions by Antonio Ghislanzoni (1869); The Force of Destiny: English translation by Andrew Porter

Falstaff James A. Hepokoski, 1983-11-10 A compact, up-to-date guide to the history and construction of Verdi's last - and possibly greatest - opera.

Verdi's Operas Giorgio Bagnoli, 2013 VERDI'S OPERAS: AN ILLUSTRATED SURVEY OF PLOTS CHARACTERS SOURCES AND CRITICISM

Giuseppe Verdi's A Masked Ball Giuseppe Verdi, Burton D. Fisher, Eugène Scribe, Antonio Somma, 2004-08 A newly translated Libretto featuring foreign language/English side-by-side, and music examples interspersed throughout the text.

The Verdi-Boito Correspondence Giuseppe Verdi, Arrigo Boito, 1994-07-25 These 301 letters between Verdi and Boito show a picture of daily life of European art and artists during the last decades of the 19th century.

The Operas of Verdi Julian Budden, 1973 Julian Budden's monumental three-volume survey of the operas of Verdi. Hailed on publication for its extraordinary comprehensibility, the set has become the classic reference work on its subject. Volume 1 traces the organic growth and development of the composer's style from 1839 to 1851--from the first opera, *Oberto*, to the seventeenth, *Rigoletto*. Budden examines each opera in detail with a full account of its dramatic and historical origins and a brief critical evaluation. More than 350 musical examples point to the significance of the early operas in Verdi's developing style. Volume 2 covers those works written during the decadence of the post-Rossini period. During this time, Verdi, having exhausted the vein of simple lyricism to be found in *Il Trovatore* and *La Traviata*, achieved self-renewal in direct confrontation with the masters of the Paris Opera with his *Les Vêpres Siciliennes*. A new scale and variety of musical thought can be sensed in the Italian operas that follow, culminating in *La Forza del Destino*. Volume 3 covers roughly a quarter of a century, a period which saw grand opera on the Parisian model established throughout Italy, the reform of the Conservatories, and the spread of cosmopolitan influences to an extent that convinced many that Italian music was losing its identity. Verdi produced his four last and greatest operas--*Don Carlos*, *Aida*, *Otello*, and *Falstaff*--in this period, which ended with the advent of 'verismo', in which a new, recognizably Italian idiom was inaugurated.

La Traviata Giuseppe Verdi, Francesco Maria Piave, 1981 Alfredo falls in love with the beautiful courtesan, Violetta Valery,

who is dying from consumption. Violetta is persuaded by Giorgio, Alfredo's father, to sacrifice her happiness with Alfredo for the sake of family honor.

The Operas of Verdi: From Oberto to Rigoletto Julian Budden, 1978 An analysis of Verdi's entire operatic output done in great depth and detail and based on exhaustive research in European archives. The first volume of this monumental study is a reissue. Two additional volumes are in preparation.

Ernani Giuseppe Verdi, 1985-09 Although Verdi began sketching the music for *Il corsaro* in 1846, a lengthy illness forced him to postpone further work. He finally completed the score in early 1848, but the revolutions of that year delayed its first performance. When it finally premiered on 25 October at the Teatro Grande of Trieste, Verdi was in Paris and did not participate as usual in the production, which was poorly received. Though more successful in subsequent stagings, *Il corsaro* was soon eclipsed by the operas of the noted trilogy and fell from the repertory. The full score of *Il corsaro*, published here for the first time, as well as recent revivals based on pre-publication proofs of this critical edition, reveal the work to be far more rewarding than even Verdi himself would later admit. Showing the gradual consolidation of Verdi's mature style through his contacts with French opera, *Il corsaro* well repays the renewed attention it is receiving.

La Traviata Giuseppe Verdi, 1888

Verdi, Opera, Women Susan Rutherford, 2013-11-07 Prologue : Verdi and his audience -- War -- Prayer -- Romance -- Sexuality -- Marriage -- Death -- Laughter.

Whispering the Secrets of Language: An Psychological Quest through **The Operas Of Giuseppe Verdi**

In a digitally-driven earth where monitors reign supreme and instant interaction drowns out the subtleties of language, the profound techniques and emotional nuances concealed within phrases frequently move unheard. Yet, set within the pages of **The Operas Of Giuseppe Verdi** a interesting fictional value pulsing with fresh thoughts, lies a fantastic quest waiting to be undertaken. Penned by an experienced wordsmith, that charming opus attracts visitors on an introspective journey, lightly unraveling the veiled truths and profound influence resonating within the very material of each word. Within the mental depths of the touching review, we can embark upon a genuine exploration of the book is primary styles, dissect their interesting publishing type, and yield to the effective resonance it evokes strong within the recesses of readers hearts.
