All the Little Raindrops Mia Sheridan,2023-09-19 The chilling story of the abduction of two teenagers, their escape, and the dark secrets that, years later, bring them back to the scene of the crime. It's senior-year spring break, and Noelle Meyer and Evan Sinclair have been kidnapped. Neither knows why they were chosen, only that they share a tragic past: Evan's father got away with killing Noelle's mother, effectively ruining her family when the death was ruled an accident. Despite the connection that should have made them enemies, the teens instead unite to face their other common denominator--their abductors. Noelle and Evan survive one sadistic circumstance after another, eventually making a harrowing escape. But every happy ending comes at a price... Years later, Evan, now a private investigator, revisits the crime when he learns it may be ongoing. He reaches out to Noelle for help, and they discover that the answers lie with a man known only as the Collector. To close their case and solve the ones that followed, Noelle and Evan must unmask this mysterious spectator--the only man who knows enough secrets to take their captors down.

If the Raindrops United Judah Friedlander,2015-10-20 A book of hilarious and ingenious comic drawings from the popular 30 Rock star and World Champion comedian Judah Friedlander, hailed by Tina Fey as one of the all-time great weirdos. Most Americans know Judah Friedlander from his role as Frank Rossitano on 30 Rock and from appearances in films like *American Splendor* and *The Wrestler*. But long before he became a film and TV star and stand-up comic Friedlander drew stuff. Now, in this quirky, hilarious, and surprisingly profound collection of drawings, Friedlander shows a new side to his terrifically entertaining (New York Times) comedy. Whether imagining George Washington in Las Vegas, plastic surgery for imperfect triangles, and the Keystone Pipeline as a sex act, Friedlander's Joodles push boundaries as they explore the absurdities of American life, sex, and even history and human rights. *If the Raindrops United* is a milestone in the career of one of America's most inventive comedians. Praise for *If the Raindrops United*: Judah has drawn a weird and funny book in the grand '70s tradition of B. Kliban! I think this book will probably fix the world. -- Tina Fey Some people meditate. Some people masturbate. But if you don't have the time or patience for either of those, I recommend reading *If the Raindrops United* to calm down, have a little laugh, or a big think. -- Susan Sarandon I've known Judah for many years and I still don't understand how his mind works, but it sure works. Seriously strange. Seriously funny. A National Treasure. Sadly, I need to get a restraining order against him. -- Paul Giamatti Judah thank you for writing a funny twisted book. It is such an easy read. Even dum dums like me can enjoy it!!! Buy this book. -- Dave Attell Judah's drawings are deceptively simple, yet they become more compelling with every page. His talent as an actor/writer/comedian is further conveyed in ANOTHER medium. He's a Quadruple Threat. He wears many hats. Literally. -- Janeane Garofalo Reading Judah Friedlander's new book is a lot like

hanging out with Judah himself: occasionally baffling, frequently thought-provoking, but, most of all, consistently hilarious! -- Mick Foley To compare Judah Friedlander to a great cartoonist like Jim Davis would be a compliment to Jim Davis. -- Wyatt Cenac Another hit from The World Champ tackling the signs and symbols you frequently question while dropping hot lava in your American Standard VorMax. -- Eddie Huang

With over 180 illustrations, this book is part personal memoir and sometimes just a randomly fun romp through the sillier bits of this crazy world we all inhabit. Written to take on the impossible task of inspiring creativity, unleashing your inner child, and instilling hope, it will, at the very least, make you smile and touch your heart.
