Aspiring to Inspiring Before Expiring Paul Chong, 2022-09-14 You would remember an old school poem “What is life if full of care, We have no time to stand & stare . . . ” which led on the author’s mind to the notion of sharing & caring in life. Out of this thought, this book is appropriately called “Aspiring to Inspiring before Expiring.” With most books, fiction or non-fiction, you’d read continuously from beginning to end. Here in this case, you can pick & choose to read with ease & pleasure the articles, over 600 of them, on “whatever interests you.” The titles of articles are presented in a non-categorised manner, independent & complete by themselves individually. The book is very readable, easy to comprehend. It can well be your personal bible, a good travelling companion or indeed suitable as a gift for all occasions. Collectively when they first appeared in Paul’s blog <https://paulchong.net>, they attracted over a million views and Paul has been acknowledged as a very inspiring blogger. Readers will have both the leisure & pleasure of savouring a wide range of subjects in: • love & romance • arts & science • facts & fiction • reminiscences & presence • greed & creed • economics & politics • fantasy & reality • nature & venture • spiritual & secular • life & travel • poems

A Positive Way of Life Puja Kapoor Garg, Positive thinking is a very important part of very human being because Life shows 'Ups and Downs' to everyone, at different stages of one's Life. This book is on Positive thinking. Life is a long journey in which everyone is blessed with Family, Friends, Love, Children, Responsibility, Gains and Losses, Ups and Downs. Cultures, the world over show diverse beliefs. Everyone believes in a Power which we call as God, Rama, Allah, Jesus, so on and so forth. People generally embrace God's shelter or seek Spirituality to get peace and strength during troubles times. Others may find peace in a social work, or work, serve the needy or maybe follow their passion/hobbies like reading, writing, etc. Talking to someone who truly cares for you is a big support during difficult times. Peeping through book stores, one often finds books which inspire someone and gives positive thoughts, just by a simple glance. Talking to a dear friend and reading such books mean the same. Being inspired to keep any one's spirit up, even when Life make one feel lost and sad, hope the book will inspire the entire Human Race, in helping themselves as the others around them.

Inspired Wisdom for Progressive Living Pastor Stephen Kyeyune,2017-05-12 This book is written from the biblical perspective because humans are, as Christianity teaches, inherently religious creatures, born with a sense of the supernatural. Therefore, in order for the message to edify, it must be inspired. This book contains quotations of wisdom. Wisdom is not an option. Wisdom involves making decisions. The decisions you make will either make you or break you. Wisdom eludes the proud who refuses to humble themselves and seek God. If you want God to lead, you must be willing to follow him. When you read this book, you will get a piece of pie sliced from our cultural values. I have included some proverbs from our tribes. We cannot ignore the role of our cultures in shaping our societies. But our cultures are not absolute. God instituted the church as the point of reference. Unless you understand the Lordship of Jesus Christ and the government of the Holy Spirit, you and I cannot be agents of change. When you open up to learning, the Lord will take you through deep waters, and it is in the deep that we find the treasures of the Lord (Isa. 45:3). As they say, if you need gold, you have to dig deep, but you dont need to toil to get clay. Allow me to take you step by step through my devotional journal. Apply the acquired wisdom to your daily living.

BLUE HIGHWAYS Revisited Edgar I. Ailor,Edgar I. Ailor (IV.),2012-05-25 In 1978, William Least Heat-Moon made a 14,000-mile journey on the back roads of America, visiting 38 states along the way. In 1982, the popular Blue Highways, which chronicled his adventures, was published. Three decades later, Edgar Ailor III and his son, Edgar IV, retraced and photographed Heat-Moon's route, culminating in Blue Highways Revisited, released for publication on the thirtieth anniversary of Blue Highways. A foreword by Heat-Moon notes, The photographs, often with amazing accuracy, capture my verbal images and the spirit of the book. Taking the journey again through these pictures, I have been intrigued and even somewhat reassured that America is changing not quite so fast as we often believe. The photographs, happily, reveal a recognizable continuity - but for how much longer who can say - and I'm glad the Ailors have recorded so many places and people from Blue Highways while they are yet with us. Through illustrative photography and text, Ailor and his son capture once more the local color and beauty of the back roads, cafes, taverns, and people of Heat-Moon's original trek. Almost every photograph in Blue Highways Revisited is referenced to a page in the original work. With side-by-side photographic comparisons of eleven of Heat-Moon's characters, this new volume reflects upon and develops the memoir of Heat-Moon's cross-country study of American culture and spirit. Photographs of Heat-Moon's logbook entries, original manuscript pages, Olympia typewriter, Ford van, and other artifacts also give readers insight into Heat-Moon's approach to his trip. Discussions with Heat-Moon about these archival images provide the reader insight into the travels and the writing of Blue Highways that only the perspective of the author could provide. Blue Highways Revisited reaffirms that the blue highway serves as a

romantic symbol of the free and restless American spirit, as the Ailors lose themselves to the open road as Heat-Moon did thirty years previously. This book reminds readers of the insatiable attraction of the “blue highway”—“But in those brevities just before dawn and a little after dusk—times neither day or night—the old roads return to the sky some of its color. Then, in truth, they carry a mysterious cast of blue, and it's that time when the pull of the blue highway is strongest, when the open road is a beckoning, a strangeness, a place where a man can lose himself” (Introduction to Blue Highways).

The Cloud Christina Naomia Howard,2010 In August 2013, a mysterious dark cloud appears over the skies of Las Vegas, Nevada. Thought to be just a passing storm at first, the cloud soon becomes a problem for both science and religion as it stays hovering over the city for months. Ten award-winning authors explore how the cloud challenges religion, science, culture, and human behavior.

Continuin' On Joe Race,2007-11-13 After moving on from the mean, violent streets of Los Angeles, retired sheriff's sergeant Tom Parker continues on with his International Private Investigations Agency and his refurbished rose-colored hotel on the beach in the Marianas Islands. Tom's partner is strongman Carlos Montano, Chamorro warrior, and together, they investigate a series of murders, kidnappings, frauds and assassinations, in locales as far away as the Philippines Islands. Tom still enjoys a high when he hears the clicking sounds of applied handcuffs to bad-ass suspects. Tom married his hotel manager, Cocina, and Carlos married the Chinese translator, Daisy. They cross paths with dozens of beautiful ladies and so far, have resisted other feminine wiles. Tom is still trying to master sail-boarding and belly boards, and finds great success in fishing in the northern islands with his two brothers. Tom and Carlos investigate a series of crazy and wild PI cases, including cases with Whitey the Tiger, and Leo the Bull. They're still in good stead with the professional police commissioner, but not so with her dopey cops. Be ready for some exciting and interesting adventures, and political intrigue, interlaced with romance and full moons.

The Real Enemy in the Fight Against AIDS Dr. Elizabeth Kwigema Mwanukuzi,2020-01-24 The Real Enemy in the Fight Against AIDS By: Dr. Elizabeth Kwigema Mwanukuzi The Real Enemy in the Fight Against AIDS shows the challenges for patients facing the treatment for all strategies. Bibi has exposed some of the problems hindering a strategy and suggested plans for the way forward. As a dermatologist with many years' experience, Bibi came face to face with the early cases of AIDS before treatment became readily available, but she was fortunate to be involved with a program that established management centres in Tanzania through the Clinton HIV/AIDS Initiative (CHAI). This program made her aware how complex management and control measures for HIV and AIDS are. She also realised that after more than 30 years of

planning to eliminate the pandemic, the situation remains a major challenge and stakeholders need to go back to the drawing board with new ideas and new strategies, which she hopes this book will stimulate.

Christmas Letters Katherine O'Connor spends her days at a cozy café writing Christmas letters for other people. She's good at making their everyday lives sound more interesting. But for renowned child psychologist Dr. Wynn Jeffries, who also frequents the café, Christmas means deception. They disagree about practically everything—but as the days move closer to Christmas, Katherine and Wynn may find that love means accepting your differences while discovering what you share. Call Me Mrs. Miracle For Jake Finley, owner of Finley's Department Store in New York City, Christmas means only one thing to him: profit. The holiday was destroyed for him by a tragedy years before. But now he needs a Christmas miracle to keep the business afloat. Holly Larson needs a miracle, too. Her nephew's father won't be home for Christmas, but at least she can get him the one gift he desperately wants. If she can figure out how to pay

Call Me Mrs. Miracle Debbie Macomber, 2018-11-26 Curl up on a cozy winter night with this classic uplifting holiday story from New York Times bestselling author Debbie Macomber. Also a Hallmark Channel original movie. This Christmas, Emily Merkle (just call her Mrs. Miracle) is working in the toy department of Finley's, the last family-owned department store in New York City. And her boss is none other than Jake Finley, the owner's son. For Jake, holiday memories of brightly wrapped gifts, decorated trees and family gatherings were destroyed in a Christmas Eve tragedy years before. Now Christmas means only one thing to him—and to his father. Profit. Because they need a Christmas miracle to keep the business afloat. Holly Larson needs a miracle, too. She wants to give her eight-year-old nephew, Gabe, the holiday he deserves. Holly's widowed brother is in the army and won't be home for Christmas, but at least she can get Gabe that toy robot from Finley's, the one gift he desperately wants. If she can figure out how to pay for it... Fortunately, it's Mrs. Miracle to the rescue. Next to making children happy, she likes nothing better than helping others—and that includes a bit of matchmaking! This Christmas will be different. For all of them. Originally published in 2010

Fanny Bixby Spencer Marcia Lee Harris, 2013-02-05 The last daughter born to Jotham Bixby, the Father of Long Beach, Fanny Bixby Spencer (1879-1930) carved her own singular and eccentric path across California history. Born to wealth and power, she chose a boldly independent, egalitarian lifestyle in an age when women's lives were largely confined to domesticity. Fanny served with the Long Beach Police Department as America's first policewoman. She was a founder of the city of Costa Mesa in Orange County. Her humanitarian efforts reached across ethnicities and social standing. Yet beyond her civic accomplishments, Fanny was provocative as a poet, artist, pacifist, suffragist, child advocate, foster mother and humanitarian. Marcia Lee Harris captures this fascinating woman's remarkable life, enhanced by Fanny's own poetry and soulful reflections.

Until Uhuru Kommon Knowledge,2010 His fellow educators and colleagues placed academia on hold for him. Some actors and filmmakers that he knew took breaks from their performances to help him out. Other artists and writers delayed their own projects to work with him. Even tireless activists and people working in the social services or engaged within various civic venues were able to find the time to assist him. In every shade of Blackness, these colored folks joined together here; a cross section of backgrounds, genders, ages, and creeds. Each responded in a manner of his or her own- contributing by word of mouth, with pencil and pad, via email or text message. And their responses came in from all around the nation- Cleveland, New York, Atlanta, Philadelphia, Chicago, and many other places. Indeed, Kommon Knowledge sent out the call for uhuru and they all answered it. They united within these pages to share their timely message with the People. Until Uhuru: For US Colored Folks is a compilation of poetry and prose on the personal experiences of each writer joined together here. The presentation of their message to the People comes through the collective mindsets of these writers as well. Prepare for your political, spiritual, emotional, and social consciousness to be awakened!
