**Dutch Girl** Robert Matzen,2019-04-15 Twenty-five years after her passing, Audrey Hepburn remains the most beloved of all Hollywood stars, known as much for her role as UNICEF ambassador as for films like Roman Holiday and Breakfast at Tiffany's. Several biographies have chronicled her stardom, but none has covered her intense experiences through five years of Nazi occupation in the Netherlands. According to her son, Luca Dotti, The war made my mother who she was. Audrey Hepburn's war included participation in the Dutch Resistance, working as a doctor's assistant during the Bridge Too Far battle of Arnhem, the brutal execution of her uncle, and the ordeal of the Hunger Winter of 1944. She also had to contend with the fact that her father was a Nazi agent and her mother was pro-Nazi for the first two years of the occupation. But the war years also brought triumphs as Audrey became Arnhem's most famous young ballerina. Audrey's own reminiscences, new interviews with people who knew her in the war, wartime diaries, and research in classified Dutch archives shed light on the riveting, untold story of Audrey Hepburn under fire in World War II. Also included is a section of color and black-and-white photos. Many of these images are from Audrey's personal collection and are published here for the first time.

**Audrey Style** Pamela Keogh Clarke,2010-08-31 Everyone, it seems, is a fan of Audrey's. She was Gigi, a princess, Holly Golightly, a nun, Maid Marian, even an angel. And we believed her in every role. But Audrey Hepburn was also one of the most admired and emulated women of the twentieth century, who encouraged women to discover and highlight their own strength. By example, she not only changed the way women dress--she forever altered the way they viewed themselves. But Audrey Hepburn's beauty was more than skin deep. You know the Audrey you saw onscreen? Audrey was like that in real life, only a million times better, says designer Jeffrey Banks. For the first time, this style biography reveals the details--fashion

and otherwise--that contributed so greatly to Audrey's appeal. Drawing on original interviews with Hubert de Givenchy, Gregory Peck, Nancy Reagan, Doris Brynner, and Audrey Wilder, as well as reminiscences of professional friends like Steven Spielberg, Ralph Lauren, noted Hollywood photographer Bob Willoughby, Steven Meisel, and Kevyn Aucoin, Audrey Style brings the Audrey her family and friends loved to life. With more than ninety color and black-and-white photographs, many of which have never before been published, and original designer sketches from Edith Head, Hubert de Givenchy, Vera Wang, Manolo Blahnik, Alexander McQueen, and others, Audrey Style gives measure to the grace, humor, intelligence, generosity, and inimitable fashion sense that was Audrey Hepburn.

**Fifth Avenue, 5 A.M.** Sam Wasson, 2011-09-25 Before Breakfast at Tiffany's Audrey Hepburn was still a little-known actress with few film roles to speak of; after it - indeed, because of it - she was one of the world's most famous fashion, style and screen icons. It was this film that matched her with Hubert de Givenchy's "little black dress". Meanwhile, Truman Capote's original novel is itself a modern classic selling huge numbers every year, and its high-living author of perennial interest. Now, this little book tells the story of how it all happened: how Audrey got the role (for which at first she wasn't considered, and which she at first didn't want); how long it took to get the script right; how it made Blake Edwards' name as a director after too many trashy films had failed to; and how Henry Mancini's soundtrack with its memorable signature tune 'Moon River' completed the irresistible package. This is the story of how one shy, uncertain, inexperienced young actress was persuaded to take on a role she at first thought too hard-edged and amoral - and how it made Audrey Hepburn into gamine, elusive Holly Golightly in the little black dress - and a star for the rest of her life.

*Audrey Hepburn, An Elegant Spirit* Sean Hepburn Ferrer, 2005-04-05 The son of the celebrated actress recounts the life of his mother, her most noted performances, and her work as a goodwill ambassador for UNICEF, along with events in his own life.

Enchantment Donald Spoto, 2006-09-19 While her name is synonymous with elegance, style and grace, this poignant, funny and deeply moving biography, reveals the private Audrey Hepburn and invites readers to fall in love with her all over again. Over the course of her extraordinary life and career, Audrey captured hearts around the world and created a public image that stands as one of the most recognizable and beloved in recent memory. But despite her international fame and her tireless efforts on behalf of UNICEF, Audrey was also known for her intense privacy. With unprecedented access to studio archives, friends and colleagues who knew and loved Audrey, bestselling author Donald Spoto provides an intimate and moving account of this beautiful, elusive and talented woman. Tracing her astonishing rise to stardom, from her harrowing childhood in Nazi-controlled Holland during World War II to her years as a struggling ballet dancer in London and her Tony Award-winning Broadway debut in *Gigi*, Spoto illuminates the origins of Audrey's tenacious spirit and fiercely passionate nature. She would go on to star in some of the most popular movies of the twentieth century, including *Roman Holiday*,

Sabrina, Funny Face, The Nun's Story, Breakfast at Tiffany's and My Fair Lady. A friend and inspiration to renowned designer Hubert de Givenchy, Audrey also emerged as a fashion icon and her influence on women's fashion virtually unparalleled to this day. Behind the glamorous public persona, Audrey was a different and deeper person and a woman who craved love and affection. Donald Spoto offers remarkable insights into her professional and personal relationships with her two husbands, and with celebrities such as Gregory Peck, William Holden, Fred Astaire, Gary Cooper, Robert Anderson, Cary Grant, Peter O'Toole, Albert Finney and Ben Gazzara. The turbulent romances of her youth, her profound sympathy for the plight of hungry children, and the thrills and terrors of motherhood prepared Audrey for the final chapter in her life, as she devoted herself entirely to the charity efforts of an organization that had once come to her rescue at the end of the war: UNICEF.

*Growing Up With Audrey Hepburn* Rachel Moseley, 2002 *Growing up with Audrey Hepburn* is the first full-length academic study of one of the most loved stars of Hollywood cinema. A study of both Hepburn's star persona and films, it is also an audience study, using interviews to explore accounts given by British women who have admired her in the 1950s and 1960s, and, more recently, in the 1990s.

**Warrior** Robert Matzen, 2021-09-28 UNICEF thought that with my mother they would get a pretty princess to show up at galas. What they really got was a badass soldier. - Luca Dotti, Audrey Hepburn's son. *Warrior: Audrey Hepburn completes*

the story arc of Robert Matzen's *Dutch Girl: Audrey Hepburn and World War II*. Hepburn's experiences in wartime, including the murder of family members, her survival through combat and starvation conditions, and work on behalf of the Dutch Resistance, gave her the determination to become a humanitarian for UNICEF and the fearlessness to charge into war-torn countries in the Third World on behalf of children and their mothers in desperate need. She set the standard for celebrity humanitarians and—according to her son Luca Dotti—ultimately gave her life for the causes she espoused.

**Dilettante** Dana Brown,2022-03-22 A witty, insightful, and delightfully snarky blend of pop culture meets memoir meets real-life Devil Wears Prada as readers learn the stories behind twenty-five years at Vanity Fair from the magazine’s former deputy editor “Dilettante offers the best seat in the house into the workings of one of the great cultural institutions of our time.”—Buzz Bissinger, New York Times bestselling author of Friday Night Lights Dana Brown was a twenty-one-year-old college dropout playing in punk bands and partying his way through downtown New York’s early-nineties milieu when he first encountered Graydon Carter, the legendary editor of Vanity Fair. After the two had a handful of brief interactions (mostly with Brown in the role of cater waiter at Carter’s famous cultural salons he hosted at his home), Carter saw what he

believed to be Brown's untapped potential, and on a whim, hired him as his assistant. Brown instantly became a trusted confidante and witness to all of the biggest parties, blowups, and takedowns. From inside the famed Vanity Fair Oscar parties to the emerging world of the tech elite, Brown's job offered him access to some of the most exclusive gatherings and powerful people in the world, and the chance to learn in real time what exactly a magazine editor does—all while trying to stay sober enough from the required party scene attendance to get the job done. Against all odds, he rose up the ranks to eventually become the magazine's deputy editor, spending a quarter century curating tastes at one of the most storied cultural shops ever assembled. *Dilettante* reveals Brown's most memorable moments from the halcyon days of the magazine business, explores his own journey as an unpedigreed outsider to established editor, and shares glimpses of some of the famous and infamous stories (and people) that tracked the magazine's extraordinary run all keenly observed by Brown. He recounts tales from the trenches, including encounters with everyone from Anna Wintour, Lee Radziwill, and Condé Nast owner Si Newhouse, to Seth Rogen, Caitlyn Jenner, and acclaimed journalists Dominick Dunne and Christopher Hitchens. Written with equal parts affection, cultural exploration, and nostalgia, *Dilettante* is a defining story within that most magical time and place in the culture of media. It is also a highly readable memoir that skillfully delivers a universal coming-of-age story about growing up and finding your place in the world.
