We Need to Talk About Kevin Lionel Shriver, 2011-05-01 The inspiration for the film starring Tilda Swinton and John C. Reilly, this resonant story of a mother's unsettling quest to understand her teenage son's deadly violence, her own ambivalence toward motherhood, and the explosive link between them remains terrifyingly prescient. Eva never really wanted to be a mother. And certainly not the mother of a boy who murdered seven of his fellow high school students, a cafeteria worker, and a much-adored teacher in a school shooting two days before his sixteenth birthday. Neither nature nor nurture exclusively shapes a child's character. But Eva was always uneasy with the sacrifices and social demotion of motherhood. Did her internalized dislike for her own son shape him into the killer he's become? How much is her fault? Now, two years later, it is time for her to come to terms with Kevin's horrific rampage, all in a series of startlingly direct correspondences with her estranged husband, Franklin. A piercing, unforgettable, and penetrating exploration of violence and responsibility, a book that the Boston Globe describes as "impossible to put down," is a stunning examination of how tragedy affects a town, a marriage, and a family.

The House on Mango Street Sandra Cisneros, 2013-04-30 A TODAY SHOW #ReadWithJenna BOOK CLUB PICK NATIONAL BESTSELLER • A coming-of-age classic about a young girl growing up in Chicago • Acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. "Cisneros draws on her rich [Latino] heritage...and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one." —The New York Times Book Review The House on Mango Street is one of the most cherished novels of the last fifty years. Readers from all walks of life have fallen for the voice of Esperanza Cordero, growing up in Chicago and inventing for herself who and what she will become. "In English my name means hope," she says. "In Spanish it means too many letters. It means sadness, it means waiting. Told in a series of vignettes—sometimes heartbreaking, sometimes joyous—Cisneros's masterpiece is a classic story of childhood and self-discovery and one of the greatest neighborhood novels of all time. Like Sinclair Lewis's *Main Street* or Toni Morrison's *Sula*, it makes a world through people and their voices, and it does so in language that is poetic and direct. This gorgeous coming-of-age novel is a celebration of

the power of telling one's story and of being proud of where you're from.

Deuda Natal Mara Pastor,2021-09-07 Deuda Natal finds the beauty within vulnerability and the dignity amidst precariousness. As one of the most prominent voices in Puerto Rican poetry, Mara Pastor uses the poems in this new bilingual collection to highlight the way that fundamental forms of caring for life—and for language—can create a space of poetic decolonization. The poems in Deuda Natal propose new ways of understanding as they traverse a thematic landscape of women's labor, the figure of the nomad and immigrant, and the return from economic exile to confront the catastrophic confluence of disaster and disaster capitalism. The poems in Deuda Natal reckon with the stark environmental degradation in Puerto Rico and the larger impacts of global climate change as they navigate our changing world through a feminist lens. Pastor's work asserts a feminist objection to our society's obsession with production and the accumulation of wealth, offering readers an opportunity for collective vulnerability within these pages. For this remarkable work, Pastor has found unique allies in María José Giménez and Anna Rosenwong, the translators of Deuda Natal. Winner of the 2020 Ambroggio Prize of the Academy of American Poets, this collection showcases masterfully crafted and translated poems that are politically urgent and emotionally striking.

Juliet Takes a Breath Gabby Rivera,2019-09-17 F***ing outstanding.--Roxane Gay, New York Times bestselling author “Rivera captures both the disappointments and the possibilities that come with realizing that your life’s solution cannot be figured out by someone else.”—The New York Times Book Review Juliet Milagros Palante is a self-proclaimed closeted Puerto

Rican baby dyke from the Bronx. Only, she's not so closeted anymore. Not after coming out to her family the night before flying to Portland, Oregon, to intern with her favorite feminist writer--what's sure to be a life-changing experience. And when Juliet's coming out crashes and burns, she's not sure her mom will ever speak to her again. But Juliet has a plan--sort of. Her internship with legendary author Harlowe Brisbane, the ultimate authority on feminism, women's bodies, and other gay-sounding stuff, is sure to help her figure out this whole Puerto Rican lesbian thing. Except Harlowe's white. And not from the Bronx. And she definitely doesn't have all the answers . . . In a summer bursting with queer brown dance parties, a sexy fling with a motorcycling librarian, and intense explorations of race and identity, Juliet learns what it means to come out--to the world, to her family, to herself.

Mi Berlín Esther Andradi,2015-12-10 Cuando llegué al sector occidental de Berlín en 1983 tuve la peregrina idea de sobrevivir como corresponsal extranjera en esta ciudad que entonces estaba dividida en dos. Nada más difícil. Hasta poco antes de la caída del muro, Berlín no tenía ningún interés para los medios de comunicación. Para mí sin embargo fue un destino de privilegio: en menos de veinte cuadras a la redonda sentía respirar la historia. El pasado de la guerra, el presente dividido en los dos sistemas que pugnaban por el control del mundo, el futuro multicultural, entrometido y mestizo, todo éso veía deslizarse por las calles y los barrios del Berlín Occidental. Entonces decidí escribir sobre lo que a mí me interesaba, desde el hundimiento de un barco llamado Amor, la descripción del sitio donde estaba mi oficina o escenas en el mercado, el protagonismo en estas notas lo ejerce la vida cotidiana. Son algo así como la otra crónica, la otra cara de esta metrópoli que después estuvo en el centro de la noticia y cuya coyuntura también registré. Como una prolongación del viejo ejercicio de escribir cartas, estos textos hablan desde mi perplejidad y el asombro, evocando una ciudad de gentes desde las costuras que la hicieron famosa.
