Robert J. Hubert

Pathophysiology Online for Gould's Pathophysiology for the Health Professions Access Code Karin C. Vanmeter, Robert J. Hubert, 2014-04-24 With modules corresponding to the material in the Gould's Pathophysiology for the Health Professions, 5th Edition text, Pathophysiology Online demonstrates disease processes and disorders in a clear and visual way. Animations, slide shows, and other interactive resources enhance understanding of pathophysiology for any learning style. A case-based approach presents information in small chunks for easier comprehension, encourages critical thinking, and helps you apply concepts. Within each module, a set of lessons lets you study and review pathophysiology - with exercises to allow self-assessment. Developed for students in the health professions, Pathophysiology Online is the perfect tool to get the most out of your book! Clinical Correlation case studies let you apply pathophysiology to the real world, with each case including a patient with a pathology pertaining to a specific body system, along with an electronic health record and self-assessment questions. Animations, slide shows, and audio narration demonstrate the more difficult disease and health processes, showing how, why, when, and the order in which abnormal physiologic processes take place. Self-assessment activities promote learning with Self-Check activities such as image association, drag-and-drop, matching, multiple choice, and flash card activities, and Think About short-answer exercises - all with immediate feedback and source references. Student-friendly features in each module include a lesson overview with learning objectives, glossary terms, and a module summary. Audio glossary offers quick, easy access to new and unfamiliar terms - some with illustrations - along with pronunciations and definitions. Additional photos and illustrations not included in the textbook visually reinforce learning.
