Slow Horses Mick Herron, 2011-10-11 Let us be clear about this much at least: Slough House is not in Slough, nor is it a house... Slough House is Jackson Lamb's kingdom; a dumping ground for members of the intelligence service who've screwed up: left a secret file on a train, blown a surveillance, or become drunkenly unreliable. They're the service's poor relations - the slow horses - and bitterest among them is River Cartwright, whose days are spent transcribing mobile phone conversations. But when a young man is abducted, and it's threatened that he'll be beheaded live on the Internet, River sees an opportunity to redeem himself. Is the victim who he first appears to be? And what's the kidnappers' connection with a disgraced journalist? As the clock ticks on the execution, River finds that everyone involved has their own agenda ... And unless the slow horses can prove they're not as useless as they're thought to be, a young man's death is going to echo around the world. Praise for Mick Herron: Mick Herron never tells a suspense story in the expected way, which is why his new novel, *Reconstruction*, reads as much like a puzzle mystery as it does a thriller . . . unpleasant things are bound to happen, and they do-but not until Herron has finished surprising us . . . there is no hiding under the desk. New York Times. 'This is one of these novels where you read it, not just to see what happens at the end, but to see what happens on the very next page' Booklist 'Good characterisation, dialogue and well-paced narrative make this confident first novel frighteningly plausible' Sunday Telegraph 'Tight, literary and cliché free' Publishers Weekly 'Stylish and engaging' Washington Post

Spook Street Mick Herron, 2017-02-09 *Discover The Secret Hours, the gripping new thriller from Mick Herron and an unmissable read for Slough House fans* *Now a major TV series starring Gary Oldman* 'A terrific spy novel' Ian Rankin Twenty years retired from the Intelligence Service, David Cartwright still knows where all the bones are buried. But when he forgets that secrets are supposed to stay hidden, there's suddenly a target on his back. The 'Old Bastard' raised his grandson to be a hero, not a slow horse. Now, far from joining the myths and legends of Spook Street, River Cartwright is part of Jackson Lamb's team of pen-pushing no-hopers at Slough House. Which doesn't mean he won't ditch everything and go rogue when his grandfather comes under threat. Lamb worked with Cartwright back in the day, and knows better than most that this is no innocent old man. So when a panic button raises the alarm at Intelligence Service HQ, it's Lamb who's called on to identify the body. And it's Lamb who'll do whatever's necessary to protect an agent in peril. 'A modern masterpiece' Irish Times 'Outstanding' Daily Telegraph

Slough House Mick Herron,2021-02-09 In his best and most ambitious novel yet, Mick Herron, “the le Carré of the future” (BBC), offers an unsparing look at the corrupt web of media, global finance, spycraft, and politics that power our modern world. “This is a darker, scarier Herron. The gags are still there but the satire's more biting. The privatization of a secret service op and the manipulation of news is relevant and horribly credible.”—Ann Cleeves, author of the Vera Stanhope series At Slough House—MI5's London depository for demoted spies—Brexit has taken a toll. The “slow horses” have been pushed further into the cold, Slough House has been erased from official records, and its members are dying in unusual circumstances, at an unusual clip. No wonder Jackson Lamb's crew is feeling paranoid. But are they actually targets? With a new populist movement taking hold of London's streets and the old order ensuring that everything's for sale to the highest bidder, the world's a dangerous place for those deemed surplus. Jackson Lamb and the slow horses are in a fight for their lives as they navigate dizzying layers of lies, power, and death.

Reconstruction Mick Herron,2008-04-01 In this chillingly plausible thriller, CWA Gold Dagger winner Mick Herron proves he “never tells a suspense story in the expected way” (The New York Times Book Review). When a highly classified espionage operation breaks down, a prisoner escapes from a transport vehicle on the busy ring road outside Oxford. Now an armed and desperate man is on the loose. He has taken refuge in a preschool, where a collection of teachers, parents, and students were about to start their day. No one understands what Jaime Segura wants, and he refuses to speak to anyone but an MI6 spy named Ben Whistler, a coworker of Jaime's boyfriend, Milo, who has gone missing. Now, as law enforcement descends upon this quiet corner of Oxfordshire, Jaime holds the preschool hostage as his collateral, and one teacher, Louise Kennedy, finds herself in the terrifying position of protecting innocent children from the terrible decisions of the adults around them. As Louise steels her nerves and weighs her every decision, she also begins to put together the fragments of truth from the chaos around her—and no one is fiercer or more resourceful than a teacher on the trail of justice.

Joe Country Mick Herron,2019-06-11 THE SIXTH BOOK IN THE SERIES BEHIND SLOW HORSES, AN APPLE ORIGINAL SERIES NOW STREAMING ON APPLE TV+ If Spook Street is where spies live, Joe Country is where they go to die. “Suspense, spycraft, dry wit and vulgar humor are all well-deployed in this satisfying work by Mr. Herron, whose style can accommodate everything from a tough action scene to a lyrical elegy.”—Tom Nolan, The Wall Street Journal In Slough House, the London outpost for disgraced MI5 spies, memories are stirring, all of them bad. Catherine Standish is buying booze again, Louisa Guy is raking over the ashes of lost love, and new recruit Lech Wicinski, whose sins make him an outcast even among the slow horses, is determined to discover who destroyed his career, even if he tears his life apart in the process. Meanwhile, in Regent's Park, Diana Taverner's tenure as First Desk is running into difficulties. If she's going to make the Service fit for purpose, she might have to make deals with a familiar old devil . . . And with winter taking its grip, Jackson Lamb would sooner be left brooding in peace, but even he can't ignore the dried blood on his carpets. So when the man

responsible for killing a slow horse breaks cover at last, Lamb sends the slow horses out to even the score.

Dead Lions Mick Herron, 2013-05-07 THE BOOK BEHIND THE SECOND SEASON OF SLOW HORSES, THE APPLE ORIGINAL SERIES STARRING GARY OLDMAN IN HIS EMMY-NOMINATED ROLE AS JACKSON LAMB. The CWA Gold Dagger Award-winning British espionage novel about disgraced MI5 agents who inadvertently uncover a deadly Cold War-era legacy of sleeper cells and mythic super spies. The disgruntled agents of Slough House, the MI5 branch where washed-up spies are sent to finish their failed careers on desk duty, are called into action to protect a visiting Russian oligarch whom MI5 hopes to recruit to British intelligence. While two agents are dispatched on that babysitting job, though, an old Cold War-era spy named Dickie Bow is found dead, ostensibly of a heart attack, on a bus outside of Oxford, far from his usual haunts. But the head of Slough House, the irascible Jackson Lamb, is convinced Dickie Bow was murdered. As the agents dig into their fallen comrade's circumstances, they uncover a shadowy tangle of ancient Cold War secrets that seem to lead back to a man named Alexander Popov, who is either a Soviet bogeyman or the most dangerous man in the world. How many more people will have to die to keep those secrets buried?

London Rules Mick Herron, 2022-03-03 *Discover The Secret Hours, the gripping new thriller from Mick Herron and an unmissable read for Slough House fans* *Now a major TV series starring Gary Oldman* 'The best thriller writer in Britain today' Sunday Express At Regent's Park, the Intelligence Service HQ, new First Desk Claude Whelan is learning the job the hard way. Tasked with protecting a beleaguered Prime Minister, he's facing attack from all directions: from the showboating MP who orchestrated the Brexit vote, and now has his sights set on Number Ten; from the showboat's wife, a tabloid columnist, who's crucifying Whelan in print; and especially from his own deputy, Lady Di Taverner, who's alert for Claude's every stumble. Meanwhile, the country's being rocked by an apparently random string of terror attacks. Over at Slough

House, the last stop for washed up spies, the crew are struggling with personal problems: repressed grief, various addictions, retail paralysis, and the nagging suspicion that their newest colleague is a psychopath. But collectively, they're about to rediscover their greatest strength - making a bad situation much, much worse. 'Mick Herron is the John le Carré of our generation' Val McDermid 'Dazzlingly inventive' Sunday Times

Bad Actors Mick Herron, 2022-05-10 THE EIGHTH BOOK IN THE SERIES BEHIND SLOW HORSES, AN APPLE ORIGINAL SERIES NOW STREAMING ON APPLE TV+ Mick Herron, "the le Carré of the future" (BBC), expands his world of bad spies with an even shadier cast of characters: the politicians, lobbyists, and misinformation agents pulling the levers of government policy. "Confirms Mick Herron as the best spy novelist now working."—NPR's Fresh Air In London's MI5 headquarters a scandal is brewing that could disgrace the entire intelligence community. The Downing Street superforecaster—a specialist who advises the Prime Minister's office on how policy is likely to be received by the electorate—has disappeared without a trace. Claude Whelan, who was once head of MI5, has been tasked with tracking her down. But the trail leads him straight back to Regent's Park itself, with First Desk Diana Taverner as chief suspect. Has Taverner overplayed her hand at last? Meanwhile, her Russian counterpart, Moscow intelligence's First Desk, has cheekily showed up in London and shaken off his escort. Are the two unfortunate events connected? Over at Slough House, where Jackson Lamb presides over some of MI5's most embittered demoted agents, the slow horses are doing what they do best, and adding a little bit of chaos to an already unstable situation . . . There are bad actors everywhere, and they usually get their comeuppance before the credits roll. But politics is a dirty business, and in a world where lying, cheating and backstabbing are the norm, sometimes the good guys can find themselves outgunned.

This Is What Happened Mick Herron, 2018-01-30 From CWA Gold Dagger winner Mick Herron comes a shocking, twisted novel of psychological suspense about one woman's attempt to be better than ordinary. Twenty-six-year-old Maggie Barnes is someone you would never look at twice. Living alone in a month-to-month sublet in the huge city of London, with no family but an estranged sister, no partner, and not much in the way of friends, Maggie is just the kind of person who could vanish from the face of the earth without anyone taking notice. Or just the kind of person MI5 needs to infiltrate the establishment and thwart an international plot that puts all of Britain at risk. Now one young woman has the chance to be a hero—if she can think quickly enough to stay alive.

Why We Die Mick Herron, 2016-10-20 *From the creator of SLOW HORSES and soon to be a major TV series starring Emma Thompson and Ruth Wilson* 'If you haven't read Zoë Boehm yet, welcome to your next fiction addiction' Val McDermid, author of Past Lying 'Herron is a stylish writer with a mordant sensibility and a deadly wit. He's also a tricky plotter' New York Times Book Review When Zoë Boehm agrees to track down the gang who robbed Sweeney's jewellery shop, she's just hoping to break even in time for tax season. She certainly doesn't expect to wind up in a coffin. But she's

about to become entangled with a strange collection of characters, starting with suicidal Tim Whitby, who's dedicating what's left of his life to protecting the pretty, battered Katrina Blake from her late husband's sociopathic brothers, Arkle and Trent. Unfortunately for Zoë, Arkle has a crossbow, Tim has nothing left to lose, and even Katrina has her secrets. And death, like taxes, can't be avoided forever.

The Last Voice You Hear Mick Herron, 2009-04-01 From the author of *Slow Horses* and soon to be an Original Series from Apple TV+ starring Emma Thompson and Ruth Wilson. Oxford private investigator Zoë Boehm struggles with the aftereffects of her violent past as she hunts for a killer—or has she become the hunted? Zoë Boehm has harbored a distinct aversion to death ever since she shot the man intent on killing her. So when Caroline Daniels takes a deadly fall in front of a train and her lover fails to turn up at the funeral, Zoë wants nothing to do with the case. But Caroline's boss is persistent, and as Zoë attempts to unlock the secrets of a woman she's never met while in search of a man who could be anywhere, she starts to wonder if he's found her first. And if he has, will that make her the next victim, or prove to be her salvation from a paralyzing fear?

The List: A Novella Mick Herron, 2015-01-27 Dieter Hess, an aged spy, is dead, and John Bachelor, his MI5 handler, is in deep, deep trouble. Death has revealed that the deceased had been keeping a secret second bank account—and there's only ever one reason a spy has a secret second bank account. The question of whether he was a double agent must be resolved, and its answer may undo an entire career's worth of spy secrets.

The Catch: A Novella Mick Herron, 2020-01-28 British spy master Mick Herron returns with an explosive novella set in the same world as his multiple CWA Dagger-winning Slough House series. John Bachelor is the saddest kind of spy: not a joe in the field, not even a desk jockey, but a milkman—a part-time pension administrator whose main job is to check in on aging retired spies. Late in his career and having lost his wife, his house, and his savings after a series of unlucky choices, John's been living in a dead man's London apartment, hoping the bureaucracy isn't going to catch up with him and leave him homeless. But keeping a secret among spies is a fool's errand, and now John has made himself eminently blackmailable.

The Drop & The List Mick Herron, 2019-11-28 Two Slough House Novellas ****THE DROP**** 'It is time Mick Herron was recognised in his own right as the best thriller writer in Britain today' Sunday Express Old spooks carry the memory of tradecraft in their bones, and when Solomon Dortmund sees an envelope being passed from one pair of hands to another in a Marylebone cafe, he knows he's witnessed more than an innocent encounter. But in relaying his suspicions to John Bachelor, who babysits retired spies like Solly, he sets in train events which will alter lives. Bachelor himself, a hair's breadth away from sleeping in his car, is clawing his way back to stability; Hannah Weiss, the double agent whose recruitment was his only success, is starting to enjoy the secrets and lies her role demands; and Lech Wicinski, an Intelligence Service analyst, finds that a simple favour for an old acquaintance might derail his career. Meanwhile, Lady Di Taverner is trying to keep the

Service on an even keel, and if that means throwing the odd crew member overboard, well: collateral damage is her speciality. A drop, in spook parlance, is the passing on of secret information. It's also what happens just before you hit the ground. ****THE LIST**** 'Mick Herron is an incredible writer and if you haven't read him yet, you NEED to' Mark Billingham Dieter Hess, an aged spy, is dead, and John Bachelor, his MI5 handler, is in deep, deep trouble. Death has revealed that the deceased had been keeping a secret second bank account - and there's only ever one reason a spy has a secret second bank account. The Catch Mick Herron, 2020-01-09 'This tightly plotted tragicomedy will provide a welcome fix for addicts awaiting Herron's seventh Jackson Lamb novel' The Times 'Packed with Herron's trademark witty one-liners and sardonic humour . . . it's clear why Herron is a force to be reckoned with and the best thriller writer in Britain today' Daily Express 'A slim serio-comic offering . . . It plays out typically cleverly' Sunday Times If life in the Intelligence Service has taught John Bachelor anything, it's to keep his head down. Especially now, when he's living rent-free in a dead spook's flat. So he's not delighted to be woken at dawn by a pair of Regent's Park's heavies, looking for a client he's not seen in years. John doesn't know what secrets Benny Manors has stolen, but they're attracting the wrong attention. And if he's to save his own skin, not to mention safeguard his living arrangements, John has to find Benny before those secrets see the light. Benny could be anywhere, provided it serves alcohol. So John sets out on a reluctant trawl through the bars of the capital, all the while plagued by the age-old questions: Will he end up sleeping in his car? How many bottles of gin can he afford at London prices? And just how far will Regent's Park go to prevent anyone rocking the Establishment's boat?

No. 91/92 Lauren Elkin, 2021-09-14 A love letter to Paris and a meditation on how it has changed in two decades, evolving from the twentieth century into the twenty-first, from analog to digital. Your telephone is precious. It may be envied. We recommend vigilance when using it in public. --Paris bus public notice In fall 2014 Lauren Elkin began keeping a diary of her bus commutes in the Notes app on her iPhone 5c, writing down the interesting things and people she saw in a Perecquian homage to Bus Lines 91 and 92, which she took from her apartment in the 5th Arrondissement to her teaching job in the 7th. Reading the notice, she decided to be vigilant when using her phone: she would carry out a public transport vigil, using it to take in the world around her and notice all the things she would miss if she continued using it the way she had been, the way

everyone does--to surf the web, check social media, maintain her daily sense of self through digital interaction. Her goal became to observe the world through the screen of her phone, rather than using her phone to distract from the world. During the course of that academic year, the Charlie Hebdo attacks occurred and Elkin had an ectopic pregnancy, requiring emergency surgery. At that point, her diary of dailiness became a study of the counterpoint between the everyday and the Event, mediated through early twenty-first century technology, and observed from the height of a bus seat. No. 91/92 is a love letter to Paris, and a meditation on how it has changed in the two decades the author has lived there, evolving from the twentieth century into the twenty-first, from analog to digital.
