Some Mistakes have No Pardon Girdhar Joshi,2014-06-04 This is a story of a man who struggles to find love, peace, and happiness in relationships but ends up losing relations after relations amidst the compelling pressures of profession, passion, and maladjustment of life. Two important points highlighted in the pages of this story are: one - how a boy with a deprived childhood that blossomed and bloomed on bottle-gourd curry and pumpkin gods of grandmother and butter-milk and mint chutney of orphaned granny, could still create riches and achieve literary enlightenment - the rags-to-riches story. And, two - how strains of wretched and ill managed relations could undo every achievement, cause him strive to look for shelter elsewhere, and knock down the person into the nadir of disgrace and eventually brink of extinction - the riches-to-ashes story. These two ends are the central themes in this story, which are woven in through the warp and weft of incidences.

Prism Me a Lie Tell Me A Truth: Tehelka as Metaphor Madhu Trehan,2011-04-06 In March 2001, the website Tehelka broke Operation West End, the biggest undercover news story in Indian journalism. Using spycams and masquerading as arms dealers, Tehelka's reporters infiltrated the Indian government, bribed army officers, gave money to the president of the ruling party and the defence minister's close colleague right in the defence minister's residence. This eventually forced both the ministers' resignations. In a rigorously researched and searing authentic account of the Tehelka expose and its aftermath, Madhu Trehan does a forensic study of the imperatives at the root of it, the characters and heroes and villains of the story, and of how the system got back: by obfuscating, by attempting to destroy the investors without leaving any footprints. In the style of Rashomon, the story is related by numerous participants of the same incidents and, of course, none of the stories tally. With exhaustive personal interviews, this is a must-read for anybody who wants to understand modern India - or even better, modern international journalism.

Waiting in the Wild ,2019-01-20 This book is based on the true story of a woman, torn between tradition and her wish to live. Her grandmother was widowed at 24; mother was married at 11 to a 39-year-old wrestler. Priya, the third-generation girl, is an angry witness to their trauma. In search of Identity and Love, the conventional girl encounters various shades of

hypocrisy and sexual starvation and is completely transformed. Conjugal love is marred by unemployment and interference by in-laws. Marriage and pregnancy are not free from patriarchal politics. She feels liberated with the death of her husband and rejects the conventional value system, which denied happiness and love to her and her mother. If ultimately the body is to be burnt, then why not live it? But would she be able to find love?

Its High Time We Talk Amol Annadate, Sometimes the adolescent boys and girls find it difficult, rather awkward to say certain things face to face to their parents. As a way out, this book will serve as a guide book to them. The book covers a wide range of topics and questions that usually confuse teenagers and adolescents. Those include the physical changes in adolescence; and other related questions such as sexuality, masturbation, homosexuality, addiction, love, affair and much more. 'Its High Time We Talk' also deals with several medical problems that are specific to teenagers and adolescent age. The author explains everything on the basis of scientific information through the letters written within a family of four members — father, mother, son and daughter. In this way, the book can serve as an awakening call to parents as well as their adolescent sons and daughters. In case of a confusing question or an incident, the related reference can be found out from the table of contents very easily; and page can be kept open for the boys and girls to read. This would help because of its straight forward, lucid and jargon-free language. If each family reads this book on adolescence Issues — both the parents and their adolescent boys and girls—several problems can be solved and misunderstandings vanished. Author trust that the stormy period of adolescence can be turned into a pleasant and memorable phase of life through the use of this book.

Delhi's Meatscapes Zarin Ahmad,2018-06-14 Tracing the journey of meat from the farm to the meat shop and other workspaces of the butcher within the multi-sited margins in Delhi, the current volume intimately follows the lives of Qureshi butchers and other meat sector workers in this transforming mega-city. The author addresses the tensions that meat throws up in a bristling society whose stakes are now more than ever intense. She shows how meat is also a rising sector in the Indian economy, and fetches precious foreign exchange. Qureshi butchers stand at the crossroads of class, caste, stigma, religion, market, urban ecological policies, and a never-ceasing political debate around these issues. Delhi's Meatscapes brings together rare archival documents, vernacular sources, and ethnographic insights gleaned from several years of immersion in the city's meatscapes and is the first of its kind for urban anthropologists, economists, political scientists, policy planners and readers who wish to take a hard look at their own (non-)meat choices.
