James Allen

The Way of Men Jack Donovan,2022-03 10th Anniversary Hardcover Edition with new Afterword and additional notes by the author. This edition features classic essays related to the text, including Violence is Golden and No Man's Land.

Love Letters of Great Men Ursula Doyle,2008-08-05 From the private papers of Mark Twain and Mozart to those of Robert Browning and Nelson, Love Letters of Great Men collects together some of the most romantic letters in history. Part of the Macmillan Collector's Library; a series of stunning, clothbound, pocket sized classics with gold foiled edges and ribbon markers. These beautiful books make perfect gifts or a treat for any book lover. This edition is edited and introduced by publisher Ursula Doyle. For some of these great men, love is a 'delicious poison' (William Congreve); for others, love can scorch like the heat of the sun (Henry VIII), or penetrate the depths of one's heart like a cooling rain (Flaubert). Every shade of love is here, from the exquisite eloquence of Oscar Wilde and the simple devotion of Robert Browning, to the wonderfully modern misery of the Roman Pliny the Younger. Taken together, these Love Letters of Great Men show that perhaps men haven't changed so very much over the last 2,000 years; passion, jealousy, hope and longing are all represented described here - as is the simple pleasure of sending a letter to, and receiving one from, the person you love most.

As A Man Thinketh James Allen,2018

Citizenship in a Republic Theodore Roosevelt,2022-05-29 Citizenship in a Republic is the title of a speech given by Theodore Roosevelt, former President of the United States, at the Sorbonne in Paris, France, on April 23, 1910. One notable passage from the speech is referred to as The Man in the Arena: It is not the critic who counts; not the man who points out how the strong man stumbles, or where the doer of deeds could have done them better.

A Man of the People Chinua Achebe,2016-09-30 From the renowned author of The African Trilogy, a political satire about an unnamed African country navigating a path between violence and corruption As Minister for Culture, former school teacher M. A. Nanga is a man of the people, as cynical as he is charming, and a roguish opportunist. When Odili, an idealistic young teacher, visits his former instructor at the ministry, the division between them is vast. But in the eat-and-let-eat atmosphere, Odili's idealism soon collides with his lusts—and the two men's personal and political tauntings threaten to send their country into chaos. When Odili launches a vicious campaign against his former mentor for the same seat in an election, their mutual animosity drives the country to revolution. Published, prophetically, just days before Nigeria's first attempted

coup in 1966, A Man of the People is an essential part of Achebe's body of work.

Charles Dickens G.k. Chesterton,2014-03 This Is A New Release Of The Original 1907 Edition.

Great Men?? Dr. Don C. Kean D.M.D.,2014-03-25 War does not determine who is right—only who is left. —Bertrand Russell What is it that truly makes a person great? This has been a question both throughout and for the ages. In modern society, greatness is often measured in terms of wealth, power, knowledge, and achievement. Wealth and power can be so fleeting in life and should never truly and totally define an individual's greatness. Educational achievement is an attainment and accumulation of knowledge, facts, theories, and career training. Education is good. It can be valuable, but it should only be considered as one of the many tools in the toolbox of life. There have been many great people throughout history who have gone on to achieve and perform great feats in their life with little to no education. Wealth, power, and education can all be used for good and or for evil. The history of man clearly bears this out.

Make Your Bed Admiral William H. McRaven,2017-04-04 Based on a Navy SEAL's inspiring graduation speech, this #1 New York Times bestseller of powerful life lessons should be read by every leader in America (Wall Street Journal). If you want to change the world, start off by making your bed. On May 17, 2014, Admiral William H. McRaven addressed the graduating class of the University of Texas at Austin on their Commencement day. Taking inspiration from the university's slogan, What starts here changes the world, he shared the ten principles he learned during Navy Seal training that helped him overcome challenges not only in his training and long Naval career, but also throughout his life; and he explained how anyone can use these basic lessons to change themselves-and the world-for the better. Admiral McRaven's original speech went viral with over 10 million views. Building on the core tenets laid out in his speech, McRaven now recounts tales from his own life and from those of people he encountered during his military service who dealt with hardship and made tough decisions with determination, compassion, honor, and courage. Told with great humility and optimism, this timeless book provides simple wisdom, practical advice, and words of encouragement that will inspire readers to achieve more, even in life's darkest moments. From Third World to First: The Singapore Story, 1965-2000 Lee Kuan Yew,2012-09-15 Few gave tiny Singapore much chance of survival when independence was thrust upon it in 1965. Today the former British trading post is a thriving Asian metropolis with one of the world's highest per capita income. The story of that transformation is told here by Singapore's charismatic, controversial founding father Lee Kuan Yew. From Third World To First continues where the best-selling first volume, The Singapore Story, left off, and brings up to date the story of Singapore's dramatic rise. It was first published in 2000. Delving deep into his own meticulous notes and previously unpublished papers and cabinet records, Lee details the extraordinary efforts it took for an island city-state in Southeast Asia to survive, with just "a razor's edge" to manoeuvre in,

as Albert Winsemius, Singapore's economic advisor in the 1960s, put it. We read how a young man of 42 and his cabinet colleagues finished off the communist threat to the fledgling state's security, and began the long, hard work of building a nation: creating an army from scratch, stamping out corruption, providing mass public housing, and masterminding a national airline and airport. Lee writes frankly about his trenchant approach to political opponents and his often unorthodox views on human rights, democracy and inherited intelligence, aiming always "to be correct, not politically correct". Nothing about Singapore escaped his watchful eye: whether choosing shrubs for roadsides, restoring the romance of historic Raffles Hotel or persuading young men to marry women as well-educated as themselves. Today's safe, tidy Singapore certainly bears his stamp, but as he writes, "If this is a nanny state, I am proud to have fostered one."

Crime and Punishment Fyodor Dostoevsky, 2025-02-17 "Crime and Punishment" by Fyodor Dostoevsky plunges into the mind of Rodion Raskolnikov, a destitute former student in the teeming, oppressive streets of St. Petersburg. The novel opens with a vivid description of Raskolnikov's impoverished existence, his room a mere "cupboard or box," and the squalor he endures. Haunted by a desperate idea, he commits a brutal act: the murder of an elderly pawnbroker and her innocent sister, Lizaveta, with an axe. This act is not born of malice, but from a twisted theory that posits the existence of "extraordinary" individuals who are above the law and capable of shaping history. Raskolnikov sees himself as such a man, and the murder as a test of his own will and fortitude.

Daodejing Laozi, 2008-09-11 'Of ways you may speak, but not the Perennial Way; By names you may name, but not the Perennial Name.' The best-loved of all the classical books of China and the most universally popular, the *Daodejing* or *Classic of the Way and Life-Force* is a work that defies definition. It encapsulates the main tenets of Daoism, and upholds a way of being as well as a philosophy and a religion. The dominant image is of the Way, the mysterious path through the whole

cosmos modelled on the great Silver River or Milky Way that traverses the heavens. A life-giving stream, the Way gives rise to all things and holds them in her motherly embrace. It enables the individual, and society as a whole, to harmonize the disparate demands of daily life and achieve a more profound level of understanding. This new translation draws on the latest archaeological finds and brings out the word play and poetry of the original. Simple commentary accompanies the text, and the introduction provides further historical and interpretative context.
