Eddie Redmayne - The Biography Emily Herbert,2015-11-05 In February 2015, when Eddie Redmayne won the Oscar for Best Actor for his portrayal of the scientist Stephen Hawking in *The Theory of Everything*, it was the ultimate accolade for an actor who has thrilled audiences since bursting out on to the scene a decade earlier. Eddie Redmayne is simply one of the most exciting actors around today: from indie stage productions to Hollywood blockbusters, he has shown himself capable of tackling a huge variety of roles while cultivating a huge and devoted fan following known as 'Redmayniacs'. Now a new book delves into the past of this hugely popular star. From his wealthy and privileged origins, including an education at Eton and Trinity College, Cambridge, to a tentative entry into the London theatre scene to the heights of an international film career, Eddie has led a fascinating life. Now married to his childhood sweetheart Hannah Bagshawe, Eddie has also been linked to a string of beautiful women before settling down. Delving into every aspect of his background, the new book unearths little known facts about Eddie, such as his acting debut as a teenager in *Animal Ark*, his stage work in London while still at university, when he was discovered by Mark Rylance, with whom he has often been compared, and his ground-breaking work in films that confront some of society's most explicit taboos. An outstanding member of a hugely exciting new generation of actors, Eddie looks set to dominate the entertainment industry for decades to come.

Daniel Day-Lewis - The Biography Laura Jackson,2013-02-04 Regarded by many as the finest actor of his generation, Daniel Day-Lewis has become one of Hollywood's most bankable stars. His diverse performances in roles such as cerebral palsy sufferer Christy Brown in *My Left Foot* and Butcher Bill in *Gangs of New York* have cemented his reputation as a chameleon method actor. Yet behind the on-screen personas and theatrical masks lies a complex figure about whom relatively little is really known. Acclaimed biographer Laura Jackson has spoken to many close friends of the actor, including Dame Judi Dench and Simon Callow, and has provided us with a fascinating insight into this intense and talented star. As well as a wonderful portrait of his creative life, this book also reveals Day-Lewis's past relationships with his co-stars and how he has found happiness with Arthur Miller's daughter Rebecca. There are very few books about this reclusive and chameleon-like actor despite his award winning film roles and ever increasingly popularity. His new Oscar & Bafta nominated movie *Lincoln* is scheduled for UK release early 2013.

**Sean Bean** Laura Jackson,2000 Sean Bean is one of the top-rated and most popular stars of both cinema and television.

Bestselling celebrity biographer Laura Jackson traces his life from his working-class beginnings in Sheffield to becoming one of Hollywood's favourite screen villains, earning him the handle of 'The Sexiest Man in Cinema'. Written with the full knowledge and consent of Sean Bean Laura Jackson has carried out exclusive interviews with Sean Bean's close friends and family, including Bernard Cornwell and Pierce Brosnan. She turns the spotlight on this remarkably grounded actor and explores his chauvinistic Northern roots, his passion for football and his turbulent love life. Laura examines the unique balancing act he performs between the large and small screen. From the springboard of the phenomenally successful TV series *Sharpe*, he has starred in TV's *Lady Chatterley*, *Bravo Two Zero*, and *Extremely Dangerous* among others, and the movies *GoldenEye*, *Patriot Games* and *Ronin*. For more information on Sean Bean please visit at [persweb.direct.ca/wkent/seanbean.html](http://persweb.direct.ca/wkent/seanbean.html)

**A Social History of Sheffield Boxing, Volume I** Matthew Bell, Gary Armstrong, 2021-02-20 A Social History of Sheffield Boxing combines urban ethnography and anthropology, sociological theory and place and life histories to explore the global phenomenon of boxing. Raising many issues pertinent to the social sciences, such as contestations around state regulation of violence, commerce and broadcasting, pedagogy and elite sport and how sport is delivered and narrated to the masses, the book studies the history of boxing in Sheffield and the sport's impact on the cultural, political and economic development of the city since the 18th century. Interweaving urban anthropology with sports studies and historical research the text expertly examines a variety of published sources, ranging from academic papers to biographies and from newspaper reports to case studies and contemporary interviews. In Volume I, Bell and Armstrong construct a vivid history of boxing and probe its cultural acceptance in the late 1800s, examining how its rise was inextricably intertwined with the industrial and social development of Sheffield. Although Sheffield was not a national player in prize-fighting's early days, throughout the mid-1800s, many parochial scores and wagers were settled by the use of fists. By the end of the century, boxing with gloves had become the norm, and Sheffield had a valid claim to be the chief provincial focus of this new passion—largely due to the exploits of George Corfield, Sheffield's first boxer of national repute. Corfield's deeds were later surpassed by three British champions: Gus Platts, Johnny Cuthbert and Henry Hall. Concluding with the dual themes of the decline of boxing in Sheffield and the city's changing social profile from the 1950s onwards, the volume ends with a meditation on the arrival of new migrants to the city and the processes that aided or frustrated their integration into UK life and sport.

*Daniel Craig - The Biography* Sarah Marshall, 2011-11-07 The most successful Bond of all time. One of the most stylish men in Britain. A United Nations ambassador. Skydiving with the Queen herself. Is there anything Daniel Craig can't do? With the release of *Spectre*, Craig appeared for the fourth time as James Bond and with the previous instalment, *Skyfall*, breaking box-office records for the series on the way to becoming the ninth highest grossing film of all time, there is no reason to believe it will be his last. The public and the critics have been united in their praise for Craig in the most-

pressurised role there is in global film. However, there has been much more to Craig over the years than just Bond. Roles in *Layer Cake*, *Road to Perdition* and the movie adaptation of Stieg Larsson's *The Girl with the Dragon Tattoo* have met with acclaim, and shown a breadth in Daniel Craig's acting beyond the handsome Bond. In this biography, author Sarah Marshall explores the road to success for one of Britain's finest actors - from the Guildhall School of Music and Drama his status as a global icon. A must for any fan, this book examines not just the superstar gracing the cover of magazines but also the man behind the legend.

**Freddie Mercury** Laura Jackson, 2011-10-06 **\*\*THE DEFINITIVE, UP-TO-DATE BIOGRAPHY OF FREDDIE MERCURY\*\*** 'An outstanding biography. . . a fitting testament to the creative genius' -- Daily Mail 'Touches all manner of intriguing rock 'n' roll debauchery. . . fascinating reading' -- Time Out This fascinating biography of Freddie Mercury has received outstanding acclaim from Queen and rock fans worldwide -- now revised and updated to coincide with the release of the film about his life, *Bohemian Rhapsody*. Born Farrokh Bulsara on the island of Zanzibar, Freddie Mercury rose to worldwide stardom as the lead singer of Britain's biggest music act of all time. In this bestselling biography, Laura Jackson reveals the reality behind Queen's flamboyant frontman and lead singer, as she looks behind his unique brand of showmanship to discover who Freddie Mercury really was. Featuring exclusive interviews with some of those closest to Freddie right up until his tragic death, original Queen members and many others -- including new and intimate stories from Tim Rice, Richard Branson, Cliff Richard, Bruce Dickinson, Mike Moran, Wayne Eagling, Zandra Rhodes and Susannah York -- this is the definitive biography of one of rock's greatest legends.

*There and Back Again* Sean Astin, Joe Layden, 2013-11-05 The fascinating memoir of a Hollywood life and an inside look at a life-changing role and the groundbreaking *Lord of the Rings* films that captured the imagination of movie fans everywhere. The *Lord of the Rings* is one of the most successful film franchises in cinematic history. Winner of a record eleven Academy Awards--a clean sweep--and breaking box office records worldwide, the trilogy is a breathtaking cinematic achievement and beloved by fans everywhere. For Sean Astin, a Hollywood child (his mother is Patty Duke and stepfather is John Astin) who made his feature film debut at 13 in the 1980s classic *The Goonies* and played the title role in *Rudy*, the call from his agent about the role of Samwise Gamgee couldn't have come at a better time. His career was at a low point and choice roles were hard to come by. But his 18-month experience in New Zealand with director Peter Jackson and the cast and crew of *The Lord of the Rings* films would be more than simply a dream-come-true--it would prove to be the challenge of a lifetime. *There and Back Again: An Actor's Tale* is the complete memoir of Sean Astin, from his early days in Hollywood to the role that changed his life. Though much has been written about the making of the films, including the techniques and artistry employed to bring Tolkien's vision of life and the various relationships between castmembers, the real story of what took place on the set, the harrowing ordeals of the actors and the unspoken controversy and backstage dealings have never been told. Sean's

experience and candid account of his time filming in New Zealand is unparalleled. More than a companion guide to the Ring films, *There and Back Again* filled with stories from the set and of the actors involved that have never been revealed before and is an eye-opening look from a Hollywood veteran at the blood, sweat and tears that went into the making of one of the most ambitious films of all time.

**Brian Jones** Laura Jackson,2011-12-20 In this definitive biography of Brian Jones, Laura Jackson - the first to insist that Jones was murdered and the first to identify his killer - rejects the stereotype of a narcissistic rock star who was doomed to self-destruct. Instead, she spoke to the people who knew him best: his family and friends, girlfriends and confidantes, the musicians and friends who lived and worked with him right up until his death in 1969. Jones emerges as a man of immense talent, energy and humour, but crippled by insecurities and shyness - a portrayal greatly at odds with the sordid rumours that plagued him throughout his life, which continue to this day. Jackson provides new testimony on the rivalries within the Rolling Stones and the bitter final split, together with telling details from the pathology and coroner's reports, to tell the story behind the headlines and get to the heart of the mysterious death of Brian Jones.

*Journeys of Desire* Alastair Phillips,Ginette Vincendeau,2019-07-25 A comprehensive guide to European actors in American film, this book brings together 15 chapters with A-Z entries on over 900 individuals. It includes case studies of prominent individuals and phenomena associated with the emigres, such as the stereotyping of European actresses in 'bad women' roles, and the irony of Jewish actors playing Nazis.

Jon Bon Jovi Laura Jackson,2010-06-03 This fascinating biography provides a detailed portrait of the high-energy, charismatic international superstar and frontman of the ever-popular band, Bon Jovi. The book charts Jon's relationship with the other band members who have their fair share of rock and roll stories - sex, booze, burnouts, health and women problems. Although rock music is Jon Bon Jovi's first love, he has more recently developed an interest in acting - starring in various hit TV shows such as *Ally McBeal* and *Sex and the City* and attracting critical acclaim for his role in World War II hit film, *U-571*. He has also scored film music, with his score for *Young Guns* earning him an Oscar nomination. Bestselling writer Laura Jackson explores the personality, character, drive and the determination that have taken him from playing New Jersey clubs through all the groupie excess and glamorous indulgence to where the band is today. Two new chapters in this updated edition detail his recent work for charity, his involvement in politics and football and also give an update on the band's new albums and tours.

*The Astronaut Who Painted the Moon: The True Story of Alan Bean* Dean Robbins,2019-05-28 Journey to the moon on the Apollo 12 mission with Alan Bean, the fourth astronaut to walk on the lunar surface and the only artist to paint its beauty firsthand! As a boy, Alan wanted to fly planes. As a young navy pilot, Alan wished he could paint the view from the cockpit. So he took an art class to learn patterns and forms. But no class could prepare him for the beauty of the lunar surface some 240,000 miles from Earth. In 1969, Alan became the fourth man and first artist on the moon. He took dozens of pictures, but none compared to what he saw through his artistic eyes. When he returned to Earth, he began to paint what he saw. Alan's paintings allowed humanity to experience what it truly felt like to walk on the moon. Journalist and storyteller Dean Robbins's tale of this extraordinary astronaut is masterful, and artist Sean Rubin's illustrations are whimsical and unexpected. With back matter that includes photos of the NASA mission, images of Alan's paintings, and a timeline of lunar space travel, this is one adventure readers won't want to miss!

*Contemporary Black Biography* Sara Pendergast,Tom Pendergast,2006 Three times a year, this extraordinary reference series provides biographical profiles of important persons of African heritage. Whether they are personalities from the news, selected 20th-century notables, or individuals who are not yet household names, these are the men and women who are changing today's world and shaping the world of tomorrow. Each volume of Contemporary Black Biography contains at least 65 full-length biographies written in an easy-to-follow prose style, ranging from 2 to 4 pages each. Arranged alphabetically, entries are divided by subheads for quick scanning. Sections cover: Portrait (as available)Date and place of birthEducational backgroundAddressCareer dataMembershipsAwards receivedDetailed prose essayComplete source citations Contemporary Black Biography is not limited to coverage of only notable black Americans, nor is it restricted by a manufactured definition of contemporary. Its multinational coverage spans this century and includes rising personalities as well as groundbreakers and newsmakers in a variety of fields.Contemporary Black Biography includes four cumulative indexes: Nationality: While concentrating on U.S. figures, this title also covers important personalities from other countries. Find them listed by

nationality here. Occupation: Editors focus on biographies not typically found in other sources -- an eclectic blend of well-known and well-respected educators, physicians, politicians, activists, writers, clergy, military leaders, attorneys, as well as members of the more glamorous occupations such as athletes, fashion models and actors. Subjects: Events, places and organizations are cross-referenced to each entry. Use this index to identify key black individuals associated with such topics as the NAACP, the Montgomery Bus Boycott, Motown Records, Medicine, the Olympics and hundreds of others. Name: As the only series devoted exclusively to black biography, Contemporary Black Biography's name index is the first place to look when you need information on contemporary black figures. Entries in the Contemporary Black Biography series can be accessed online through Gale Biographies on NEXIS. Each of the more than 100,000 profiles in Gale Biographies provides an intimate glimpse into the personal and professional life and times of the listee, including: birth/death date and place, family, education, career highlights and achievements, awards and honors, major works, sources of additional information and much more.

**The British National Bibliography** Arthur James Wells, 2002

*Beans* Ken Albala, 2007-09-01 Winner of The 2008 Jane Grigson Award, issued by the International Association of Culinary Professionals (IACP). Winner of the 2008 Cordon d' Or Culinary Literature - History Culinary Academy Award. This is the story of the bean, the staple food cultivated by humans for over 10,000 years. From the lentil to the soybean, every civilization on the planet has cultivated its own species of bean. The humble bean has always attracted attention - from Pythagoras' notion that the bean hosted a human soul to St. Jerome's indictment against bean-eating in convents (because they tickle the genitals), to current research into the deadly toxins contained in the most commonly eaten beans. Over time, the bean has been both scorned as poor man's meat and praised as health-giving, even patriotic. Attitudes to this most basic of foodstuffs have always revealed a great deal about a society. *Beans: A History* takes the reader on a fascinating journey across cuisines and cultures.

**Dictionary of International Biography ...**, 2005 A biographical record of contemporary achievement together with a key to the location of the original biographical notes.

Embracing the Melody of Phrase: An Psychological Symphony within **Sean Bean The Biography**

In a world taken by screens and the ceaseless chatter of fast interaction, the melodic elegance and mental symphony produced by the published word often diminish into the backdrop, eclipsed by the constant noise and interruptions that permeate our lives. But, situated within the pages of **Sean Bean The Biography** a stunning fictional prize full of raw

feelings, lies an immersive symphony waiting to be embraced. Constructed by a wonderful composer of language, that captivating masterpiece conducts viewers on an emotional trip, skillfully unraveling the concealed tunes and profound impact resonating within each cautiously constructed phrase. Within the depths of the emotional examination, we shall discover the book is main harmonies, analyze their enthralling publishing model, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
