

El Leopardo Eur Jo Nesb

Jo Nesbo

The Leopard Jo Nesbo, 2011-03-22 Harry Hole is back and this time he's back from very, very far away. Another gripping instalment in this prize-winning and acclaimed series by the internationally #1 bestselling crime writer in Norway. Two women are found murdered in Oslo — both of them have drowned in their own blood. What mystifies the police is that the puncture wounds in the victims' faces have been caused from the inside of their mouths. Kaja Solness from Homicide is sent to Hong Kong to track down a man who is the Oslo Police Department's only specialist on serial killings. The severely addicted detective has tried to disappear in the vast, anonymous city. He is on the run and haunted by his last case, the woman he loves, and creditors alike. His name is Harry Hole.

O leopardo Jo Nesbø, 2014-11-24 Ao trocar a fria Oslo por Hong Kong, Harry Hole encontra refúgio no ópio, no álcool e nos jogos de azar para fugir de sua antiga vida. Porém, por mais que ele tente se manter afastado, um sórdido assassino consegue trazê-lo de volta à realidade. Duas mulheres são encontradas afogadas no próprio sangue, e uma terceira é morta por enforcamento. A cobertura da imprensa provoca grande comoção na cidade. Não há pistas do assassino, a única conexão entre as mortes é o fato de que todas as vítimas passaram a noite em uma cabana isolada nas montanhas. Conforme a investigação avança, Harry tem certeza de que está lidando com um perigoso e implacável assassino, que escolhe suas vítimas a dedo. Porém, ele não imagina que, ao assumir o caso, coloca-se também na mira desse perigoso psicopata.

Knife Jo Nesbo, 2019-07-09 NEW YORK TIMES BESTSELLER The gripping 12th book in Jo Nesbo's bestselling crime series, featuring the troubled and fascinating Oslo detective Harry Hole. Harry Hole has a lot of experience with waking up hungover. But there's one troubling thing that's different this time: his hands and clothes are covered with blood. It's a sign that not only is Harry about to come to face with an old, deadly foe, but also with his darkest personal challenge yet. A man like Harry better watch his back.

The Trap Melanie Raabe, 2017-03-21 In this “fast, twisty read for fans of Paula Hawkins and Gillian Flynn,” a woman takes revenge on her sister’s murderer—a man who may be innocent (Booklist). Author Linda Conrads is famous for more than just her bestselling novels. For over eleven years, she has mystified fans by never setting foot outside her home. Rumors surround the shut-in writer, but they pale in comparison to the chilling truth: Linda is haunted by the unsolved murder of her younger sister, whom she discovered in a pool of blood twelve years ago, and by the face of the man she saw fleeing the

scene. Now plagued by panic attacks, Linda copes with debilitating anxiety by secluding herself in her house. But the sanctity of this refuge is shattered when her sister's murderer appears again—this time on her television screen. Empowered with sudden knowledge but hobbled by years of isolation, Linda resolves to use her only means of communication with the outside world—the plot of her next novel—to lay an irresistible trap for the man. But as the plan is set in motion and the past comes rushing back, Linda's memories of that traumatic night—and her very sanity—are called into question. Is this man really a heartless killer or merely a helpless victim? “This one has everything: intriguing characters, a great sense of place that grounds the action, and a devious and enthralling plot.” —The Globe and Mail “In a crisp translation from the German by Imogen Taylor, Raabe delivers on a sly premise.” —Seattle Times “If you think you know what's going on in this winding psychological thriller, you're probably wrong . . . [a] Misery-in-reverse story.” —Elle

Dying Light (Logan McRae, Book 2) Stuart MacBride, 2008-09-04 The second crime thriller in the No.1 bestselling Logan McRae series from Stuart MacBride. Even the darkest crimes will come to light... ‘Stuart MacBride is a damned fine writer’ Peter James

The Reluctant Hero Michael Dobbs, 2010-03-18 When Harry Jones discovers that former friend Zac Kravitz's life is in danger, a debt of honour sends him on a perilous rescue mission to Ta'argistan, a mountainous and landlocked former Soviet republic bordering Russia, China and Afghanistan. Muscling his way onto a delegation of MPs who happen to be paying the state a visit, Harry finds an unlikely ally in the stubbornly independent Martha and together they devise a plan to break Zac out of the ancient high-walled prison in the capital, Ashkek. But when, in the depths of winter, the attempt backfires and Harry finds himself taking Zac's place, he realises that he has been lured, unawares, into a terrifying web of international conspiracy.

Police Jo Nesbo, 2014-06-03 When a police officer is found murdered at the scene of an old unsolved murder case that he was involved in investigating, it can hardly be a coincidence. When the same thing happens to two other officers in a matter of months the pattern is as clear as it is terrifying. None of the old cases were ever solved. The killings are extremely brutal and the police have no leads. What's more, they're missing their best investigator. At the same time, a severely wounded man is in a coma and kept alive at a hospital in Oslo. The police guard the room and the identity of the patient is kept secret. With the tenth installment of the Harry Hole series, Jo Nesbo once again delivers a devilishly clever story about the scope of human evil; a cat-and-mouse game that involves not only the victims and the police, but also the reader.

Wolves Eat Dogs Martin Cruz Smith, 2004-11-16 A Moscow detective is sent to Chernobyl for a frightening case in the most spectacular entry yet in Martin Cruz Smith's Arkady Renko series. In his groundbreaking Gorky Park, Martin Cruz Smith created an iconic detective of contemporary fiction. Quietly subversive, brilliantly analytical, and haunted by melancholy, Arkady Renko survived, barely, the journey from the Soviet Union to the New Russia, only to find his

transformed nation just as obsessed with corruption and brutality as was the old Communist dictatorship. In *Wolves Eat Dogs*, Renko returns for his most enigmatic and baffling case yet: the death of one of Russia's new billionaires, which leads him to Chernobyl and the Zone of Exclusion—closed to the world since 1986's nuclear disaster. It is still aglow with radioactivity, now inhabited only by the militia, shady scavengers, a few reckless scientists, and some elderly peasants who refuse to relocate. Renko's journey to this ghostly netherworld, the crimes he uncovers there, and the secrets they reveal about the New Russia make for an unforgettable adventure.

Headhunters Matthew Brennan, 1987 Infantrymen, pilots, platoon sergeants, crew chiefs door-gunners, observers, and squad leaders describe their combat experiences in Vietnam

A Half Forgotten Song Katherine Webb, 2012-07-19 From the bestselling author of *The Legacy* comes a powerful dual narrative, set between now and the 1930s, exploring the dark heart of obsessive love. For fans of Tracy Rees, Jenny Ashcroft and Rosanna Ley 1937 In a village on the Dorset coast, fourteen-year-old Mitzy Hatcher has had a wild and lonely upbringing - until the arrival of renowned artist Charles Aubrey, his exotic mistress and their daughters, changes everything. Over the next three summers, Mitzy glimpses a future she had never imagined, and a powerful love is kindled in her. A love that grows from innocence to obsession; from childish infatuation to something far more complex. Years later, a young man in an art gallery looks at a hastily drawn portrait and wonders at the intensity of it. The questions he asks lead him to a Dorset village and to the truth about those fevered summers in the 1930s... *A Half Forgotten Song* is an absorbing and intoxicating mystery around a love that takes hold and won't let go. Your favourite authors love Katherine Webb's novels: 'An enormously talented writer' Santa Montefiore 'Webb has a true gift for uncovering the mysteries of the human heart and exploring the truth of love' Kate Williams 'Katherine Webb's writing is beautiful' Elizabeth Fremantle 'A truly gifted writer of historical fiction' Lucinda Riley 'Katherine's writing is rich, vivid and evocative' Iona Grey

The Killer Inside Me Jim Thompson, 2010-05-27 *THE KILLER INSIDE ME* has been a cult classic since its first publication in 1952. Also a major motion picture starring Casey Affleck, directed by Michael Winterbottom. 'Probably the most chilling and believable first-person story of a criminally warped mind I have ever encountered' Stanley Kubrick 'His ability to get inside twisted minds was uncanny...extraordinary' *INDEPENDENT* Deputy Sheriff Lou Ford is a pillar of the community in his small Texas town, patient and thoughtful. Some people think he's a little slow and boring but that's the worst they say about him. But then nobody knows about what Lou calls his 'sickness'. It nearly got him put away when he was younger, but his adopted brother took the rap for that. Now the sickness that has been lying dormant for a while is about to surface again - and the consequences are brutal and devastating. Tense and suspenseful, *THE KILLER INSIDE ME* is a brilliantly sustained noir crime masterpiece.

The Glass Cage Colin Wilson, 1966

Inspector Imanishi Investigates Seicho Matsumoto,2003-07-01 In the wee hours of a 1960s Tokyo morning, a dead body is found under the rails of a train, and the victim's face is so badly damaged that police have a hard time figuring out the victim's identity. Only two clues surface: an old man, overheard talking in a distinctive accent to a young man, and the word "kameda." Inspector Imanishi leaves his beloved bonsai and his haiku and goes off to investigate—and runs up against a blank wall. Months pass in fruitless questioning, in following up leads, until the case is closed, unsolved. But Imanishi is dissatisfied, and a series of coincidences lead him back to the case. Why did a young woman scatter pieces of white paper out of the window of a train? Why did a bar girl leave for home right after Imanishi spoke to her? Why did an actor, on the verge of telling Imanishi something important, drop dead of a heart attack? What can a group of nouveau young artists possibly have to do with the murder of a quiet and "saintly" provincial old ex-policemen? Inspector Imanishi investigates.

The Redbreast Jo Nesbø,2007 A tale moving from the final months of World War II to the present, and from the Russian front to contemporary South Africa, follows the dual adventures of a freedom-seeking war martyr and an alcoholic police officer who is drawn into a mystery with past origins

For All the Gold in the World Massimo Carlotto,2016-07-19 "The best living Italian crime writer" immerses readers in a gritty noir novel featuring PI Marco "the Alligator" Buratti (Il Manifesto). This novel, by one of Italy's bestselling crime novelists, provides a unique perspective on the criminal and social dynamics that dominate contemporary Italy. One of the many robberies that plague Northeast Italy goes wrong and ends with a brutal murder. The police investigation turns up nothing. Two years later, Marco Buratti, alias "the Alligator," is asked to look into the crime and find out who was responsible. Buratti's employer is young, the youngest client he has ever had; he is only twelve years old and is the son of one of the victims. The Alligator realizes right from the start that the truth is cloaked, twisted, shocking. Together with his associates, Beniamino Rossini and Max the Memory, he finds himself mixed up in a story involving contraband gold and blood vendettas between criminal gangs. "Finishing an Alligator mystery is like waking up after an all-night bender with your best friends. . . . You're not 100 percent sure what happened. But you know you had a good time." —Cedar Rapids Gazette "Melancholy-tinged, Carlotto's novel is quite nicely turned and solid entertainment." —The Complete Review

The End Karl Ove Knausgaard,2019-04-23 The sixth and final book in Knausgaard's epic My Struggle cycle--the most talked about literary project of its time. The sprawling, intimate, and spectacularly unorthodox literary autobiography that unleashed a media frenzy upon its release in Norway, became a global publishing sensation, and sold millions of copies worldwide, now reaches its climactic conclusion. In My Struggle, Karl Ove Knausgaard examines with ruthless, unsparing rigour his life, his ambitions and frailties, his uncertainties and doubts, and his relationships with friends and exes, his wife and children, his mother and father. It is an opus in which life is described in all its nuances from moments of great drama to the most trivial everyday details. It is also a project that is full of risk, where the borders between private and public worlds

cross, not without cost for the author himself and the people portrayed. The End, the sixth and final book, reflects back on the personal fallout from the earlier volumes, with Knausgaard facing growing literary acclaim and the often shattering repercussions that came with it. It is a book about literature itself and its relationship with reality, the capstone on a magnificent achievement. Translated from the Norwegian by superstar literary translators Don Bartlett and Martin Aitken.

Macbeth Jo Nesbo, 2018-04-10 A NEW YORK TIMES NOTABLE BOOK OF 2018 Shakespeare's dark and tragic play retold in a heart-pounding New York Times bestselling thriller from the author of *The Snowman* and *The Thirst*. Set in the 1970s in a run-down, rainy industrial town, Jo Nesbo's *Macbeth* centers around a police force struggling to shed an incessant drug problem. Duncan, chief of police, is idealistic and visionary, a dream to the townspeople but a nightmare for criminals. The drug trade is ruled by two drug lords, one of whom—a master of manipulation named Hecate—has connections with the highest in power, and plans to use them to get his way. Hecate's plot hinges on steadily, insidiously manipulating Inspector Macbeth: the head of SWAT and a man already susceptible to violent and paranoid tendencies. What follows is an unputdownable story of love and guilt, political ambition, and greed for more, exploring the darkest corners of human nature, and the aspirations of the criminal mind.

The Devil's Star Jo Nesbø, 2009 A young woman is murdered in her Oslo flat. One finger has been severed from her left hand, and behind her eyelid is secreted a tiny red diamond in the shape of a five-pointed star a pentagram, the devils star. Detective Harry Hole is assigned to the case with his long-time adversary Tom Waaler and initially wants no part in it. But Harry is already on notice to quit the force and is left with little alternative but to drag himself out of his alcoholic stupor and get to work. A wave of similar murders is on the horizon. An emerging pattern suggests that Oslo has a serial killer on its hands, and the five-pointed devils star is key to solving the riddle.

By Gaslight Steven Price, 2016-08-23 Longlisted for the 2016 Scotiabank Giller Prize No. 1 National Bestseller Globe and Mail's 20 Books to Read in 2016, Maclean's bestseller, Toronto Star bestseller, Ottawa Citizen's Best on the Shelf, Huffington Post's Best Fall 2016 Books, Publishers Weekly Books of the Week, National Post bestseller, Vanity Fair 2016 Must Read Books of the Fall A dark tale of love, betrayal and murder that reaches from the slums of Victorian London to the diamond mines in South Africa, to the American Civil War and back. Superb storytelling. --Kurt Palka, author of *The Piano Maker* A magnificent literary historical-suspense novel in the tradition of Eleanor Catton's *The Luminaries*, Patrick DeWitt's *The Sisters Brothers*, and Michael Faber's *The Crimson Petal and the White*, *By Gaslight* is destined to be one of the most acclaimed and talked-about books of the year. London, 1885. In a city of fog and darkness, the notorious thief Edward Shade exists only as a ghost, a fabled con, a thief of other men's futures -- a man of smoke. William Pinkerton is already famous, the son of a brutal detective, when he descends into the underworld of Victorian London in pursuit of a new lead. His father died without ever tracing Shade; William, still reeling from his loss, is determined to drag the thief out of the shadows. Adam

Foole is a gentleman without a past, haunted by a love affair ten years gone. When he receives a letter from his lost beloved, he returns to London in search of her; what he learns of her fate, and its connection to the man known as Shade, will force him to confront a grief he thought long-buried. What follows is a fog-enshrouded hunt through sewers, opium dens, drawing rooms, and seance halls. Above all, it is the story of the most unlikely of bonds: between William Pinkerton, the greatest detective of his age, and Adam Foole, the one man who may hold the key to finding Edward Shade. Epic in scope, brilliantly conceived, and stunningly written, Steven Price's *By Gaslight* is a riveting, atmospheric portrait of two men on the brink. Moving from the diamond mines of South Africa to the battlefields of the Civil War, the novel is a journey into a cityscape of grief, trust, and its breaking, where what we share can bind us even against our darker selves.

Midnight Sun Jo Nesbo, 2016-02-16 From the #1 New York Times bestselling author of *Cockroaches*, a “forcefully written story of personal defeat, despair, and salvation” (The New York Times Book Review) about a man with one small problem—his former boss, Oslo's most notorious drug kingpin, wants him dead. A fun read, with a likable protagonist and a brisk, page-turning pace. —Los Angeles Times Ulf was once the kingpin's fixer, but after betraying him, Ulf is now the one his former boss wants fixed. Hiding out at the end of the line in northern Norway, Ulf lives among the locals. A mother and son befriend him, and their companionship stirs something deep in him that he thought was long dead. As he awaits the inevitable arrival of his murderous pursuers, he questions if redemption is at all possible or if, as he's always believed, “hope is a real bastard.”

El Leopardo Eur Jo Nesb Book Review: Unveiling the Power of Words
