Benedict Jacka

The Annihilation Score Charles Stross,2015-07-02 NOBODY DOES IT BETTER . . . Dr Mo O'Brien is an intelligence agent at the top secret government agency known as 'the Laundry'. When occult powers threaten the realm, they'll be there to clean up the mess and deal with the witnesses. But the Laundry is recovering from a devastating attack and when average citizens all over the country start to develop supernatural powers, the police are called in to help. Mo is appointed as official police liaison, but in between dealing with police bureaucracy, superpowered members of the public and disgruntled politicians, Mo discovers to her horror that she can no longer rely on her marriage, nor on the weapon that has been at her side for eight years of undercover work, the possessed violin known as 'Lecter'. If this wasn't bad enough, a mysterious figure known as Dr Freudstein is committing heists and sending increasingly threatening messages to the police. Who is Freudstein and what is he planning?

Proven Guilty Jim Butcher,2010-03-04 Meet Harry Dresden, Chicago's first (and only) Wizard P.I. Turns out the 'everyday' world is full of strange and magical things - and most of them don't play well with humans. That's where Harry comes in. Harry has no friends on the White Council of Wizards, who find him brash and undisciplined (and they may have a point). However, now vampire wars have thinned out the wizards a little, they need him. So before he can blink, he's assigned to investigate rumours of black magic. Harry's other problem is an old friend's daughter - all grown-up and in trouble already. Her boyfriend insists he's innocent of something resembling a crime straight out of a horror film. This first impression turns out to be . . . well, pretty accurate, as Harry discovers malevolent entities feeding on fear. All in a day's work for a wizard, his dog, and a talking skull named Bob. Magic - it can get a guy killed.

Blood Price Tanya Huff,2007-09-25 The Blood Books are now available in Blood Ties TV tie-in editions. View our TV tie-in feature page [here here](#). Vicki Nelson, formerly of Toronto's homicide unit and now a private detective, witnesses the first of many vicious attacks that are now plaguing the city of Toronto. As death follows unspeakable death, Vicki is forced to renew her tempestuous relationship with her former partner, Mike Celluci, to stop these forces of dark magic—along with another, unexpected ally... Henry Fitzroy, the illegitimate son of King Henry VIII, has learned over the course of his long life how to blend with humans, how to deny the call for blood in his veins. Without him, Vicki and Mike would not survive the ancient force of chaos that has been unleashed upon the world—but in doing so, his identity may be exposed, and his life

forfeit.

Ghost Story Jim Butcher, 2011-07-28 Meet Harry Dresden, Chicago's first (and only) Wizard PI. Turns out the 'everyday' world is full of strange and magical things - and most of them don't play well with humans. That's where Harry comes in. But he's forgotten his own golden rule: magic - it can get a guy killed. Which didn't help when he clashed with unknown assailants with his murder in mind. And though Harry's continued existence is now in some doubt, this doesn't mean he can rest in peace. Trapped in a realm that's not quite here, yet not quite anywhere else, Harry learns that three of his loved ones are in danger. Only by discovering his assailant's identity can he save his friends, bring criminal elements to justice, and move on himself. It would just be easier if he knew who was at risk. And had a (working) crystal ball. And access to magic. Instead, he is unable to interact with the physical world - invisible to all but a select magical few. He's also not the only silent presence roaming Chicago's alleys. Hell, he put some there himself. Now, they're looking for payback.

Fool Moon Jim Butcher, 2010-03-04 Meet Harry Dresden, Chicago's first (and only) Wizard P.I. Turns out the 'everyday' world is full of strange and magical things - and most of them don't play well with humans. That's where Harry comes in. Business has been slow lately for Harry Dresden. Okay, business has been dead. Not undead - just dead. You would think Chicago would have a little more action for the only professional wizard in the phone book. But lately, Harry hasn't been able to dredge up any kind of work - magical or mundane. But just when it looks like he can't afford his next meal, a murder comes along that requires his particular brand of supernatural expertise. A brutally mutilated corpse. Strange-looking paw prints. A full moon. Take three guesses. And the first two don't count . . . Magic - it can get a guy killed. 'The Dresden Files is my favourite series ever' Patrick Rothfuss, author of *The Name of the Wind* 'Butcher's storytelling is satisfying on a level that's bone-deep' io9 'One of the most reliable post-Buffy supernatural thriller series on offer' Time Out 'Dresden has a vitality that few urban fantasy heroes can match' SFX The Dresden Files novels begin with *STORM FRONT*, and continues with *FOOL MOON*, *GRAVE PERIL*, *SUMMER KNIGHT*, *DEATH MASKS*, *BLOOD RITES*, *DEAD BEAT*, *PROVEN GUILTY*, *WHITE NIGHT*, *SMALL FAVOUR*, *TURN COAT*, *CHANGES*, *GHOST STORY*, *COLD DAYS* and *SKIN GAME*. For more of Harry Dresden's adventures, check out the Dresden Files short story collections *SIDE JOBS* and *BRIEF CASES*.

Fated Benedict Jacka, 2012-02-28 Enter a "gorgeously realized world"* and meet a mage destined for greatness in the first novel in the national bestselling Alex Verus series. Alex is part of a world hidden in plain sight, running a magic shop in London that caters to clientele who can do much more than pull rabbits out of hats. And while Alex's own powers aren't as showy as some mages, he does have the advantage of foreseeing the possible future—allowing him to pull off operations that have a million to one chance of success. But when Alex is approached by multiple factions seeking his skills to crack open a relic from a long-ago mage war, he knows that whatever's inside must be beyond powerful. And thanks to his abilities, Alex can predict that by taking the job, his odds of survival are about to go from slim to none....

White Night Jim Butcher,2010-03-04 Meet Harry Dresden, Chicago's first (and only) Wizard P.I. Turns out the 'everyday' world is full of strange and magical things - and most of them don't play well with humans. That's where Harry comes in. A series of apparent suicides rings alarm bells with the police, and Harry is hired. At the first crime scene he hits pay dirt, discovering an unmistakable magical taint. There's also a message especially for him, and it ain't pretty. The 'killings' will continue if Harry can't halt his tormentor, but the evidence implicates his half-brother, which just doesn't add up. Unfortunately Harry's digging around attracts some powerful vampires with a stake in the result. Soon, whichever way he turns, Harry will find himself outnumbered, outclassed and dangerously susceptible to temptation. And if he screws up, his friends will die. Magic - it can get a guy killed.

Dead Things Stephen Blackmoore,2020-12-30 The first novel Stephen Blackmoore's noir urban fantasy series, in which necromancer Eric Carter returns home to find his sister's killer—and send them straight to hell... Eric Carter has a unique skill—he can talk to the dead. Specifically, communicating with restless spirits—or other, even worse entities—and getting them to move on or move out. Sometimes, they take a lot of convincing. And sometimes, they straight up try to kill him. It's not your typical way to make a living, but Carter's managed to make it work. Life is pretty good. At least it was. Because Carter's little sister has just been brutally killed. By something nightmarish. To find the killer Eric Carter is going to have to return to L.A., which he left fifteen years ago when he made a lot people—and paranormal entities—very angry. And those people have long, unforgiving memories. But Carter is no pushover. He's got more heavy-duty magical power than most of those with his skill set, and he's more than happy to use it on anyone or anything who tries to stop him from finding his sister's killer. And when he does, he is going to make them pray for death—and then he's going to answer their prayers... Praise for the Eric Carter series: "Blackmoore employs Chanderlesque prose to smoothly incorporate a hard-boiled sense of urban despair into a paranormal plot, with occasional leavening provided by smart-aleck humor." — Publishers Weekly on *Dead Things* In a world where Aztec Mythology, dark magic and grim reality blend together, nothing is what it appears to be... Best of all, Blackmoore's chillingly good storytelling skills ensures that fans will enjoy every step of this adrenaline fueled journey." — RT Book Reviews (Top Pick) on *Broken Souls* "This series is so fucking good. Blackmoore can't write these books fast enough to suit me. *BROKEN SOULS* is hyper-caffeinated, turbo-bloody face-stomping fun. This is the L.A-noir urban fantasy you've been looking for." — Kevin Hearne, Author of *The Iron Druid Chronicles* Carter's wry voice is amusing as ever, but the grief he carries is palpable, adding depth and a sense of desperation to this action-packed adventure. Readers will be eager for more after this thrilling, emotionally fraught installment." — Publishers Weekly on *Ghost Money*, Starred Review Series Order: 1. *Dead Things* 2. *Broken Souls* 3. *Hungry Ghosts* 4. *Fire Season* 5. *Ghost Money* 6. *Bottle Demon*

Summer Knight Jim Butcher,2010-03-04 Meet Harry Dresden, Chicago's first (and only) Wizard P.I. Turns out the

'everyday' world is full of strange and magical things - and most of them don't play well with humans. That's where Harry comes in. Since his girlfriend left town to deal with her newly acquired taste for blood, Harry's been down and out. He can't pay his rent. He's alienating his friends. He can't recall his last shower. Then when things are at their worst, the Winter Queen of Faerie saunters in with an offer Harry can't refuse. All he has to do is find out who murdered the Summer Knight, the Summer Queen's right-hand man, and clear the Winter Queen's name. It seems simple, but Faerie politics seldom work out that way. Then Harry discovers the fate of the entire world rests on this case. So no pressure . . . Magic - it can get a guy killed.

Sweet Silver Blues Glen Cook,1990-05-01 It should have been a simple job. But for Garrett, a human detective in a world of gnomes, tracking down the woman to whom his dead pal Danny left a fortune in silver is no slight task. Even with the aid of Morley, the toughest half-elf around, Garrett isn't sure he'll make it out alive from a land where magic can be murder, the dead still talk, and vampires are always hungry for human blood.

Grave Peril Jim Butcher,2010-03-04 Meet Harry Dresden, Chicago's first (and only) Wizard P.I. Turns out the 'everyday' world is full of strange and magical things - and most of them don't play well with humans. That's where Harry comes in. Harry has faced some terrifying foes during his career. Giant scorpions. Oversexed vampires. Psychotic werewolves. It comes with the territory when you're the only wizard in town. But in all Harry's years of supernatural sleuthing, he's never faced anything like this: the spirit world's gone loco. All over town, ghosts are causing trouble - and not the door-slamming, boo-shouting variety. These ghosts are tormented, violent, and deadly. Someone is stirring them up to wreak havoc. But why? And why do so many of the victims have ties to Harry? If Harry doesn't figure it out soon, he might just wind up a ghost himself. Magic - it can get a guy killed.

Side Jobs Jim Butcher,2010-10-26 With tales ranging from the deadly serious to the absurdly hilarious—including an original story for this volume—*Side Jobs* is a must-have collection for every devoted Harry Dresden fan. As Chicago's only professional wizard, Harry Dresden has had cases that have pitted him against insane necromancers, power-hungry faerie queens, enigmatic dark wizards, fallen angels—pretty much a “who's who” of hell and beyond—with the stakes in each case ranging from a lone human soul to the entire human race. But not every adventure Harry Dresden undertakes is an epic tale of life and death in a world on the edge of annihilation. Here, together for the first time in paperback, are the shorter works of #1 New York Times bestselling author Jim Butcher—a compendium of cases that Harry and his cadre of allies managed to close in record time. “One of the giants of urban fantasy...delivers some great stories in this volume...This is a great collection, featuring a hero who's proven himself over and over again, as well as delving into the odd corners of his fascinating and fantastic world. Highly recommended.”—SFRevu

Johannes Cabal the Necromancer Jonathan L. Howard,2010-02-04 The start of a fantastic new series. Johannes Cabal

has never pretended to be a hero of any kind. There is, after all, little heroic about robbing graves, stealing occult volumes, and being on nodding terms with demons. His purpose, however, is noble. His researches are all directed to raising the dead. Not as monstrosities but as people, just as they were when they lived: physically, mentally, and spiritually. For such a prize, some sacrifices are necessary. One such sacrifice was his own soul, but he now sees that was a mistake – it's not just that he needs it for his research to have validity, but now he realises he needs it to be himself. Unfortunately, his soul now rests within the festering bureaucracy of Hell. Satan may be cruel and capricious but, most dangerously, he is bored. It is Cabal's unhappy lot to provide him with amusement. In short, a wager: in return for his own soul, Cabal must gather one hundred others. Placed in control of a diabolical carnival – created to tempt to contentiousness, to blasphemy, argumentation and murder, but one may also win coconuts – and armed only with his intelligence, a very large handgun, and a total absence of whimsy, Cabal has one year. One year to beat the Devil at his own game. And isn't that perhaps just a little heroic?

Mean Streets Jim Butcher, Kat Richardson, Simon R. Green, Thomas E. Sniegowski, 2009-01-06 Four bestselling fantasy authors present a collection of novellas about dark nights, cruel cities, and paranormal P.I.s—featuring Harry Dresden, John Taylor, Harper Blaine, and Remy Chandler. #1 New York Times bestselling author Jim Butcher delivers a story in which Harry Dresden—Chicago's only professional wizard—tries to protect a friend from danger and ends up becoming a target himself... John Taylor is the best PI in the secret heart of London known as The Nightside. He can find anything. But locating the lost memory of a desperate woman may be his undoing in a thrilling noir tale from New York Times bestselling author Simon R. Green... National bestselling author Kat Richardson's Greywalker finds herself in too deep when a job in Mexico goes awry, and Harper Blaine is enmeshed in a tangle of dark family secrets and revenge from beyond the grave... An ancient being that lived among humanity for centuries is dead, and fallen angel-turned-Boston detective Remy Chandler has been hired to find out who—or what—murdered him in a whodunit by national bestselling author Thomas E. Sniegowski...

The Man With the Golden Torc Simon R. Green, 2007-06-05 New York Times bestselling author Simon Green introduces a new kind of hero, one who fights the good fight against some very old foes in the first novel in the Secret Histories series. The name's Bond. Shaman Bond. Actually, that's just his cover. His real name is Eddie Drood, but when your job includes a license to kick supernatural arse on a regular basis, you find your laughs where you can. For centuries, his family has been the secret guardian of Humanity, all that stands between all of you and all of the really nasty things that go bump in the night. As a Drood field agent he wore the golden torc, he killed monsters, and he protected the world. He loved his job. Right up to the point where his own family declared him rogue for no reason. Now, the only people who can help Eddie prove his innocence are the people he used to consider his enemies...

Blood Rites Jim Butcher, 2010-03-04 Meet Harry Dresden, Chicago's first (and only) Wizard P.I. Turns out the 'everyday' world is full of strange and magical things - and most of them don't play well with humans. That's where Harry comes in.

Harry's had worse assignments than going undercover on the set of an adult film. Dodging flaming monkey poo, for instance. Or going toe-to-leaf with a plant monster. Still, there's something troubling about this case. The Producer believes he's afflicted by an entropy curse - but it's the women around him who are dying. And Harry only got involved as a favour to Thomas, his flirtatious self-absorbed vampire acquaintance. Thomas has a personal stake in the case Harry can't work out, until his investigation leads him straight to Thomas's oversexed relatives. Harry's about to discover the skeleton in Thomas's family closet: a revelation that will change Harry's life for ever. Magic - it can get a guy killed.

A Madness of Angels Kate Griffin,2009-03-21 Enter the London of Matthew Swift, where rival sorcerers, hidden in plain sight, do battle for the very soul of the city, from a World Fantasy Award-winning author. Two years after his untimely death, Matthew Swift finds himself breathing once again, lying in bed in his London home. Except that it's no longer his bed, or his home. And the last time this sorcerer was seen alive, an unknown assailant had gouged a hole so deep in his chest that his death was irrefutable. . .despite his body never being found. He doesn't have long to mull over his resurrection, though, or the changes that have been wrought upon him. His only concern now is vengeance. Vengeance upon his monstrous killer and vengeance upon the one who brought him back.

Peace Talks Jim Butcher,2020-07-14 HARRY DRESDEN IS BACK AND READY FOR ACTION, in the new entry in the #1 New York Times bestselling Dresden Files. When the Supernatural nations of the world meet up to negotiate an end to ongoing hostilities, Harry Dresden, Chicago's only professional wizard, joins the White Council's security team to make sure the talks stay civil. But can he succeed, when dark political manipulations threaten the very existence of Chicago - and all he holds dear?

Welcome to the Jungle Jim Butcher,Ardian Syaf,2009-07

Hard Magic Larry Correia,2012-04-24 #1 in the hard-hitting Grimnoir Chronicles by the New York Times best-selling creator of Monster Hunter International. Jake Sullivan is hardboiled private eye at war with evil magical powers in a dark and gritty urban fantasy that's a cross between the The Maltese Falcon and Twilight. Twilight meets The Maltese Falcon in the first entry of the hard-hitting Grimnoir Chronicles urban fantasy saga by the New York Times best-selling creator of Monster Hunter International. Magical creeps dispatched in heaps! Jake Sullivan is a war vet, a licensed private eye, and the possessor of a seriously hardboiled attitude. He also happens to have the magical ability to make anything in his vicinity light as a feather or as heavy as depleted uranium. While a range of enemies natural and supernatural wants him deep-sixed, Jake likes living, and his days in the trenches and his stint in the stir for manslaughter have only made him harder, leaner and meaner. The first entry in the new, hard-hitting Grimnoir Chronicles by the Larry Correia, breakout best-selling author of Monster Hunter International. About Larry Correia's Monster Hunter series "[A] no-holds-barred all-out page turner that is part science fiction, part horror, and an absolute blast to read." -Bookreporter.com "If you love monsters and action, you'll

love this book. If you love guns, you'll love this book. If you love fantasy, and especially horror fantasy, you'll love this book." -Knotclan.com "A gun person who likes science fiction—or, heck, anyone who likes science fiction—will enjoy [these books]...The plotting is excellent, and Correia makes you care about the characters...I read both books without putting them down except for work...so whaddaya waitin' for? Go and buy some...for yourself and for stocking stuffers." -Massad Ayoob About Larry Correia's Monster Hunter Vendetta: "This lighthearted, testosterone-soaked sequel to 2009's Monster Hunter International will delight fans of action horror with elaborate weaponry, hand-to-hand combat, disgusting monsters, and an endless stream of blood and body parts." -Publishers Weekly

Series Like Dresden Files Introduction

In this digital age, the convenience of accessing information at our fingertips

has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Series Like Dresden Files free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The

website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Series Like Dresden Files free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a

seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Series Like Dresden Files free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Series Like Dresden Files. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg,

Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Series Like Dresden Files any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Series Like Dresden Files Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility.
