**Born to Win** Dr. Kevin Leman,2009-10-01 Firstborns are the natural movers, shakers, and leaders of the world. They can accomplish anything they set their minds to. They're the high achievers, the benchmark setters, the business moguls, the concert violinists, the heads of the PTA. But if they're out of balance, they can be overly perfectionistic, driven, and critical. They can become controllers (everything has to go their way) or pleasers (they exhaust themselves in meeting the demands of others). Now available in trade paper, *Born to Win* identifies the qualities of firstborns . . . and there's a catch. Just because someone is the firstborn child in the family doesn't mean they'll have a firstborn personality. They can be third in a group of four siblings and still have a firstborn personality! Dr. Kevin Leman reveals why. He helps firstborns understand their natural advantages--while becoming aware of their weaknesses and learning how to sidestep them--for the highest level of personal success at home, at school, at work, and in relationships. And he helps those who live or work with firstborns to understand them better. This fun, informative, and practical book will keep readers engaged and provide many aha! moments.

*Born to Win* Kevin Leman,2009-10 Bestselling author, humorist, and internationally known psychologist Dr. Leman helps firstborns understand their natural advantages for the highest level of personal success at home, school, work, and in relationships.

*Choose to Win* Tom Ziglar, 2019-03-05 The secret to winning at life is one good choice at a time. Are you frustrated with your job, career, or relationships? Are you unsure if what you are doing right now in your life is the right thing? In this revolutionary new book, success and motivation expert Tom Ziglar shares the good news that you can change and that, in fact, you can win at life. *Choose to Win* shows you how to achieve massive change without massive upset. It all starts with identifying your why, which reveals the how that opens multiple doors of what. His revolutionary plan guides you through making one small choice at a time through a sequence of easy-to-follow steps in seven key areas: mental, spiritual, physical, family, finance, personal, and career. Ziglar also helps you identify the life-killing, unhealthy habits that cause misery, dissatisfaction, and lack of success—and, more importantly, how to implement positive habits through the trinity of transformation: desire, hope, and grit. The result is a more productive, more fulfilling, and more meaningful life. You can take control of your destiny and leave the lasting legacy you've dreamed about and deserve. You simply need to choose to do so.

Alfa Romeo TZ-TZ2 Vitto Witting da Prato, 2017-02-01 Having left motor racing in the early 1950s - at least officially - Alfa Romeo returned to the sport once again at the start of the following decade due to the commitment and enthusiasm of Autodelta. This Alfa offshoot distinguished itself by preparing and racing about 30 of the manufacturer's different cars that really did make history. Among them, the Giulia TZ holds a place at the head of the crowd. It had a 1.5-litre, 113 hp engine from the Giulia SS, front and rear suspension of modern conception, disc brakes and an especially bold body shaped by Zagato on a modern tubular chassis. Those were the strong points of this car, which scored results of absolute prestige in its brief career at Sebring, in the Targa Florio, the 24 Hours of Le Mans and the Tour de France. Vito Witting da Prato, already the author of a meticulously written book on the Alfa Romeo SZ, covers the winning, human, technical and sporting factors of this unforgettable car in a monumental work. A book which, to the precise text and painstaking historical reconstruction, has

been added illustrations of previously unpublished pictures and technical designs by Autodelta.

Unstoppable Christine Caine,2014-08-26 Ready or not, you are in the run of your life. Whether you run like lightning, or crawl at a snail's pace, God has chosen you to run the race set before you. His word calls to you: "Let us throw off everything that hinders...let us run with perseverance the race marked out for us, fixing our eyes on Jesus, the pioneer and perfecter of faith." (Heb 12:1-2) Not an athlete? Doesn't matter. Still warming up? The race has already begun. Winded and limping? Keep moving forward. Stumbled or fallen? You have not been disqualified. Or maybe, while running in perfect stride, you've hit daunting obstacles. Do not give up! Why? Because this isn't a one-person race. It's a relay. You are not alone, but are part of a team assembled by God to achieve his purposes. And God is unstoppable. Fortunately, God has not left you on our own to muddle through the race untrained. His word and his story written into the lives of believers are filled with the wisdom to train you to successfully run the divine relay. Discover how to receive your baton, how to grasp firmly and carry forward all that God entrusts to you—his uncompromising truth, his piercing light, his radical change, his world-transforming love. And be trained in how to release what is no longer yours to carry so that every member of God's team can press on toward the goal to win the prize for which God has called us heavenward in Christ Jesus. In *Unstoppable*, best-selling author, global evangelist, and human- trafficking activist, Christine Caine, mesmerizes us with true stories and eternal principles that equip us to run the race we were born to win, receiving and releasing the baton of faith in sync with our team, the body of Christ. God has plucked us out of eternity, positioned us in time, and given us gifts and talents to serve him in this generation to bring the light of Jesus Christ into a broken world. Our race is now. This is our time in history. We've been handed the baton of faith and asked to carry that light and dispel the darkness. If we receive and pass on the baton in the divine relay, we will be unstoppable.

*You Were Born to Win* Daisaku Ikeda,2017-12-01 Young people are the hope of the future. Their passion and power can usher in an age of hope and respect for all people. *Born to Fly* Michael Ferrari, 2009-07-14 *Born to Fly* tells the story of eleven-year-old tomboy Bird McGill. Ever since she can remember, Bird has loved flying in small propeller airplanes with her mechanic dad. When the local airstrip is turned into a military flight school, Bird is in heaven. But when a young Japanese American student named Kenji Fujita joins Bird's class, the entire school seems to be convinced that he's a spy, or at the very least, that he and his uncle want the Japanese to win. Bird is wary of Kenji, not just because he's Japanese, but because he steals her flight-related topic for a school report and leaves her to write about the deadly boring local marsh weed. But on Bird's first trip to the marsh, she and Kenji accidentally discover real spy activity in the area. Bird realizes that Kenji is actually a stand-up guy—and she and Kenji begin an adventure that will shake the town and may even change the future of the United States.
