**Marina** Carlos Ruiz Zafon,2014-07-22 Carlos Ruiz Zafon's haunting gothic mystery, which has long been a cult classic in Spain and is now an international bestseller. We all have a secret buried under lock and key in the attic of our soul. This is mine. Fifteen-year-old Oscar Draï meets the strange Marina while he's out exploring an old quarter of Barcelona. She leads Oscar to a cemetery, where they watch a macabre ritual that occurs on the last Sunday of each month. At exactly 10 o'clock in the morning, a woman shrouded in a black velvet cloak descends from her carriage to place a single rose on an unmarked grave. When Oscar and Marina decide to follow her, they begin a journey that transports them to a forgotten postwar Barcelona—a world of aristocrats and actresses, inventors and tycoons—and reveals a dark secret that lies waiting in the mysterious labyrinth beneath the city streets.

**Les Misérables** Victor Hugo,2002 Out of extreme poverty Jean Valjean steals a loaf of bread and then spends many years trying to escape his reputation as a criminal. In later years he rises socially and is a respectable member of society; but policeman Javert will not allow him to forget his past and is determined to expose him. 1862.

*The Seville Communion* Arturo Pérez-Reverte,1999-05-06 An “intricate literary mystery [of] wrenching effect” by the internationally acclaimed, bestselling author of *The Club Dumas* (*The New Yorker*). Someone has hacked into the pope’s personal computer—not to spy on the Vatican or to spread a virus, but to send an urgent plea for help: SAVE OUR LADY OF THE TEARS. The crumbling Baroque church in the heart of Seville is slated for demolition—and two of its defenders have suddenly died. Accidents? Or murders? And was the church itself somehow involved? The Vatican promptly dispatches Father Lorenzo Quart, their worldly and enormously attractive emissary, to investigate the situation, track down the hacker—known only as “Vespers”—and stay alive. Thus begins a sophisticated and utterly suspenseful page-turner that has taken its readers by storm. “An elegant thriller that is as much about the elusive quest for happiness as it is about solving the murders.” —*The Denver Post* “An indelible tale of love, faith, and greed.” —*People*, Page-Turner of the Week

**The Intelligence of Dogs** Stanley Coren,2006-01-05 Combining heroic stories of dogs with the latest scientific and psychological information, this book has provoked controversy with its lists that rank more than 100 breeds and its exciting new insights into the thoughts, emotions, and inner lives of dogs.

**The Merry Adventures of Robin Hood Illustrated** Howard Pyle,2020-07-09 The Merry Adventures of Robin Hood of Great Renown in Nottinghamshire is an 1883 novel by the American illustrator and writer Howard Pyle. Consisting of a series of episodes in the story of the English outlaw Robin Hood and his band of Merry Men, the novel compiles traditional material into a coherent narrative in a colorful, invented old English idiom that preserves some flavor of the ballads, and adapts it for children. The novel is notable for taking the subject of Robin Hood, which had been increasingly popular through the 19th century, in a new direction that influenced later writers, artists, and filmmakers through the next century

Cecilia Valdés or El Angel Hill Cirilo Villaverde,2005-09-29 Cecilia Valdés is arguably the most important novel of 19th century Cuba. Originally published in New York City in 1882, Cirilo Villaverde's novel has fascinated readers inside and outside Cuba since the late 19th century. In this new English translation, a vast landscape emerges of the moral, political, and sexual depravity caused by slavery and colonialism. Set in the Havana of the 1830s, the novel introduces us to Cecilia, a beautiful light-skinned mulatta, who is being pursued by the son of a Spanish slave trader, named Leonardo. Unbeknownst to the two, they are the children of the same father. Eventually Cecilia gives in to Leonardo's advances; she becomes pregnant and gives birth to a baby girl. When Leonardo, who gets bored with Cecilia after a while, agrees to marry a white upper class woman, Cecilia vows revenge. A mulatto friend and suitor of hers kills Leonardo, and Cecilia is thrown into prison as an accessory to the crime. For the contemporary reader Helen Lane's masterful translation of Cecilia Valdés opens a new window into the intricate problems of race relations in Cuba and the Caribbean. There are the elite social circles of European and New World Whites, the rich culture of the free people of color, the class to which Cecilia herself belonged, and then the slaves, divided among themselves between those who were born in Africa and those who were born in the New World, and those who worked on the sugar plantation and those who worked in the households of the rich people in Havana. Cecilia Valdés thus presents a vast portrait of sexual, social, and racial oppression, and the lived experience of Spanish colonialism in Cuba.

**The Transparency Society** Byung-Chul Han,2015-08-19 Transparency is the order of the day. It is a term, a slogan, that dominates public discourse about corruption and freedom of information. Considered crucial to democracy, it touches our political and economic lives as well as our private lives. Anyone can obtain information about anything. Everything—and everyone—has become transparent: unveiled or exposed by the apparatuses that exert a kind of collective control over the post-capitalist world. Yet, transparency has a dark side that, ironically, has everything to do with a lack of mystery, shadow, and nuance. Behind the apparent accessibility of knowledge lies the disappearance of privacy, homogenization, and the collapse of trust. The anxiety to accumulate ever more information does not necessarily produce more knowledge or faith. Technology creates the illusion of total containment and the constant monitoring of information, but what we lack is adequate interpretation of the information. In this manifesto, Byung-Chul Han denounces transparency as a false ideal, the strongest and most pernicious of our contemporary mythologies.

**Uggie--My Story** Uggie,2012-10-16 A heartwarming memoir by the Jack Russell Terrier that starred in *The Artist and Water for Elephants*. Uggie's memoir offers readers the true rags-to-riches tale of one ordinary Jack Russell Terrier who made it big in Hollywood. For the first time, Uggie tells his story of rising from humble beginnings as an abandoned shelter dog to being adopted by esteemed trainer Omar Von Muller. Uggie details his time starring in commercials for everything from Kia cars to Bud Light. Uggie eventually broke into the film world with his appearance in *Mr. Fixit* in 2006. He went on to appear in *Wassup Rockers* and *Life is Ruff*. Uggie got his first serious film role in 2011's *Water for Elephants* where he starred alongside Reese Witherspoon and Robert Pattinson. It was not, however, until 2012's *The Artist* that Uggie really dazzled audiences with his talents. In his memoir, Uggie will talk about life on the set of the Oscar-winning film and the role that many said should have earned him an Oscar. Uggie's memoir doesn't just hit on his career highlights, it also takes a candid look at his private demons: overcoming a painful past as a cat-murderer and finding redemption; living with shaking syndrome; his regret at never siring any pups before being neutered. Uggie's memoir will include not just biographical information, but also advice from the dog himself. As is seen in his dazzling performance in *The Artist*, Uggie is an incredibly talented performer. He honed his craft while touring South America each year as part of *The Incredible Dog Show*, and in his memoir, he will spend several chapters sharing practical training and dieting tips that he has developed over the years.

*The Visions of Quevedo* Francisco de Quevedo,2019-12-17 A satirical masterpiece, *The Visions of Quevedo* offers a

glimpse into Spanish literature through the lens of Francisco de Quevedo. With sharp wit and keen observations, Quevedo critiques society, human nature, and the world around him, making this work a significant contribution to classic literature. His perspective offers a fresh take on traditional themes.

The Burnout Society Byung-Chul Han,2015-08-12 Our competitive, service-oriented societies are taking a toll on the late-modern individual. Rather than improving life, multitasking, user-friendly technology, and the culture of convenience are producing disorders that range from depression to attention deficit disorder to borderline personality disorder. Byung-Chul Han interprets the spreading malaise as an inability to manage negative experiences in an age characterized by excessive positivity and the universal availability of people and goods. Stress and exhaustion are not just personal experiences, but social and historical phenomena as well. Denouncing a world in which every against-the-grain response can lead to further disempowerment, he draws on literature, philosophy, and the social and natural sciences to explore the stakes of sacrificing intermittent intellectual reflection for constant neural connection.

**K9 Schutzhund Training** Resi Gerritsen,Ruud Haak,2000 Professional Schutzhund trainers and instructors Resi Gerritsen and Ruud Haak bring their years of knowledge and experience together in this book, K9 Schutzhund Training. Appropriate for training dogs for both protection work and for international sport dog certification and competition, this is designed to be an especially practical training method. Founded on the idea that effective training can only happen when a good bond and good communication exist between handler and dog, this method allows individual handler-dog teams to progress at their own speed. Different breeds and individual dogs may require different lengths of time and repetition to effectively learn to perform the exercises contained in this book. While many trainers claim a dog can be trained to perform to this level in only a few weeks, the authors show that effective, long-lasting results can only be achieved with time and patience. The three sections of this book focus on tracking, obedience and protection.

*Genetics for Dog Breeders* Roy Robinson,1990 The findings of a decade of further investigation into the genetics of dog breeding have been incorporated into this new edition of a classic source of information for breeders. Early chapters outline the basic principles of heredity, illustrated by examples from the dog. Modern methods of animal improvement which can be called upon to further the aims of dog breeding are also discussed. The chapters on colour and coat variation, genetics of breeds, and abnormalities have been extensively rewritten in the light of new findings. Many outstanding problems of breed genotypes have been resolved, but at the same time numerous genetic anomalies have been identified through greater genetic awareness and attempts to secure breeding data. The descriptive summaries of these abnormalities, substantially documented, make this book a useful reference source for the identification of known genetic anomalies.
