History of Non-dual Meditation Methods Javier Alvarado Planas,2014-08-29 The aim of this book is to study certain meditation methods followed not only by religious traditions or metaphysical movements that are still alive nowadays like Advaita Vedanta, Kabbalah (within the Jewish tradition), Christianity or Islam (particularly Sufism), but also practiced by other currents or schools that, even though already gone, significantly influenced the West. This is the case of Neoplatonism or Stoicism, whose influence was felt by ancient and medieval Christianity, or Greco-Egyptian Hermetism, which played an important role in the European cultural Renaissance from the 15th century on. A special consideration has been given to Christian tradition, introducing some of the most representative authors of recollection and their meditation methods. Este libro tiene por finalidad el estudio de ciertos métodos de meditación seguidos no solo por tradiciones religiosas o movimientos metafísicos que continúan vivos actualmente como el vedanta advaita, la cábala (en la tradición judía), el cristianismo o el islám (particularmente el sufismo), sino practicados también por otras corrientes o escuelas que, aunque ya desaparecidas, influyeron significativamente en Occidente. Es el caso del neoplatonismo o del estoicismo cuya influencia se dejó sentir en el cristianismo antiguo y medieval, o del hermetismo greco-egipcio que tuvo un papel destacado en el Renacimiento cultural europeo a partir del siglo XV. Especial consideración se ha dado a la tradición cristiana mostrando algunos de los autores más representativos del recogimiento y de su método de meditación.

Life Anew Barbara A. Bozak,1991 Una vita nuova. Studio di Barbara Bozak. Questo libro e uno studio del testo ebraico di Ger 30-31 mediante l'utilizzo di tecniche di analisi poetica. Si presenta Ger 30-31 nel suo complesso letterario in cui ogni elemento contribuisce alla comunicazione di un unico messaggio: la promessa di un nuovo futuro, dono gratuito di Dio. This book is a study of the hebrew text of Jer 30-31 using techniques of poetic analysis and having as an underlying focus the question of exegetical method. It examines the text in terms of its diction, prosody, syntax and imagery with a view to understanding the unit in its historical and literary contexts, and presents Jer 30-31 as a literary whole in which every element works together to communicate a single message: the promise of a new future, gratuitous gift of god. The careful literary analysis of this poetic cycle demonstrates that while the concept of salvation is the essential focus of the little book of consolation (Jer 30-31), the ideas of suffering and punishment are also highly developed and found throughout the whole. The book concludes with a brief consideration of the extraordinary use of the feminine image in Jer 30-31 and offers some hypotheses for its presence. in its use of literary poetic analysis this work moves beyond the questions of diachronic studies and thus implies that synchronic reading, with its focus on the final text as the ultimate bearer of meaning, is a valid exegetical method.

The Guide for the Perplexed Moses Maimonides,Aeterna Press,2012 IN compliance with a desire repeatedly expressed by the Committee of the Hebrew Literature Society, I have undertaken to translate Maimonides Dalalat al-H?airin, better known by the Hebrew title Moreh Nebuchim, and I offer the first instalment of my labours in the present volume. This contains—(1) A short Life of Maimonides, in which special attention is given to his alleged apostasy. (2) An analysis of the whole of the Moreh Nebuchim. Attaining the Worlds Beyond Michael Laitman,2003-01-01 In the words of Michael Laitman, It is beyond human comprehension to understand the essence of such spiritual qualities as total altruism and love. This is for the simple reason that human beings cannot comprehend how such feelings can exist at all, as everyone seemingly requires an incentive to perform any act; without some personal gain, people are not prepared to extend themselves. That is why a quality such as

altruism can only be imparted to a person from Above, and only those who have experienced it can understand it. Attaining The Worlds Beyond is a first step toward discovering the ultimate fulfillment of spiritual ascent in our lifetime. This book reaches out to all those who are searching for answers, who are seeking a logical and reliable way to understand the world's phenomena. This magnificent introduction to the wisdom of Kabbalah provides a new kind of awareness that enlightens the mind, invigorates the heart, and moves the reader to the depths of their soul.

La Biblia de Israel Uri Trajtmann,Yoram Rovner,Isaac Benarroch,2010-01 Y escribieras muy claramente en las piedras todas las palabras de esta ley. (Debarim - Deuteronomio 27:8) La presente obra tiene por objetivo aclarar el texto biblico a traves de la tradicion oral del pueblo de Israel, de modo de facilitar la comprension y divulgacion de la palabra de Dios a toda la humanidad permitiendo el acceso al texto original (entregado en hebreo) y a una traduccion fiel de este. Christ is Passing By Josemaría Escrivá, 2017-03-31 This first published collection of St. Josemaría's homilies is a handsome pocket-sized book, making it perfect for individual spiritual reading. In these homilies for Advent, Christmas, Lent, Easter, and other highlights of the Church year, St. Josemaría consistently emphasizes the great truth that your most ordinary, human interests can and should reflect the presence and transcendence of God, and that you should strive always to sanctify every detail of your daily life.

Shamati (I Heard) Yehuda Ashlag, 2019-10-29 Among all the texts and notes of Rabbi Baruch Shalom Halevi Ashlag (the Rabash), there was one special notebook he always carried. This notebook contained the transcripts of his conversations with his father, Rabbi Yehuda Leib Halevi Ashlag (Baal HaSulam), author of the Sulam (Ladder) commentary on The Book of Zohar and of many other works on Kabbalah. Not feeling well on the Jewish New Year in September 1991, the Rabash summoned his primary student and personal assistant, Michael Laitman, to his bedside and handed him that notebook. Its cover contained only one word, Shamati (I Heard). As he handed the notebook to him, he said to Laitman, Take it and learn from it. The following morning, he perished in Laitman's arms, leaving him and many of his other students without guidance in this world. Committed to Rabash's legacy to spread the wisdom of Kabbalah, Laitman published the notebook just as it was written, thus retaining the text's transforming powers. Among all the books of Kabbalah, Shamati is a unique and compelling composition whose power persists long after the reading is through.
