

I Married A Communist

Charles Robert Jenkins, Jim Frederick

I Married a Communist Philip Roth, 2010-12-23 The second novel of Roth's eloquent American trilogy, set in the tempestuous McCarthy era - a brilliant successor to American Pastoral I Married a Communist charts the rise and fall of Ira Ringold, an American roughneck who begins life as a ditchdigger in 1930s New Jersey, becoming a big-time radio hotshot in the 1940s. In his heyday as a star - and as a zealous, bullying supporter of 'progressive' political causes - Ira marries Hollywood's beloved leading lady, Eve Frame. Their glamorous honeymoon is short-lived, however, and it is the publication of Eve's scandalous bestselling expose that identifies Ira as 'an American taking his orders from Moscow'. In this story of cruelty, betrayal, and savage revenge, anti-Communist fever pollutes national politics and infects the relationships of ordinary Americans; friends become deadly enemies, parents and children tragically estranged, lovers blacklisted and felled from vertiginous heights. 'Quintessential Philip Roth' Sunday Telegraph

I Married A Communist Philip Roth, 1998-10-22 Radio actor Iron Rinn (born Ira Ringold) is a big Newark roughneck blighted by a brutal personal secret from which he is perpetually in flight. An idealistic Communist, a self-educated ditchdigger turned popular performer, a six-foot six-inch Abe Lincoln look-alike, he marries the nation's reigning radio actress and beloved silent-film star, the exquisite Eve Frame (born Chava Fromkin). Their marriage evolves from a glamorous, romantic idyll into a dispiriting soap opera of tears and treachery. And with Eve's dramatic revelation to the gossip columnist Bryden Grant of her husband's life of espionage for the Soviet Union, the relationship enlarges from private drama into national scandal. Set in the heart of the McCarthy era, the story of Iron Rinn's denunciation and disgrace brings to harrowing life the human drama that was central to the nation's political tribulations in the dark years of betrayal, the blacklist, and naming names. I Married a Communist is an American tragedy as only Philip Roth could write it.

The Ugly Wife Is a Treasure at Home Melissa Margaret Schneider, 2014-08-15 The ugly wife is a treasure at home is not just an idle expression in China. For centuries, Chinese marriage involved matchmakers, child brides, dowries, and concubines, until the People's Republic of China was established by Mao Zedong and his Communist Party in 1949. Initially encouraging citizens to reject traditional arranged marriages and instead wed for love, the party soon spurned the sin of putting love first, fearful that romantic love would distract good Communists from selflessly carrying out the State's agenda. Under Mao the party established the power to approve or reject proposed marriages, dictate where couples would live, and even determine if spouses would live together. By the 1960s and 1970s romantic love became a counterrevolutionary act punishable by struggle sessions or even imprisonment. The importance of Chinese sons, however, did not wane during Mao's thirty-year regime. As such, in a world where nobody spoke of love, 99 percent of young women still married. *The Ugly Wife Is a Treasure at Home* draws the reader into the world of love in Communist China through the personal memories of those who endured the Cultural Revolution and the generations that followed. This collection of intimate and remarkable stories gives readers a rare view of Chinese history, social customs, and Communism from the perspective of today's ordinary citizens.

The Human Stain Philip Roth, 2001 Set in 1998, with the backdrop of the impeachment of a president, this book shows us an America where conflicting moralities and ideological divisions result in public denunciations and houndings, and where innocence is not always a good enough excuse.

Red at Heart Elizabeth McGuire, 2018 From a debut author, an intimate, multigenerational narrative of the Russian and Chinese revolutions through the eyes of the Chinese youth who traveled to the Soviet Union and the fate of their blended offspring

Mocking the Age Elaine B. Safer, 2012-02-01 The first comprehensive assessment of Philip Roth's later novels, *Mocking the Age* offers rich and insightful readings that explore how these extraordinary works satirize our contemporary culture. From *The Ghost Writer* to *The Plot Against America*, Roth uses humor to address deadly serious matters, including social and political issues, psychological problems, postmodern concerns, and the absurd. In her clear and extensive analyses of these works, Elaine B. Safer looks at how Roth's approach to the comic incorporates the self-deprecating humor of Jewish comedians, as well as the humor of nineteenth-century Eastern European Jewish storytellers and such twentieth-century writers as Bernard Malamud and Saul Bellow. Filling the void on critical examinations of Roth's later work, Safer's book provides a thorough appraisal of Roth's lifetime accomplishment and an essential evaluation of his comic genius.

Leaving a Doll's House Claire Bloom,1998-04-01 Writing with grace, wit, and remarkable candor, actress Claire Bloom looks back at her crowded life: her accomplishments on stage and screen; her romantic liaisons with some of the great leading men of our era; and at the most important relationship of her life--her marriage to author Philip Roth. of photos.

American Pastoral Philip Roth,1997 An ordinary man finds that his life has been made extraordinary by the catastrophic intrusion of history when, in 1968 his adored daughter plants a bomb that kills a stranger, hurling her father out of the longed-for American pastoral and into the indigenous American berserk.

Wild Swans Jung Chang,2008-06-20 The story of three generations in twentieth-century China that blends the intimacy of memoir and the panoramic sweep of eyewitness history—a bestselling classic in thirty languages with more than ten million copies sold around the world, now with a new introduction from the author. An engrossing record of Mao’s impact on China, an unusual window on the female experience in the modern world, and an inspiring tale of courage and love, Jung Chang describes the extraordinary lives and experiences of her family members: her grandmother, a warlord’s concubine; her mother’s struggles as a young idealistic Communist; and her parents’ experience as members of the Communist elite and their ordeal during the Cultural Revolution. Chang was a Red Guard briefly at the age of fourteen, then worked as a peasant, a “barefoot doctor,” a steelworker, and an electrician. As the story of each generation unfolds, Chang captures in gripping, moving—and ultimately uplifting—detail the cycles of violent drama visited on her own family and millions of others caught in the whirlwind of history.

The Romance of American Communism Vivian Gornick,2020-04-07 “Before I knew that I was Jewish or a girl I knew that I was a member of the working class.” So begins Vivian Gornick’s exploration of how the world of socialists, communists, and progressives in the 1940s and 1950s created a rich, diverse world where ordinary men and women felt their lives connected to a larger human project. Now back in print after its initial publication in 1977 and with a new introduction by the author, *The Romance of American Communism* is a landmark work of new journalism, profiling American Communist Party members and fellow travelers as they joined the Party, lived within its orbit, and left in disillusionment and disappointment as Stalin’s crimes became public. From the immigrant Jewish enclaves of the Bronx and Brooklyn and the docks of Puget Sound to the mining towns of Kentucky and the suburbs of Cleveland, over a million Americans found a sense of belonging and an expanded sense of self through collective struggle. They also found social isolation, blacklisting, imprisonment, and shattered hopes. This is their story--an indisputably American story.

Life and Death in Shanghai Cheng Nien,2010-12-14 A woman who spent more than six years in solitary confinement

during Communist China's Cultural Revolution discusses her time in prison. Reissue. A New York Times Best Book of the Year.

A Good American Family David Maraniss, 2020-11-10 Pulitzer Prize-winning author and “one of our most talented biographers and historians” (The New York Times) David Maraniss delivers a “thoughtful, poignant, and historically valuable story of the Red Scare of the 1950s” (The Wall Street Journal) through the chilling yet affirming story of his family’s ordeal, from blacklisting to vindication. Elliott Maraniss, David’s father, a WWII veteran who had commanded an all-black company in the Pacific, was spied on by the FBI, named as a communist by an informant, called before the House Un-American Activities Committee in 1952, fired from his newspaper job, and blacklisted for five years. Yet he never lost faith in America and emerged on the other side with his family and optimism intact. In a sweeping drama that moves from the Depression and Spanish Civil War to the HUAC hearings and end of the McCarthy era, Maraniss weaves his father’s story through the lives of his inquisitors and defenders as they struggle with the vital 20th-century issues of race, fascism, communism, and first amendment freedoms. “Remarkably balanced, forthright, and unwavering in its search for the truth” (The New York Times), *A Good American Family* evokes the political dysfunctions of the 1950s while underscoring what it really means to be an American. It is “clear-eyed and empathetic” (Publishers Weekly, starred review) tribute from a brilliant writer to his father and the family he protected in dangerous times.

Roth Unbound Claudia Roth Pierpont, 2013-10-22 A critical evaluation of Philip Roth—the first of its kind—that takes on the man, the myth, and the work Philip Roth is one of the most renowned writers of our time. From his debut, *Goodbye, Columbus*, which won the National Book Award in 1960, and the explosion of Portnoy's Complaint in 1969 to his haunting reimagining of Anne Frank's story in *The Ghost Writer* ten years later and the series of masterworks starting in the mid-eighties—*The Counterlife*, *Patrimony*, *Operation Shylock*, *Sabbath's Theater*, *American Pastoral*, *The Human Stain*—Roth has produced some of the great American literature of the modern era. And yet there has been no major critical work about him until now. Here, at last, is the story of Roth's creative life. *Roth Unbound* is not a biography—though it contains a wealth of previously undisclosed biographical details and unpublished material—but something ultimately more rewarding: the exploration of a great writer through his art. Claudia Roth Pierpont, a staff writer for *The New Yorker*, has known Roth for nearly a decade. Her carefully researched and gracefully written account is filled with remarks from Roth himself, drawn from their ongoing conversations. Here are insights and anecdotes that will change the way many readers perceive this most controversial and galvanizing writer: a young and unhappily married Roth struggling to write; a wildly successful Roth, after the uproar over Portnoy, working to help writers from Eastern Europe and to get their books known in the West; Roth responding to the early, Jewish—and the later, feminist—attacks on his work. Here are Roth's family, his inspirations, his critics, the full range of his fiction, and his friendships with such figures as Saul Bellow and John Updike. Here is Roth at

work and at play. Roth Unbound is a major achievement—a highly readable story that helps us make sense of one of the most vital literary careers of the twentieth and twenty-first centuries.

Marriage, Law and Gender in Revolutionary China Xiaoping Cong, 2016-08-22 Explores the social and cultural significance of Chinese communist legal practice in constructing marriage and gender relations in the turbulent period from 1940 to 1960.

Under a Red Sky Haya Leah Molnar, 2010-03-30 Eva Zimmermann is eight years old, and she has just discovered she is Jewish. Such is the life of an only child living in postwar Bucharest, a city that is changing in ever more frightening ways. Eva's family, full of eccentric and opinionated adults, will do absolutely anything to keep her safe—even if it means hiding her identity from her. With razor-sharp depictions of her animated relatives, Haya Leah Molnar's memoir of her childhood captures with touching precocity the very adult realities of living behind the iron curtain. *Under a Red Sky* is a 2011 Bank Street - Best Children's Book of the Year.

Convictions Jo Langer, 2011-03-03 Jo Langer and her husband Oscar were committed communists; she Hungarian, he Slovakian. During the Second World War the couple, both Jewish, escaped to America. Most members of their extended family were murdered in the Holocaust. After the war, they returned to Czechoslovakia to help build communism. She worked for state exports in Bratislava; he was an economist working for the Central Committee. In 1951 Oscar Langer was arrested and detained as part of the anti-Semitic purge of the Communist Party that culminated in the infamous Slnksk trials. He was subjected to solitary confinement, threats against his family, unbearable cold and hunger, anti-Semitic abuse and beatings. In the end, he submitted. In a statement dictated by his interrogators he said, 'I confess that I am an important link in the anti-state conspiracy of Zionists and Jewish bourgeois nationalists'. Jo Langer lost her job, and was exiled to the countryside. In *Convictions*, she vividly describes trying to her protect her two daughters and scrape a living, surviving the loss of her husband, her place in society and her faith in communism. Oscar Langer died shortly after his release from prison. Jo Langer left Czechoslovakia during the Prague Spring in 1968, and went into exile in Sweden.

The Furies Janet Hobhouse, 2004-09-30 A SELECTION OF THE LOST BOOKS CLUB An exhilarating, fiercely honest, ultimately devastating book, *The Furies* confronts the claims of family and the lure of desire, the difficulties of independence, and the approach of death. Janet Hobhouse's final testament is beautifully written, deeply felt, and above all utterly alive.

The Reluctant Communist Charles Robert Jenkins, Jim Frederick, 2008 This fast-paced, harrowing tale, told plainly and simply by Jenkins (with journalist Jim Frederick), takes the reader behind the North Korean curtain and, episode by episode, reveals the inner workings of its isolated society. Jenkins mounted numerous failed escape attempts, was indoctrinated against his will into North Korea's communist cadre system, and endured hunger, cold, and isolation. His loneliness was relieved in 1980 by his marriage to Hitomi Soga, a young Japanese woman whom the North Koreans had abducted as part of

a wider campaign to teach Japanese to future spies. Jenkins's account of their life together and as parents of two daughters, as well as their improbable journey to freedom, which began in 2002, brings this story to a close. Four decades in the world's least known, least visited, and least understood land profoundly changed him; his memoir now offers the reader a powerful testament to the human spirit.--BOOK JACKET.
