Supernatural Transformation Guillermo Maldonado,2014-06-03 The central organ of the human body is the heart. It circulates the blood throughout the whole bodily system, pumping oxygen and nutrients to the other organs and pulling toxins away from them. Yet we human beings have another “heart”—a spiritual one—that is the true center of our existence. Our spiritual heart is our identity. It is the foundation of our whole being, from which our desires, designs, purposes, will, thoughts, and attitudes originate. Yet, as a result of the fall and our sinful nature, we all have symptoms of “heart disease,” and we need to know how to become spiritually heart-healthy. As the Scriptures say, “The heart is deceitful above all things, and desperately wicked; who can know it?” (Jeremiah 17:9). Every spiritual, mental, and emotional matter—and many physical ones—is rooted in the heart. The state of our spiritual heart affects all aspects of our daily living. Therefore, the condition of our heart will be the condition of our life. Join Apostle Maldonado on a journey of discovery into the purpose, motivations, and potential of our spiritual heart. God wants us to understand how, in Christ, our heart is designed to “pump” life to our entire being—producing mental, emotional, and physical health and removing the toxins of sin. We were created to reflect the heart of our heavenly Father. And God is ready even now to change our heart to be like His through a supernatural transformation!

**Created for Purpose** Guillermo Maldonado,2019-09-24 You are no accident. Your presence on this earth is not a mistake. Neither is it insignificant. On the contrary, you are wanted here—and needed! You are a creation of God with a unique purpose. Many people “do” things to try to gain acceptance by others, so that they can “be” someone. They become slaves to public opinion and never really know who they were meant to be. When we know that we are God’s beloved children, chosen from the foundation of the world, and discover who He designed us to be, we will think and act from that perspective. Everything else will develop from our identity and existence in Him. That identity goes beyond even our personal purpose to God’s eternal plans for the world and our exciting role in them. God created all human beings to have dominion over the earth. And He has assigned each of us a portion of “territory” where we can exercise the measure of our dominion on earth. This dominion is based on the faith, anointing, and gifts He has given us. Our words and actions are most effective

when we are in the territory God has assigned to us and are seeking first His kingdom. This “territorial” power is not merely symbolic. It is a reality in which we must live. The territory in which we are to be fruitful is not random or general but specific. In *Created for Purpose*, you will discover God’s plan for your life as a loved and valuable member of His creation, what it means to be called by God, and how to know and live in your purpose throughout your life. You are not an accident. You are present on this earth for a significant reason. Find out who you were meant to be!

**The Kingdom of Power** Guillermo Maldonado,2013-03-19 Experience Heaven on Earth in a Tangible Way The kingdom

of God is... A supernatural kingdom A kingdom of power, not just words. A kingdom whose reality can be experienced here and now. Jesus said, "The kingdom of God is within you" (Luke 17:21). God's kingdom is His will exercised on earth as it is in heaven. It expands its influence in this world through the supernatural work of the Holy Spirit in the lives of believers—like you and me. When Jesus returned to heaven, He activated the church to continue expanding His kingdom in each succeeding generation of believers. We are the vessels through which God extends His kingdom to our communities and nations! Wherever God's kingdom rules on earth, it is visibly demonstrated. Jesus manifested the power of the kingdom with tangible miracles, signs, healings, and deliverances. Each time He announced the good news of the kingdom, sin, sickness, demons, poverty, and death could not remain. The kingdom is a reality today—not just in the future—and it may be applied to each circumstance we encounter in life. The kingdom has everything we need: righteousness, healing, wholeness, prosperity, and joy. In *The Kingdom of Power: How to Demonstrate It Here and Now*, you will discover how to enter God's kingdom, receive its benefits, and expand its dominion throughout the earth. The kingdom of God is within you. The only thing you need to do is to demonstrate it here and now!

**Jesus Is Coming Soon** Guillermo Maldonado, 2020-09-29 Shakings, Signs, and the Return of Christ You are mentioned in biblical prophecy. You may not be mentioned by name, but you are included there. End-times prophecies speak of faithful followers of Jesus—called the "remnant"—who are ready for the last days and His return, but they also speak of those who are unprepared or fall away before His appearing. Which prophecy will you fulfill? *Jesus Is Coming Soon: Discern the End-Time Signs and Prepare for His Return* will help you be certain you are part of God's remnant. The signs of the end of the age and Jesus's appearing are evident in the physical and spiritual worlds. But most people, including Christians, have not recognized them. What signs has God given to announce the culmination of His purposes for the world? How can we discern them? How can we prepare? This book will unfold: The reason for the unprecedented natural and spiritual shakings in our world What the signs tell us, including unusual signs such as blood moons How God works according to seasons, eras, and the fullness of time How Jewish feasts point to the ages of man, accurately showing us God's time clock Which imminent biblical signs and promises have yet to be fulfilled The judgments God is bringing to the earth God has given prophecies concerning Israel, the church, and the world. And His Spirit is disclosing His last-days purposes right now. We need to know how to receive the vital revelation and prophetic knowledge He wants to share with His people. When we have this foreknowledge, we can understand the times and prepare for His final plans for the earth. God intends the church to be a community of hope, revival, and supernatural power in the midst of dark times. There is a spirit of confusion in the world today. People must turn to God for the answers only He can give, and the church needs to be ready to provide those answers. In these end times, you do not need to be fearful, discouraged, or distracted. Instead, you can know your true position in God before Christ's appearing. You can be joyfully prepared, watching and waiting in expectation, with your spiritual eyes open.

Live in God's perfect will for your life and participate in His supernatural, last-days purposes!

**The Extractive Zone** Macarena Gómez-Barris,2017-10-19 In *The Extractive Zone* Macarena Gómez-Barris traces the political, aesthetic, and performative practices that emerge in opposition to the ruinous effects of extractive capital. The work of Indigenous activists, intellectuals, and artists in spaces Gómez-Barris labels extractive zones—majority indigenous regions in South America noted for their biodiversity and long history of exploitative natural resource extraction—resist and refuse the terms of racial capital and the continued legacies of colonialism. Extending decolonial theory with race, sexuality, and critical Indigenous studies, Gómez-Barris develops new vocabularies for alternative forms of social and political life. She shows how from Colombia to southern Chile artists like filmmaker Huichaqueo Perez and visual artist Carolina Caycedo formulate decolonial aesthetics. She also examines the decolonizing politics of a Bolivian anarcho-feminist collective and a coalition in eastern Ecuador that protects the region from oil drilling. In so doing, Gómez-Barris reveals the continued presence of colonial logics and locates emergent modes of living beyond the boundaries of destructive extractive capital.

**The Last Colonial Massacre** Greg Grandin,2011-07-30 After decades of bloodshed and political terror, many lament the rise of the left in Latin America. Since the triumph of Castro, politicians and historians have accused the left there of rejecting democracy, embracing communist totalitarianism, and prompting both revolutionary violence and a right-wing backlash. Through unprecedented archival research and gripping personal testimonies, Greg Grandin powerfully challenges these views in this classic work. In doing so, he uncovers the hidden history of the Latin American Cold War: of hidebound reactionaries holding on to their power and privilege; of Mayan Marxists blending indigenous notions of justice with universal ideas of equality; and of a United States supporting new styles of state terror throughout the region. With Guatemala as his case study, Grandin argues that the Latin American Cold War was a struggle not between political liberalism and Soviet communism but two visions of democracy—one vibrant and egalitarian, the other tepid and unequal—and that the conflict's main effect was to eliminate homegrown notions of social democracy. Updated with a new

preface by the author and an interview with Naomi Klein, *The Last Colonial Massacre* is history of the highest order—a work that will dramatically recast our understanding of Latin American politics and the role of the United States in the Cold War and beyond. “This work admirably explains the process in which hopes of democracy were brutally repressed in Guatemala and its people experienced a civil war lasting for half a century.”—*International History Review* “A richly detailed, humane, and passionately subversive portrait of inspiring reformers tragically redefined by the Cold War as enemies of the state.”—*Journal of American History*

*Designs for the Pluriverse* Arturo Escobar, 2018-03-15 In *Designs for the Pluriverse* Arturo Escobar presents a new vision of design theory and practice aimed at channeling design's world-making capacity toward ways of being and doing that are deeply attuned to justice and the Earth. Noting that most design—from consumer goods and digital technologies to built environments—currently serves capitalist ends, Escobar argues for the development of an “autonomous design” that eschews commercial and modernizing aims in favor of more collaborative and placed-based approaches. Such design attends to questions of environment, experience, and politics while focusing on the production of human experience based on the radical interdependence of all beings. Mapping autonomous design's principles to the history of decolonial efforts of indigenous and Afro-descended people in Latin America, Escobar shows how refiguring current design practices could lead to the creation of more just and sustainable social orders.
