Floating Lives Stuart Cunningham,John Sinclair,2001-06-06 *Floating Lives* is a unique examination of media and communication within diasporic ethnic communities, using in-depth studies of some of Australia's main Asian diasporic groups: the Chinese, Indian, Vietnamese, and Thai communities. Going beyond conventional cross-cultural studies of mainstream media consumption, this book explores the ethnic community as a determining force in negotiating new hybrid identities and cultures—and demonstrates experiences common to diasporic communities worldwide.

From Baseballs to Bombshells Art Graham,2018-04-04 Growing technology and affluence, rock n roll, baseball, and muscle cars all told through the youth and early adult years of a small-town Montana boy and war veteran. This is a history of the glorious 50s and 60s in America. It is a history also of politicians, the indecency of segregation and war, and the struggle for racial equality and peace. A history of two great nations. Intertwined is the unique history of Vietnam and the Vietnamese long struggle for independence. It is a rendering also of the unique culture of Vietnam with fascinating stories of emperors within the walls of a Forbidden City. Included in the book is a review of the relationship of two nations one mighty and one resistant ultimately entangled in a catastrophic war. Nearly fifty-nine thousand Americans lost to family, friends, wives, and lovers. More than two million Vietnamese soldiers and civilians perished in a war that could not be won.

Routledge Handbook of Contemporary Vietnam Jonathan D. London,2022-07-29 The Routledge Handbook of Contemporary Vietnam is a comprehensive resource exploring social, political, economic, and cultural aspects of Vietnam, one of contemporary Asia's most dynamic but least understood countries. Following an introduction that highlights major changes that have unfolded in Vietnam over the past three decades, the volume is organized into four thematic parts: Politics and Society Economy and Society Social Life and Institutions Cultures in Motion Part I addresses key aspects of Vietnam's politics, from the role of the Communist Party of Vietnam in shaping the country's institutional evolution, to continuity and change in patterns of socio-political organization, political expression, state repression, diplomatic relations, and human

rights. Part II assesses the transformation of Vietnam's economy, addressing patterns of economic growth, investment and trade, the role of the state in the economy, and other economic aspects of social life. Parts III and IV examine developments across a variety of social and cultural fields through chapters on themes including welfare, inequality, social policy, urbanization, the environment and society, gender, ethnicity, the family, cuisine, art, mass media, and the politics of remembrance. Featuring 38 essays by leading Vietnam scholars from around the world, this book provides a cutting-edge analysis of Vietnam's transformation and changing engagement with the world. It is an invaluable interdisciplinary reference work that will be of interest to students and academics of Southeast Asian studies, as well as policymakers, analysts, and anyone wishing to learn more about contemporary Vietnam.

The Lotus and the Storm Lan Cao, 2014-08-14 A lyrical novel of love and betrayal in the aftermath of the fall of Saigon—from the author of *Monkey Bridge* A singular work of witness, inspiration, and courage, *The Lotus and the Storm* marks the welcome return of Lan Cao's pitch-perfect voice, telling the story only she can tell. Four decades after the war, Vietnam's flavors of clove and cinnamon have been re-created by a close-knit refugee community in a Virginia suburb. But the lives of Minh and Mai, father and daughter, are haunted by ghosts, secrets, and the loss of their country. During the disastrous last days in Saigon, in a whirl of military signals and helicopter evacuations, Mai never had a chance to say goodbye to so many people who meant so much to her. What happened to them? How will Mai cope with the trauma of war—and will the *thay phap*, a Vietnamese spirit exorcist, be able to heal her?

Buddha's Child Nguyen Cao Ky, Marvin J. Wolf, 2013-12-24 The history of the Vietnam War has rarely been told from the Vietnamese perspective—and never by a leader of that country. In *Buddha's Child*, Nguyen Cao Ky reveals the remarkable story of his tumultuous tenure as Premier of South Vietnam, and offers unprecedented insight into the war's beginning, escalation, and heartbreaking end. A thirty-four year old pilot and Air Force commander, known for his fighter-pilot's moustache, flowing lavender scarf and his reputation as a ladies' man, Ky in 1965 agreed to lead South Vietnam after a series of coups had dangerously destabilized the nation. Ky's task was to unite a country riven by political, ethnic, and religious factions and undermined by corruption. With little experience in governing and none in international affairs, and while continuing to fly combat missions over Vietnam, Ky plunged into a war to save his homeland. He served as premier until 1967, continued to be active in the war after his resignation, and finally left Vietnam in 1975 during the fall of Saigon. *Buddha's Child* offers Ky's perspective on the crucial events and memorable images of the Vietnam War: the coup against and execution of President Diem; the self-immolation by the Buddhist monk, and the radical Buddhists' attempt to topple Ky's government; the bloody and pivotal Tet Offensive; the shooting of a Vietcong prisoner, captured in one of the war's most notorious photographs; the Paris Peace talks that sold out South Vietnam; and the last, desperate days of Saigon. In frank

language, Ky discusses his own successes and failures as a leader and dramatically relates the progress of the war as it unfolded on the ground and behind the scenes-including anecdotes about Lyndon Johnson, Richard Nixon, William Westmoreland, Henry Cabot Lodge, William Colby, Henry Kissinger, and many others. *Buddha's Child* is a revelatory, fascinating account of a nation at war by a most unusual man.

A Bright Shining Lie Neil Sheehan,2010-08-03 'Superb. If you ever read just one history of the Vietnam war, read and admire and celebrate this one ' John le Carré WINNER OF THE NATIONAL BOOK AWARD AND THE PULITZER PRIZE FOR NON-FICTION Outspoken, professional and fearless, Lt. Col. John Paul Vann went to Vietnam in 1962, full of confidence in America's might and right to prevail. He was soon appalled by the South Vietnamese troops' unwillingness to fight, by their random slaughter of civilians and by the arrogance and corruption of the US military. He flouted his supervisors and leaked his sharply pessimistic - and, as it turned out, accurate - assessments to the US press corps in Saigon. Among them was Sheehan, who became fascinated by the angry Vann, befriended him and followed his tragic and reckless career. Sixteen years in the making, *A Bright Shining Lie* is an eloquent and disturbing portrait of a man who in many ways personified the US war effort in Vietnam, of a soldier cast in the heroic mould, an American Lawrence of Arabia. Blunt, idealistic, patronising to the Vietnamese, Vann was haunted by a shameful secret - the fact that he was the illegitimate son of a 'white trash' prostitute. Gambling away his career, Vann left the army that he loved and returned to Vietnam as a civilian in the pacification programme. He rose to become the first American civilian to wield a general's command in war. When he was killed in 1972, he was mourned at Arlington cemetery by leading political figures of the day. Sheehan recounts his astonishing story in this intimate and intense meditation on a conflict that scarred the conscience of a nation.

Voices from the Second Republic of South Vietnam (1967-1975) K. W. Taylor,2015-02-19 The Republic of (South) Vietnam is commonly viewed as a unified entity throughout the two decades (1955-75) during which the United States was its main ally. However, domestic politics during that time followed a dynamic trajectory from authoritarianism to chaos to a relatively stable experiment in parliamentary democracy. The stereotype of South Vietnam that appears in most writings, both academic and popular, focuses on the first two periods to portray a caricature of a corrupt, unstable dictatorship and ignores what was achieved during the last eight years. The essays in *Voices from the Second Republic of South Vietnam (1967-1975)* come from those who strove to build a constitutional structure of representative government during a war for survival with a totalitarian state. Those committed to realizing a noncommunist Vietnamese future placed their hopes in the Second Republic, fought for it, and worked for its success. This book is a step in making their stories known.

Fishers, Monks and Cadres Edyta Roszko, 2021-03-31 This remarkable and timely ethnography explores how fishing communities living on the fringe of the South China Sea in central Vietnam interact with state and religious authorities as well as their farmer neighbors—even while handling new geopolitical challenges. The focus is mainly on marginal people and their navigation between competing forces over the decades of massive change since their incorporation into the Socialist Republic of Vietnam in 1975. The sea, however, plays a major role in this study as does the location: a once-peripheral area now at the center of a global struggle for sovereignty, influence and control in the South China Sea. The coastal fishing communities at the heart of this study are peripheral not so much because of geographical remoteness as their presumed social “awkwardness”; they only partially fit into the social imaginary of Vietnam’s territory and nation. The state thus tries to incorporate them through various cultural agendas while religious reformers seek to purify their religious practices. Yet, recently, these communities have also come to be seen as guardians of an ancient fishing culture, important in Vietnam’s resistance to Chinese claims over the South China Sea. The fishers have responded to their situation with a blend of conformity, co-option and subtle indiscipline. A complex, triadic relationship is at play here. Within it are various shifting binaries—for example, secular/religious, fishers/farmers, local ritual/Buddhist doctrine, and so forth—and different protagonists (state officials, religious figures, fishermen and women) who construct, enact, and deconstruct these relations in shifting alliances and changing contexts. *Fishers, Monks and Cadres* is a significant new work. Its vivid portrait of local beliefs and practices makes a powerful argument for looking beyond monolithic religious traditions. Its triadic analysis and subtle use of binaries offer startlingly fresh ways to view Vietnamese society and local political power. The book demonstrates Vietnam is more than urban and agrarian society in the Red River Basin and Mekong Delta. Finally, the author builds on intensive, long-term research to portray a region at the forefront of geopolitical struggle, offering insights that will be fascinating and revealing to a much broader readership.

[The Danish Girl](#) David Ebershoff, 2015-05-28 Now a major motion picture starring Eddie Redmayne and Oscar-winning Alicia Vikander 'An enthralling read' THE TIMES 'Heartbreaking and unforgettable, it is a complete triumph' BOSTON GLOBE 'Beautifully written. It is absolutely engrossing' SUNDAY EXPRESS Loosely inspired by a true story, this tender portrait of marriage asks: What do you do when the person you love has to change? It starts with a question, a simple favour asked by a wife of her husband while both are painting in their studio, setting off a transformation neither can anticipate. Uniting fact and fiction into an original romantic vision, *The Danish Girl* eloquently portrays the unique intimacy that defines every marriage and the remarkable story of Lili Elbe, a pioneer in transgender history, and the woman torn between loyalty to her marriage and her own ambitions and desires. *The Danish Girl* is an evocative and deeply moving novel about one of the most passionate and unusual love stories of the 20th century.
