

Harold Bloom Sylvia Plath Blooms Modern Critical Views 2007 1

Rose Army

Sylvia Plath Harold Bloom, Sterling Professor of Humanities Harold Bloom, 2007 A collection of essays on poet Sylvia Plath's life and work.

Sylvia Plath Paul Mitchell, 2011-11-28 Sylvia Plath es una de las poetas más conocidas y controvertidas del siglo XX. Desde su muerte en 1963, el debate crítico sobre su obra ha sido animado y, en ocasiones, incluso hostil. Esta obra ilustra cómo leer a Plath desde una perspectiva alternativa, utilizando la teoría de Julia Kristeva sobre el lenguaje político, y que permite una apreciación de los poemas que va más allá de lo biográfico al hacer énfasis, en cambio, en los textos; de ese modo, se engrana con la primera persona como una herramienta heurística compleja e inestable. Al explorar los poemas en términos de su trascendencia en lugar de centrarse exclusivamente en su significado explora la manera en la que la obra de Plath produce una crisis de subjetividad oratoria y, a partir de ahí, emerge la naturaleza «revolucionaria» de la voz poética.

Coming of Age as a Poet Helen Vendler, 2003 With characteristic precision, authority, and grace, Vendler helps readers to appreciate the conception and practice of poetry as she explores four poets and their first perfect works. 4 halftones.

American Book Publishing Record, 1987

African-American Poets Harold Bloom, 2010 This volume examines contemporary African-American poets from the well-known writers of the late 20th century to the newly established and emerging voices of today.

Bloom's Major Poets Set, 40-Volumes Sterling Professor of the Humanities Harold Bloom, 2005-09 Each title, covering three to six poems, features: - A user's guide - An editor's note and introduction by Harold Bloom - A biography of the poet - Detailed thematic analysis of each poem covered - Extracts from major critical essays that discuss important aspects of each poem - A complete bibliography of the writer's poetic works - A list of critical works about the poet and his or her works - An index of themes and ideas in the author's work

Dramatists and Dramas Harold Bloom, 2009 Presents a compilation of Bloom's introductions to the Modern critical views and Modern critical interpretations series of books, focusing on drama and dramatists.

Sylvia Plath Linda Wagner-Martin, 2013-04-15 This set comprises 40 volumes covering 19th and 20th century European

and American authors. These volumes will be available as a complete set, mini boxed sets (by theme) or as individual volumes. This second set compliments the first 68 volume set of Critical Heritage published by Routledge in October 1995.

Three Women Sylvia Plath, 1974 A radio play in verse, comprised of three intertwining monologues by women in a maternity ward.

These Ghostly Archives Gail Crowther, Peter K. Steinberg, 2017-06-29 The authors discuss Sylvia Plath archival discoveries in unique ways, unearthing previously unknown materials and bringing new context to well-known works New essays on the sociological notion of 'haunting' in the archive Innovative approaches to distance/international collaboration in archival scholarship Introduces new ways of understanding Sylvia Plath Plath's *The Bell Jar* is to be released in 2018 as a major film starring Dakota Fanning and directed by Kirsten Dunst *These Ghostly Archives: The Unearthing of Sylvia Plath* offers a ground-breaking look at Plath studies. Focusing on previously unpublished material found in archives from around the world, *These Ghostly Archives* aims to reconstruct the ghostly figure of Plath within our culture via unseen letters, manuscripts, photographs, places and poems. This book approaches archival studies exploring both the practical and experiential work carried out in the archive, highlighting the 'detective'-type work that it involves and the traces left behind from history. However, for the first time, this work also combines the sociological notion of 'haunting' - that is, the archive as a location where researchers haunt the research subject and in turn are haunted by the traces left behind. Never is material culture more powerful than when associated with the dead; never is the archive ghostlier when haunted by the absent presence of Plath. This book showcases the necessity to leave no archival box or folder left unopened, and how the researcher and the archive can change even though its documents might stay the same. Illustrations: 32 colour photographs

Literary Criticism and Theory Pelagia Goulimari, 2014-09-15 This incredibly useful volume offers an introduction to the history of literary criticism and theory from ancient Greece to the present. Grounded in the close reading of landmark theoretical texts, while seeking to encourage the reader's critical response, Pelagia Goulimari examines: major thinkers and critics from Plato and Aristotle to Foucault, Derrida, Kristeva, Said and Butler; key concepts, themes and schools in the history of literary theory: mimesis, inspiration, reason and emotion, the self, the relation of literature to history, society, culture and ethics, feminism, poststructuralism, postcolonialism, queer theory; genres and movements in literary history: epic, tragedy, comedy, the novel; Romanticism, realism, modernism and postmodernism. Historical connections between theorists and theories are traced and the book is generously cross-referenced. With useful features such as key-point conclusions, further reading sections, descriptive text boxes, detailed headings, and with a comprehensive index, this book is the ideal introduction to anyone approaching literary theory for the first time or unfamiliar with the scope of its history.

Closing of the American Mind Allan Bloom, 2008-06-30 The brilliant, controversial, bestselling critique of American culture that "hits with the approximate force and effect of electroshock therapy" (The New York Times)—now featuring a new

afterword by Andrew Ferguson in a twenty-fifth anniversary edition. In 1987, eminent political philosopher Allan Bloom published *The Closing of the American Mind*, an appraisal of contemporary America that “hits with the approximate force and effect of electroshock therapy” (*The New York Times*) and has not only been vindicated, but has also become more urgent today. In clear, spirited prose, Bloom argues that the social and political crises of contemporary America are part of a larger intellectual crisis: the result of a dangerous narrowing of curiosity and exploration by the university elites. Now, in this twenty-fifth anniversary edition, acclaimed author and journalist Andrew Ferguson contributes a new essay that describes why Bloom’s argument caused such a furor at publication and why our culture so deeply resists its truths today.

Bloom's How to Write about Emily Dickinson Anna Priddy, 2007-10-01 Discusses different styles of criticism, critical reading techniques, and strategies for writing critical essays, using as examples sample essays written about plots, themes, characters, and styles found in twenty of Emily Dickinson's poems.

The Book of Ephraim James Merrill, 2018-04-03 For the first time in a stand-alone edition, the acclaimed poet's classic poem about his communication with Ephraim, a guiding spirit in the Other World, is here introduced and annotated by poet and Merrill scholar Stephen Yenser. *The Book of Ephraim*, which first appeared as the final poem in James Merrill's Pulitzer-winning volume *Divine Comedies* (1976), tells the story of how he and his partner David Jackson (JM and DJ as they came to be known) embarked on their experiments with the Ouija board and how they conversed after a fashion with great writers and thinkers of the past, especially in regard to the state of the increasingly imperiled planet Earth. One of the most ambitious long poems in English in the twentieth century, originally conceived as complete in itself, it was to become the first part of Merrill's epic *The Changing Light at Sandover* (1982), the multiple prize-winning volume still in print. Merrill's supreme tribute to the web of the world and the convergence of means and meanings everywhere within it is introduced and annotated by one of his literary executors, Stephen Yenser, in a volume that will gratify veteran readers and entice new ones.

A Song of Lilith Joy Kogawa, Lilian Broca, 2000 Joy Kogawa, internationally celebrated author of *Obasan* and *The Rain Ascends*, offers a feminist version of the biblical story of Lilith, the first Eve. Illustrated by Lilian Broca, *A Song of Lilith* combines poetry and artwork in a powerful ode to truth, transformation, and homecoming.

American Women Poets, 1650-1950 Harold Bloom, 2002 Attempts to look at the literary tradition of American women poets and their place in the history of modern literature.

Forthcoming Books Rose Arny, 1999-08

Alienation Harold Bloom, Blake Hobby, 2009 Provides an examination of the use of alienation in classic literary works.

A Book of Women Poets from Antiquity to Now Alik Barnstone, Willis Barnstone, 1992-04-28 A monument to the literary genius of women throughout the ages, *A Book of Women Poets from Antiquity to Now* is an invaluable collection. Here in one volume are the works of three hundred poets from six different continents and four millennia. This revised edition includes a

newly expanded section of American poets from the colonial era to the present. [A] splendid collection of verse by women (TIME) throughout the ages and around the world; now revised and expanded, with 38 American poets.

The Cambridge Introduction to Twentieth-Century American Poetry Christopher Beach, 2003-10-23 The Cambridge Introduction to Twentieth-Century American Poetry is designed to give readers a brief but thorough introduction to the various movements, schools, and groups of American poets in the twentieth century. It will help readers to understand and analyze modern and contemporary poems. The first part of the book deals with the transition from the nineteenth-century lyric to the modernist poem, focussing on the work of major modernists such as Robert Frost, T. S. Eliot, Ezra Pound, Wallace Stevens, Marianne Moore, and W. C. Williams. In the second half of the book, the focus is on groups such as the poets of the Harlem Renaissance, the New Critics, the Confessionals, and the Beats. In each chapter, discussions of the most important poems are placed in the larger context of literary, cultural, and social history.
