

Il Mio Primo Concerto Vinciguerra

Philip V. Bohlman

La cultura musicale degli italiani Andrea Estero, 2021-07-09 Una riflessione del tutto inedita sull'entità e la qualità della consapevolezza musicale degli italiani lungo tutto il Novecento, che va oltre le limitazioni di "genere" e abbraccia una definizione il più ampia possibile di "cultura": si prende in considerazione infatti non solo il "sapere" musicale strettamente inteso, dunque, ma - allargandosi su una declinazione di campo culturale più aggiornata dal punto di vista teorico e storiografico - ogni tipo di esperienza che può configurarsi come pratica culturale. Le grandi direttrici di ricerca individuate sono tre: 1) la formazione musicale all'interno dei percorsi educativi istituzionali e i percorsi formativi non istituzionali; 2) le pratiche musicali non professionali e partecipative (dilettantismo, associazionismo, usi sociali della musica); 3) la fruizione collettiva e individuale di musica, con particolare accento sul ruolo svolto dai mezzi di comunicazione di massa lungo il corso del Novecento. Dai Conservatori alle bande di paese ai cori amatoriali, dalla programmazione dei teatri e delle istituzioni musicali alle trasmissioni radiofoniche e televisive e all'editoria musicale, fino alla musica in rete, un itinerario completo e aggiornato nella vasta gamma di interessi e manifestazioni che percorrono il nostro Paese.

Il foresto Filippo Vinciguerra, 2016-06-20 Ciro vive sul lago di Como sin da bambino, da quando i suoi genitori si sono trasferiti dal sud Italia. Ed è lì che inizia il suo ciclo scolastico sino a quando non si iscrive in giurisprudenza all'università di Milano. Conduce una vita agiata e come figlio di medico gode di molti privilegi e conoscenze, che gli serviranno quando farà il giornalista sulle principali testate della provincia. Si scopre poeta e pubblica diversi libri. Per le sue origini meridionali viene considerato un 'foresto' dagli abitanti del paese ed è invidiato per i suoi rapporti amichevoli con le donne del luogo. Per il suo modo di camminare associato ad un presunto orientamento sessuale, le malelingue lo etichettano come gay. Nel corso di una serata danzante conosce Anna una ragazza di Monza con la quale ha diverse avventure. E' innamorato di Tiziana, che frequenta sin da quando era alle scuole medie e che entrambe le famiglie non nascondono un loro futuro insieme. Alla morte del padre è costretto a prendersi cura della madre e del fratello minore e tramite lo zio accetta un posto presso il tribunale

militare dell'Esercito Italiano. I rapporti con Tiziana non vanno bene, anche perchè lo tradisce e lui non la perdona. Un giorno, mentre si trovava a svolgere le sue funzioni di cancelliere, si sente solo e gli viene in mente la ragazza che aveva conosciuto sulle rive del lago e con la quale aveva passato delle piacevoli serate. Riesce a contattarla ma scopre che è sposata e ha un figlio. Fa di tutto per rialacciare quel vecchio rapporto e nel corso di una cena apprende che il matrimonio di Anna è in crisi. Sulla strada di quella riconciliazione incontra tanti ostacoli tra cui l'avversità della madre-padrone che gli proibisce quella relazione. Ma quando la mamma muore, a lui ne seguirà molte sorprese e conoscerà una nuova vita.

Musicians' Mobilities and Music Migrations in Early Modern Europe Gesa zur Nieden, Berthold Over, 2016-10-31 During the 17th and 18th century musicians' mobilities and migrations are essential for the European music history and the cultural exchange of music. Adopting viewpoints that reflect different methodological approaches and diversified research cultures, the book presents studies on central scopes, strategies and artistic outcomes of mobile and migratory musicians as well as on the transfer of music. By looking at elite and non-elite musicians and their everyday mobilities to major and minor centers of music production and practice, new biographical patterns and new stylistic paradigms in the European East, West and South emerge.

Battiato. La stagione dell'amore Enrico Impalà, 2022-04-20T00:00:00+02:00 Viaggio nell'opera di un indimenticato cantautore, musicista e mistico contemporaneo, capace di trasformare ogni aspetto della realtà in poesia. Tutta l'opera di Franco Battiato racconta uno straordinario percorso umano e spirituale. Un itinerario lungo, intriso di bellezza e trascendenza, di dubbio e curiosità, di spasmodica ricerca e di fiducioso abbandono. «Nessuna religione mi identifica», amava ripetere Battiato parlando della sua parabola mistica. Inutile, quindi, provare a etichettarlo. Era semplicemente se stesso: puro, infantile, libero... come le pennellate dei suoi quadri. Una persona che cercava un centro e credeva nella realtà di una Presenza invisibile. Il musicologo e giornalista Enrico Impalà, suo profondo conoscitore, ripercorre i grandi temi del cantautore siciliano entrando, in punta di piedi, nelle sue canzoni. Brevi capitoli, introdotti dai suoi versi più famosi, aiutano ad avvicinarsi all'uomo e all'artista. Un'avventura attraverso oltre trenta brani del maestro, guidati - come lo era lui - dalla domanda: "Chi sono io?", così inscindibile dall'altro grande interrogativo: "Chi è l'Altro?". Sui sentieri dell'anima di un autentico ricercatore della verità, ma anche di un italiano vero, che amò profondamente il nostro Paese, il lettore scoprirà che è sempre possibile ritrovare la «stagione dell'amore» perché «i desideri non invecchiano, quasi mai, con l'età».

Piano Notes Charles Rosen, 2002-10-29 Charles Rosen is one of the world's most talented pianists -- and one of music's most astute commentators. Known as a performer of Bach, Beethoven, Stravinsky, and Elliott Carter, he has also written

highly acclaimed criticism for sophisticated students and professionals. In *Piano Notes*, he writes for a broader audience about an old friend -- the piano itself. Drawing upon a lifetime of wisdom and the accumulated lore of many great performers of the past, Rosen shows why the instrument demands such a stark combination of mental and physical prowess. Readers will gather many little-known insights -- from how pianists vary their posture, to how splicings and microphone placements can ruin recordings, to how the history of composition was dominated by the piano for two centuries. Stories of many great musicians abound. Rosen reveals Nadia Boulanger's favorite way to avoid commenting on the performances of her friends (You know what I think, spoken with utmost earnestness), why Glenn Gould's recordings suffer from double-strike touches, and how even Vladimir Horowitz became enamored of splicing multiple performances into a single recording. Rosen's explanation of the piano's physical pleasures, demands, and discontents will delight and instruct anyone who has ever sat at a keyboard, as well as everyone who loves to listen to the instrument. In the end, he strikes a contemplative note. Western music was built around the piano from the classical era until recently, and for a good part of that time the instrument was an essential acquisition for every middle-class household. Music making was part of the fabric of social life. Yet those days have ended. Fewer people learn the instrument today. The rise of recorded music has homogenized performance styles and greatly reduced the frequency of public concerts. Music will undoubtedly survive, but will the supremely physical experience of playing the piano ever be the same?

Observations on the Florid Song (1723) Pier Francesco Tosi,2009-09-29 *Opinioni de' cantori antichi, e moderni o sieno osservazioni sopra il canto figurato (1723)* -- Extended Edition. As the first full-length treatise ever to be published on singing, Tosi revealed to the world the secret method that accounted for the unworldly vocal abilities of the famous castrati. Living in a Europe alight with the virtuosic Baroque operas of Handel, Scarlatti and Porpora, Tosi revealed that it was extensive training in the old Italian school of singing that cultivated the beautiful tone and expression of their voices, as well as the infamous *mezza di voce*, trills and runs. What's more, Tosi revealed that the method worked equally well for any voice type, male or female, provided that its principles and techniques were adhered to with exactness and consistency. Written by one of the most famous singers and voice teachers of the early 18th century, Tosi's *Opinioni* has remained an indispensable text on the *bel canto* singing method, as well as Baroque stylistic techniques.

Le Assemblée del risorgimenti ,1911

World Music: A Very Short Introduction Philip V. Bohlman,2002-05-30 'World music' emerged as an invention of the West from encounters with other cultures. This book draws readers into a remarkable range of these historical encounters, in which music had the power to evoke the exotic and to give voice to the voiceless. In the course of the volume's eight chapters the reader witnesses music's involvement in the modern world, but also the individual moments and particular histories that

are crucial to an understanding of music's diversity. World Music is wide-ranging in its geographical scope, yet individual chapters provide in-depth treatments of selected music cultures and regional music histories. The book frequently zooms in on repertoires and musicians - such as Bob Marley, Bartok, and Nusrat Fateh Ali Khan - and attempts to account for world music's growing presence and popularity at the beginning of the twenty-first century. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

Le Assemblée del risorgimento: Roma 1848-49, 1861. 1870 ,1911

Little Santa Jon Agee,2013-10-17 Ever wonder what Santa was like as a child? Award-winning author/illustrator Jon Agee brings us the funny, playful answer in this Christmas picture book destined to become a classic. Little Santa loves the North Pole. The rest of his family? Not so much. So, when they decide to move to Florida, Santa is miserable. Lucky for him, a blizzard foils their plans. The only way out of the house is up the chimney. Up goes Santa, to look for help, and along the way, he meets a reindeer and a large group of elves, who are more than eager to join in the rescue! With the sly humor of Jon Klassen and the read-aloud pleasure of *How the Grinch Stole Christmas*, this tale of Santa's beginnings is perfect for every kid's holiday library.

Carlo Scarpa Francesco Dal Co, Giuseppe Mazzariol,1985 Briefly traces the life and career of the Italian architect, gathers his drawings and shares his lectures and opinions on architecture.

The Impresario from Smyrna Carlo Goldoni,B. K. De Fabris,2014-10-25 First produced in Venice in 1761, *The Impresario From Smyrna* is a comedy depicting the vanities of eighteenth century Italian opera singers. Ali, a wealthy merchant from Smyrna, is planning to introduce Italian opera into Turkey and has enlisted the aid of two agents, Count Lasca and Nibio. Ali is attracted to three pretty sopranos, Lucrezia, Tognina and Annina, but their constant bickering over who is to be considered the prima donna and the exorbitant demands of all concerned make him reconsider his plans. He returns to the relative peace of his Smyrna harem, leaving the company a small sum of money, which they decide to spend on launching a theatre. From the performers to the impresario, the play is a funny look at behind-the-scene rivalries, diva fits, casting couches and audition gossip but it is also about the beautiful vulnerability of the romanticized artistic personae and the mythologies that surround stage life.
