Look On the Bright Side Kristan Higgins,2024-05-30 From the author of TikTok sensation PACK UP THE MOON comes a funny, romantic and deeply moving novel about the unexpected rewards that come from life's swerves. Lark Smith is planning a fairytale wedding to her high school sweetheart when in the blink of an eye, everything she's dreamed of is suddenly gone. That day, Lark decided the best way to deal with loss was to prevent others from ever having to. Five years later that goal of becoming a doctor - the best doctor - is just within reach when, without warning, she's fired. Now, getting back on track means making a deal with the devil. Well, not exactly, even if they do call renowned surgeon Lorenzo Santini Dr Satan behind his back. He'll use his influence to get her back in the program. But first, Lark has to pose as his significant other all summer...his sister is getting married, and he doesn't want his 99-year-old grandmother spending her precious time worrying over his single state. What Lark doesn't realize is she's already met Lorenzo's brother Dante, the firefighter who

was there on Lark's worst day. The brothers couldn't be more different...which is becoming a problem, because the last thing Lark wants is to fall in love again. While spinning white lies during one unforgettable Cape Cod summer, Lark is exposed to the truth: when life throws you in the dark, love, friends and family are there to help you look on the bright side. The Road to Mars Eric Idle,2014-07-31 Carlton is an android working for Alex and Lewis, two comedians from the twenty-second century who travel the outer vaudeville circuit of the solar system known ironically as the Road to Mars. Being a computer he can't understand irony, but is nevertheless attempting to write a thesis about comedy, its place in evolution, and whether it can ever be cured. He is studying the comedians of the late twentieth century (including obscure and esoteric comedy acts such as Monty Python's Flying Circus) in his search for the comedy gene. Meanwhile, during an audition for a gig on the Princess Di (a solar cruise ship), his two employers inadvertently become involved in a terrorist plot against Mars, the planet of showbiz. Can Carlton prevent Alex and Lewis from losing their gigs, overcome the love thing and finally understand the meaning of comedy in the universe? From one of the original members of Monty Python's Flying Circus.

Always Look on the Bright Side of Life Eric Idle,2018-10-02 NEW YORK TIMES BESTSELLER • From the ingenious comic performer, founding member of Monty Python, and creator of Spamalot comes an absurdly funny memoir of unparalleled wit and heartfelt candor—now featuring a new afterword. “A hilarious, charming book by this incredible, ~~insufferable~~ interesting genius.”—Steve Martin We know him best for his unforgettable roles on Monty Python—from the Flying Circus to *The Meaning of Life*. Now, Eric Idle reflects on the meaning of his own life in this entertaining memoir that takes us on a remarkable journey from his childhood in an austere boarding school through his successful career in comedy, television, theater, and film. Coming of age as a writer and comedian during the Sixties and Seventies, Eric stumbled into the crossroads of the cultural revolution and found himself rubbing shoulders with the likes of George Harrison, David Bowie, and Robin Williams, all of whom became dear lifelong friends. With anecdotes sprinkled throughout involving other close friends and luminaries such as Mike Nichols, Mick Jagger, Steve Martin, Paul Simon, Lorne Michaels, and many more, as well as John Cleese and the Pythons themselves, Eric captures a time of tremendous creative output with equal parts hilarity

and heart. In *Always Look on the Bright Side of Life*, named for the song he wrote for *Life of Brian* and which has since become the number one song played at funerals in the UK, he shares the highlights of his life and career with the kind of offbeat humor that has delighted audiences for five decades. 2019 marked the fiftieth anniversary of *The Pythons*, and Eric commemorated the occasion with this hilarious memoir chock full of behind-the-scenes stories from a high-flying life featuring everyone from Princess Leia to Queen Elizabeth.

The Magnolia That Bloomed Unseen Ray Smith, 2020-01-10 You've seen the woman in the photo. The woman screaming . . . So begins the story of Molly Valle, who at forty-eight thinks she knows all that life has to offer a single, middle-aged woman--namely, men's dismissal and disrespect. But when handsome activist John Pressman arrives in her Mississippi hometown, he challenges her self-doubt along with nearly everything else in her world. Soon, Molly discovers a strength and beauty she never knew she had--and a love so powerful, it can overcome the most tragic of consequences. *The Magnolia That Bloomed Unseen* is a love story, an adventure novel, and a self-realization journey. It reignites the truth that many women--and men--have unconsciously extinguished: you are special and worthy of love, and it's never too late to make your dreams come true.

Slaying Dragons Richelle E. Goodrich, 2017-04-15 *Slaying Dragons: Quotes, Poetry, & a few Short Stories for Every Day of the Year* is the next in a collection of inspirational books by American author and novelist, Richelle E. Goodrich. In the same style as *Smile Anyway* and *Making Wishes*, *Slaying Dragons* offers readers original daily quotes, poems, and an occasional story. Ponder meaningful quotes like the popular following: There are tomorrows on their way worth the struggles of today. Never give up. When it comes to fighting for your dreams, be a dragon. Breathe fire. I can overlook the lie; what's harder to ignore is the grotesque way it has marred your character. Too often we let others stamp a price tag on us and we accept their appraisal of our worth, forgetting we are in fact priceless. When you love someone, you don't care that she ate your sandwich. You only hope she found it delicious. Habits grow like dragons if you feed them. This book was written to entertain, inspire, and motivate individuals on a daily basis.

Lawn Boy Jonathan Evison, 2018-04-03 One of the American Library Association's Top 10 Most Banned Books for the past two years, this award-winning coming-of-age novel takes readers into the heart and humor of a young man determined to achieve the ever-changing American dream. He just happens to find himself along the way. "Mike Muñoz Is a Holden Caulfield for a New Millennium." --The New York Times Book Review For Mike Muñoz, life has been a whole lot of waiting for something to happen. Not too many years out of high school and still doing menial work--and just fired from his latest gig as a lawn boy on a landscaping crew--he's smart enough to know that he's got to be the one to shake things up if he's ever going to change his life. But how? He's not qualified for much of anything. He has no particular talents, although he is stellar at handling a lawn mower and wielding clipping shears. But now that career seems to be behind him. So what's next for Mike

Muñoz? Funny, biting, sweet, and ultimately inspiring novel, bestselling author Jonathan Evison's coming-of-age novel evokes the lives of working class people with compassion and honesty.

Gus Kim Holden, 2015-05-20 Gus. Losing himself. Finding himself. But he doesn't even know how to function anymore. Bright Side wasn't only his best friend; she was like his other half ... How do you go back to doing what you did before, when half of you is gone forever?

Looking Forward to the Bright Side Laila Faridoon, 2018-04-15 We grow up in this life and live according to the rules of others around us. Most of us leave it to those others to determine how we live, while a lucky few recognize the need for the inner self to be in control, rather than the outside world. We have seen and heard about many legends who went against the norm to prove themselves in this way. Fortunately, this is a path that we can all take to create the life we want! Each of us writes her/his own script for life without much awareness of who is truly in control - the mind or the person! From my own journey to know myself, I will share a roadmap that can help you know yourself on a much deeper basis. Looking Forward to the Bright Side has been written as a practical guide to look for the bright side in your life and learn how to master it, allowing you to create your own reality, manage it, and eventually reach your divine self...

Born a Crime Trevor Noah, 2016-11-15 #1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A “brilliant” (Lupita Nyong’o, Time), “poignant” (Entertainment Weekly), “soul-nourishing” (USA Today) memoir about coming of age during the twilight of apartheid “Noah’s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa’s history that must never be forgotten.”—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Time, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah’s unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents’ indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa’s tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man’s relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-

death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.
