**Democratic Policing in a Changing World** Peter K. Manning, 2015-11-17 Democratic policing today is a widely used approach to policing not only in Western societies but increasingly around the world. Yet it is rarely defined and it is little understood by the public and even by many of its practitioners. Peter K. Manning draws on political philosophy, sociology and criminal justice to develop a widely applicable fundamental conception of democratic policing. In the process he delineates today's relationship between democracy and policing. *Democratic Policing in a Changing World* documents the failure of police reform, showing that each new approach - such as crime mapping and 'hot spots' policing - fails to alter any fundamental practice and has in fact increased social inequalities. He offers a new and better approach for scholars, policy makers, police, governments and societies.

*Oriental Essays* A.J. Arberry, 2013-10-11 In this book Professor Arberry describes the lives and labours of six great scholars - Simon Ockley, Sir William Jones, E. W. Lane, E. H. Palmer, E.G. Browne and R. A. Nicholson - men who were devoted to building a bridge between the peoples of Europe and Asia. To these biographical essays, Arberry has appended a fragment of candid autobiography and an eloquent plea for the further encouragement of Oriental studies.

Frederick Douglass Jr. Joseph L. Douglas,2012-01 From a contemporary perspective, Frederick Douglass was the Martin Luther King, Jr. of the nineteenth century. This volume relates the development of the Douglass Family in bondage and in freedom. In many areas, new evidence is unearthed. Some prior findings, traditions, presumptions, and myths are examined and challenged. The net result is a family biography which constitutes an invaluable addition to prior studies relating to a true giant of American history. The author's interest in the family of Douglass was triggered decades ago when he learned about a slave ancestral connection to Frederick Douglass. The saga of his grandfather's family was narrated in an award-winning family history published privately. During the period of his extensive research, he has published several papers regarding the Frederick Douglass Family in bondage. Joseph L. Douglas Jr. earned a BA in history from American University and his professional degree (MPA) at Harvard University.
