Jessica Abel

The Quote Verifier Ralph Keyes, 2007-04-01 Our language is full of hundreds of quotations that are often cited but seldom confirmed. Ralph Keyes's *The Quote Verifier* considers not only classic misquotes such as Nice guys finish last, and Play it again, Sam, but more surprising ones such as Ain't I a woman? and Golf is a good walk spoiled, as well as the origins of popular sayings such as The opera ain't over till the fat lady sings, No one washes a rented car, and Make my day. Keyes's in-depth research routinely confounds widespread assumptions about who said what, where, and when. Organized in easy-to-access dictionary form, *The Quote Verifier* also contains special sections highlighting commonly misquoted people and genres, such as Yogi Berra and Oscar Wilde, famous last words, and misremembered movie lines. An invaluable resource for not just those with a professional need to quote accurately, but anyone at all who is interested in the roots of words and phrases, *The Quote Verifier* is not only a fascinating piece of literary sleuthing, but also a great read.

No Good Deed Goes Unpunished Eli Maxwell, 2022-11-03 This journal is a few hundred pages of unpopular opinion, I wrote this ball of rage between 2014-2016 and I planned to give to my gender studies professor after I took her class. When I left her class I noticed that there's a lot of misleading information about people that disagree with feminists and feminism, and this book will help demystify some of those notions. I may have written this book for her but I believe it can help others as well. The 1st group of people that this book will help are people that don't like feminists and feminism you'll agree with almost everything I have to say, trust me you're not alone. This book is full of red pills you're going to love it. The 2nd group of people are people that are on the fence about feminists. Yeah, feminists may have told you the dictionary definition of feminism, and you might have heard some things about the feminist movement but you're still not quite sure what to make of them. I think you will gain the most from what I went through. I will show you the tactics some feminists use to get what they want. These are all things you should know before you engage with any feminist. The 3rd group of people are the people that don't understand why so many people have such hard opinions on feminism and feminists. Hopefully this book will help you understand where the first group of people are coming from. I use jokes, satire and personal experiences to bring levity to this hot topic issue. I don't want to tell you what to think. I want to show you what I went through so you can make up your own mind, and even if you disagree with me I hope you enjoy the ride. Now onto the 4th group, these are the feminists that are vexed and can't figure out why so many people dislike feminism and why feminists can't crack 18 percent of the population. I

think you will benefit the most from what I have to say. I'm not going to berate you or attack you I'm just going to make my claims on why I disagree with your dogmatic ideology and hopefully you can respect that. I really want you to understand where I'm coming from and maybe we can build a bridge from there. Now on to the big mama of them all the 5th group, if you are the type of feminist that believes everything is sexist and everything is racist and every man is a misogynist. Put this book down, you are going to have a bad time. I deconstruct almost everything you believe in with ruthless and logical precision and I know for a fact that this book is going to trigger you into oblivion. Hell, you might even do something crazy, like set this book on fire and I don't want to see my book set a blaze. So save your money save your time and continue to smash the patriarchy. But to the other 4 out of 5 of you crack open a beer or pour a glass of wine and enjoy my descent into madness.

No Good Deed Goes Unpunished Patrick Beason,2024-06-04 First and maybe last, this book wouldn't have been possible if it was not for the theft of all those whom I had so richly rewarded with hundreds of thousands of dollars in income and several million dollars to the contract vendor. Writing this helps with a little release of pent-up anger but, at the same time, reminds me of all the treacherous and deceptive behaviors of my previous staff, as well as the associates and contract vendors. In this book, I have discussed how these people took advantage of my generosity and made me lose several million dollars in future income. I will no doubt change my practices on hiring individuals and use data available on the web to ensure I don't end up with drug-addled people with criminal backgrounds anymore.

Shrapnel of the Soul and Redemption Pepper Martin, Penny Lane,2016-03-31 This story is a personal reflection on the life of Pepper Martin, professional wrestler, football player, actor, producer, writer, husband, father, and grandfather and the guy next door. Pepper is a self-made man with little formal education whose life was marked by violence, controversy, physical pain, and emotional suffering. The shrapnel of his soul began for him at age seven and a half and his journey through redemption to the Lord will resonate with most anyone who recognizes the similarities in their own lives. The story of his childhood as the son of a Canadian bootlegger, life on the road as a professional athlete, the many women who crossed his path, the stars he befriended as an actor, his ties to organized crime both in the United States and Asia, the love of his family, and his eventful relationship with the Lord in his attempt to remove the shrapnel from his soul will astound the reader.

Out on the Wire Jessica Abel, 2015-08-25 A Library Journal Best Book of 2015 Go behind the scenes of seven of today's most popular narrative radio shows and podcasts, including This American Life and RadioLab, in graphic narrative. Every week, millions of devoted fans tune in to or download This American Life, The Moth, Radiolab, Planet Money, Snap Judgment, Serial, Invisibilia and other narrative radio shows. Using personal stories to breathe life into complex ideas and issues, these beloved programs help us to understand ourselves and our world a little bit better. Each has a distinct style, but every one delivers stories that are brilliantly told and produced. Out on the Wire offers an unexpected window into this new kind of storytelling—one that literally illustrates the making of a purely auditory medium. With the help of This American Life's Ira Glass, Jessica Abel, a cartoonist and devotee of narrative radio, uncovers just how radio producers construct narrative, spilling some juicy insider details. Jad Abumrad of RadioLab talks about chasing moments of awe with scientists, while Planet Money's Robert Smith lets us in on his slightly goofy strategy for putting interviewees at ease. And Abel reveals how mad—really mad—Ira Glass becomes when he receives edits from his colleagues. Informative and engaging, Out on the Wire demonstrates that narrative radio and podcasts are creating some of the most exciting and innovative storytelling available today.

Pathological Altruism Barbara Oakley, 2012-01-05 Pathological Altruism is a groundbreaking new book - the first to explore the negative aspects of altruism and empathy, seemingly uniformly positive traits. In fact, pathological altruism, in the form of an unhealthy focus on others to the detriment of one's own needs, may underpin some personality disorders. Hyperempathy - an excess of concern for what others think and how they feel - helps explain popular but poorly defined concepts such as codependency. The contributing authors of this book provide a scientific, social, and cultural foundation for the subject of pathological altruism, creating a new field of inquiry. Each author's approach points to one disturbing truth: what we value so much, the altruistic good side of human nature, can also have a dark side that we ignore at our peril.

The Sparrow's Spirit (PB) Bill Welker,2016-04-19 The Sparrow's Spirit (PB) By: Bill Welker The Sparrow's Spirit is an inspirational tale of triumph over self-destruction and adversity. Bill Welker vividly describes his lifelong battle to conquer the ultimate opponent - himself. -Rob Koll, NCAA National Champion, Head Wrestling Coach at Cornell University Dr. Bill Welker's road to adulthood was filled with many trial-and-error experiences in which he usually took the wrong path. He grew up under the dominion of a loving mother and an austere father. As an adolescent, Welker's life revolved around the sport of wrestling - and nothing else. Studying in high school was an unwanted necessity to stay eligible. But the desire to continue on the mats in college decreased until the fire to compete burned out. Welker began to make very poor choices which resulted in his removal from the wrestling team and almost led to his expulsion from school. Welker felt totally alone as his life began to collapse around him. There was nowhere to turn; he couldn't go home a failure. He was absorbed by self-doubt, uselessness, and fell into a deep depression. Welker had lost all hope until he began to change priorities and found someone who believed in him. Still, the struggle wasn't over, but the struggle is the glory.

Futile Motility Andrej Motyl,2020-09-30 Aluk is a young Kurdish woman who gets adopted by a childless European

academic couple, after a common climb to the summit of the biblical mountain Ararat. She follows her new parents to Crecheville, where she starts Law studies. She is intrigued by the idea that humans' destiny is to permanently desire more: that is a blessing and curse at the same time. She starts her career joining the ICRC (Inter. Committee of the Red Cross), serving in Iraq, Eastern Sudan, and Jerusalem. Three years later Aluk metamorphoses into a Diplomat for her adoptive country working in Israel, Morocco, Nigeria, Russia, Caucasus, Iran, Uzbekistan/Tajikistan, a peace mission to Afghanistan introduces her to a cosmos following its own rules. Negotiating with the Taliban and their nemesis, Ahmad Shah Massoud, gives her a lasting lesson: "if you can, trust in God, if not, trust nobody." Her defence ministry calls her to help out in coordinating its intelligence services, but soon her ministry needs Aluk in Kenya, where she discovers a powerful motivator "greed without borders". Aluk continues her career in Israel again and then as Ambassador to Sudan/Eritrea, Vietnam and Poland. Once in retirement Aluk tries to give something back to her Kurdish roots. She happens to know a key aid to Boris Johnson, Ambassador Tim Barrow, so she gets an appointment with the PM. She is not trying to get another (this time Kurd oriented) "Balfour declaration" from London: hence she is not aiming at a Kurdish State but more realistically for promising cooperation domains within a Union of Levante. This Union could first, like it happened not so long ago in Europe, start with creating conditions, for the regional countries to cooperate with each other. Exploring political and cultural diversities in many of the worlds most challenged nations, she delivers services with respect and empathy for all humans and other beings giving us on her way a glance into chronic problems of most societies. Andrej Motyl, born 1956 in Western Carpathian Mountains in former Czechoslovakia. Due to the suppression of the Prague Spring August 1968 his family emigrates to Switzerland. After Law Studies in Zürich and language courses in Paris, he joins the International Committee of the Red Cross as a Delegate. 1989 he passes the Exams into the Swiss Diplomatic Service, in which he serves until 2018.
