Native Harvests E. Barrie Kavasch, 2013-05-27 From clambakes to wild strawberry bread, this practical primer on natural foods not only provides recipes for varied Native American dishes but also describes uses of ceremonial, medicinal, and sacred plants. 147 illustrations.

Language and Social Context Pier Paolo Giglioli, 1990 Even the simplest of spoken statements may provide far more information about the speaker - his social standing, his immediate situation, his relationship with his audience - than he might ever suspect. sociolinguistics focuses on all the varied aspects of the social organization of speech. We share a linguistic repertoire with members of our social networks (and failure to fit in linguistically may have far-reaching consequences); we also alter our speech patterns according to the specific social situation.

Modern Native Feasts Andrew George, 2013-10-14 Native American cuisine comes of age in this elegant, contemporary collection that reinterprets and updates traditional Native recipes with modern, healthy twists. Andrew George Jr. was head chef for aboriginal foods at the 2010 Winter Olympics in Vancouver; his imaginative menus reflect the diverse new culinary landscape while being mindful of an ages-old reverence for the land and sea, reflecting the growing interest in a niche cuisine that is rapidly moving into the mainstream to become the next big thing among food trends. Andrew also works actively at making Native foods healthier and more nutritious, given that Native peoples suffer from diabetes at twice the rates of non-Natives; his recipes are lighter, less caloric, and include Asian touches, such as bison ribs with Thai spices, and a sushi roll with various cooked fish wrapped in nori. Other dishes include venison barley soup, wild berry crumble, seas asparagus salad, and buffalo tourtière. Full of healthy, delicious, and thoroughly North American fare, *Modern Native Feasts* is the first Native American foods cookbook to go beyond the traditional and take a step into the twenty-first century. Andrew George Jr. is a member of the Wet'suwet'en Nation in British Columbia. He participated on the first all-Native team at the Culinary Olympics in Frankfurt, Germany, and in 2012 was part of a group of chefs from twenty-five countries on a US State Department initiative called Culinary Diplomacy: Promoting Cultural Understanding Through Food. His first book, *A Feast for All Seasons*, was published in 2010. This publication meets the EPUB Accessibility requirements and it also meets the Web Content Accessibility Guidelines (WCAG-AA). It is screen-reader friendly and is accessible to persons with disabilities. A

book with many images, which is defined with accessible structural markup. This book contains various accessibility features such as alternative text for images, table of contents, page-list, landmark, reading order and semantic structure.

Woodstock Mike Evans, Paul Kingsbury, Museum at Bethel Woods, 2009 It defined a generation, exemplified an era: Woodstock was unlike anything that has ever happened before or since--and August 2009 marks the 40th anniversary of this seminal event. Relive the moment and get back to the garden" with this day-by-day, act-by-act account of everything that went down on Yasgur's Farm. With interviews and quotes from those who were there--the musicians, the fans, the organizers--and a wealth of photographs and graphic memorabilia, Woodstock is the ultimate celebration of a landmark in modern cultural history. Woodstock is organized in three parts: - Origins sets the stage by describing the counterculture of the time, along with the festival's organization, fundraising, buzz-building tactics, ticket selling and publicity, and site building. - The Event--the heart of the project--includes a log with a run-down of each of the 32 acts, in the order they appeared, one spread to each name. Fans and politics are also featured prominently here. - The Aftermath focuses on media coverage, follow-up festivals, Michael Wadleigh and Thelma Schoonmaker's documentary, and Woodstock's enduring legacy.

First Nations Recipes Gregory Lepine, 2014-11 Canada's First Nations peoples based their cuisine on the rich, regionally diverse bounty of the land, sea, lakes and rivers. The recipes in this book feature ingredients at the foundation of Aboriginal culture, such as salmon, venison, bison, fiddleheads, wild rice and berries, and include brief descriptions of their historic relationship with that food. First Nations cuisine draws on millennia of evolution and deserves a lifetime of study. The recipes here represent a selection of favourites from various cultures across the country. They are inspired by traditional Native cooking, but combine historic and currently available ingredients to reflect a contemporary, modern taste.

and re-imagining the enchanting world of ancient India. Beginning with the Rig-Veda, Ka weaves together myths from the Upanishad, the Mahabharata and the stories of the Buddha, all of which pose questions that have haunted us for millennia.

We Want Everything Nanni Balestrini, 2022-04-12 The explosive novel of Italy's revolutionary 1969 It was 1969, and temperatures were rising across the factories of the north as workers demanded better pay and conditions. Soon, discontent would erupt in what became known as Italy's Hot Autumn. A young worker from the impoverished south arrives at Fiat's Mirafiori factory in Turin, where his darker complexion begins to fade from the fourteen-hour workdays in sweltering industrial heat. His bosses try to withhold his wages. Our cynical, dry-witted narrator will not bend to their will. "I want everything, everything that's owed to me," he tells them. "Nothing more and nothing less, because you don't mess with me." Around him, students are holding secret meetings and union workers begin halting work on the assembly lines, crippling the Mirafiori factory with months of continuous strikes. Before long, barricades line the roads, tear gas wafts into private homes, and the slogan "We Want Everything" is ringing through the streets. Wrought in spare and measured prose, Balestrini's novel depicts an explosive uprising. Introduced by Rachel Kushner, the author of the best-selling *The Flamethrowers*, *We Want Everything* is the incendiary fictional account of events that led to a decade of revolt.

The Black Camel Earl Derr Biggers, 2015-07-03 This early work by Earl Derr Biggers was originally published in 1929 and we are now republishing it with a brand new introductory biography. *The Black Camel* tells the story of a Hollywood star (Shelah Fane), who is stopping in Hawaii after she finished shooting a film on location in Tahiti. She is murdered in the pavilion of her renter house in Waikiki during her stay. Chan, in his position as a detective with the Honolulu Police Department, investigates amid public clamor demanding that the murderer be found and punished immediately. Death is a black camel that kneels unbidden at every gate. Tonight black camel has knelt here, Chan tells the suspects. Earl Derr Biggers was born on 26th August 1884 in Warren, Ohio, USA. Biggers received his further education at Harvard University, where he developed a reputation as a literary rebel, preferring the popular modern authors, such as Rudyard Kipling and Richard Harding Davis to the established figures of classical literature. Following in their footsteps upon graduating, he himself began a career as a popular writer, penning humorous articles and reviews for the *Boston Traveler*. While on holiday in Hawaii, Biggers heard tales of a real-life Chinese detective operating in Honolulu, named Chang Apana. This inspired him to create his most enduring legacy in the character of super-sleuth Charlie Chan. The first Chan story *The House Without a Key* (1925) was published as a serialised story in the *Saturday Evening Post* and then released as a novel in the same year. Biggers went on to write five more Chan novels and all were licensed for movie adaptations by Fox Films. These films were hugely popular with several different actors taking the lead role of Chan. Eventually; over 40 films were produced featuring the character. Biggers only saw the early on-screen successes of Charlie Chan due to his death at the age of only 48 from a heart attack in April 1933.
