On the Famous Feud Casian Anton,2023-07-16 In this report I investigated the Famous feud between Kim Kardashian, Kanye West and Taylor Swift from 10 points of research. This report was born out of the urgent need to provide clearer, more transparent information and better-founded examples to explain the Famous feud in a different way than what Kim Kardashian, Kanye West and Taylor Swift offered through music, interviews and other media content. This report explored the background strategies of Kanye West, Kim Kardashian and Taylor Swift to maintain popularity and fame in an ever-changing world: sacrifices, intelligence, methods of communications, side effects and a minimal view of the efficiency of their strategies in the long term. I'm gonna let you finish reading it, but 'On the Famous Feud' it is a unique and original investigation, there is no other research which explores this feud on various levels; at the time of publishing, this report is the most advanced analysis of the Famous feud. Second Edition July 2023

The Famous Feud Project Casian Anton,2024-01-12 In the history of human nature there are conflicts with a happy ending, or with a tragic ending. The Famous Feud, in general, seems to have a happy ending with one winner: Taylor Swift. From my point of view, the Famous Feud ended in July 2016. In June 2017 I was convinced that Taylor Swift was the victim (for the second time) of Kanye West. In October 2023, after I have updated the entire research on the Famous Feud, the original conclusion did not change. I created this edition to include everything I wrote about the Famous Feud. It is an edition for people interested in reading the entire Famous Feud story from A to Z. The Famous Feud Project report has two parts: Part 1. Music in Black and White: A Journey Behind the Musical Notes; Part 2. On the Famous Feud. Enjoy your reading!

This Is Why We Can't Have Nice Things Whitney Phillips,2015-02-27 Internet trolls live to upset as many people as possible, using all the technical and psychological tools at their disposal. They gleefully whip the media into a frenzy over a fake teen drug crisis; they post offensive messages on Facebook memorial pages, traumatizing grief-stricken friends and family; they use unabashedly racist language and images. They take pleasure in ruining a complete stranger's day and find amusement in their victim's anguish. In short, trolling is the obstacle to a kinder, gentler Internet. To quote a famous Internet meme, trolling is why we can't have nice things online. Or at least that's what we have been led to believe. In this provocative book, Whitney Phillips argues that trolling, widely condemned as obscene and deviant, actually fits comfortably

within the contemporary media landscape. Trolling may be obscene, but, Phillips argues, it isn't all that deviant. Trolls' actions are born of and fueled by culturally sanctioned impulses -- which are just as damaging as the trolls' most disruptive behaviors. Phillips describes, for example, the relationship between trolling and sensationalist corporate media -- pointing out that for trolls, exploitation is a leisure activity; for media, it's a business strategy. She shows how trolls, the grimacing poster children for a socially networked world, align with social media. And she documents how trolls, in addition to parroting media tropes, also offer a grotesque pantomime of dominant cultural tropes, including gendered notions of dominance and success and an ideology of entitlement. We don't just have a trolling problem, Phillips argues; we have a culture problem. *This Is Why We Can't Have Nice Things* isn't only about trolls; it's about a culture in which trolls thrive.

Taylor Swift and Philosophy Catherine M. Robb, Georgie Mills, 2024-08-28 Is Taylor Swift a philosopher? What can her songs tell us about ethics and society? What is the nature of friendship? Should you forgive someone for breaking your heart? Taylor Swift is a “Mastermind” when it comes to relationships, songwriting, and performing sold-out stadium tours. But did you know that Taylor is also a philosophical mastermind? *Taylor Swift and Philosophy* is the first book to explore the philosophical topics that arise from Taylor Swift’s life and music. Edited and authored by Swifties who also happen to be philosophers and scholars, this fun and engaging book is written with general readers in mind—you don’t have to be a devoted fan or a specialist in philosophy to explore the themes, concepts, and questions expressed in Taylor’s songs. Presenting top-tier research and new perspectives on important contemporary issues, twenty-seven chapters discuss the philosophical contexts of Taylor’s work, such as the ethics of reputational damage, the impacts of first impressions, the moral obligation to speak out against injustice, and much more. *Taylor Swift and Philosophy* is a must-read for Swifties who want to deepen their appreciation and understanding of Taylor’s work, as well as for philosophy students and scholars with an interest in popular culture and media studies.

Taylor Swift for Adults Kev Nickells, 2024-07-30 *Taylor Swift for Adults* is a tantalizing opening salvo in Swiftology - the study of the work of Taylor Swift. While Swift's private life has been covered to death, her talent as a lyricist has rarely been analyzed. Until now. Swifties are well aware that she's a lyricist par excellence but this book makes that case to the unbelievers. Swift's gift as a songwriter is not merely sentimentality and circumstance - and this book takes a deep look at her 10 albums to isolate what makes her a beloved lyricist for millions. Any serious study of a lyricist or poet needs to establish what are the tropes, the patterns, and the style of that artist, and this book does precisely that. With careful attention to poetic detail, the scansion, flow, and form of her writing, this brings out those details that pass by in a flash on the radio, bringing them fully into focus. Many have made the argument that Swift is a gifted lyricist - in online forums and YouTube comments - but this is the first time in writing those arguments have been given shape and serious attention. It's a book aimed at adults but not po-faced bores - taking a subject seriously can also mean laughing at swearwords and sex

metaphors. Rather than po-faced and straitened, this is a lightly witty book expressing, at its core, a deep affection for this generation's favorite songwriter.

Into the Taylor-Verse Satu Hämeenaho-Fox,2024-10-15 A beautifully illustrated, comprehensive collectible for Swifties everywhere that offers an overview of Taylor Swift's life and work, including hidden references for fans to discover in a stunning, giftable package. Into the Taylor-Verse is an inventive, deeply detailed appreciation of Taylor Swift's songwriting prowess, her incomparable live performances, and the themes of adolescence and adulthood she's detailed so lovingly throughout the different eras of her career from her Fearless to Midnights. This book explores her prolific discography, as well as her worldwide tours, her phoenix-like rise from the ashes to reclaim her music publishing rights, and most importantly of all, her Swifties. In the way that Taylor's music helps fans to understand their own emotional response to heartbreak and first love, this book seeks to help fans understand why Taylor's music affects them more than any other artist. The story told through her work is the universal story of growing from a girl into a woman, the joy, heartbreak, demoralization, and finally, regrowth and maturity that every fan can relate to no matter their age. This book emulates the joy of Taylor's music with creative sidebar content, such as a playlist of her songs that are NOT about boys, an all-important timeline of her hairstyles, biographies of her cats, a deep-dive into the significance of the number thirteen, and so much more. Into the Taylor-Verse is a must-have primer on Taylor for any new Swiftie, telling the stories behind her songs and guiding them to listen more deeply to her extensive back catalogue, while also being a lush examination of the meaning behind the songs that are so important to readers who are already dedicated fans.

Too Famous Michael Wolff,2021-11-02 Barbed, witty, revealing and entertaining, Too Famous could be an instant classic. Bestselling author of Fire and Fury, Siege and Landslide and chronicler of the Trump White House Michael Wolff dissects more of the major monsters, media moguls and vainglorious figures of our time. His scalpel opens their lives, careers and always equivocal endgames with the same vividness and wit he brought to his evisceration of the former president. These brilliant and biting profiles form a mesmerising portrait of the hubris, overreach and periodic self-destruction of some of the most famous faces of the last twenty years. This collection draws on new and unpublished work - recent reporting about Jared Kushner, Harvey Weinstein and Jeffrey Epstein - and decades of coverage of the most notable figures of the time - among them Hillary Clinton, Michael Bloomberg, Andrew Cuomo, Rudy Giuliani, Alan Rusbridger, Arianna Huffington, Piers Morgan, Boris Johnson and Rupert Murdoch - to create a lasting statement on the corrosive influence of being in the public eye. Ultimately, Too Famous is an examination of how the quest for fame and power became the driving force of culture and politics and the drug that alters all public personalities. And how the need, the desperation, the ruthlessness demanded to fulfil that quest became the toxic grease that keeps the world spinning. You know the people here by name and reputation, but it's guaranteed that after this book you will never see them the same way again. Or fail to recognise the scorched earth

the famous leave behind them.

The Literary Taylor Swift Betsy Winakur Tontiplaphol, Anastasia Klimchynskaya, 2024-10-17 Taylor Swift, arguably the most prolific and acclaimed singer-songwriter of the 21st century, has shaped her listeners' collective consciousness and challenged her industry's often limiting attitudes toward genre, revision, and collaboration. Although Swift is a perennial subject in the media, cast in both a positive and a negative light, few professional scholars have considered her ever-growing body of work. *The Literary Taylor Swift* examines Swift's significance and timeliness through literary analysis and theory. Taylor Swift has been celebrated for her ability to craft immersive narratives and to articulate, with lyrical acuity, a broad range of emotional experiences, and her lyrics underscore her profound relationship with text. *The Literary Taylor Swift*

explores Swift's engagements, intertextual and otherwise, with literature and treats her songs as literature-as, that is, stories, poems, and other textual forms to which literary-critical theories and methodologies can and should be productively applied. This collection offers carefully curated arguments constellated around four key relationships: Swift and the literary-historical canon; Swift and the language of gender and sexuality; Swift and the relationship between writing and memory; and Swift and the nature of literary craft.

Lit-Rock Ryan Hibbett, 2022-08-11 Just as soon as it had got rolling, rock music had a problem: it wanted to be art. A mere four years separate the Beatles as mere kiddy culture from the artful geniuses of Sergeant Pepper's, meaning the very same band who represents the mass-consumed, mindless music of adolescents simultaneously enjoys status as among the best that Western culture has to offer. The story of rock music, it turns out, is less that of a contagious popular form situated in opposition to high art, but, rather, a story of high and low in dialogue--messy and contentious, to be sure, but also mutually obligated to account for, if not appropriate, one another. The chapters in this book track the uses of literature, specifically, within this relation, helping to showcase collectively its fundamental role in the emergence of the pop omnivore.

Despre conflictul Famous Casian Anton, În acest raport am investigat conflictul Famous dintre Kim Kardashian, Kanye West și Taylor Swift. Mecanismele de interpretare a părților implicate în conflictul Famous sunt multiple și încă există un interes mare în dezbateră vinovaților și a victimelor conflictului. Acest raport s-a născut din necesitatea urgentă de a oferi informații mai clare, mai transparente și exemple mai bine fundamentate pentru a explica conflictul Famous publicului general într-un mod diferit de ceea ce au oferit Kim Kardashian, Kanye West și Taylor Swift prin muzică, interviuri și alt conținut media. Raportul „Despre conflictul Famous” a explorat strategiile de fundal ale lui Kanye West, Kim Kardashian și Taylor Swift pentru a-și menține popularitatea și faima: sacrificii, inteligență, metode de comunicare, efecte secundare și o opinie minimă asupra eficienței strategiilor lor pe termen lung. O să te las să termini de citit, dar raportul „Despre conflictul Famous” este o investigație unică și originală, nu există nicio altă cercetare care explorează acest conflict pe diferite niveluri; cel mai probabil, la momentul publicării, acest raport ar putea fi unul dintre cele mai avansate analize ale conflictului Famous.

Black and White Music Casian Anton, 2021-08-21 In Black & White Music report I investigated a very small part of the music industry from the USA (0.09% musicians); more precisely, I investigated the contribution and the artistic merit (greater or lesser) of black artists (0.03%) and white artists (0.05%) in the production and writing of their albums. The artists investigated in this report are Taylor Swift, Kanye West, Beyoncé, Kendrick Lamar, Macklemore & Ryan, Adele and Beck. I selected these artists because the music produced and released by them was used by various artists and journalists as

examples of allegations of discrimination and racism which takes place in the music industry in the USA. The aim of the research is split into 2 levels: in the first level: I explored, analysed and created a comparative study about the contribution and the artistic merit of black and white artists in the production and writing of their albums; to achieve this aim, I added contribution and artistic merit into one bubble of research and treated the two concepts with the same meaning, then I divided the bubble into 8 points of research. the second level: is about using the findings from the eight points of research to offer a response to three conventional wisdom advanced by black artists and their supporters against the rules and awards offered by The Recording Academy. Black & White Music report it is unique and original which investigates the artistic merit of six of the best artists in the music industry of the USA; in these pages, there is an advanced comparative analysis of the music released by famous artists that was never done before. Black & White Music report was born out of the urgent need to confront and challenge the three conventional wisdom advanced by black artists and their supporters who feel and promote the idea of injustice regarding the music released. Black & White Music report can be used to calm the realities of discrimination and racism and provides a point of reference of the quality, originality and novelty of the music investigated in these pages; also, it is for future artists waiting to be discovered, and what they need to expect once they are part of the music industry. Second Edition July 2023

If He Had Been with Me Laura Nowlin,2013-04-02 If he had been with me everything would have been different... I wasn't with Finn on that August night. But I should've been. It was raining, of course. And he and Sylvie were arguing as he drove down the slick road. No one ever says what they were arguing about. Other people think it's not important. They do not know there is another story. The story that lurks between the facts. What they do not know—the cause of the argument—is crucial. So let me tell you...
