

War Laura Thalassa The Four Horseman

Laura Thalassa

Pestilence Laura Thalassa,2023-08-15 They came to earth--Pestilence, War, Famine, Death--four horsemen riding their screaming steeds, racing to the corners of the world. Four horsemen with the power to destroy all of humanity. They came to earth, and they came to end us all. When Pestilence, the first of the horsemen, comes for Sara Burn's town, one thing is certain: everyone she knows and loves is marked for death. Unless, of course, the angelic-looking horseman is stopped, which is exactly what Sara has in mind when she shoots the unholy beast off his steed. Too bad no one told her Pestilence can't be killed. Alive and furious, the horseman takes Sara prisoner, determined to make her suffer for impeding his mission. Despite her pleas, nothing and no one gets in the way of his orders to destroy humankind. Only, the longer Pestilence spends beside Sara's bravery and compassion, the more he seems to understand her, and understand humanity. And the longer Sara travels with Pestilence and his plague, the more uncertain she grows about his true feelings toward her...and hers toward him. Sara might still be able to save the world, but she'll have to sacrifice her heart in the process.

Famine Laura Thalassa,2023-08-15 They came to earth--Pestilence, War, Famine, Death--four horsemen riding their screaming steeds, racing to the corners of the world. Four horsemen with the power to destroy all of humanity. They came to earth, and they came to end us all. Ana da Silva always assumed she'd die young, but she never expected it to be at the hands of the haunting immortal who spared her life years ago. Famine. But if the horseman remembers her, he must not care, for when she comes face to face with him for the second time in her life, she's stabbed and left for dead. Only, she doesn't quite die. If there's one thing Famine is good at, it's cruelty. He can't forget the pain humanity has brought him, and he's ready to bring it back to them tenfold. But when Ana, a ghost from his past, corners him for what he did to her, she and her empty threats captivate him, and he decides to keep her around. In spite of themselves, Ana and Famine are drawn to each other. But at the end of the day, the two are enemies. Nothing changes that. Not one kind act, not two. And definitely not a few steamy nights. But enemies or reluctant lovers, if they don't stop themselves soon, heaven will.

The Queen of Crows Myke Cole,2018-09-18 Myke Cole, star of CBS's *Hunted* and author of the *Shadow Ops* series returns with book two of the *Sacred Throne Trilogy: The Queen of Crows*. In this epic fantasy sequel, Heloise stands tall against overwhelming odds—crippling injuries, religious tyrants—and continues her journey from obscurity to greatness with the help of alchemically-empowered armor and an unbreakable spirit. No longer just a shell-shocked girl, she is now a figure

of revolution whose cause grows ever stronger. But the time for hiding underground is over. Heloise must face the tyrannical Order and win freedom for her people. A heart-wrenching, blood-racing, all-around page-turner. Spare, vivid and surprisingly sensual, with a small, fierce heroine who will stick in your mind and live in your soul.—Diana Gabaldon on *The Armored Saint*

To Bleed a Crystal Bloom Sarah A. Parker, 2023-03-23 What a pretty flower to keep locked in a big, rocky tower. Nineteen years ago, I was plucked from the heart of a bloody massacre that spared nobody else. Small. Fragile. An enigma. Now ward to a powerful High Master who knows too much and says too little, I lead a simple life, never straying from the confines of an imaginary line I've drawn around the castle grounds. Stay within. Never leave. Out there, the monsters lurk. Inside, I'm safe...though at a cost far greater than the blood I drip into a goblet daily. Toxic, unreciprocated love for a man who's utterly unavailable. My savior. My protector. My almost executioner. I can't help but be enamored with the arcane man who holds the power to pull my roots from the ground. When voracious beasts spill across the land and threaten to fray the fabric of my tailored existence, the petals of reality will peel back to reveal an ugly truth. But in a castle puddled with secrets, none are greater than the one I've kept from myself. No tower is tall enough to protect me from the horror that tore my life to shreds. *To Bleed a Crystal Bloom* is a dark Rapunzel reimagining full of immersive imagery and breathtaking angst.

War Laura Thalassa, 2023-08-15 They came to earth--Pestilence, War, Famine, Death--four horsemen riding their screaming steeds, racing to the corners of the world. Four horsemen with the power to destroy all of humanity. They came to earth, and they came to end us all. The day Jerusalem falls to the horsemen, Miriam Elmahdy knows her life is over. Houses are burning, the streets run red with blood, and a traitorous army is massacring her people. There is no surviving this, especially not once Miriam catches the eye of War himself. But when the massive and terrifying horseman corners Miriam, he calls her his heaven-sent wife, and instead of killing her, he takes her back to his camp. Now Miriam faces a terrifying future, helplessly watching her world burn town by town, and the one responsible for it is her seemingly indestructible husband, who refuses to let her go. But there's another side to him, one that's gentle and loving and set on winning her over, and she might not be strong enough to resist. However, if there's one thing Miriam has learned, it's that love and war cannot coexist. She must make the ultimate choice: surrender to War and watch humankind fall, or sacrifice everything to stop him.

God Is Not Great Christopher Hitchens, 2007-05-01 Whether you're a lifelong believer, a devout atheist, or someone who remains uncertain about the role of religion in our lives, this insightful manifesto will engage you with its provocative ideas. With a close and studied reading of the major religious texts, Christopher Hitchens documents the ways in which religion is a man-made wish, a cause of dangerous sexual repression, and a distortion of our origins in the cosmos. With eloquent clarity, Hitchens frames the argument for a more secular life based on science and reason, in which hell is replaced by the Hubble

Telescope's awesome view of the universe, and Moses and the burning bush give way to the beauty and symmetry of the double helix. In the tradition of Bertrand Russell's *Why I Am Not a Christian* and Sam Harris's *The End of Faith*, Christopher Hitchens makes the ultimate case against religion.

The Forsaken Laura Thalassa, 2015-03-09 Since her Awakening, seventeen-year-old Gabrielle Fiori has known the devil wants her as his own, and that when she dies, he'll finally lay his claim. Evading death should be easy. But when a prophecy linking her to the lord of the underworld is leaked, supernaturals-both good and bad-come together for one purpose: to kill her, the girl they believe is the anti-Christ. Andre de Leon, Gabrielle's soulmate and the king of vampires, will do anything to save her from a fate that's been predestined for thousands of years. Even if that means killing. Even if that means dying. But Gabrielle harbors a secret: death is only a matter of time. The magic that flows through her veins, changing her from human to vampire, is killing her. Her heart is slowing, her lungs strain for breath, her body sickens. The world has forsaken her, and unless fate can save her, she'll be damned to hell and the devil that waits for her. And this time, it'll be for good.

To save her people, Teriana chooses to guide Marcus and his legions into a world of meddling gods and magic. A Strange Hymn Laura Thalassa, 2022-10-18 From bestselling indie author Laura Thalassa comes the newly revised and edited second book in her smash-hit dark fantasy romance between a siren and the bargainer she owes countless favors to. She survived the mad king...but the nightmare isn't over. Siren Callypso Lillis still wears the physical reminders of her time as Karnon's captive, even after reuniting with soulmate Desmond Flynn, the King of Night. Not only that, but mounting

evidence suggests the Thief of Souls, the being responsible for the disappearance of countless fae warriors, is still out there. Invited to an annual Solstice celebration, Callie and Des journey to the Kingdom of Flora to continue their investigation. But under the bright lights and striking blooms of the realm, new complications arise, ones that no amount of bargaining can undo. Soldiers begin to go missing from the gathering, and some of the fae begin to suspect Des is the man behind it all. To Callie, one thing is certain: no one is who they appear to be. Not even her soulmate. Fairies play dangerous games. Some want love, some want vengeance, some want flesh, and some want horrors too unspeakable to name. Something is stirring in the Land of All that Grows, and if Callie isn't careful, it will claim everything she loves—and her along with it.

Rhapsodic Laura Thalassa, 2022-09-06 From bestselling indie author Laura Thalassa comes the newly revised and edited first book in her smash-hit dark fantasy romance between a siren and the bargainer she owes countless favors to. Callypso Lillis is a siren with a very big problem, one that stretches up her arm and far into her past. For the last seven years Callie has been wearing a bracelet of black beads up her wrist, magical IOUs for favors she once received. Only death or repayment will fulfill her obligations. Everyone knows that if you need a favor, you go to the Bargainer to make it happen. He's a man who can get you anything you want ... at a price. And everyone knows that sooner or later he always collects. But for Callie, he's never asked for repayment. Not until now. When Callie finds the Bargainer in her room, a grin on his lips and a twinkle in his eye, she knows things are about to change. At first it's admitting a truth—a single bead's worth—acknowledging the attraction between them. But the Bargainer is after more than just rekindling their connection. Something is happening in the Otherworld. Fae warriors are going missing one by one, and only the women are returned, each in a glass casket, a child clutched to her breast. For the Bargainer to save his people, he'll need the help of the siren he spurned long ago. If she can forgive him.

Witch Please Ann Aguirre, 2021-09-07 Danica Waterhouse is a fully modern witch--daughter, granddaughter, cousin, and co-owner of the Fix-It Witches, a magical tech repair shop. After a messy breakup that included way too much family feedback, Danica made a pact with her cousin: they'll keep their hearts protected and have fun, without involving any of the overly opinionated Waterhouse matriarchs. Danica is more than a little exhausted navigating a long-standing family feud where Gram thinks the only good mundane is a dead one and Danica's mother weaves floral crowns for anyone who crosses her path. Three blocks down from the Fix-It Witches, Titus Winnaker, owner of Sugar Daddy's bakery, has family trouble of his own. After a tragic loss, all he's got left is his sister, the bakery, and a lifetime of terrible luck in love. Sure, business is sweet, but he can't seem to shake the romantic curse that's left him past thirty and still a virgin. He's decided he's doomed to be forever alone. Until he meets Danica Waterhouse. The sparks are instant, their attraction irresistible. For him, she's the one. To her, he's a firebomb thrown in the middle of a family war. Can a modern witch find love with an old-fashioned mundane who refuses to settle for anything less than forever?

The Vanishing Girl Laura Thalassa,2015-01-27 Each night after Ember Pierce falls asleep, she disappears. She can teleport anywhere in the world: London, Paris, her crush's bedroom, or wherever her dreams lead her. Ten minutes is all she gets, and once time's up, she returns to her bed. It's a secret she's successfully kept for the last five years. But now someone knows. A week after her eighteenth birthday, when frustratingly handsome Caden Hawthorne kidnaps her, delivers her to the government, and then disappears before her eyes, Ember realizes two things: One, she is not alone. And two, people like her--teleporters--are being used as weapons. Forced into a quasi-military training camp for teleporters, Ember discovers she has been paired--perhaps for life--with Caden, the boy who got her into this mess in the first place. Now, she has to work with him on a series of teleporting missions, each one riskier than the last. But Caden just might hold the key to Ember's escape plan, if she can survive her missions without losing her heart...or her life. Revised edition: This edition of *The Vanishing Girl* includes editorial revisions and is intended for mature audiences.

The Song of the Marked S. M. Gaither,2022-07-31 The old gods are growing restless. An ancient evil is stirring. Can they stop the coming storm? Mercenary Casia Greythorne cares about two things: Completing whatever her latest job is, and earning enough coin to buy the expensive medicine that's keeping her mentor alive. So when the king himself offers her a job, she can't resist the massive reward he offers-even if it means working with Captain Elander, the arrogant, mysterious right-hand to that king. Her partner may be infuriating, but at least their mission seems simple and quick enough: Investigate the origins of the strange plague that's been ravaging their empire, help find a cure, and then call it a day. But in a land brimming with old magic and meddling gods, nothing is ever that simple, and nothing is ever what it seems. As the bodies pile up and strange monsters begin to wreak havoc throughout the realms, Cas and Elander will have to work together to protect their world whether they like it or not. Because one thing is clear: Something ancient and evil is stirring in the shadows of that world. And their empire will not survive its full unleashing.
