Besorah of Yahusha Natsarim Version Lew White,2013-06-01

Eth Cepher - Besora'oth Yahuah Tseva'oth,2014-01-01 The Besora'oth is a collection of the Four Gospels of the Brit Chadasha (New Testament) set forth in a PaRDeS format, with Hebraic terms inter-lineated for key concepts. There are also direct Hebrew quotes in both the Hebrew language and transliterated Hebrew for the English reader. These portions include the prayer, called the our Father, the statements made at the Last Supper, the statement at the cross, the quotation of Yesha'yahu (Isaiah) 61, plus others. One of the most important features is the inclusion of the fragments from the Gospel according to the Hebrews (Eusibeus/Jerome). This book is an indispensable resource for those who preach the Gospels and seek understanding from a Hebraic point of view.

BESORAH Olufemi Oni,2020-11-21 The message of the King was hijacked by His enemies, and dressed in the garb of abominable religions much in the same way that a woman works yeast into a dough ball and makes them into three portions. The three Abrahamic religions of Talmudic Judaism, Christianity and Islam all claim to have the message of eternal hope for humanity, but a closer examination reveals otherwise. In five chapters of sizzling revelations, the author takes the reader on a thought-provoking journey to rediscover the lost message of the Kingdom, unravelling mysteries previously unknown and new depths of insights into the most important event that is yet to come - The Restoration of the Kingdom of Heaven. There is truth to be told, hope to be renewed and judgment to be declared. Tables will be shaken, secrets will be exposed, the hidden will be revealed, and dry bones shall rise. He who took captive shall be taken captive; he who killed with the sword must be killed with the sword. Saviors will arise from Mount Tsiyon to judge the mount of Edom, Babylon will fall, and the Kingdom will be Yahuah's forever.

Message of the Natsarim Lew White,2017-07-20 Message Of The Natsarim is a new English translation of the letters written by the first followers of Yahusha. It gives the reader a sense of being among the eye witnesses who lived their lives learning from the only perfect person that ever lived on Earth. They taught and obeyed the Ten Commandments, but this idea has been strongly resisted since the time of Constantine. New traditions were adopted from paganism, and those patterns are expressed openly instead of the original Words to live by, the Ten Commandments. Love has grown cold without them. The

clarity of the Message is alarmingly eye-opening, and once you have received it you will be completely awake. This is the red pill or the real thing people spend a lifetime pursuing. The Message has been called by several familiar religious terms such as Gospel, Evangel, Euangelion, and these are all based on the Hebrew word BESORAH. The most simple English word that fits the meaning is the word message. When get to hear the Message in English straight from the Hebrew source the writers were inspired in, it will change you. The Message is not about religion, it is an announcement of a coming day called the Day of Yahuah. This Message is more urgent than anyone suspects, and it will be announced in spite of the institutions that unwittingly serve the restrainer. When your mind hears the Message, you will be changed, and have to share it with everyone around you. The Truth changes everything. Up to now, readers have been hearing mostly Greek terms. A messenger (Greek angel) bears a message (Greek euangelion), and now the reader can break through the barrier of understanding by restoring the Hebrew roots of the belief.

Urban Apologetics Eric Mason,2021-04-06 Urban Apologetics examines the legitimate issues that Black communities have with Western Christianity and shows how the gospel of Jesus Christ—rather than popular, socioreligious alternatives—restores our identity. African Americans have long confronted the challenge of dignity destruction caused by white supremacy. While many have found meaning and restoration of dignity in the black church, others have found it in ethnocentric socioreligious groups and philosophies. These ideologies have grown and developed deep traction in the black community and beyond. Revisionist history, conspiracy theories, and misinformation about Jesus and Christianity are the order of the day. Many young African Americans are disinterested in Christianity and others are leaving the church in search of what these false religious ideas appear to offer, a spirituality more indigenous to their history and ethnicity. Edited by Dr. Eric Mason and featuring a top-notch lineup of contributors, Urban Apologetics is the first book focused entirely on cults, religious groups, and ethnocentric ideologies prevalent in the black community. The book is divided into three main parts: Discussions on the unique context for urban apologetics so that you can better understand the cultural arguments against Christianity among the Black community. Detailed information on cults, religious groups, and ethnic identity groups that many urban evangelists encounter—such as the Nation of Islam, Kemetic spirituality, African mysticism, Hebrew Israelites, Black nationalism, and atheism. Specific tools for urban apologetics and community outreach. Ultimately, Urban Apologetics applies the gospel to black identity to show that Jesus is the only one who can restore it. This is an essential resource to equip those doing the work of ministry and apology in urban communities with the best available information.

The Law of Messiah: Volume 1 Michael Rudolph,Daniel Juster,2019-08 This book is in two volumes. Its uniqueness is in its commentary of the Commandments of Torah from a New Covenant perspective, its cross-references to the mitzvot compiled by Maimonides and other classical commentators, and its utility as a handbook and a framework for biblical study and research.

The Word of YAH-the King's Covenant-OSE1 Raphah Bethyah,2000-11-01 This is the first translation of the New Testament in English History based upon the newly discovered ROS Aramaic Hebrew texts. These texts date around 70 AD, 130 years earlier than P-45, P-46 and P-72, the next earliest large Greek texts of the New Testament. Bible scholars have long suspected the New Testament original manuscripts were written in Aramaic Hebrew, the language of the ChristUW and His disciples and then translated into Greek years later. The ROS manuscripts prove this conclusively. Hebrew phrases, original words abound and clarify hundreds of questions about the Messiah's original teachings in this first edition translation. It corrects 95-99% of the Greek manuscripts errors!Over 70 scholars from 12 countries have labored 8 years in it's making.

Hebrew Word Study Chaim Bentorah,2014-06-25 Many Christians long to study the Word of God in the original Hebrew. They will take Hebrew classes at a college, a synagogue, or online and often become discouraged because these classes either teach them to speak Hebrew or spend considerable time teaching complex rules of grammar when all these Christians want to do is find God's heart and message in His Word. As a result, these Christians usually give up and just go to the back of their Strong's Concordance, a lexicon, or a Bible dictionary to look up a word. This book is written for the Christian who does not want to learn to speak Hebrew or spend long hours trying to understand complex rules of grammar. All they want is to know if there is a deeper meaning to certain Hebrew words. Even after looking up a word in their lexicon, they are still left with a nagging feeling that there must be more. In most cases there is more, and this book will give some guidelines in how to drill down into the very heart, soul, and core of a Hebrew word; it will take you to a world beyond your lexicon, and you do not need a PhD to do it. The only thing you will need is to love the Word of God, and if you love it enough, it will reveal its secrets. Hebrew is a language of the heart, and if you love God enough, He will reveal His heart to you through the ancient Hebrew language.

Yahweh for Christians Messianic Rabbi Minister Yahnathan Daweed,2021-08-25 Yahweh for Christians: I Am Original Words, Original Truth By: Messianic Rabbi Minister Yahnathan Daweed Yahweh for Christians is a work unlike any other on your book shelf. No other work of this weight and of this topic gives us a historical examination across the history of man as this work does. Yahweh for Christians states that there is an epic struggle between the Sacred Name, and an intelligent opponent, that goes beyond our appreciation. This attack is not benign, but is violent, and affects all life as we know it. This battle defines our conscious and unconscious lives, so that we do not know that true life is altered beyond recognition. As such, this is plenary deleterious to our existence. Yahweh for Christians will present actual history, revealing the collateral lies of wrote history. It will connect the dots to creation, Judaism, Catholicism, Christianity, Islam, Japheth, Shem, Ham, Egypt, Greco-Rome, Germany, the dark ages, the crusades, Great Britain, slavery, the world wars, our present time, and our

soon coming end. All of which is a complex, systematic, intelligent designed orchestration of spiritual warfare of a great lie versus a great truth. If this struggle is so ranging and daunting as stated above, then this work is one of grave importance. The simplicity of word study is the chief tool utilized by this work, to access the etiology of knowledge. Original words will deposit the student to original truth. □□□

The Pre-Christian Teachings of Yeshua Lewis Keizer, M.Div., Ph.d.,2015-05-31 All of the extant authentic sayings and teachings of Yeshua remembered in the earliest oral Jesus traditions and collections compiled by his Jewish disciples A.D. 30-50 before they were rendered into Greek, misunderstood, and Christianized in the later Gospels. •Translated in terms of the original Hebrew/Aramaic vocabulary and idioms used by Yeshua •Explained in the context of Second Temple messianic haggadah, Merkabah, prophetic, and wisdom traditions •Organized and presented as a coherent body of exquisite spiritual teaching that was lost and forgotten in Christianity.

I Am Yahuah Lew White,2017-07-05 The Name of Yahuah was prohibited from being uttered aloud during the days of the prophet YirmeYahu. During the Babylonian Captivity the shunning of the Name became even more intense: they made it a stoning offense if anyone used it. The only way back for anyone seeking Yahuah and His true and only Name is to hear and obey. This restoration was begun by Yahukanon the immerser, and Yahusha and His first followers, the Natsarim. The Name seals us for our day of redemption. It is once again being used to turn the world upside down.

Listening to the Language of the Bible Lois Tverberg, Bruce Okkema, 2004 The Bible speaks in words and phrases that come from a very different culture, place, and time. Hebraic ideas and imagery may sound foreign to our ears, but when we enter the minds of its ancient authors, we discover great new depth and meaning for our lives.

Esau-Edom Rome Beneyah Yashar'el, 2019-07-25 Explore the identity of Jacob-Israel, and uncover evidence that reveals the true identity of Esau-Edom. The descendants of Jacob, the Negroes, were once scattered to the four corners of the earth, including into the continents of Africa and the Americas through diaspora and slavery. Those who bought and sold the children of Israel to the Americas were the descendants of Esau. Since then, they have played an integral role in the demise of Jacob-Israel. Today, Edom-Rome rules the earth. However, there are many Biblical prophecies relative to Esau-Edom and the role he plays in the last days. Therefore, it is crucial to identify who the descendants of Esau are. This book answers the questions: Who is Esau-Edom? Who are the Edomites? When, Where and How did the Edomites originate in History? and What effect did/does Esau-Edom they have on the chosen people of YAHUAH, the Hebrew Israelites?
