Winston is the smartest kid in our whole school. Maxine made him do all of her homework and give her all of his lunch money. Maxine liked to make Winston cry... then she'd call him a crybaby. If you don't do exactly what I tell you to, I'll knock you into next week! Nobody liked the way Maxine treated Winston, but we were too afraid to do anything about it. Written by bestselling author Julia Cook, Bully B.E.A.N.S. reminds children of the power of their voice and how to use it effectively when standing up against bullying. How to Be Comfortable in Your Own Feathers Julia Cook,2013-02-15 Bluebird, along with most everyone else at school, wants to flutter like the most popular bird in their class, Hummingbird. You should go on a diet, and work out at the gym. You could flutter like me, if your body was thin. Bluebird takes this comment seriously and starts to develop unhealthy eating habits. Mom comes to the rescue by teaching Bluebird balance and by explaining that everyone needs to feel comfortable in their own feathers. With help from the Bird Doc and the Food Voice Counselor, Bluebird learns to control the Food Voice that is living inside. I'm working on balance one day at a time. If I keep working hard, I should be just fine. *How to be Comfortable in Your Own Feathers* uses a creative approach to speak to children who may be currently struggling with body-image concerns. This story is written in a manner that gives children an opportunity to apply the characters' experiences to their own lives. It also demonstrates appropriate adult responses that encourage the development of healthy eating habits. Includes Live It Dos and Don'ts.

The Last Book in the Universe (Scholastic Gold) Rodman Philbrick,2013-03-01 This fast-paced action novel is set in a

Lying Up a Storm Julia Cook, 2015-01-15 A storm is brewing... Whenever Levi doesn't like the truth, he kinda, sorta makes up other stuff to say. One day his mother explains to him that telling lies will damage the trust of his friends and make him very sad. Whenever you tell a lie, your inside sun goes away. Then a lying cloud forms, and glooms up your day. Each time you tell a lie, another cloud starts to form, and before you can stop it from happening, your insides start to storm. This book is a great resource to help children understand not only the consequences of telling a lie, but also how one lie can often lead to telling several more. It will help parents and teachers understand that lying can be a normal and sometimes healthy response for a child and offers tools to help guide children toward truthfulness.

The Circles All Around Us Brad Montague, 2021-05-18 The debut picture book from the creator of the viral sensation *Kid President* is a moving take on how we can create bigger and bigger circles of community and connections as we grow—now a *New York Times* bestseller! In the circles all around us, everywhere that we all go, there's a difference we can make and a love we can all show. This is the story of a circle. When we're first born, our circle is very small, but as we grow and build relationships, our circle keeps getting bigger and bigger to include family, friends, neighbors, community, and beyond. Brad Montague originally created *Circles* as an Instagram video adorably narrated by his kids, and now this picture book adaptation is the perfect way to start a conversation about how to expand our worlds with kindness and inclusivity—even if it seems scary or uncomfortable. This book makes an ideal new-baby, first-day-of-school, or graduation gift, or any milestone that celebrates someone's world getting bigger.

Food Bullying Michele Payn, 2019-08-06 “A much-needed critique of our national obsession of guilt over food choices...exposes the multi-trillion-dollar marketing and misrepresentation of food.”—Dr. David Samadi, urologic oncologist and world-renowned robotic surgeon IPPY Award Gold Medal Winner More than 40,000 products can be found in a grocery store—and there's a lot of money to be made by those who use misleading marketing to push us into emotion-driven decisions or make us feel like every purchase is a moral or social statement. *Food Bullying* upends the way you think about food and gives you permission to make eating choices based on your own social, ethical, environmental, and health standards—rather than brand, friend, or Facebook claims. Michele Payn, one of North America's leading voices in connecting farm and food, takes a startling look at the misrepresentation of food and sheds light on bogus nutrition and environmental claims to help

you recognize and stand up to the bullies. Food Bullying guides you through understanding food label claims and offers insight on “the hidden world of farming”. Armed with science and a lifetime on the farm, Michele provides a six-step action plan for you to overcome food bullying, simplify safe food choices, and even save time in the grocery store. “Engages and enables readers to overcome their fear to make shopping, food preparation and eating enjoyable endeavors rather than a battleground.”—Leslie Bonci, MPH, RDN, CSSD, LDN, Kansas City Chiefs Sports Dietitian
