The Book And The Brotherhood Iris Murdoch, 2010-04-01 It's the midsummer ball at Oxford, and a group of men and women - friends since university days - have gathered under the stars. Included in this group is David Crimond, a genius and fervent Marxist. Years earlier the friends had persuaded David to write a philosophical and political book on their behalf. But opinions and loyalties have changed, and on this summer evening the long-resting ghosts of the past come careering back into the present.

(Con)fusing Signs and Postmodern Positions Robert Alan Neustadt, 1999 *Conflicting Identities and Multiple Masculinities* takes as its focus the construction of masculinity in Western Europe from the early Middle Ages until the fifteenth century, crossing from pre-Christian Scandinavia across western Christendom. The essays consult a broad and representative cross section of sources including the work of theological, scholastic, and monastic writers, sagas, hagiography and memoirs, material culture, chronicles, exempla and vernacular literature, sumptuary legislation, and the records of ecclesiastical courts. The studies address questions of what constituted male identity, and male sexuality. How was masculinity constructed in different social groups? How did the secular and ecclesiastical ideals of masculinity reinforce each other or diverge? These essays address the topic of medieval men and, through a variety of theoretical, methodological, and disciplinary approaches, significantly extend our understanding of how, in the Middle Ages, masculinity and identity were conflicted and multifarious.

(Con)Fusing Signs and Postmodern Positions Robert Neustadt, 2012-06-12 Foregrounding a strategy of experimental techniques which Neustadt call (con)fusing signs, the book explores critical and political dimensions of contemporary Spanish American artistic practices that are often explained away in the vague name of postmodern fragmentation. *(Con)Fusing Signs* explores the techniques, consequences and purposes for this type of fragmentation. This study reassesses the much discussed crisis of representation through an analysis of the complexity of political critique in areas as diverse (and related) as postmodernity, military dictatorship and postcolonialism. This book explores the manner in which multimedia artists Diamela Eltit, Alejandro Jodorowsky, and Guillermo G-mez-Pe-a articulate political critiques through textual

(con)fusion while paradoxically underscoring their inability to get outside of discourse.

Unashamed Christine Caine, 2016-05-10 Bestselling author, speaker, and activist Christine Caine helps you overcome past guilt and live an unashamed life. Shame can take on many forms. It hides in the shadows of the most successful, confident and high-achieving woman who struggles with balancing her work and children, as well as in the heart of the broken, abused and downtrodden woman who has been told that she will never amount to anything. Shame hides in plain sight and can hold us back in ways we do not realize. But Christine Caine wants readers to know something: we can all be free. "I know. I've been there," writes Christine. "I was schooled in shame. It has been my constant companion from my very earliest memories. I see shame everywhere I look in the world, including in the church. It creeps from heart to heart, growing in shadowy places, feeding on itself so that those struggling with it are too shamed to seek help from shame itself." In *Unashamed*, Christine reveals the often-hidden consequences of shame—in her own life and the lives of so many Christian women—and invites you to join her in moving from a shame-filled to a shame-free life. In her passionate and candid style, Christine leads you into God's Word where you will see for yourself how to believe that God is bigger than your mistakes, your inadequacies, your past, and your limitations. He is not only more powerful than anything you've done but also stronger than anything ever done to you. You can deal with your yesterday today, so that you can move on to what God has in store for you tomorrow—a powerful purpose and destiny he wants you to fulfill. Join the journey. Lay ahold of the power of Jesus Christ today and step into the future—his future for you—a beautiful, full, life-giving future, where you can even become a shame-lifter to others. Live unashamed! Dive deeper into the *Unashamed* message with the *Unashamed* video study and study guide. Available now.

Young Children in the World and Their Rights Adrijana Višnjić-Jevtić, Alicja R. Sadownik, Ingrid Engdahl, 2021-04-20 This book provides different perspectives on the concept of children's rights, including policy, educational, and children's perspectives. It examines how the crucial ideas of the Convention on the Rights of the Child are respected and implemented in 14 countries in five regions of the world. It looks at early childhood education, children's participatory rights, and at how these rights are promoted and guaranteed in different countries. It explores the professional practice of education and its complexities, challenges and dilemmas, as well as the role of play, and of listening and participation. The book advocates children's rights today, arguing for its vital importance, in the best interests of the children. In doing so, it furthers the understanding of children's rights and spreads knowledge about the Convention, as a means of celebrating its 30th anniversary. The UN Convention on the Rights of the Child (UNCRC) comprises the potential to change the lives of children to the very best. It may exalt children from the position of marginalized citizens to the centre of policies all over the world. Even though the concept of children's rights is omnipresent, the respect for children's rights must be discussed. While the Convention brings the new perspective of children as citizens to the world, there are still challenges in its application. The

book interrogates challenges in understanding and applying children rights and offers possible answers to these challenges. The ratification process itself, does not guarantee that children's rights are respected. While all adults should take responsibility for implementing the UNCRC in everyday life, Early Childhood Education should give opportunities for children to learn and live their rights.

Positive Discipline Jane Nelsen,2006 An updated edition of the parenting classic explains why children misbehave; discusses class and family meetings, mutual respect, and responsibility; and tells how parents and teachers can be more understanding and supportive. Original. 50,000 first printing.

Textbook of Global Mental Health: Trauma and Recovery, A Companion Guide for Field and Clinical Care of Traumatized People Worldwide Richard F. Mollica,2012-07-12 Over 1 billion persons worldwide are affected by the psychological and physical impact of violence and natural disaster. In many societies today, torture and other forms of cruel and degrading abuse still exist. Domestic violence remains a scourge of our planet. The world's leading experts in medicine, psychiatry, humanitarian efforts, medical anthropology, human rights, economic development and research and evaluation have worked together to create this first ever scientific and culturally sensitive health/mental health textbook. The textbook has been produced in a digital format (and a paperback edition as well) so that it can be readily used in the field and clinics in the developing world, in refugee camps and other resource poor environments. An interdisciplinary and innovative Global Mental Health Action Plan is united with best practices in a usable and effective approach for the care of traumatized communities worldwide.

The City at Eye Level Meredith Glaser,2012 Although rarely explored in academic literature, most inhabitants and visitors interact with an urban landscape on a day-to-day basis is on the street level. Storefronts, first floor apartments, and sidewalks are the most immediate and common experience of a city. These plinths are the ground floors that negotiate between inside and outside, the public and private spheres. *The City at Eye Level* qualitatively evaluates plinths by exploring specific examples from all over the world. Over twenty-five experts investigate the design, land use, and road and foot traffic in rigorously researched essays, case studies, and interviews. These pieces are supplemented by over two hundred beautiful color images and engage not only with issues in design, but also the concerns of urban communities. The editors have put together a comprehensive guide for anyone concerned with improving or building plinths, including planners, building owners, property and shop managers, designers, and architects.

The Orchardist's Daughter Karen Viggers,2019-02-04 A story of freedom, forgiveness and finding the strength to break free. International bestselling writer Karen Viggers returns to remote Tasmania, the setting of her most popular novel *The Lightkeeper's Wife*. Sixteen-year-old Mikaela has grown up isolated and homeschooled on an apple orchard in southeastern Tasmania, until an unexpected event shatters her family. Eighteen months later, she and her older brother Kurt are running a

small business in a timber town. Miki longs to make connections and spend more time in her beloved forest, but she is kept a virtual prisoner by Kurt, who leads a secret life of his own. When Miki meets Leon, another outsider, things slowly begin to change. But the power to stand up for yourself must come from within. And Miki has to fight to uncover the truth of her past and discover her strength and spirit. Set in the old-growth eucalypt forests and vast rugged mountains of southern Tasmania, *The Orchardist's Daughter* is an uplifting story about friendship, resilience and finding the courage to break free.

Vernon Subutex Three Virginie Despentes,2020-06-25 A literary phenomenon The Times Despentes' writing is intelligent, outspoken, witty, shocking, propulsive and streetwise Times Literary Supplement THE FINAL VOLUME IN THE EPIC ROCK AND ROLL TRILOGY BY CULT AUTHOR VIRGINIE DESPENTES Although it means leaving behind the community of disciples who have followed him on his travels and assembled at his raves and gatherings, Vernon Subutex is compelled to return to Paris to visit the dentist. Once back in the city, he learns that Charles, his old friend from his days on the Paris streets, has died and left him half of a lottery win. But when Vernon returns to his disciples with news of this windfall, it does not take long before his followers start to turn on each other, and his good fortune provokes ruptures in his once harmonious community. Meanwhile, storm clouds are gathering for Aïcha and Céleste: Laurent Dopalet is determined to make them pay for their attack on him, whatever it takes and whoever gets hurt. And before long, the whole of Paris will be reeling in the wake of the terrorist atrocities of 2015 and 2016, and all the characters in this kaleidoscopic portrait of a city will be forced to a reckoning with each other. Translated from the French by Frank Wynne
