**Book of Secrets** Chris Roberson,2010-10-26 IT'LL TAKE MORE THAN ANGELS AND DEMONS TO STOP HIM. Reporter Spencer Finch is a journalist embroiled in the hunt for a missing book, encountering along the way cat burglars and mobsters, hackers and mysterious monks. At the same time, he's trying to make sense of the legacy left him by his late grandfather, a chest of what appear to be pulp magazines from the golden age of fantasy fiction. Following his nose, Finch gradually uncovers a mystery involving a lost Greek play, secret societies, generations of masked vigilantes - and an entire

hidden history of mankind. It's like The Da Vinci Code retold by the Coen brothers in this blockbuster blur. File Under: Urban Fantasy [ Conspiracy! | Angelic Mysteries | Pulp Fiction | Blow Your Mind ]

I Don't Take Requests Tony Marnoch, Michael Hennegan, 2022-05-26 THE SUNDAY TIMES BESTSELLER AND WINNER OF THE ATTITUDE BOOK AWARD 'I love this man so much. He was, and always will be, my knight in shining Westwood.' DAVINA MCCALL 'This is a story that should never have been told' KATE MOSS 'The perfect beach read' THE SUNDAY TIMES 'If you want to change your life but can't.. I strongly advise you read this book' TRACEY EMIN As one of club culture's most notorious - and best loved - figures, Tony is a complete force of nature. Here he tells the most extraordinary stories of depravity and hedonism, of week-long benders and extreme self-destruction - and of recovery, redemption, friendship and the joy of a good tune.

\_\_\_\_\_ 'Anyone can get a party started, but no one keeps it going like Fat Tony, the energy never dips and what a life he's lived.. He's a tosser but we still love him.' ELTON JOHN & DAVID FURNISH \_\_\_\_\_ DJ Fat Tony has been described as 'the closest thing that club culture has to a national treasure' and the 'unlikely cult hero of quarantine'. Few people have crammed so many lives into one: when your first line of cocaine is aged 16 with Freddie Mercury, where do you go from there? I Don't Take Requests is Fat Tony's breathtakingly candid and outrageous memoir of a life of extremes. From his childhood on an estate in Battersea where he honed his petty criminality, was abused by an older man and made friends with Boy George, to his teenage years spent parading the Kings Road in his latest (stolen) clobber, working as a receptionist for a prostitute, hanging out with Leigh Bowery and Sue Tilley and creating his drag persona, to his life as DJ to the stars and his spiral into serious drug addiction. Now, he is 16 years sober and, alongside working to help others overcome addiction, DJing for everyone from Elton John to Louis Vuitton and the Beckhams - and running one of lockdown's most popular Instagram accounts with its wickedly funny memes. It is all here in horrifying, glorious, heart-breaking detail.

\_\_\_\_\_ 'Whenever we host a party, Tony is our first port of call. He'll have everyone dancing, guarantee great memories, and the stories he tells... Just don't f\*\*\*\*\*g ask for any requests!' DAVID & VICTORIA BECKHAM 'There is nobody in London, let alone the world who has lived a more extraordinary life... his journey from villain to real life hero is one of the most beautiful examples of humanity I have ever witnessed. I wouldn't be without this c\*nt.' KELLY OSBOURNE 'Hearing Tony's story is brutal and shocking. He is nothing short of a miracle and his willingness to be of service to others seeking sobriety is testament to how far he has come from the days of pulling his own teeth out.' MARC JACOBS

**Escape Anxiety** Suzanne Jessee, 2015-02 Forty million Americans suffer from anxiety disorders. Hospitalized at age thirty with severe anxiety disorders and depression, Suzanne Jessee was determined to overcome the mental paralysis and addictive behaviors that ruled her life. Not only did she personally triumph over these debilitating disorders, but she set out

to study and work in the world's leading treatment centers where she helped thousands of patients to recover from severe anxiety. Accompanied by a PBS special, *Escape Anxiety: 8 Steps to Freedom through Meditative Therapies* explains the causes and symptoms of these complicated and often misunderstood medical disorders and offers a path to recovery through Jesse's revolutionary 8-Step Escape Anxiety treatment program. Designed to provide natural techniques to manage anxiety, each step to healing includes exercises and a specially designed script for a guided meditation based on her innovative methods of Neurogenesis Meditative Therapy TM (NMT). By combining proven therapeutic techniques of Cognitive Behavioral Therapy with ancient mindfulness practices, NMT empowers anxiety sufferers by liberating them from unhealthy "thought myths" to help them create sustainable, life-changing habits. Backed by recent scientific proof that meditation has a transformative effect on the physical brain, Suzanne demystifies the practice of meditation and demonstrates its power as a viable alternative to synthetic medications for treating anxiety. After years of experience helping patients at the Betty Ford Center and other clinical settings, and recognition for her success from the top experts in the field, Suzanne Jesses now offers an affordable and accessible in-home treatment program to heal those who suffer from the devastating effects of anxiety disorders.

**The Trouble with Africa** Vic Guhrs, 2012-09-28 German-born artist Vic Guhrs came to Africa at the age of twenty-two to fulfil his boyhood dream of a life in wild places among wild animals. He lived for twenty-five years in an isolated bush camp in the Luangwa Valley in Zambia and knows that, despite its paradoxes and its mysteries, he can never leave Africa. The trouble with Africa, he says, is that once it is in your blood, like malaria, it is almost impossible to get rid of. And the trouble with Africa is also the trouble with those of us who settle here: as long as we insist on judging it from a Western perspective, we will be the outsiders - we will be forever baffled by it. The complexities of African attitudes that seem to confound us are perhaps not so complex after all; it is their very simplicity that we fail to understand. On the road to our civilised enlightenment have we lost the ability to see life in its most fundamental essence?

*I Pucking Love You* Pippa Grant, 2021-04-08 You know those stories where an adorably misunderstood clumsy girl needs a fake date to a wedding so she asks her brother's best friend and they accidentally fall in love? I wish that was the kind of life I lead, but it's not. I don't need a date to a wedding. I need a date to a funeral. Clumsy sometimes fits, but then, that's true for all of us, right? But adorable? No. Misunderstood? Nope again. I'm just your average girl, standing in front of a funeral invitation, asking it to be a winning lottery ticket instead. And I don't have a brother, or a best friend with a brother available, which means I'm stuck with Tyler Jaeger. Sure, he's a professional hockey player who also knows advanced calculus, but let's say we're not compatible and leave it at that. I should know. I am a matchmaker. Not a very good one, but that's beside the point. I know a mismatch when I see one. Still, Tyler's what I've got, and I am not going to this funeral solo, so he's what I'll take. After all-what could go wrong at a funeral? *I Pucking Love You* is a hilariously wrong romantic comedy about the world's worst matchmaker, a hockey player with a problem he doesn't want to talk about, and an awkward date-of-convenience that everyone would prefer to forget. It comes complete with a cat working his way through his nine lives, all the sexy times, fish and chips, and a swoony happily-ever-after.

**Handstands In The Dark** Janey Godley, 2011-11-30 Brought up amid near-Dickensian squalour in the tough East End of Glasgow and sexually abused by her uncle, Janey married into a Glasgow criminal family as a teenager, then found herself having to cope with the murder of her mother, violence, religious sectarianism, abject poverty and a frightening family of in-

laws. First-hand, Janey saw the gangland violence and met extraordinary characters within an enclosed and seldom-revealed Glasgow underworld - from the grim and far-from-Swinging 60s, to the discos of the 70s, to the tidal wave of heroin addiction which swept through and engulfed Glasgow's East End during the 1980s. This evocative, intimate and moving portrayal of a woman forced to fight every day for her family's future will strike a chord with anyone who has ever struggled against adversity.

**No Way, Not Me** Jo Anne Franz,2010-07-07

The Way to Baghdad Zaid Mahir,2011-05-25 The story begins in the historical city of Samarra, where Zaid Mahir, the narrator, says goodbye to his 83-year-old father and heads to Baghdad, where he left his wife and daughter of 15 months. The familiar route inspires the narrators reminiscences and verse comforts he was used to in his constant travel between the two cities. But the succession of memories, cast against the backdrop of serene countryside, is interrupted, and the peace and safety of Zaid and his driver are challenged, when an American marine force intercepts and occupies the highway. Baghdad is still twenty kilometers away. Nearly taken captive by the new arrivals, he manages to communicate well enough in English to convince the soldiers he should be allowed to continue his journey. Though danger looms, the memory of his daughters recent birthday party, and her favorite teddy bear, gives him the drive he needs to keep trying to get home. By the time he is re-united with his family, Baghdad has turned into a ghostly city waiting for redemption in the dark.

**Ancient Greece, Modern Psyche** Virginia Beane Rutter,Thomas Singer,2015-04-10 Between ancient Greece and modern psyche lies a divide of not only three thousand years, but two cultures that are worlds apart in art, technology, economics and the accelerating flood of historical events. This unique collection of essays from an international selection of contributors offers compelling evidence for the natural connection and relevance of ancient myth to contemporary psyche, and emerges from the second 'Ancient Greece, Modern Psyche' conference held in Santorini, Greece, in 2012. This volume is a powerful homecoming for those seeking a living connection between the psyche of the ancients and our modern psyche. This book looks at eternal themes such as love, beauty, death, suicide, dreams, ancient Greek myths, the Homeric heroes and the stories of Demeter, Persephone, Apollo and Hermes as they connect with themes of the modern psyche. The contributors propose that that the link between them lies in the underlying archetypal patterns of human behaviour, emotion, image, thought, and memory. Ancient Greece, Modern Psyche: Archetypes Evolving makes clear that an essential part of deciphering our dilemmas resides in a familiarity with Western civilization's oldest stories about our origins, our suffering, and the meaning or meaninglessness in life. It will be of great interest to Jungian psychotherapists, academics and students as well as scholars of classics and mythology.

At the Feet of a Himalayan Master Volume 3 Prakash Keshavia,2013-08-07 This volume has five contributors, of diverse nationalities and backgrounds, but who share a common bond of great reverence and love for the Himalayan Master, Swami

Rama. They approached him at different times, for different reasons and with different aspirations. Despite these differences in age, background, temperament and nationality, they found in Swami Rama a true friend, profound philosopher and compassionate guide. The differences in the narrators and their narratives serve an important purpose-the opportunity to view Swami Rama from many different perspectives from which one can try to construct for oneself a composite portrait of Seami Rama, the multi-faceted phenomenon who graced our lives.
