[The Sad Bastard Cookbook](#) Zilla Novikov, Rachel A. Rosen, 2023-07-23 Life is hard. Some days are at the absolute limit of what we can manage. Some days are worse than that. Eating—picking a meal, making it, putting it into your facehole—can feel like an insurmountable challenge. We wrote this cookbook to share our coping strategies. It has recipes to make when you've worked a 16-hour day, when you can't stop crying and you don't know why, when you accidentally woke up an Eldritch abomination at the bottom of the ocean. But most of all, this cookbook exists to help sad bastards like us feel a little less alone at mealtimes. The Sad Bastard Cookbook is funny, realistic, and kind. It's vegetarian/vegan. It's a community-built project. And the e-book is free on the Night Beats website. It's hard to survive late capitalism and we want to help.

Comfort Eating with Nick Cave Automne Zingg, 2016 Poor Nick Cave. He's sitting all alone, eating frosting with a spoon. When despair and deception come a-knockin' at your door, get a giant cinnamon roll inside of you. Maybe you shouldn't have let love in, but at least you can let tacos and baked ziti in, too. Cookbook for Revenge Gilbert-Alan Sanchez, 2022-07-19 After working in the hospitality industry all his life, Aaron had seen and endured so much abuse of power and people that the pleasure the industry used to give to him was gone and replaced with anger and resentment. What he thought he could never do finally happened. His fantasies of getting revenge finally came to the surface, and he decided to create a cookbook of recipes—recipes for revenge. Like any good chef, he practiced his craft, making each person suffer more and more each time, seeing the fear in their eyes before executing the recipes he created just for them. Aaron does something that most can only dream of doing—he gets revenge on those that deserve it. Keep your eyes open and your head on a swivel because someday, it will be your time. You know who you are. Aaron will be the creator of the recipes that you will be a part of, and there is no second chance with him.

The Settler's Cookbook Yasmin Alibhai-Brown, 2012-07-05 “An unexpected joy of a book . . . it follows an emotional and culinary journey from childhood in pre-independence Uganda to London in the 21st century.”—The Sunday Times Through the personal story of Yasmin Alibhai-Brown's family and the food and recipes they've shared together, *The Settler's Cookbook* tells the history of Indian migration to the UK via East Africa. Her family was part of the mass exodus from India to East Africa during the height of British imperial expansion, fleeing famine and lured by the prospect of prosperity under the empire. In 1972, expelled from Uganda by Idi Amin, they moved to the UK, where Yasmin has made her home with an

Englishman. The food she cooks now combines the traditions and tastes of her family's hybrid history. Here you'll discover how shepherd's pie is much enhanced by sprinkling in some chili, Victoria sponge can be enlivened by saffron and lime, and the addition of ketchup to a curry can be life-changing . . . "Alibhai-Brown paints a lively picture of a community that stayed trapped in old ways until it was too late to change . . . [a] brave book."—The Guardian "For many of us food is the gateway experience into other cultures and lives. Yasmin's personal story intertwined with the foods which mean so much to her touched me deeply. And made me hungry. You can't ask for more."—Gavin Esler, author of *Brexit Without the Bullshit: The Facts on Food, Jobs, Schools, and the NHS* "It's beautifully written, as you would expect, and utterly fascinating. There are some wonderful dishes here too."—Tribune

Cherish Anne Shooter, 2018-02-08 'Sesame & Spice is an absolute treat; full of warmth and generosity, and so many recipes I want to cook, that I've been headily immoderate with my post-it notes!' Nigella Lawson 'If you're a fan of Ottolenghi and Sabrina Ghayour, you'll love this' BBC Good Food magazine The recipes in *Cherish* are the food that Anne Shooter cooks for her family - the cookbook that her daughters wanted her to write. Full of love and generosity, the recipes are a delicious array of flavours from the Middle East, Eastern Europe and Jerusalem. They come from Anne's Jewish background and the times her family and friends come together to eat, celebrate and feast. With the same warm, home-style cooking of Sabrina Ghayour's *Persiana*, Olia Hercules' *Mamushka* and Emma Spitzer's *Fress*, Anne will open up a world of bold flavours but simple ingredients. Recipes that you will want to cook over and over again. 'Every Friday, like my mum and my grandma, and her mother before her, I cook a delicious, comforting dinner for my family and friends. My recipes come from my Jewish roots, but I have written them for the modern table, drawing from the street foods of Tel Aviv to all the Jewish communities around the world to the meals my family have now made their own. I cook these recipes whenever we have friends or family over - a weekday one-tray supper of chicken, aubergine and bulghar wheat, a Sunday lunch of lamb shanks with apricots or roasted peppers with chickpeas, quinoa & feta for a vibrant dinner I can turn around a veritable feast of a dinner in a couple of hours because these recipes are tried and tested by generations of cooks before me, recipes I will be passing on to my daughters for their own families one day, I hope, and that you will to yours. This is indeed a book inspired by my Jewish roots, but above all, it is a book of food to make for people you love.'

The Secrets of Baking Sherry Yard, 2003 Describes the process of creating sophisticated and delicious desserts, presenting a series of recipes for chocolate sauce, lemon curd, and pound cake, along with tips on transforming these basics into delectable treats.

Rebel Canners Cookbook Tammy McNeill, 2018-10-10 This book is NOT a how to can book; instead, a collection of recipes that keep well after canning. Rebel Canning is the long-time passion practiced by the Author's family. Rebel Canners place a high priority on using time-honored methods. They believe firmly in maintaining family traditions and social customs

from around the world. In this book, there are methods and recipes used all over the world. Please note that not all countries have the same suggested regulations or processes for preserving food. Rebel Canners respect people of other cultural backgrounds that have been effectively using that different method for generations. Techniques that are different from yours don't necessarily mean they are unsafe or wrong methods to use. They are just different methods than yours. While Rebel Canners recognize there is a need for food safety regulations for industrial canning companies, they also acknowledge during mass production; food may become contaminated, causing the need for a method to be in place for mass recalls. However, in farm to table, many recipes and techniques are proven throughout many generations. These small-scale home canning methods need not be subject to the same regulations and testing as large companies are. Farm to table focuses on natural foods, without the use of chemical additives, and many methods contained in this book have their roots in other countries where laws are not the same as in the USA. Not all canning recipes may fall under the guidelines for the USDA, but they are here to stay for Rebel Canners. Rebel Canners Cookbook, is the private recipe collection of Tammy McNeil. Rebel Canners is the name of the Facebook group that she started a few years ago. Rebel Canners believe that not every canning recipe has to be approved by the USDA to be safe; thus, the reason they say Welcome To The Darkside. The practice is to preserve time-honored methods that are tried and true. Around the world, people know Tammy McNeill as a canning expert and educator dedicated to guiding others in canning. In this book lies many of her secrets!

He takes us on a trip to the shopping malls and theme parks and enviromental hazards that lie just around the chronological corner, introducing us to a gang of misfits and losers struggling to survive in an increasingly haywire world. Bizarre but familiar, fierce but always humane, these are stunningly original stories by a master of the form.
