

# Saral Vastu Shastra English

## Robert E. Svoboda

*Vastu* Robert E. Svoboda,2013-01-21 Robert Svoboda addresses Vāstu, the classical Indian art (or science) of architectural form, in a wholly unique way. Instead of presenting lists of rules and architectural injunctions to which builders and interior designers must scrupulously adhere at all times, he sensitizes the reader to the dynamics of space, alignment, and form in ever-expanding orbits of individual life. In the process of guiding the reader through a series of meditations on the dynamics of space and alignment, Dr. Svoboda enters the realms of classical Indian medicine (Āyurveda) and astrology (Jyotiṣa), which, it turns out, are of the greatest importance to realizing Vāstu and its contours in one's life. Dr. Svoboda allows readers and home builders to understand the complex dynamics of individual, terrestrial, and celestial energetic systems. This leads to a greater awareness of the nature of space and its application to house construction, interior spaces, gardens, one's relationship with the land, and, consequently, one's relationship with oneself.

### **Remedial Vaastushastra** Bhojarāja Dvivedī,2009

*Sahasra Mahavaastu* Narendra Hari Sahasrabuddhe,DR N. H. SAHASRABUDDHE SAHASRABUDHE (GAUTAMI N.),Gautami N. Sahasrabuddhe,2024-10 Sahasra Mahavaastu tries to evolve a system of Vaastushastra that is concurrent with tradition and does not contain any false, pseudo and use of silly practices that mislead its followers. Vaastu, Yoga, Jyotish (astrology), Sangeet (music) and Ayurveda (ancient Indian medicine) are five sub-branches of oriental science. In modern science the subject of dynamics is explained on the basis of three terms -- rhythm, synchronicity and frequency. This book discusses these as well as the divinesubject of Vaastushastra with the tools of planet-element-deity-direction-energy. The purpose of this book is to alert followers to protect themselves by avoiding false and pseudo practices that are prevalent in the present times. An attempt has been made to make this book a guide so that even a common man will be able to apply the basic remedial measures to protect the self. The author attempts to present Sahasra Mahavaastu as a revolutionary movement in the field of Vaastushastra, to propagate an ancient oriental thought in a modern language of the present world.

**Mayamatam (2 Volumes)** Bruno Dagens,2010-01-01 Motilal Banarsidass, Delhi motilalbanarsidass.com, info@mlbd.co.in The Matamata is a Vastusastra, i.e. a treatise on dwelling, and as such, it deals with all the facets of gods' and men's dwellings, from the choice of the site to the iconography of the temple walls. It contains numerous and precise descriptions of villages and towns as well as of temples, houses, mansions and palaces. It gives indications for the selection of

proper orientation, correct dimensions, and appropriate materials. It intends to be a manual for the architect and a guidebook for the layman. Well thought of by traditional architects (sthapati-s) of South India, the treatise is of great interest at a time when technical traditions, in all fields, are being scrutinized for their possible modern application. The present bilingual edition prepared by Dr Bruno Dagens contains critically edited Sanskrit text which is an improvement over the earlier edition by the same scholar and published as No.40 of Publications de L'Institut Francaisd' Indologie, Pondicherry. The English translation, also published earlier, has now been revised with copious notes. The usefulness of the edition has been further enhanced by adding an analytical table of contents and a comprehensive glossary. In the series of Kalamulasastra early texts on music, namely, Matralaksanam, Dattilam and Brhaddest, have been published. The medieval texts on music, especially, the Sribastamuktavali (No.3 in the series) and the Nartananirnaya (No.17 in the series), bring us up to the 15th and 16th centuries. In the case of architecture, despite the IGNCA's endeavour to publish portions of the Brhatsamhita, the Agni Purana and the Visnudharmottara-Purana, first, this has not been possible. Instead, our scholars were able to complete work first on a late but important text, namely, Silparatnakosa. We hope that the sections on architecture in the Brhatsamhita, the Agni Purana and the Visnudharmottara-Purana which predate the medieval texts, will be published soon, along with revised and re-edited texts of Manasollasa and Aparajitaprcha. The Mayamatam is the fourteenth and fifteenth volume in the Kalamulasastra series of the Indira Gandhi National Centre for the Arts (IGNCA).

**Mayamata** Bruno Dagens,1985-01-01 The Mayamata is a Vastusastra, that is to say a treatise on dwelling and as such, it deals with all the facets of gods temple dwellings, from the choice of a site to the iconography of temple walls. It contains many precise descriptions of villages and towns as of temples, houses, mansions and palaces. It gives indications for the selection of proper orientation, of the right dimension and of appropriate building materials. It intends to be a manual for the architect and a guidebook for the layman. Well thought of by the traditional architects (sthapatis) of South India, this treatise is of interest at a time when technical traditions, in all fields are being scrutinized for their possible modern application. The Mayamata has so far been translated into Tamil and into French. The present English version is based upon the edition, with French translation, previously published by Dr. Bruno Dagens in the Publication Series of the French Institute of Indology (Pondicherry).

**Scientific Approach to Vastu Shastra** Anand Bhardwaj,2013

**Human Pathology** Jana Balaram,2003 As this book is written on a model of answer to question of the important Universities, the reader can be guided well about the important and practical aspects of this subject matter.

**MahaVastu** Vastu Shastri Khushdeep Bansal,2012-02-06 Do you know how your life is being influenced by your building? MahaVastu gives you a systematic 4-Step procedure to evaluate your Home for its Positive and Negative Effects which lead to your successes and failures in all your efforts. Evaluation is followed by Correction and Programming. 16 scientific

Techniques and Remedies are used to correct the Negative effects making No Demolitions in the building. Positive effects, then, are utilized for manifestation of desires. How practical and effective the procedure is, is well depicted in the book through original Case Studies performed by trained MahaVastu experts. MahaVastu is a purer, simpler yet more powerful system of Vastu distilled from 10,000 successful research-based case studies done by Vastushastri Khushdeep Bansal. It offers Happiness, Success, and Fulfilment in life with more Options to incorporate modern architecture and interior-designs.

Remedial Vaastu for Shops, Offices and Industries Dr. N.H. Sahasrabuddhe, Gautami N. Sahasrabuddhe, Vaastu Shastra lays down principles that plan every element of a structure— from the basic shape and size of a building (big or small) to the placement of windows, doors and pieces of furniture. This book shows us how to create a sustainable structure that fosters a harmonious influence on its inhabitants resulting in greater overall positivity, success and comfort. Simple and effective remedies to enhance the surroundings without doing major changes in the existing layouts are discussed in this book. Fulfilling the Vaastu tenets to suit the different patterns of various commercial premises is a challenge but this book gives revolutionary vision to resolve the issue. Remedial Vaastu shares case studies of companies and celebrities and shows how a specific one has been a success or failure in the modern world. Structural issues play an important role in the success and failure of each. These issues are addressed here by applying Vaastu Shastra to rectify them. Self-explanatory diagrams give you better visualization for tackling a problem. Like a ready reckoner this book is a must-have for small shop owners, industries, commercial premises, malls, hospitals and educational institutes.

**Vastu Shastra: for a Healthy, Prosperous and Happy life** Nidhi Jain, Ashish Jain, 2017-05-15 “Vastu Shastra: for a Healthy, Prosperous and Happy life” is an in-depth study of the ancient Indian Science of Vastu Shastra. This book unearths the various Vastu principles and practices of constructing houses, buildings or workplaces in such a way that there is a harmonious balance between the structure, the nature and the various energies. This book will help you to: Create homes, buildings or any new structure in compliance with Vastu; Make your existing homes or flats Vastu compliant including decorating the interiors of the house by ensuring placement of various things as per Vastu; Understand ways to help working professionals to make their workplaces Vastu compliant. This book is a one stop shop as it explains in simple words the various rules and tools for the identification and correction of various Vastu defects. Though very clearly, we want to strongly iterate that Vastu is not a replacement for hard work, it is just that one’s hard work and efforts will be fruitful and yield the desired results if one’s home and workplace are in compliance with Vastu principles.

*Remedies in Astrology* Rina Toki, 2006-01-01

**Interior, Decoration** Kuldeep Saluja, 2007

**The Arthasamgraha of Laugākṣi Bhāskara** A. B. Gajendragadkar, R. D. Karmarkar, 1998-12-31 The Arthasamgraha is profound in contents, scholarly in treatment and simple and lucid in style and language. It condenses great amount of matter

in pregnant language. The author, Laugaksi Bhaskara, about whose personal life sufficient information is not available, probably belonged to the South and Flourished in the 14th-15th century. He wrote the text for beginners and so the language is characterized by simplicity and brevity which are maintained even in the treatment of difficult problems. The work has gained popularity among scholars and beginners both and serves well as a gateway to the system of Purva Mimamsa. The full name of the wok as given by the author in the colophon is Purvamimamsarthasamgraha which means a compendium dealing with the topics of Purva Mimamsa. The present edition comprises the Sanskrit text in Devanagari script and translation into English with profuse notes, explanatory and critical, by Professor Gajendragadkar and Karmarkar, which has proved the best on account of its merits. A new and very useful feature of this reprint is the addition of a detailed and very useful feature of this reprint is the addition of a detailed and very informative Introduction by Dr. Shiv Kumar.

**The Good, the Bad and the Unknown** Raj Tilak Roushan,2020-02-18 While the clock is ticking fast and the city is in a state of shock, how long will it take for Rishi to trace a little girl? Will Rishi be able to give justice to a heartbroken Amol who has lost his married daughter under mysterious circumstances? Where and for what her whole family has vanished from their house one fine night while Radha was away? The truth can often be strange and shocking. Not everyone has the heart to handle it. A collection of short stories, The Good, the Bad and the Unknown takes the reader into the minds of criminals and police officers. Gripping and unputdownable in its storytelling, the collection depicts not only the seedy underbelly of our society but also tries to show what motives people around us and people like us have to take up a life of crime. All the characters in the stories-be it the grandmother who finds a dead body in her house or the farmer whose crops are burnt down or even a petty thief-have layers to their personalities, where truth and fiction can barely be discerned. Each story portrays various shades of human behaviour-guilt, rage, love, greed, vengeance and fear-and offers many versions of the truth; the protagonist(s) and even the readers have to rely on their wits to make sense of this twisted world around them. The Good, the Bad and the Unknown has a universal appeal to it as it reflects the unravelling of the deepest and darkest human emotions through the most unlikely of characters.

**Mriga Pakshi Shastra** Hamsadeva,Nalini Sādhale,2008 Sanskrit text with English translation.

**The Sikhs** Patwant Singh,2007-12-18 Five hundred years ago, Guru Nanak founded the Sikh faith in India. The Sikhs defied the caste system; rejected the authority of Hindu priests; forbade magic and idolatry; and promoted the equality of men and women -- beliefs that incurred the wrath of both Hindus and Muslims. In the centuries that followed, three of Nanak's nine successors met violent ends, and his people continued to battle hostile regimes. The conflict has raged into our own time: in 1984 the Golden Temple of Amritsar -- the holy shrine of the Sikhs--was destroyed by the Indian Army. In retaliation, Sikh bodyguards assassinated Prime Minister Indira Gandhi. Now, Patwant Singh gives us the compelling story of

the Sikhs -- their origins, traditions and beliefs, and more recent history. He shows how a movement based on tenets of compassion and humaneness transformed itself, of necessity, into a community that values bravery and military prowess as well as spirituality. We learn how Gobind Singh, the tenth and last Guru, welded the Sikhs into a brotherhood, with each man bearing the surname Singh, or Lion, and abiding by a distinctive code of dress and conduct. He tells of Banda the Brave's daring conquests, which sowed the seeds of a Sikh state, and how the enlightened ruler Ranjit Singh fulfilled this promise by founding a Sikh empire. The author examines how, through the centuries, the Sikh soldier became an exemplar of discipline and courage and explains how Sikhs -- now numbering nearly 20 million worldwide -- have come to be known for their commitment to education, their business acumen, and their enterprising spirit. Finally, Singh concludes that it would be a grave error to alienate an energetic and vital community like the Sikhs if modern India is to realize its full potential. He urges India's leaders to learn from the past and to honour the social contract with Indians of every background and persuasion.

*Remedial Vaastu for Homes* Narendra Hari Sahasrabuddhe, Janhavi N. Sahasrabuddhe, O. P. Ghai, 2012-01-01

**The Monk as Man** Samkara, Śaṅkara, 2011 An intimate portrait of the little-known aspects of Swami Vivekananda's life. Wandering mystic, India's spiritual ambassador to the West and founder of the Ramakrishna Mission, Swami Vivekananda awakened India's masses to the country's spiritual richness while stressing the importance of scientific inquiry. These aspects of Swamiji's life have been well chronicled by Swamiji himself, through his letters, speeches and writings; his own brothers who between them have written more than a hundred books; his co-disciples, disciples and others whose lives were enriched by their interactions with him; and, more than a century after his death, followers who had only read or heard of the magnetic personality of this revered teacher. Gleaned from all these sources, through painstaking research Sankar's biography focuses on the personal life of the saint: What was Vivekananda like as a man? What role did his mother play in his life, both before and after he renounced all family ties? Could he reconcile the duties of a monk with the duties of an eldest son? What prompted him to promote Vedanta and biriyani in the West? Did the long drawn battles over family property affect his health and cut short his life? Did his sister commit suicide? Why did his brother not write a single letter for six years when he was wandering around the world? What was Swamiji's favourite dish and what fruit did he like the least? What was his height? Where did he have his second heart attack? How much did the Calcutta doctor charge him at his chamber? Sankar's composite picture of the monk as man has sold over one lakh copies in Bengali and this translation brings the unfamiliar Vivekananda to a larger readership.

**The Complete Guide to Crystal Astrology** Marina Costelloe, 2012-08-01 You almost certainly know your personal zodiac sign which is based upon the position of the sun at your birth. But did you know that each of these signs is composed of 30 different degrees each representing a different energy or character shape? The Complete Guide to Crystal Astrology assigns a crystal element to each of the 360 degrees of the zodiac. This is the base for a very individual association between

the stars of your birth and crystals. Look up which of the 360 crystal elements can be associated to the position of the sun at your birthday. Translate your whole birth chart into crystals by looking up which ones are associated to the different planets at your birth. Find out how your personal crystal elements are connected to numerology, Marc Edmund Jones key words, Sabian symbols and Jane Ridder-Patrick healing body points. Discover the message of crystals about your life path, your hidden and aware abilities.

*Remedies of Astrological Science* Tilak Raj, Very often it is asked as to what is the use of astrology? Can the malefic result of planets be glozed? Suppose a man starts from home with an umbrella if he knows that it will rain today. He cannot prevent the rain but he can save himself to some extent with the umbrella. Likewise, we try to lessen the malefic effect of the harmful planets by Tantra, Mantra, Yantras, gems, worship or Jap if we know by Astrology that the period ahead is not auspicious. Different methods of remedies have been mentioned in this book. Learned astrologers prescribe various remedies to curb evil effects of planets. Some scholars advise to wear gems while others prescribe mantras. There are scholars who stress on Yantra-pooja or wearing Rudraksha. Some of them go for propitiating planets or for that matter tantrik remedies. This book explains that one should seek remedies for which planets and what type of remedies should be prescribed. Lal Kitab remedies have also been discussed in this book. One form of remedy can be to worship the planets by chanting their mantras. Recommendation of establishing Navgrah yantras is also very popular. The objective of establishing important yantras is also mentioned in this book. Those who do not know the mantras of planets they can learn the important mantra of concerned from this book. If a planet is strongly placed in ones chart in that case the benefic effects of that planet can be multiplied by wearing its gem. This books also helps in selecting the appropriate gem for the native. Method of wearing gem has also been explained. This book in one of its chapters talks about the use of rare tantric items. In next chapter one can read about the healing touch of Rudraksha. In chapter no. 8 and 9 the remedies for the rectification of malefic influence of sadhesati and Kalsarpayoga are discussed. In concluding chapters the contemplation of God and worship of deities related to planets is discussed.
