A Brightness Long Ago Guy Gavriel Kay,2019-05-14 International bestselling author Guy Gavriel Kay's latest work is set in a world evoking early Renaissance Italy and offers an extraordinary cast of characters whose lives come together through destiny, love, and ambition. In a chamber overlooking the nighttime waterways of a maritime city, a man looks back on his youth and the people who shaped his life. Danio Cerra's intelligence won him entry to a renowned school even though he was only the son of a tailor. He took service at the court of a ruling count—and soon learned why that man was known as the Beast. Danio's fate changed the moment he saw and recognized Adria Ripoli as she entered the count's chambers one

autumn night—intending to kill. Born to power, Adria had chosen, instead of a life of comfort, one of danger—and freedom. Which is how she encounters Danio in a perilous time and place. Vivid figures share the unfolding story. Among them: a healer determined to defy her expected lot; a charming, frivolous son of immense wealth; a powerful religious leader more decadent than devout; and, affecting all these lives and many more, two larger-than-life mercenary commanders, lifelong adversaries, whose rivalry puts a world in the balance. A Brightness Long Ago offers both compelling drama and deeply moving reflections on the nature of memory, the choices we make in life, and the role played by the turning of Fortune's wheel.

The Dragon's Path Daniel Abraham, 2011-04-07 Everything I look for in a fantasy. -- George R. R. Martin All paths lead to war. . . Marcus' hero days are behind him. He knows too well that even the smallest war still means somebody's death. When his men are impressed into a doomed army, staying out of a battle he wants no part of requires some unorthodox steps. Cithrin is an orphan, ward of a banking house. Her job is to smuggle a nation's wealth across a war zone, hiding the gold from both sides. She knows the secret life of commerce like a second language, but the strategies of trade will not defend her from swords. Geder, sole scion of a noble house, has more interest in philosophy than in swordplay. A poor excuse for a soldier, he is a pawn in these games. No one can predict what he will become. Falling pebbles can start a landslide. A spat between the Free Cities and the Severed Throne is spiraling out of control. A new player rises from the depths of history, fanning the flames that will sweep the entire region onto The Dragon's Path -- the path to war. The Lost City of Ithos John Bierce, 2020-09-04 Half a millennium ago, the sphinx Kanderon Crux and her allies banished the city of Imperial Ithos from the world of Anastis, in a desperate attempt to defeat the Ithonian Empire. Her dread weapon, the Exile Splinter, even erased the memory of its location from the universe. Now it's returning, bringing the Exile Splinter back with it. The great powers of the continent are desperately hunting for the site of the lost city, knowledge lost even to Kanderon herself. None know what ancient Ithonian weapons and enchantments might still be found in the ruins, but even the Exile Splinter alone would be a prize justifying war. Hugh and his friends find themselves dragged along on the search, where they'll face enemy warlocks, sea monsters, liches, unnatural storms, and even a man-eating tiger. There's something they're not being told about the lost city, however. Something that has even Kanderon and the other great powers terrified.
