Pseudo-Coordination and Multiple Agreement Constructions Giuliana Giusti, Vincenzo Nicolò Di Caro, Daniel Ross, 2022-03-16 Verbal Pseudo-Coordination (as in English 'go and get') has been described for a number of individual languages, but this is the first edited volume to emphasize this topic from a comparative perspective, and in connection to Multiple Agreement Constructions more generally. The chapters include detailed analyses of Romance, Germanic, Slavic and other languages. These contributions show important cross-linguistic similarities in these constructions, as well as their diversity, providing insights into areas such as the morphology-syntax and syntax-semantics interfaces, dialectal variation and language contact. This volume establishes Pseudo-Coordination as a descriptively important and theoretically challenging cross-linguistic phenomenon among Multiple Agreement Constructions and will be of interest to specialists in individual languages as well as typologists and theoreticians, serving as a foundation to promote continued research.

A Reference Guide for English Studies Michael J. Marcuse, 1990-01-01 This ambitious undertaking is designed to acquaint students, teachers, and researchers with reference sources in any branch of English studies, which Marcuse defines as all those subjects and lines of critical and scholarly inquiry presently pursued by members of university departments of English language and literature." Within each of 24 major sections, Marcuse lists and annotates bibliographies, guides, reviews of research, encyclopedias, dictionaries, journals, and reference histories. The annotations and various indexes are models of clarity and usefulness, and cross references are liberally supplied where appropriate. Although cost-conscious librarians will probably consider the several other excellent literary bibliographies in print, such as James L. Harner's *Literary Research Guide* (Modern Language Assn. of America, 1989), larger academic libraries will want Marcuse's volume.-- Jack Bales, *Mary Washington Coll. Lib., Fredericksburg, Va. -Library Journal*.
