*A Dictionary of the Underworld* Eric Partridge, 2015-06-12 First published in 1949 (this edition in 1968), this book is a dictionary of the past, exploring the language of the criminal and near-criminal worlds. It includes entries from Australia, New Zealand, Canada and South Africa, as well as from Britain and America and offers a fascinating and unique study of language. The book provides an invaluable insight into social history, with the British vocabulary dating back to the 16th century and the American to the late 18th century. Each entry comes complete with the approximate date of origin, the etymology for each word, and a note of the milieu in which the expression arose.

**The Selected Works of Eric Partridge** Eric Partridge, 2021-07-14 This set reissues important selected works by Eric Partridge, covering the period from 1933 to 1968. Together, the books look at many and diverse aspects of language, focusing in particular on English. Included in the collection are a variety of insightful dictionaries and reference works that showcase some of Partridge's best work. The books are creative, as well as practical, and will provide enjoyable reading for both scholars and the more general reader, who has an interest in language and linguistics.

*The Sniper and the Wolf* Scott McEwen, Thomas Koloniar, 2016-01-26 Hot on the trail of 'The Wolf,' a rogue Russian military sniper-turned-Chechen-terrorist, Gil Shannon turns from hunter to hunted when his mission is exposed by a traitor high up in US government. Shannon must turn to an unlikely ally--a deadly Russian special operative--to help even the odds. But when they discover that 'The Wolf' is just the tip of a global terrorist plot whose goal is to upend the US economy and the stability of the Western world, Shannon and his team of operatives must track the terrorists down before their plan comes to fruition--

Artful Dodger Zoe Dawson, 2020-11-07 Petty Officer Oliver "Artful Dodger" Graham heads with the team to Prague, the capital of the Czech Republic to apprehend the financier of their failed terrorist target Muhammad Angar Said. But on a routine recon of the city, he discovers a hooker that looks suspiciously like Mad Max's baby sister, Anna Keegan. Once he follows her all hell breaks loose. Dodger has been trying with all his might to stay away from the tantalizing beauty. In the past he'd turned his life upside down for a woman and that left him alone and jobless, in the US once she cheated on him with another guy. Years later, the scars of that failed romance haunt him still. Now he's more intent on getting to the bottom of this interesting intrigue while still trying to maintain the status quo. The trouble is Anna is always maddeningly

unpredictable. Anna Keegan finds herself in some hot water in a foreign city without backup. After discovering an ominous plot that would have devastating consequences for the US, Anna must pull out all the stops to neutralize the threat. But on the way to diffusing the situation, she runs into overprotective Dodger and he insists on staying with her and helping her to clear her name. As they work to discover all the clues to eliminating the danger, they stumble onto an even bigger and more dire plan that will take them to major cities and across continents in a desperate attempt to save lives. Anna and Dodger fight their attraction in the midst of all the peril, but can they allow themselves to be overtaken by passion when so much is at stake?

**Chaos and Rage** Frank Tinsman,2009-03-01 A band of 10 shooters and looters bulldozes its way inside the Compumercobrs facility, hammering down thunder on the entire security guard staff. The chaos unfolds fast and hard, with SWAT teams, rocket launchers, rampant use of high explosives, and enough twists and turns to cause whiplash.

A Pipe Hitter's Guide to Crushing the Coming Societal Breakdown Nicholas Orr,2020-10-30 All a person has to do is pay attention to what is happening in the world around them. The United States of America, and possibly the entire world, is heading for a disaster of epic proportions. Few intellectually honest people do not believe we are headed for a societal breakdown of some sort. The big question is; What are you going to do about it? You can sit back and allow circumstances to roll over you OR you can prepare yourself, your family, and your community to CRUSH the coming breakdown. We enlist the advice of a seasoned Pipe Hitter, a person willing to go to great lengths to get the job done. Will you take the time to listen? Will you be prepared to crush whatever crisis comes your way? Topics Include: Crushing Food Prep, Fighting Guns, Tribes, Fortifications and Fire Bases, Team Tactics and more. Topics Include: Crushing Food Prep, Team Tactics, Choosing the Right Firearm, Traumatic Medicine and Blow Out Kits, Tribes, Fortifications and Fire Bases, and more.

**Identity** C. Carl Roberts,2012-04-18 Private investigators John Travers and Wally Karpinski are best friends and business partners. For years, they have eked out an existence in Washington, DC, running down cheating spouses, installing security systems, and dragging deadbeat fathers into court. Known as crude, unconventional, and quirky, Travers and Karpinski exasperate local law enforcement officials with their competence. But everything is about to change when a shy, nervous young man shows up in their office. When client Terrence McCoy discovers that there are two different birth certificates with his name on them, he asks the detectives to help him uncover his true identity. Because business is slow, the investigators reluctantly agree. They soon realize that a resolution will be neither easy nor quick when the case takes a startling turn. They consult their friend, Detective Oscar Demotta, for assistance, and he refers them to several unsolved cases involving dead young women and missing babies. As a favor to Demotta, Travers and Karpinski delve into the missing children cases

and suddenly find themselves embroiled in a grim set of dangerous circumstances. In this complex mystery tale, two private investigators must rely on the help of an eclectic group of characters as they investigate a bewildering scheme powered by money and twisted morality. ccarlroberts.com

**This Will All Be Over Soon** Cecily Strong,2022-08-09 A powerful memoir from the Saturday Night Live cast member Cecily Strong about grieving the death of her cousin—and embracing the life-affirming lessons he taught her—amid the coronavirus pandemic. Cecily Strong had a special bond with her cousin Owen. And so she was devastated when, in early 2020, he passed away at age thirty from the brain cancer glioblastoma. Before Strong could attempt to process her grief, another tragedy struck: the coronavirus pandemic. Following a few harrowing weeks in the virus epicenter of New York City, Strong relocated to an isolated house in the woods upstate. Here, trying to make sense of Owen’s death and the upended world, she spent much of the ensuing months writing. The result is *This Will All Be Over Soon*—a raw, unflinching memoir about loss, love, laughter, and hope. Befitting the time-warped year of 2020, the diary-like approach deftly weaves together the present and the past. Strong chronicles the challenges of beginning a relationship during the pandemic and the fear when her new boyfriend contracts COVID. She describes the pain of losing her friend and longtime Saturday Night Live staff member Hal Willner to the virus. She reflects on formative events from her life, including how her high school expulsion led to her pursuing a career in theater and, years later, landing at SNL. Yet the heart of the book is Owen. Strong offers a poignant account of her cousin’s life, both before and after his diagnosis. Inspired by his unshakable positivity and the valuable lessons he taught her, she has written a book that—as indicated by its title—serves as a moving reminder: whatever challenges life might throw one’s way, they will be over soon. And so will life. So make sure to appreciate every day and don’t take a second of it for granted.

**Cold Blood** Theresa Monsour,2004-05-11 From the author of *Clean Cut* comes a suspenseful sequel to the Paris Murphy series. Justice Trip is a hero. While helping volunteers search for a missing bridesmaid, he found a grisly clue: her finger. Now he’s enjoying his 15 minutes of fame. When homicide detective Paris Murphy sees the tall, awkward Trip on television, she senses that he’s not the concerned citizen he’s pretending to be. And when she remembers that she and Trip share a past, the danger becomes all too clear. Trip is a man on a search for justice. And killing Paris will help him find it.

*Flicker & Burn* T.M. Goeglein,2013-08-20 Sara Jane Rispoli is still searching for her missing family, but instead of fighting off a turncoat uncle and crooked cops, this time she finds herself on the run from creepy beings with red, pulsing eyes and pale white skin chasing her through the streets in ice cream trucks; they can only be described as Ice Cream Creatures. They're terrifying and hell bent on killing her, but they're also a link to her family, a clue to where they might be

and who has them. While she battles these new pursuers, she's also discovering more about her own cold fury and more about the Chicago Outfit, how the past misdeeds--old murders and vendettas--might just be connected to her present and the disappearance of her family. But connecting the dots is tough and time-consuming and may finally be the undoing of her relationship with the handsome Max--who's now her boyfriend. But for his own safety, Sara Jane may have to end this relationship before it even really starts. Her pursuers who've shown her her mother's amputated finger and the head of the Chicago Outfit who's just whistled her in for a sit-down make a romance unthinkable. The only thing that matters is finding her family and keeping everyone she loves alive.

*Pack Men* Alan Bissett,2011-09-01 'That's why aw this-' Cage lifts his lager can, sweeps it round 180 degrees. '-means so much tay a man.' The crowd stamps and claps, a hundred and fifty thousand voices blending into one. In 2008 Glasgow Rangers FC reached a major European final. It was held in Manchester, a short hop from Scotland into England. Cue a colossal invasion: the largest movement of Scots over the border in history and the first time in hundreds of years that an English city was taken over. Chaos reigned. Pack Men is the fictional story of three pals and one child trapped inside this powderkeg. In a city rocking with beer, brotherhood and sectarianism, the boys struggle to hold onto their friendship, as they

turn on each other and the police turn on them. And somehow one of them has to disclose a secret which he knows the others won't want to hear... With this novel, one of Scotland's leading young writers has created a scuffed comedy about male un-bonding and Britain unravelling.

**Smoke** Darcy Woods, 2021-06-15 What lines would you cross to save someone you love? Filled with the kinds of impossible choices that made the TV show Weeds such a hit, this compelling drama asks to what lengths an avid rule-follower will go in order to save her family--and the answer involves growing in surprising directions. Sixteen-year-old Honor Augustine never set out to become a felon. As an academic all-star, avid recycler, and dedicated daughter to her PTSD-afflicted father, she's always been the literal embodiment of her name. Coloring inside the lines is what keeps Honor's chaotic existence orderly. But when she discovers her father's VA benefits drying up, coupled with a terrifying bank letter threatening the family's greenhouse business--Honor vows to find a solution. She just doesn't expect to spot it on the dry erase board of English lit--Nature's first green is gold. The quote by Frost becomes the seed of an idea. An idea that--with patience and care--could germinate into a means of survival. Maybe marijuana could be more than the medicinal plant that helps quiet her father's demons. Maybe, it could save them all.
