**Valuation and Sale of Residential Property** David Mackmin,2013-10-11 Valuation and Sale of Residential Property is aimed at all those studying for a qualification or already practising as residential valuers, surveyors and estate agents. It

provides valuable information on all elements of the home sales process, enabling professionals to give advice on market value, the best means for sale, condition and financial arrangements. Topics covered include: determinants of value and provision of the valuation agency, auction and taking instructions mortgage valuation and survey legal process and types of tenure investment and return. The author considers these topics against a background of wide legislative change and draws on the standard guidelines set down by the RICS and NAEA. This third edition, written at a time of rapid change in the home-selling market, details the processes and procedures for dealing with this ever-evolving market. Whatever your level of seniority, this book will help you stay ahead of the game and present sound advice to clients at any stage of the process.

**European Valuation Practice** A. Adair, M.L. Downie, S. McGreal, G. Vos, 2013-03-07 The variability of valuation practice within Europe is perceived as a problem within the globalization of property. This edited textbook examines the practice of real estate valuation in selected countries in Europe. The focus is on countries with well developed real estate markets in which both international and indigenous investors are active. The book is aimed at real estate professionals, financiers, institutional advisers, property researchers and students who require a greater understanding of comparative property appraisal techniques applied across Europe.

*Law of Estate Agency* John Murdoch, 2014-02-25 Since its first publication in 1975, John Murdoch's Law of Estate Agency has been the leading work on this important subject. This new fifth edition offers authoritative guidance on all recent legal developments, both legislative and in the courts, of concern to practising estate agents. Judicial decisions on such matters as commission claims and liability for misdescription are of great concern to practitioners, as is the increasing tendency of clients to defend an action for fees by claiming that the agent's terms of business contravene consumer protection rules inspired by the EU. These developments, and many more, are given expert coverage.

**Buying Property For Dummies** Karin Derkley, 2011-09-19 Created especially for the Australian customer! Learn to: Find the perfect property for you Finance your dream Choose from an established home, brand-new property or a 'fixer-upper' Get your foot on the property ladder! Open the book and find: Strategies for getting your deposit together Pros and cons of buying a period home What's involved with becoming an owner-builder Pitfalls to consider when buying 'off the plan' How to secure a home loan if you're self-employed Tactics to beat the auctioneers at their own game Unearth your dream home and negotiate the mortgage maze Do you search property websites, wondering whether a particular property could be your dream home? Do you feel like you're wasting money on rent but are confused by the world of real estate — and real estate agents? Relax! This practical guide covers all aspects of buying property, from buying a piece of history to building from scratch to signing on the dotted line. Work out whether you're ready to buy — find out whether you're ready for the commitment of buying property, financially and psychologically Focus in on the right property for you — determine your 'must haves' and 'like to haves', and whether you'll need to make a trade-off between these and your preferred location

Decide what kind of property you want — discover if your best option is to buy off the plan, find an established property or build yourself Deal with property professionals — cut through real estate agent spin and understand how buyers' agents work Find the right finance — choose the home loan that suits you and your finances Negotiate a great deal — move smoothly through the buying and settlement process, whether buying at auction or through private treaty sale

**The Sale of Misattributed Artworks and Antiques at Auction** Anne L. Bandle,2024-11-08 In this thoroughly revised second edition, Anne Laure Bandle explores the process of attribution of artworks and antiques at auction and the commercial directive of auction houses when authenticating art and protecting themselves against misattributions. Bandle provides an extensive study of the phenomenon of ÔsleepersÕ through an in-depth analysis of the contractual relationships, liabilities and remedies that arise in the context of auction sales.
