Abundance Deepak Chopra, M.D., 2022-03-01 An enlightening guide to success, fulfillment, wholeness, and plenty, offering practical advice on how to cultivate a sense of abundance in times of fear and insecurity, from New York Times bestselling author Deepak Chopra “To attain wealth of the lasting kind, the kind that gives your life meaning, value, and sustenance, base your daily existence on the generosity of spirit.”—Deepak Chopra Many of us live and operate from a mindset of lack, scarcity, and limitation. We focus on what we don’t have—financial security, confidence, an intimate relationship—which keeps us feeling insecure and inadequate. We think “if only I could have those things, I could be happy.” But measuring wealth by money or material possessions leaves us feeling drained and spiritually empty. Constantly striving for more often means our ego is driving our thoughts, actions, and reactions, which prevents us from reaching something greater: a true sense of inner peace, acceptance, and fulfillment. Yet, there is an inner path to prosperity and wealth that, once charted and explored, provides access to the great riches of the universe and life’s unbounded possibilities. In *Abundance*, international bestselling author Deepak Chopra illuminates this road to success and wholeness, helping readers tap into a deeper sense of awareness to become agents of change in their own lives. Mixing ancient teachings and spiritual practices with the wisdom he’s garnered over four decades as the leading figure in mind-body medicine, Deepak demonstrates how to transcend self-generated feelings of limitation and fear in order to experience true abundance in all aspects of life. To do so, he offers a seven-step plan along with meditations and mindfulness techniques to help you focus and direct your attention, energy, and intuition so you can experience stability, affluence, insight, creativity, love, and true power.

The Mother's Manual Audrye S. Arbe,2019-08-05 Who am I and where do I come to write this book? Some challenging life situations occur that are vital for us to consider, so I am including some disquieting statistics. Because many women (and men) have refrained from checking within themselves or making an examination on emotional, mental, physical and spiritual planes about having children, hardships have been created, both personally and planetary.

Fruit of the Vine Mark G. Boyer,2017-05-23 *Fruit of the Vine: A Biblical Spirituality of Wine* is designed to help the reader grow in spirituality through reflecting on biblical vineyard stores, wine making, and wine as a metaphor for life. A spirituality of wine--categorized as a spirit--connects the spirit in wine to the universal spirit all share. Wine appeals to all five senses. Its bouquet can be smelled; its complexity, often compared to fruit, can be tasted; its shades of red, designating its body, can be seen as it clings to or quickly runs down the inside of a glass. One can hear the pop as the cork leaves the bottle's neck and the gurgle of the wine leaving the bottle as it is poured into a glass. Wine is a major sign of transformation in the process of growth from blossom, sunlight, and water to grapes, which are in turn broken apart, integrated into a whole, and fermented into alcohol. While the wine is aged, it undergoes even more transformation. People are transformed when they share this already multiple-times-transformed beverage. The vineyard and all it produces can reveal the divine if a person but opens his or her eyes to see.
