Home Plumbing Manual Andy Blackwall,2015 At some point a homeowner will be confronted by their plumbing: a dripping tap, a flood of biblical proportions, a freezing cold house, a new dream bathroom or the latest gas bill. This Haynes Manual covers it all and is bang up-to-date, dealing with real taps that often don't have washers (but still drip) right through to the latest green technologies and gadgets that could save a fortune. Everything is explained in a clear and light-hearted fashion that will leave the reader confident that they can tackle their own plumbing and not have to cross the living room by canoe afterwards

Plumbing 101 Phcc Educational Foundation,2012-04 When you expect simple, straightforward explanations for real-world plumbing scenarios, look no further than PLUMBING 101, 6th EDITION. This book is the first-year title in a four-year series of plumbing apprentice training books developed in partnership with the Plumbing-Heating-Cooling Contractors (PHCC) Educational Foundation. The series takes a spiral approach to address critical plumbing concepts, in which topics are introduced in the first year book, and are revisited in more detail in subsequent books in the series. This is ideal for anyone new to the field, as it mimics the most common learning experience: as plumbing apprentices and professionals gain more field experience, they gain more in-depth knowledge. This first book encompasses both residential and commercial plumbing, with core content centering around basic plumbing principles and codes. Updates to the sixth edition include new sections on brazing safety procedures and water heaters, expanded content on plumbing rough-in practices and career path possibilities, and updates throughout to reflect emerging topics and technology in the plumbing field. The end result is a foundational book for new plumbing apprentices or professionals with more value than ever. Check out our app, DEWALT Mobile Pro™. This free app is a construction calculator with integrated reference materials and access to hundreds of additional calculations as add-ons. To learn more, visit dewalt.com/mobilepro.
