Teach Me What Mama Didn't Know Angela Baker-Ward,2018-09-01 There once lived a little timid girl. She had in her lifetime been abused, neglected, and rejected by many. She was fed and believed the lies that she would never be worth anything to anyone. So she used to consider putting an end to her very existence. That was until one day, she heard about a man named Jesus, a man who loved her more than she could ever imagine. In *Teach Me What Mama Didn't Know*, author Angela Baker-Ward shares an intimate chronicle of her life both before and after she accepted the invitation from Jesus into her heart and asked him to be Lord over her life. It was from that very moment she began to see the dawning of new days filled with love, peace, and joy, and she offers this window into her life so that others may find the healing that only Christ can provide. *Teach Me What Mama Didn't Know* is a perfect book for both individual and group studies. It's a great gift to aid in passing on life instructions to friends and family. For anyone tired of the everyday struggles, for anyone trying to start over, and for anyone leaving behind a life of abuse, *Teach Me What Mama Didn't Know* can lead to you a life full of hope. *Teach Me What Mama Didn't Know* is biblically based, heartfelt advice, some drawn from explicit exploration of painful life experiences spiritually interpreted to transform trauma to triumph. - Dr. Donna, M.D.

Mystic Peter James Ford,2023-10-19 "Mysticism in Newburyport" is a seven-book series revealing ancient secrets from masters of all cultures along with modern-day breakthroughs by scientists and quantum physicists of our times. These tales began flowing after Peter's powerful spiritual awakening in Newburyport, Massachusetts. Newburyport is a quaint little, historic seaport on the coast of Massachusetts heading toward New Hampshire. Peter had been sober in the 12-step recovery program for many years and had recovered from his alcoholism. Peter's love of Nature had brought him to the Newburyport area. This area is rich with Nature's treasures, Native American Heritage, and many tales from the tall cargo ships of olden days. High Street was lined with homes of these Sea Captains. Peter's awakening had given him new eyes and new highly evolved senses. Peter was to have powerful past-life experiences with his Mystery Woman guide named Layne. Layne was a mystic who would tell people things about themselves that there was no way she could know. She would look you in the eyes and tell you your deepest secrets. She also knew about the Earth's electromagnetic grids and helped Peter understand what he was experiencing in Newburyport. Peter's new heightened senses could feel the electromagnet flow of energy and the convergence right below Market Square in Newburyport. Market Square was one of the crossroads for these powerful electromagnet energies that give life to our planet. Peter was to share the secrets that were revealed to him in his writings.

Reflections Peter James Ford,2024-03-27 Peter James Ford, The Unlikely Messenger, is a unique individual with a broad understanding of life from having lived life from many lifestyles. Peter experienced the good, the bad, the ugly, and then an awakening and redemption. His younger years found him struggling with alcoholism and the drugs of the sixties, with having learning disabilities, including attention deficit disorder, and growing up in a violent environment. Peter turned to physical training and motorcycles and found much satisfaction in both. At an early age Peter crawled into the 12-step recovery program a broken man. This was the beginning of Peter's spiritual journey. Over the years, Peter attained the promises of the program and began living a great life. Many years later, Peter was initiated into a yogic path that had begun thousands of years ago by an ancient lineage of Masters. Peter did not realize that his profound spiritual experience at that time was actually a powerful "Kundalini Awakening" within him. Shortly after his awakening, these mystic tales of past lives and powerful wisdom truths began flowing. Peter has just completed his seventh book about his life adventures and spiritual journey. Peter hopes people find something useful in his writings, or at least that they will bring a smile to your face when thinking about Peter, this "Unlikely Messenger."

Shuffled from one foster house to the next, he's learned not to get attached. But when he's sent to live on an Idaho farm, something about the place feels... different. The dense woods whisper his name, and the river hums with something just beneath the surface. Benji knows he doesn't belong—because he's dead. Trapped in the space between, he watches as his parents refuse to give up searching for him. He doesn't remember how he disappeared, only that the woods were the last place he felt alive. And his mother carries a guilt too heavy to bear. If he can uncover the truth, maybe he can finally let go. As Landis is drawn deeper into the trees, he begins to sense someone watching. The forest holds a secret—one tangled in grief, guilt, and blood. Benji, desperate for answers, begins to learn about his death and himself. Their stories weave together, leading them both toward the answer to Why am I here? But the river is rising, the woods are waking, and what happened in the hollow could finally answer that question.

A Drop of Chinese Blood James Church,2012-11-13 James Church's Inspector O novels have been hailed as crackling good (The Washington Post) and tremendously clever (Tampa Tribune), while Church himself has been embraced by critics as the equal of le Carré (Publishers Weekly, starred). Now Church—a former Western intelligence officer who pulls back the

curtain on the hidden world of North Korea in a way that no one else can—comes roaring back with a new novel introducing Inspector O's nephew, Major Bing, the long-suffering chief of the Chinese Ministry of State Security operations on the border with North Korea. The last place Bing expected to find the stunningly beautiful Madame Fang—a woman Headquarters wants closely watched—was on his front doorstep. Then, as suddenly as she shows up, Madame Fang mysteriously disappears across the river into North Korea, leaving in her wake both consternation and a highly sensitive assignment for Bing to bring back from the North a long missing Chinese security official. Concerned for his nephew's safety, O reluctantly helps him navigate an increasingly complex and deadly maze, one that leads down the twisted byways of O's homeland. In the tradition of Philip Kerr's Berlin Noir trilogy, and the Inspector Arkady Renko novels, *A Drop of Chinese Blood* presents an unfamiliar world, a perplexing universe where the rules are an enigma to the reader and even, sometimes, to Inspector O. Once again, James Church has crafted a story with beautifully spare prose and layered descriptions of a country and a people he knows by heart.
