

Book Burned Ellen Hopkins

Ellen Hopkins

Burned Ellen Hopkins,2013-09-10 The #1 New York Times-bestselling author of Crank returns with a gripping, masterful novel, told in verse, that weaves a riveting story about a teenage girl who is raised in a fundamentally religious yet abusive family.

Smoke Ellen Hopkins,2015-02-03 After the death of her abusive father and loss of her beloved Ethan and their unborn child, Pattyn runs away, desperately seeking peace, as her younger sister, a sophomore in high school, also tries to put the pieces of her life back together.

Tricks Ellen Hopkins,2009-08-25 Five troubled teenagers fall into prostitution as they search for freedom, safety, community, family, and love in this #1 New York Times bestselling novel from Ellen Hopkins. When all choice is taken from you, life becomes a game of survival. Five teenagers from different parts of the country. Three girls. Two guys. Four straight. One gay. Some rich. Some poor. Some from great families. Some with no one at all. All living their lives as best they can, but all searching...for freedom, safety, community, family, love. What they don't expect, though, is all that can happen when those powerful little words "I love you" are said for all the wrong reasons. Five moving stories remain separate at first, then interweave to tell a larger, powerful story—a story about making choices, taking leaps of faith, falling down, and growing up. A story about kids figuring out what sex and love are all about, at all costs, while asking themselves, "Can I ever feel okay about myself?" A brilliant achievement from New York Times bestselling author Ellen Hopkins—who has been called "the bestselling living poet in the country" by Mediabistro.com—Tricks is a book that turns you on and repels you at the same time. Just like so much of life.

Glass Ellen Hopkins,2013-08-06 Kristina's descent continues in the New York Times bestselling sequel to Crank, now with a refreshed look and a trade paperback trim size. One little bit, my heart revs high, then settles into quick- step mode. How I've missed that race and pound. How I've missed the lack of control. Crank. Glass. Ice. Crystal. Whatever you call it, it's all the same: a monster. Kristina thinks she can control it. Now with a baby to care for, she is determined to be the one deciding when and how much, the one calling the shots. But the monster is strong, and before she knows it, Kristina is back in its grip...and it won't let go. The sequel to Crank, this is the continuing story of Kristina and her descent back to hell.

Burned Ellen Hopkins,2007-10-23 When Pattyn Von Stratten is sent to live with an aunt she doesn't know in rural Nevada

as a punishment for being expelled from school, she finds acceptance and love until her old demons come back to haunt her.

Triangles Ellen Hopkins,2012-06-26 Three female friends face midlife crises in a no-holds-barred exploration of sex, marriage, and the fragility of life.

Identical Ellen Hopkins,2008-08-26 Beneath their perfect family façade, twin sisters struggle alone with impossible circumstances and their own demons until they finally learn to fight for each other in this poignant tour de force from #1 New York Times bestselling author Ellen Hopkins. Sixteen-year-old Kaeleigh and Raeanne are identical down to the dimple. As daughters of a district court judge father and a politician mother, they are an all-American family...on the surface. Underneath run very deep and damaging secrets. What really happened in the car accident that Daddy caused? And why is Mom never home, always running far away to pursue some new dream? The girls themselves have become hopelessly divided over the years. Sick of losing Daddy's game of favorites, Raeanne turns to painkillers, alcohol, and sex to dull her pain her anger. Kaeleigh tries to be her father's perfect little flower, but being the misplaced focus of his sexual attention has her seeking control anywhere she can—even if it means cutting herself and unhealthy binge and purge eating. Secrets like the ones the twins are harboring are not meant to be kept—from each other or anyone else. Before long, it's obvious that neither sister can handle their problems alone, and one must step up to save the other, but the question is...who?

Perfect Ellen Hopkins,2013-12-03 In this riveting and startling companion to *Impulse*, northern Nevada teenagers Cara, Kendra, Sean, and Andre, tell in their own voices of their very different paths toward perfection and how their goals change when tragedy strikes.

Tilt Ellen Hopkins,2012-09-11 Love—good and bad—forces three teens' worlds to tilt in a riveting novel from New York Times bestselling author Ellen Hopkins. Three teens, three stories—all interconnected through their parents' family relationships. As the adults pull away, caught up in their own dilemmas, the lives of the teens begin to tilt... Mikayla, almost eighteen, is over-the-top in love with Dylan, who loves her back. But what happens to that love when Mikayla gets pregnant the summer before their senior year—and decides to keep the baby? Shane turns sixteen that same summer and falls hard in love with his first boyfriend, Alex, who happens to be HIV positive. Shane has lived for four years with his little sister's impending death. Can he accept Alex's love, knowing that his life, too, will be shortened? Harley is fourteen—a good girl searching for new experiences, especially love from an older boy. She never expects to hurdle toward self-destructive extremes in order to define who she is and who she wants to be. Love, in all its forms, has crucial consequences in this standalone novel.

Burned & Smoke (Boxed Set) Ellen Hopkins,2016-11-15 Pattyn Von Stratten searches for love and acceptance and discovers what it takes to rise from the ashes in this riveting duology told in verse from #1 New York Times bestselling author Ellen Hopkins. In *Burned*, it all started with a dream, the kind of dream that most teen girls experience. But Pattyn

Von Stratten is not like most teen girls. Raised in a religious—yet abusive—family, a simple dream may not be exactly a sin, but it could be the first step toward hell and eternal damnation. After Pattyn’s father catches her in a compromising position, events spiral out of control. Pattyn is sent to live with an aunt in the wilds of Nevada to find salvation and redemption. What she finds instead is love and acceptance—until she realizes her old demons will not let her go. In *Smoke*, Pattyn Von Stratten is on the run. After far too many years of abuse at the hands of her father, and after a tragic loss, Pattyn is desperate for peace. Only her sister Jackie knows what happened, but she is stuck at home with their mother, who clings to normalcy by allowing the truth to be covered up by their domineering community leaders. Without Pattyn, Jackie is desperately isolated. Is it even possible to rebuild a life when everything you’ve known has burned to ash and lies seem far safer than the truth?

Crank Ellen Hopkins,2013-08-06 Based on a real-life event and written in verse, this novel relates the disturbing story of one girl's descent into addiction.

Impulse Ellen Hopkins,2008-05-20 From the bestselling author of *Crank*, the story of three kids whose lives collide at a mental hospital after each attempts suicide. Sometimes you don't wake up. But if you happen to, you know things will never be the same. Three lives, three different paths to the same destination: Aspen Springs, a psychiatric hospital for those who have attempted the ultimate act—suicide. Vanessa is beautiful and smart, but her secrets keep her answering the call of the blade. Tony, after suffering a painful childhood, can only find peace through pills. And Conner, outwardly, has the perfect life. But dig a little deeper and find a boy who is in constant battle with his parents, his life, himself. In one instant each of these young people decided enough was enough. They grabbed the blade, the bottle, the gun—and tried to end it all. Now they have a second chance, and just maybe, with each other's help, they can find their way to a better life—but only if they're strong and can fight the demons that brought them here in the first place.

Rumble Ellen Hopkins,2016-02-02 Does it get better? The New York Times bestselling author of *Crank* and *Tricks* explores the highly charged landscapes of bullying and forgiveness in this “strong and worthy” (Kirkus Reviews) novel. Matthew Turner knows it doesn’t get better. His younger brother Luke was bullied mercilessly after one of Matt’s friends outed Luke to the whole school, and when Luke called Matt—on the brink of suicide—Matt was too wrapped up in his new girlfriend to answer the phone. Now Luke is gone, and Matt’s family is falling apart. No matter what his girlfriend Hayden says about forgiveness, there’s no way Matt’s letting those he blames off the hook—including himself. As Matt spirals further into bitterness, he risks losing Hayden, the love of his life. But when her father begins to pressure the school board into banning books because of their homosexual content, he begins to wonder if he and Hayden ever had anything in common. With brilliant sensitivity and emotional resonance, bestselling author Ellen Hopkins’s *Rumble* explores bullying and suicide in a powerful story that examines the value of forgiveness and reconciliation.

[The You I've Never Known](#) Ellen Hopkins,2018-01-30 How do you live your life if your past is based on a lie? Find out in

this “satisfied and moving story” (Publishers Weekly, starred review) in both verse and prose from #1 New York Times bestselling author Ellen Hopkins. For as long as she can remember, it’s been just Ariel and Dad. Ariel’s mom disappeared when she was a baby. Dad says home is wherever the two of them are, but Ariel is now seventeen and after years of new apartments, new schools, and new faces, all she wants is to put down some roots. Complicating things are Monica and Gabe, both of whom have stirred a different kind of desire. Maya’s a teenager who’s run from an abusive mother right into the arms of an older man she thinks she can trust. But now she’s isolated with a baby on the way, and life’s getting more complicated than Maya ever could have imagined. Ariel and Maya’s lives collide unexpectedly when Ariel’s mother shows up out of the blue with wild accusations: Ariel wasn’t abandoned. Her father kidnapped her fourteen years ago. In bestselling author Ellen Hopkins’s deft hands, Ariel’s emotionally charged journey to find out the truth of who she really is balances beautifully with Maya’s story of loss and redemption. This is a memorable portrait of two young women trying to make sense of their lives and coming face to face with themselves—for both the last and the very first time.

Fallout Ellen Hopkins,2013-08-06 Written in free verse, explores how three teenagers try to cope with the consequences of their mother’s addiction to crystal meth and its effects on their lives.

Traffick Ellen Hopkins,2017-01-24 Five teens victimized by sex trafficking try to find their way to a new life in this “sincere and moving” (Booklist) companion to the #1 New York Times bestselling Tricks from Ellen Hopkins, author of Crank. In her bestselling novel, Tricks, Ellen Hopkins introduced us to five memorable characters tackling these enormous questions: Eden, the preacher’s daughter who turns tricks in Vegas and is helped into a child prostitution rescue; Seth, the gay farm boy disowned by his father who finds himself without money or resources other than his own body; Whitney, the privileged kid coaxed into the life by a pimp and whose dreams are ruined in a heroin haze; Ginger, who runs away from home with her girlfriend and is arrested for soliciting an undercover cop; and Cody, whose gambling habit forces him into the life, but who is shot and left for dead. And now, in Traffick, these five are faced with the toughest question of all: Is there a way out? How these five teenagers face the aftermath of their decisions and experiences is the soul of this story that exposes the dark, ferocious underbelly of the child trafficking trade. Heartwrenching and hopeful, Traffick takes us on five separate but intertwined journeys through the painful challenges of recovery, rehabilitation, and renewal to forgiveness and love. All the way home.

The Crank Trilogy (Boxed Set) Ellen Hopkins,2013-10-15 The complete New York Times bestselling Crank trilogy is now available with exclusive bonus content. This boxed set makes a perfect gift and features trade paperback editions of Crank, Glass, and Fallout with striking new covers and special bonus content, including an essay from author Ellen Hopkins on the true story behind Crank and an essay from her daughter, the real “Kristina.” In Crank you’ll meet Kristina—and Kristina will meet crank. Acting under the guise of her alter ego, Bree, Kristina explores drugs, sex, and her own dark side. A

new mother struggling—and failing—to stay clean, Kristina’s downward spiral continues in *Glass*, and the outcome is chronicled in *Fallout*, which follows the lives of three of her children. They find themselves pulled toward the one person who links them together, yet discover that it is in each other, and in themselves, that they find the trust, the courage, the hope to break the cycle. This stunning trilogy from a master poet and #1 New York Times bestselling author with nearly 3.5 million books in print is a testament to the harsh reality that addiction is never just one person’s problem.

What About Will Ellen Hopkins, 2021-09-14 From #1 New York Times bestselling author Ellen Hopkins comes a new heartbreakingly tender middle grade novel in verse about the bonds between two brothers and the love they share. Twelve-year-old Trace Reynolds has always looked up to his brother, mostly because Will, who's five years older, has never looked down on him. It was Will who taught Trace to ride a bike, would watch sports on TV with him, and cheer him on at Little League. But when Will was knocked out cold during a football game, resulting in a brain injury--everything changed. Now, seventeen months later, their family is still living under the weight of the incident, that left Will with a facial tic, depression, and an anger he cannot always control, culminating in their parents' divorce. Afraid of further fracturing his family, Trace begins to cover for Will who, struggling with addiction to pain medication, becomes someone Trace doesn't recognize. But when the brother he loves so much becomes more and more withdrawn, and escalates to stealing money and ditching school, Trace realizes some secrets cannot be kept if we ever hope to heal.

Ellen Hopkins: Crank Trilogy Ellen Hopkins, 2012-10-01 Crank Kristina is the perfect daughter: gifted high school junior, quiet, never any trouble. Then she meets the monster: crank. And what begins as a wild ride turns into a struggle for her mind, her soul-her life. *Glass*. *Crank*. *Glass*. *Ice*. *Crystal*. Whatever you call it, it's all the same: a monster. Kristina thinks she can control it. Now with a baby to care for, she is determined to be the one deciding when and how much, the one calling the shots. But the monster is strong, and before she knows it, Kristina is back in its grip . . . and it won't let go. *Fallout* Nineteen years after Kristina met the monster-crank-her three children are reeling from the consequences of her decisions. Instead of one big, happy family, they are desperate tangle of scattered lives united by anger, doubt, and fear. There is more of Kristina in her children than they would ever like to believe. But when the thread that ties them together brings them face-to-face, they'll discover something powerful in each other and in themselves-the trust, the hope, the courage to begin to break the cycle.

Closer to Nowhere Ellen Hopkins, 2021-08-10 #1 New York Times bestselling author Ellen Hopkins's poignant middle grade novel in verse about coming to terms with indelible truths of family and belonging--now in paperback! For the most part, Hannah's life is just how she wants it. She has two supportive parents, she's popular at school, and she's been killing it at gymnastics. But when her cousin Cal moves in with her family, everything changes. Cal tells half-truths and tall tales, pranks Hannah constantly, and seems to be the reason her parents are fighting more and more. Nothing is how it used to be.

She knows that Cal went through a lot after his mom died and she is trying to be patient, but most days Hannah just wishes Cal never moved in. For his part, Cal is trying his hardest to fit in, but not everyone is as appreciative of his unique sense of humor and storytelling gifts as he is. Humor and stories might be his defense mechanism, but if Cal doesn't let his walls down soon, he might push away the very people who are trying their best to love him. Told in verse from the alternating perspectives of Hannah and Cal, this is a story of two cousins who are more alike than they realize and the family they both want to save.

This is likewise one of the factors by obtaining the soft documents of this **Book Burned Ellen Hopkins** by online. You might not require more times to spend to go to the book commencement as without difficulty as search for them. In some cases, you likewise get not discover the statement Book Burned Ellen Hopkins that you are looking for. It will categorically squander the time.

However below, when you visit this web page, it will be fittingly categorically simple to acquire as skillfully as download guide Book Burned Ellen Hopkins

Book Burned Ellen Hopkins Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature,

technology, science, history, and much more. One notable platform where you can explore and download free Book Burned Ellen Hopkins PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or

smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while

accessing free Book Burned Ellen Hopkins PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Book Burned Ellen Hopkins free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be

discovered right at your fingertips.
