Cultura Tattoo Sketchbook Tattoo Duke,2013 Here's a book that's inspired by the Mexican culture and history. Artist Tattoo Duke has gathered his collection of drawings, from fully rendered color images, to collages and unique hand sketches, and compiled them into this amazing reference source. Not only does this book feature artwork that could be described as Gangsta or Street, but it also features Aztec warriors, Raza-style artwork, Graffiti Art, even American Indian themes. The key, as with all art, is the shading. When the shading is done correctly it changes the entire impact of the artwork, whether it's rendered in full color or simply sketched in black & grey. This book features everything from beautifully, fully-shaded intricate collages, to simple sketches showing the design process. Tattoo Duke's artwork is a must for any artist/client that celebrates Mexican culture through tattoo designs.

**Tatau** Jean Tekura Mason,2001 Jean Tekura Mason's poetry reflects her life as a person living in two worlds - Polynesian and European. Some of her poems are reflective. Others are glib (and deliberately so). There is humour and there is passion - of love and hate, pagan faiths and Christian beliefs, ancestors and dancers, customs and politics, migrants and immigrants, and Pacific flora and fauna - all have stimulated Ms Mason to put pen to paper. At times incisive and descriptive, and at others deeply mooring, this book is a collection of poems which is both retrospective perceptive--Back cover

**Filipino Tattoos** Lane Wilcken, 2010 Tattooing is a very old and spiritually respected art form that has existed in many different cultures around the world. After many centuries of not being practiced in Europe, tattooing was re-introduced to the Western world through the inhabitants of the Pacific Ocean. Beginning in the 16th century, European explorers came across many people who practiced tattooing as an integral part of their cultures. This is the first serious study of Filipino tattoos, and it considers early accounts from explorers and Spanish-speaking writers. The text presents Filipino cultural practices connected with ancestral and spiritual aspects of tattoo markings, and how they relate to the process and tools used to make the marks. In the Philippine Islands, tattoos were applied to men and women for many different reasons. It became a form of clothing. Certain designs recognized manhood and personal accomplishments as well as attractiveness, fertility, and continuity of the family or village. Facial tattoos occurred on the bravest warriors with names that denoted particular honor. Through the fascinating text and over 200 images, including color photographs and design drawings, the deep meanings and importance of these markings becomes apparent.
